## Maddie's Matchmaker Adoptathon

- **Dates:** June 9 - 10, 2012
- **Total Funding:** \$1,958,500
- **Participating Organizations:** 63
- **Total Adoptions:** 2,601

2,601 dogs and cats found loving homes at the Third Annual Maddie's Matchmaker Adoptathon, held the weekend of June 9 - 10, 2012 in San Francisco, Alameda, and Contra Costa Counties. 965 pets were older and/or dogs and cats who had been treated for a medical condition.

To say that the 63 participating shelters and rescue groups were excited is an understatement. They began posting to the Adoptathon Facebook page the night before, sharing photos and messages about how volunteers and staff members were decorating their shelters and getting pets ready to be showcased.

Before the sun was even up the next morning, organizations were reporting lines of adopters waiting to be first in their doors. The first adopter in the door at Sunshine Rescue Group's San Leandro location was Bruce Elliot, who was so charmed by Cy, a sweet adult cat who is blind in one eye, that he adopted her.

Sunshine Rescue's great day continued, as they also found homes for:

- Two cats, Mickey, 16, and Jake, 7, who were adopted by a pastor in San Francisco because they were "most in need of rescue." Amen!
- Basil and Jasmine, 14-year-old cats they'd been trying to adopt together for over a year. Their new person said it broke her heart to see them alone, so she gave them a home.
- Mr. Happy, 7, one of those special cats who had nothing but love to give to anyone he ever met. Nose kisses are his specialty, and his purr can be heard for miles. He went home to be a companion to his new family's cat who they adopted at last year's Adoptathon.

Across the Bay, the San Francisco SPCA's first adoption was Cuthbert, a tiny terrier mix who had been found stray on the streets of the city after being hit by a car. After several surgeries including an amputation, he found his forever home with Jennifer, who said, "He needs a home really bad. The fact that he's injured and not like any dog made me want to help him out."

San Francisco's Muttville, which finds homes for senior and special needs dogs, had hoped to do a dozen adoptions; they doubled that, starting with Morty, an 8-year-old mixed breed dog adopted by Anna (also 8 years old) and her family. Said Mom, "We saw him in a Mill Valley parade a few weeks ago and couldn't stop thinking about him." Gizmo was another Muttville happy ending. Julia from San Rafael adopted the 6-year-old Chihuahua who lost an eye to glaucoma. Says Julia, "His missing an eye makes him endearing. He's a

real cuddler."

Who else found a home? Well, a total of 61 pets were adopted at Bay Street Emeryville in the first year this location was involved in the event.

San Francisco's Pets Unlimited found a home for Milton, an 8-year-old Chihuahua mix found wandering the streets with a jaw broken in two places. After several reconstructive surgeries, he's able to close his mouth, eat solid food, and bark!

At Tony La Russa's Animal Rescue Foundation in Walnut Creek, the first adopter arrived at 4:30 am and camped out at the door. She had been checking the website looking for a dog, and found just the one she wanted, a 6-month-old Sharpei mix. When a Maddie's Fund staffer arrived at 9 am, 25 other people had joined her, waiting for the doors to open at 10.

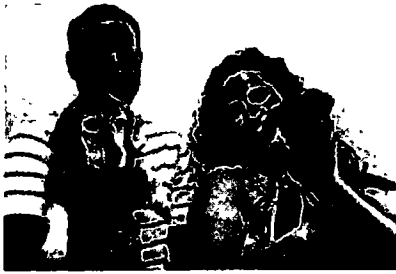

At Oakland Animal Services, it was like New Years Eve in Times Square when the one-hundredth adoption took place. The bells rang, horns blew, and all staff and volunteers gathered around as Briana, a dog who had been picked up in a rough section of Oakland, extremely matted with pieces of chicken wire, finally went home.

OAS is also where a tiny little dog called "Nancy Drew" found love, and got a name change. From her new family: "This little girl found a forever home with my parents. She left Oakland Animal Services named Nancy Drew. Amazingly, Maddie is what she responds to and shall forever be named!

Maddie's Fund founder Dave Duffield also stopped by Oakland Animal Services, where he fell in love with Gus, a 105-pound "pup" who had been at the shelter for 9 months. Dave went to Facebook with a plea for someone to adopt Gus, and when a couple from San Mateo saw it,

they rushed in their car to adopt him. They had lost their dog two weeks ago and fell in love with this gentle giant.

Rosie the Beagle was another lucky pup who found a home with Dave's help. Rosie was the only dog not adopted on Saturday at Valley Humane Society. She had some health issues, including an undiagnosed mammary mass, and hadn't been potty trained. That didn't stop her new family from falling in love with her, leading

to a happy ending in a house with a doggy door for Rosie. Her new mom is a teacher, so she's looking forward to a summer vacation full of teaching Rosie the rules of the house with the help of Rosie's new pal, Ginger the Daschund.

For the second year in a row, Stoneridge Shopping Center in Pleasanton was one of the hottest adoption sites of the weekend, thanks to their overwhelming hospitality and social media support. A total of 133 happened there.

Stoneridge is where Cuddles, the very last adoption of the weekend for Safe Cat Foundation, found her forever home with an employee of Macy's in the shopping center. Cuddles is 10 years old, and was born without her hind legs. Her previous owners claimed she was too much trouble, but her new family only sees her sweet personality and desire to live, despite her limitations.

Another Stoneridge success story was Aries, 11, whose nickname was "Lumpy" due to a few fatty tumors. He'd been passed from his first owner to a dog walker, who brought him to a veterinarian to be euthanized due to separation anxiety. Instead, the vet called East Bay Animal Rescue and Refuge (EBARR), who took Aries in. His potential adopters had a dog who could keep Aries company, and when they brought him in for an Adoptathon "meet and greet", the two were clearly best friends. They adopted Aries, and report that he's "super smart and well-trained," and has already been to the vet for a check-up. Even though all adoptions were free that weekend, Aries' new family made a \$500 donation to EBARR.

Other EBARR adoptions include:

- Victory, a toy poodle of around 15 years, transferred from Animal Services in Martinez the day before she was to be euthanized. Victory has a lot of health issues, including arthritis, cataracts in both eyes, 13 teeth needing pulling, and bad hearing.
- Giuseppe, who had been at EBARR for almost a year. He had horrible digestive issues and couldn't walk without going to the bathroom. Had been to several specialists who couldn't find anything, so they did an exploratory surgery ("thanks to Maddie's Fund grants"). They found out that he had a stricture in his colon, which was corrected.
- MeetMeet (named after the noise from the Road Runner cartoon), pulled from the Contra Costa County shelter. He was hit by a car and had his leg amputated at the shelter, followed by a toe after he came to EBARR.

Good Newz! Pittie Pups Rescue took pregnant Mila from the shelter the day before she was scheduled to be euthanized. A week later, she had 11 puppies. By Saturday afternoon, they had already adopted 4 of her 5 remaining puppies at PETCO in Brentwood. Mila was very happy to see her babies find loving homes.

Everyone thought Goofy was going to be hard to find a home for because of the high energy and personality that earned him his name. Everyone was wrong, because he was the first adopted on Saturday at the Antioch Animal Shelter. His new family showed up at 6 am to make sure that Goofy could come home with them. They've since re-named him "Buster". Welcome home, Buster!

## Lifesaving Award Grant Guidelines

Maddie's Fund® has established special Lifesaving Awards to recognize communities that are leading the way in saving animal lives.

These awards are designed to acknowledge the outstanding contributions being made by coalitions consisting of Traditional Shelters, Adoption Guarantee organizations, and Animal Control agencies in which all groups have already implemented:

- an adoption guarantee for healthy pets in their target community and are likely to sustain it in the future (Adoption Guarantee Community); or
- an adoption guarantee for all healthy and treatable shelter pets in their target community and are likely to sustain it in the future (No-Kill Community).

This award is community-based and must be applied for on behalf of a coalition. Communities in the United States with a human population of 200,000 or more are eligible to apply. An individual animal welfare organization is not eligible to apply for this award unless it's doing so on behalf of a coalition.

If you are interested in applying for a Lifesaving Award Grant, please contact Maddie's Fund at [grants@maddiesfund.org](mailto:grants@maddiesfund.org) or 510.337.8989.

## ***Colleges of Veterinary Medicine Grant Guidelines and Application Instructions***

*Revised 3/15/2012*

Maddie's Fund envisions a time when animal shelters will truly be shelters – temporary refuge for nurturing and rehabilitation of dogs and cats awaiting loving new homes. In order for this to happen, we need to prevent healthy shelter pets from getting sick and help the sick pets get well. Most animal shelters today lack professionally trained veterinary staff to maintain wellness programs and/or comprehensive treatment programs for the very young, sick, injured and poorly behaved.

Maddie's Fund has elected to support U.S. Colleges of Veterinary Medicine that are seeking to establish shelter medicine programs that support the no-kill philosophy. We are providing funding for the development and implementation of shelter medicine programs that will ultimately improve the quality of shelter pets' lives, reduce shelter deaths, increase the adoption of shelter animals and lay the foundation for saving all treatable shelter pets.

Through newly developed curricula, hands-on shelter experience, and shelter related research, shelter medicine programs will introduce veterinary students to this newly emerging discipline of veterinary medicine and create a well-informed pool of shelter medicine specialists for the future.

As lifesaving efforts for healthy animals improve, all shelters\* – traditional, animal control and adoption guarantee – will be able to focus more attention and resources on treatable animals – the very young, sick, injured and poorly behaved. A new generation of shelter veterinarians is desperately needed to administer medical and behavioral care for shelter dogs and cats with contagious diseases, behavior disorders and other ailments.

## Medical Equipment Grants

### Maddie's® Medical Equipment Grant Guidelines

Maddie's Fund® offers grants to adoption guarantee shelters for the purchase of new medical equipment. Any adoption guarantee shelter that is located in the U.S. and employs at least one full-time veterinarian (not an equivalency) who spends at least 50% of his/her time caring for the animals in their shelter is eligible to apply.

An adoption guarantee shelter saves all the healthy and treatable animals under their care, with euthanasia reserved only for unhealthy & untreatable animals. An adoption guarantee organization can be an animal shelter, rescue group, foster care organization, or sanctuary.

An animal organization does not have to say it's an adoption guarantee organization to qualify for this funding opportunity, but it does have to: (1) save all healthy and treatable animals under its care and make public its commitment to doing so; (2) clearly articulate to its community that it is saving all healthy and treatable animals under its care; (3) use the definitions of healthy and treatable as described in the Asilomar Accords; and (4) agree to publish, at least annually, in the organization's primary publications and on its website the organization's shelter statistics using the Maddie's Fund Animal Statistics Table.

Proposals should include the description and cost of the medical equipment to be purchased; the number of animals to be cared for as a result of the equipment; a general overview of the shelter's current medical program(s); proof of the organization's tax exempt status (i.e., a copy of the organization's IRS Determination Letter); evidence that the shelter meets the full-time veterinarian requirement; and annual shelter statistics from the most recent calendar year using the Animal Statistics Table. Grant size is determined by the impact the grant will have on saving the healthy and treatable shelter dogs and cats in the community. Applicants may only submit one Maddie's® Medical Equipment grant request every three years.

To qualify for a Maddie's® Medical Equipment grant, adoption guarantee shelters must agree to annually publish their shelter statistics using the Maddie's Fund Animal Statistics Table in primary publications and on their website.

Qualified applications will be submitted to the Maddie's Fund Board for their review and approval. All funding decisions are at the discretion of the Maddie's Fund Board.

Proposals should be sent to Maddie's Fund via e-mail ([grants@maddiesfund.org](mailto:grants@maddiesfund.org)) or mail (Maddie's Fund, 2223 Santa Clara Avenue, Suite B, Alameda, CA 94501). If you have any questions, please contact Maddie's Fund at 510.337.8989 or [grants@maddiesfund.org](mailto:grants@maddiesfund.org).

# Community Shelter Data Grants

## Maddie's® Community Shelter Data Grant Application Instructions

### I. Eligibility

### II. How to Apply

### III. The Review Process

### IV. Funded Project Requirements

### V. Grant Distribution

## I. ELIGIBILITY

Coalitions of animal groups operating in any county, region or state in the United States with a human population of 200,000 or greater may be eligible to apply for these grants. This is not a funding opportunity for an individual animal group. The data collection and reporting needs to be community based.

Shelter statistics need to be collected from all groups participating in the coalition. *At a minimum*, the coalition must include all animal control agencies and all traditional shelters located in the target community. The coalition also needs to provide an opportunity for adoption guarantee organizations located in the target community to participate. Each participating group in the coalition must agree to publish their shelter statistics on their website and in at least one major publication (annual report, newsletter, etc.).

Animal groups located in Maddie's Fund-supported project areas are not eligible to apply for this grant.

## II. HOW TO APPLY

*Prerequisite: Interested applicants must submit a Pre-Grant Inquiry.*

To apply for a Community Shelter Data Grant, coalitions must submit a *Pre-Grant Inquiry* using the Maddie's Fund form. The *Pre-Grant Inquiry* provides a thumbnail sketch of the target community. It identifies the geographic area comprising the target community, lists the participating groups in the coalition, and reports basic shelter data community-wide for the most recent calendar year.

Interested applicants may submit the *Pre-Grant Inquiry* to Maddie's Fund by email ([grants@maddiesfund.org](mailto:grants@maddiesfund.org)) or mail (Maddie's Fund, 2223 Santa Clara Avenue Suite B, Alameda, California, 94501).

After the *Pre-Grant Inquiry* has been submitted and reviewed, Maddie's Fund will let the contact organization (identified in the Pre-Grant Inquiry) know if they are eligible to submit a full application for this grant.

If Maddie's Fund decides that the coalition has the elements necessary to apply for a *Community Shelter Data Grant*, Maddie's Fund will invite the coalition to submit a *Community Shelter Data Grant Application*.

### III. THE REVIEW PROCESS

Community Shelter Data Grant applications can be submitted year round. There is no deadline for submission. Applications should be sent to Maddie's Fund via e-mail ([grants@maddiesfund.org](mailto:grants@maddiesfund.org)) or snail mail (Maddie's Fund, 2223 Santa Clara Avenue, Suite B, Alameda, CA 94501).

Qualified applications will be submitted to the Maddie's Fund Board of Directors for their review and approval. All funding decisions are at the discretion of the Maddie's Fund Board of Directors. Funding decisions will be communicated to the coalitions by the Maddie's Fund staff.

### IV. FUNDED PROJECT REQUIREMENTS

If your application is approved for funding, Maddie's Fund will prepare a grant contract for review and signature by the animal group that applied for the grant on behalf of your coalition. The contract includes a confirmation letter outlining the terms and conditions of the grant, an indemnity agreement, and a Maddie Recognition Plan.

Grantees will be expected to:

- honor the Maddie's Fund core values of honesty, integrity, and mutual respect;
- agree to maintain cordial, professional relations with colleagues and the public;
- carry on public debate and discussion without personal attacks or recriminations;
- submit to Maddie's Fund annual shelter statistics from each group participating in their coalition and community-wide for three years after the grant is awarded;
- publically report their individual and community shelter statistics for each year of the grant; and
- follow a special recognition plan, commensurate with the level of funding received, honoring Maddie, the Miniature Schnauzer, whose lifetime of unconditional love and devotion inspired the creation of Maddie's Fund.

### V. GRANT DISTRIBUTION

Grant Size: \$10,000 - \$40,000

Each participating group, regardless of its operational model or approach, is eligible to receive a portion of the starter grant funding.

The *Community Shelter Data grant* will be awarded in one installment upon approval of the grant application and after receipt of the signed grant contract.

The allocation of grant funds to each participating group will be based on a percentage of the total performance (adoptions and transfers). For the purpose of this calculation, transfers are double counted - the animal control agency or traditional shelter that transfers the animal (discounted by 50%) and the adoption guarantee group that receives the animal are credited.

***For example***, The Maddie's Fund Board of Directors awards a \$40,000 Community Shelter Data Grant to Coalition A. They had submitted a completed Community Shelter Data Grant Application and individual shelter and community-wide statistics for Calendar Years 2010 and 2011 using our Asilomar Accords format. Moreover, they agreed to publicly report their individual and community-wide annual statistics for Calendar Year 2011 on their websites and in their major publications and agreed to submit and publicly report their statistics for 2012, 2013, and 2014.

The \$40,000 grant will be allocated among the participating groups in Coalition A based on their 2011 shelter statistics. In 2011 the participating animal control agency (AC) performed 1,500 adoptions and transferred 600 animals to participating adoption guarantee organizations (AGO), the participating traditional shelter (TR) performed 1,000 adoptions and transferred 200 animals to participating adoption guarantee organizations, and the four participating adoption guarantee organizations (AGO) performed 2,000 adoptions and received 800 dogs and cats from the animal control agency and the traditional shelter.

Total Performance for this project is 5,700 adoptions and transfers community-wide.

Following the plan outlined above, the animal control shelter would receive \$12,800 or 32% of the grant (1,800 divided by 5,700), the traditional shelter would receive \$7,600 or 19% (1,100 divided by 5,700) and the adoption guarantee organizations would split \$19,600 or 49% of the grant (2,800 divided by 5,700) according to the number of adoptions they performed plus the number of transfers they received from the animal control agency and the traditional shelter in 2011.

## Community Collaborative Grant Guidelines

Maddie's Fund® wants to help communities achieve no-kill status, whereby all their healthy and treatable shelter dogs and cats are guaranteed loving homes. To achieve this goal, Maddie's Fund intends to financially support community-wide collaborations of adoption guarantee organizations, animal control and traditional shelters, and private practice veterinarians. Currently, Maddie's Fund is interested in funding communities that are saving all (or a majority) of their healthy shelter dogs and cats and are looking for assistance to save their treatable shelter dogs and cats. (*For an explanation of these terms, please refer to the [Animal Organization Categories and Health & Behavior Categories for Animal Shelters](#) documents.*)

There are two programs within the Community Collaborative Project, Maddie's® Pet Rescue Project (adoption program) and Maddie's® Spay/Neuter Project (spay/neuter program), which both must be applied for together.

If your community is interested in applying for a Community Collaborative Project Grant, please contact Maddie's Fund at [grants@maddiesfund.org](mailto:grants@maddiesfund.org) or 510.337.8989.
