VOLUNTEER FIREMEN of the Chelsea Fire Dept. were guests of the Kiwanis Club Monday in what the club feels is a highlight of the year when they have a chance to say "thank-you" to a dedicated group of men. Those present were, from left, Bob Draper, 1st assistant chief Dan Ellenwood, chief Bud Hanker, Merle Leach, Steve Jaskot, Keith Stillon and Kenneth Bauer. Others not present for photo are Larry Koch, Steve Taylor, Shane

Keezer, assistant chief 4 Jerry Kenney, Joel Boyer, Tom Keezer, Matt Hanker, Chris Smith, Mike O'Neill, assistant chief 2 Tom Osborne, Kevin Van Orman, Doug Eder, Larry Gaken, Keith O'Neil, assistant chief 3 Bill Paul, Cliff Blackford, Randy Stowe, Bob Liebeck. Capt. Chris Hogen of the Michigan State Police was guest speaker for the occasion.

CHELSEA POLICE were honored guests at Monday evening's Kiwanis Club meeting, an annual event of recognizing these community servants. Present for the occasion were, left to right, Robin Wright, Chief Lenard McDougall, Chris Minix, Matt Cole, Ron Lacro, John Dettling, Glenn Culler, Randy Layher, Tom Gilbreath, Dave

Sprinkle, Richard Foster, Dennis Hall, Terry Parsons, Rodney Schneider. Not present for photo are Kevin Doll, Phil Boham, Robert Clark, Rick Boham, Steve Jaskot, Joe Smith, Keegan Stiff, Michael Grissom, David Dettling, Paul Whelan, Mike Foster, Chris Kruger, Scott Sumner and Matt Phillips.

School Board Names Edward Richardson New Superintendent

After a seven month vacancy, a new superintendent was named by the Chelsea School Board during its regular meeting Monday night.

Edward D. Richardson, who is currently the superintendent of the Olivet Community Schools, replaces Joseph Piasecki, who was murdered while on the job by disgruntled science teacher Stephen Leith.

This is the second time Richardson has taken over for a deceased superintendent. He replaced Olivet's superintendent, who died from leukemia.

The three-year contract Richardson accepted on Monday is set to begin on July 1, after he finishes his work in Olivet.

Richardson said he wants to listen to the community's concerns before he decides what action he is likely to take.

"My number one priority will be to listen to the school community and the community at large," Richardson said. "I want to hear what they have to say. I would like to be perceived as a helper."

"Chelsea has a history of excellence," he continued. "We want to build on that excellence."

"I don't want to be perceived as a white knight, but rather as a friend."

Richardson, who helped the Olivet School system construct new facilities totaling \$9.4 million, was chosen from a field of 58 candidates which were narrowed down to six finalists.

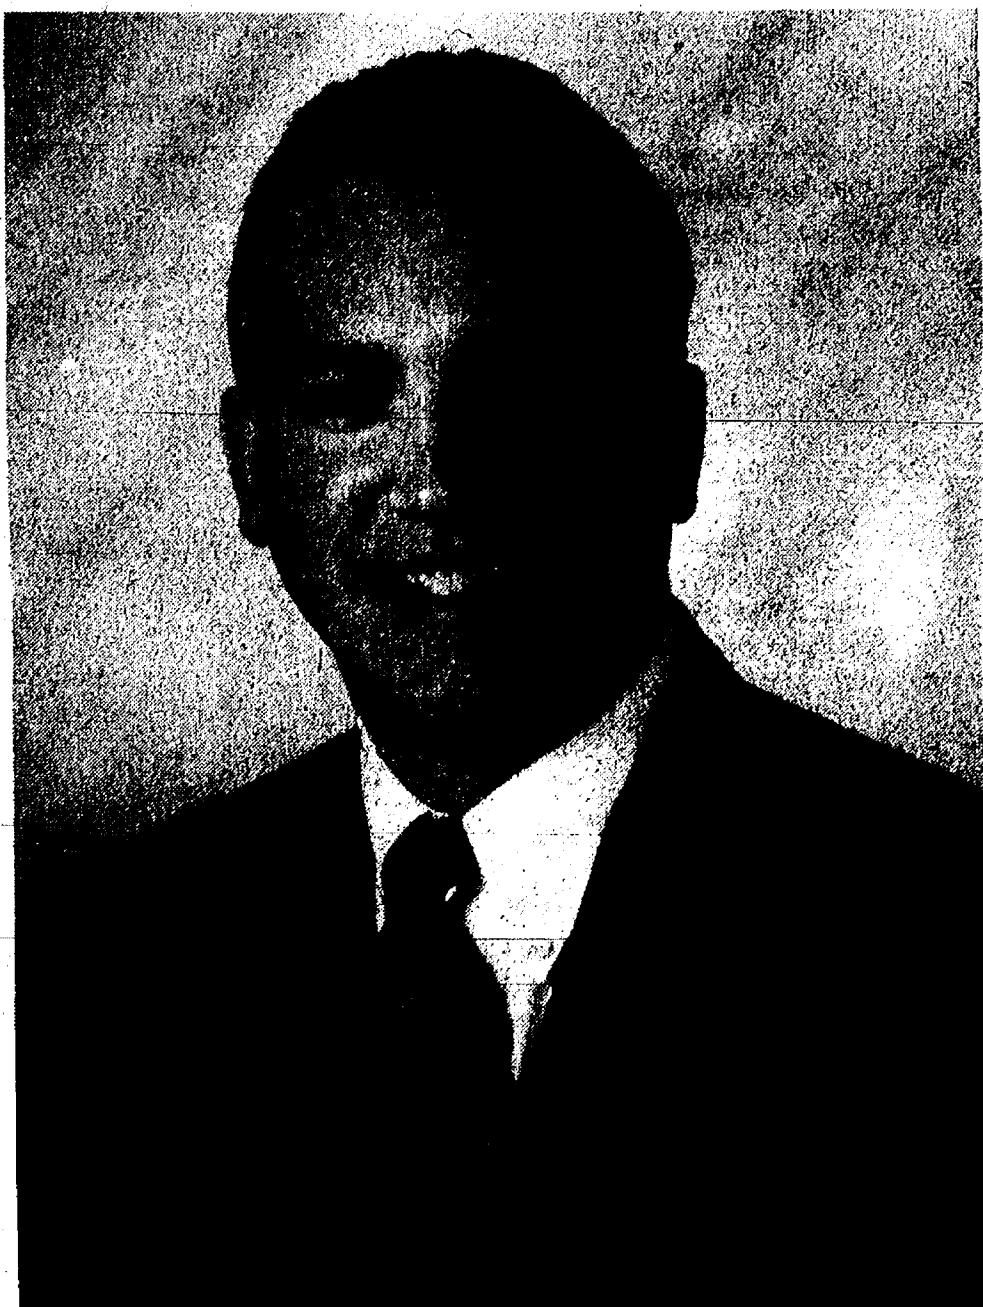

Richardson was instrumental in developing unique techniques in school administration. While superintendent at Olivet, he implemented a hiring process which requires teachers to teach and identifies past behaviors as predictors of future performance; and he began Olivet's first internal staff newsletter to communicate important decisions during crisis.

However, Richardson said he would have to evaluate what was right for Chelsea before proposing any changes to the curriculum.

"I would have to first find out the priorities are for Chelsea," Richardson said. "I need to learn Chelsea's philosophical base."

The new superintendent said he hoped his commitment to the Chelsea School system was one of the deciding factors to his being named to the position.

"I don't know their base (for the decision)," Richardson said, "but, I

EDWARD D. RICHARDSON
Chelsea's New Superintendent of Schools

hope I communicated my commitment to Chelsea to them."

"I only wanted to come to Chelsea," he said. "I applied nowhere else. There were 20 (superintendent positions) available in the state, and I chose no other."

Richardson received his Bachelor of Arts degree in English from Olivet Nazarene College (Illinois) in 1977. He went on to teach junior/senior high school special services at Madison Community schools in Adrian after graduation.

Richardson furthered his study at Eastern Michigan University, receiving a Master of Arts degree in English in 1984 followed by a Master of Arts degree in Education in 1987.

After teaching in four different

school districts between 1979 and 1989,

Richardson signed on as principal of Olivet High school in 1989 and was appointed superintendent at Olivet in 1991.

In 1988, he was accepted as a doctoral candidate by Western Michigan University.

He said he has already begun the process of becoming acquainted with the Chelsea School system, but some acclimation could take upwards of two years.

Richardson will be accompanied in Chelsea by his wife of almost 18 years, Myra and their three children, Diane (12), Audrey (10) and Taft (seven). All three children will attend public schools here in Chelsea, Richardson said.

Open House Set Sunday For 'Next Miss America!'

Chelsea resident, Laurie Honbaum is well on her way to the dream of the Miss Michigan crown when she competes in Muskegon on June 16, 17, and 18. Approximately 50 residents will be travelling to Muskegon in hopes of seeing Laurie bring the Miss Michigan crown back to Chelsea.

Laurie will be entering the Miss Michigan pageant as Miss Redford Township as Washtenaw county no longer has a sanctioned pageant with the Miss America Association.

The community is invited to attend a "Community Good Luck" send-off for Laurie on Sunday, May 22 at the Fair Service Center from 1 to 4 p.m. Refreshments will be served and this will give our community a chance to show our support and extend good luck wishes to her.

Chelsea has never had a Miss Michigan contestant before so we are looking forward to a large turnout.

If Laurie wins the Miss Michigan crown, she will be off to Atlantic City in September to compete for the Miss America title.

The Open House is being sponsored by the Chelsea Chamber of Commerce, BookCrafters, Fair Board, and Hatch Stamping. Organizing this event is the 1994 Chelsea Community Fair Queen Committee, Sally Hell, Diane Cunningham, Janice Heidtman, Janice Hatch, Vanessa Prusakiewicz and Lydia Sorosh. According to chairperson Hell, "the community has been wonderful in supporting us and many individuals and businesses have offered donations and their time, which is greatly appreciated."

Laurie was the Chelsea Fair Queen in 1987 and since then, has been in many pageants to prepare her for the Miss Michigan competition.

All former Chelsea Fair Queens are being invited to this event, beginning with the 1981 Queen and our current queen, Arnie Hatch will be serving coffee.

Village Council Approves Contamination Investigation

Possible gasoline contamination under the Department of Public Works garage has prompted investigative action from the Chelsea Village Council.

Village Manager Jack Myers said the Village Council approved additional soil boring investigations at the DPW garage (North Street) during the Village Council's meeting Tuesday, May 10.

The investigations, which were contracted out to The Traverse Group (Ann Arbor) for \$12,000, are to begin on Wednesday.

The Traverse Group will begin using monitoring wells on the East side, as well as directly underneath the building.

Monitoring wells were used on the North and West sides of the building for earlier detection, and both areas were determined to be free of any contamination.

The contamination appears to be located directly under the DPW building exclusively. The Village Council hopes the investigations will answer some of its questions: Where does the contamination go and how much is there?

Myers said the contamination, which is from past gasoline tanks that were pulled up in June of 1990, is not determined to be harmful to the general population.

The Village Council also announced

that the \$12,000 it will pay for the investigations will be reimbursed by the Michigan Underground Storage Tank Fund Administration (MUSTFA).

Myers said there are several courses of action Chelsea can take depending on circumstances involved with the contamination levels.

"It depends on the extent of the contamination," Myers said. "Remove the rest of the building or look at the remediation to clean it up."

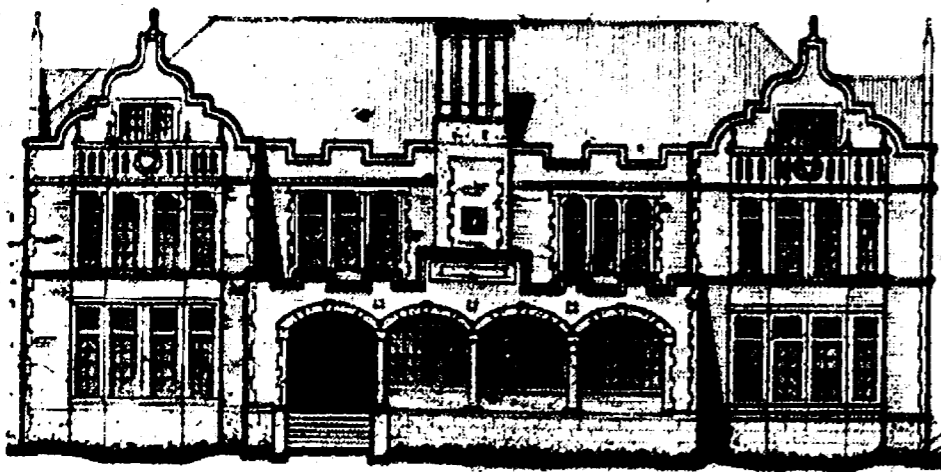

However, there are other concerns the village will have to look into if the building has to be removed.

"Where are we going to put the mechanics garage and DPW if the building has to be torn down?" Myers asks.

ELEVEN CHELSEA TEACHERS accepted an offer by the Chelsea School District to take early retirement. These retirees were honored by the Chelsea Education Association at a Retirement Dinner Saturday at Weber's Inn, Ann Arbor. Retirees at the end of the school year are, from left, Warren Mayer, 25 years; James Hoffmeyer, 35

years; Phil Bareis, 28 years; Helen Bareis, 28 years; Richard Bareis, 28 years; Tom Morrison, 33 years; Terry Curtis, 25 years; Jon Schaffner, 28 years; and James Hoert, 31 years. Not present for photo were Bud Janich, 22 years; and Nancy Van Blaricum, 22 years.

Downtown Chelsea's Secretary of State office might be moved to another village site after the first of the year. Although state officials say they won't make a final decision until early July, they have visited several sites in the village, all south of the immediate downtown area, said field officer Hans Hertrich. The primary problem with the current building is handicap accessibility, Hertrich said.

The village landfill may close to everyone but village residents and businesses on June 1. "May" is the key word. Village council met in a special session last week and did not make a concrete decision as to how long township residents will be able to use the facility, said village manager Robert Stalker.

Chelsea ophthalmologist Dr. William Hawks has made several charitable trips to the Kingdom of Nepal over the last decade to battle various forms of eye disease and normally expects his greatest challenges to be medical ones. However, in the most recent trip in late March and early April he landed in the middle of a country on the verge of political upheaval. He witnessed pro-democracy demonstrations, including a strike by physicians in Katmandu, the country's capital city. And he managed to change his airline tickets home just before a general strike was scheduled to grip the country.

New salaries for Chelsea School District administrators were approved at the Monday, May 7 meeting of the board of education. According to the district, the commitment by the board was to have administrators at the average of Dexter, Saline and Lincoln administrators. Chelsea School District says its administrative salaries are still below the average of those schools even though they were

computed during the most recent rounds of negotiations, and the board will work toward achieving the average with salaries in the future.

★ Solving Problems in Unemployment Insurance

By Stephen M. Colarelli and Lawrence Brunner

The unemployment insurance (UI) system in the United States is out of date and in trouble.

Congress created the existing system nearly 60 years ago, and it has remained essentially the same despite changes in the economy and in the nature of unemployment. Chipping away at its integrity are three basic problems.

First, UI cannot meet its financial obligations during economic downturns without federal aid or deficit spending. Employers pay into a general fund that is supposed to have adequate financial reserves. Yet, many states borrow billions of dollars from the federal government to cover payments made during times of high unemployment.

Second, the system is out of touch with today's unemployment realities. Its purpose was to tide the unemployed over while they looked for work. It was based on the assumptions that unemployment is due to cyclical economic swings and that people who lose their jobs in bad times will get them back when the economy improves.

Now, however, many people are losing their jobs because of long-term, structural shifts in the economy. Tiding people over is no longer helpful when their jobs are permanently gone. They need, instead, the resources and opportunities to retrain for new careers. Unfortunately, the benefits paid out are often inadequate for breadwinners to support a family, train for a new career, and find a job. (In Michigan, for instance, maximum benefits are \$283 per week, usually for 26 weeks.)

Another reality the current system does not accommodate is women in the work force. In the 1930s, when

Congress developed the present system, women comprised about 30 percent of the work force; they now make up about half. However, because of their role in bearing and rearing children, women still have more intermittent employment patterns than men. For instance, they are employed more often than men in part-time work, and leave and re-enter the work force. UI's eligibility requirements are based on a permanent attachment to the work force, which puts women automatically at a disadvantage.

Third, the system encourages layoffs and seasonal employment. It compels employers who maintain long-term, stable employment patterns to subsidize those employers who frequently lay employees off.

Clearly, UI needs an overhaul. Clinton administration officials have floated at least one plan, but it is a mere revision of the old system, plus more government spending and control. It provides no additional incentives for the unemployed to look for work and it could cost the taxpayers an extra \$2 billion in training funds and \$1 billion in benefits.

Truly fundamental reform capable of resolving UI's present troubles must transfer the primary responsibility for unemployment insurance to individual workers. Creation of Individual Unemployment Accounts (IUAs) is an innovative way to accomplish just that. The IUA would be a portable individual trust that belongs to the employee, and would work much like today's Individual Retirement Accounts (IRAs). IUA holders would be personally responsible for investing and managing their IUA funds. They would be funded by voluntary, tax-free contributions from each worker and/or the employer. The worker would have ac-

cess to the funds any time that he is without a job.

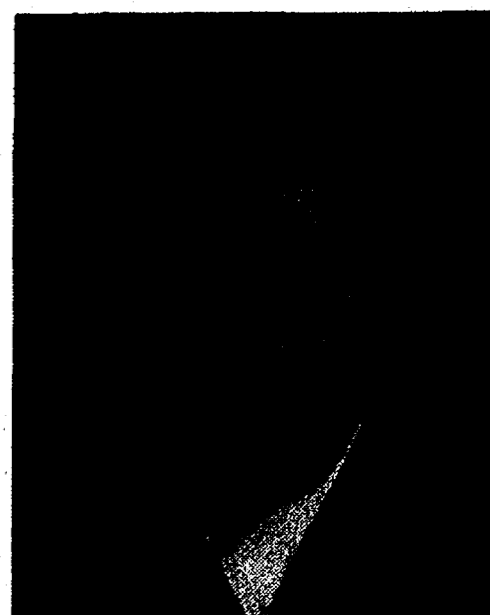

An IUA system would relieve government of most of the cost of unemployment benefits. State governments would not be burdened with debt to pay for benefits during recessions and the federal government would not have to concern itself with balling the states out or extending benefits to score political points, as is done routinely today. Finally, the IUA would motivate the unemployed to find new jobs or careers quickly because they would be financing their unemployment benefits with their own money.

Employees would benefit from increased financial security and control over their working lives. An IUA could provide an individual with substantial financial reserves over time, all the while adding to the nation's savings pool and available capital. The unemployed could use some or all of their IUA funds to pay for training for a new career, to capitalize their own small business, and otherwise get by while looking for new employment. Women (or men) who temporarily leave the work force would not lose benefits; they would simply draw from their personal accounts.

The transition from the current system to one based on IUAs could be done simply and voluntarily. Employees and employers could have the option of choosing between one or the other.

Given the opportunity to choose between a restrictive, bureaucratic, and politicized system and one that gives individual employees the freedom to control their own career planning, we believe most would choose the latter.

Election of officers will be held, and a presentation by Carol Ring titled "A Good Time To Go" will be the subject of the program. Ring's presentation will focus on migration patterns and reasons our ancestors migrated in spite of hardships and dangers; routes and movements from state to state; traveling to the Midwest. Ring is past president of the Oakland County Genealogical Society and past state chair of the Lineage and Genealogy Committee of Daughters of the American Revolution.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

General, I do more listening than talking at the country store, but Saturday night I opened the session with a comment about how everything is getting switched around lately, and the subject caught on like a match to dry broom straw. I reported where North Carolina is sending a delegation on a tour of Europe to learn why hog farms stink. Use to, a visit to the nearest hog pen would provide all the evidence the delegation would need.

Immediate, Bug Hookum said the same thing is happening in Texas, where a murderer on death row says he ought to get a new trial. The man's lawyer said his client wouldn't of killed four people in a pawn shop robbery if his depression had been caught and treated. The lawyer went on to say doctors didn't find out about his disease until he was on death row. Not long back, Bug said, doctors wouldn't be surprised if a fellow locked in a cage waiting to die got down in the dumps.

Bug got to talking about how germs and viruses have got immune to antibiotics and wonder drugs, and doctors are switching back to natural herbs. Furthermore, some of mainline medicine has gone so far as to say there might be someone in treating the mind to treat the body.

As for that mind and body switch, Bug said he saw a skeleton of a woman on TV recent that sees herself fat in the mirror. If we can bottle and sell what she's taking, Bug said, we can quit worrying about overweight being a health problem in this country. All we got to do is perscribe a mirror every morning for all the folks who think they're fat.

Furthermore, Bug went on, he saw

where Americans spend \$2.4 billion a year on pain killers, mouthwash, laxatives and mouthwash that reserch shows ain't worth a dime. Eating right, bathing regular and practicing good oral hygiene will take care of these problems, and Bug said if that ain't switching back to basics he'd like to know what is.

Final, Ed Doolittle got the floor to report where highway safety experts say we got to switch our attention from drunk drivers to drunk walkers. A report showed that 5,530 pedestrians were killed in traffic accidents in 1992. Of these, 1,720 were drunk. While the percent of drunk driving deaths has dropped over the past 10 years, walking traffic deaths has gone up. Furthermore, Ed went on, the traffic total doesn't count drunks that walked in front of trains.

Practical speaking, Ed said, it's good to be concerned about drunk walkers, but there's not a grain of salt big enough to be took with some of the reserch going on. He read where a long term study has showed that old people in rest homes need five hugs a day to stay mentally healthy. He said he's willing to bet the experts that came up with that particular number were the ones that figured out aging is contagious. Reserch showed that adults age a year every year, but a four-year survey of 20 kindergarten classes found that the average age was five every year. The finding was that aging is caused by exposure to adults who are aging.

Final, the fellows stuck tongue in cheek and agreed that somewhere here is a cure for second childhood.

Yours truly,
 Uncle Lew.

Woman's Club Installs Officers

Members of the Executive Board of the Woman's Club of Chelsea were hostesses at the May Dinner May 10. Flowering begonias decorated the tables and became favors for guests to take home. The lovely centerpiece on the head table was given to the incoming president.

Virginia Johnson, past president, installed the officers elected for the 1994-95 club season: president, Shirley Smith; co-vice-presidents, Janet Fulks and Donna Lane; treasurer, Betty Oesterle; and parliamentarian, Lucile Finkbeiner. A new member, Alberta Wade, was inducted and given a hearty welcome.

A gift of appreciation was presented by the club to Lois Moore, retiring president, for her two years of dedicated service as president. Retiring officers received gifts of appreciation from the retiring president.

The club will host the annual Marathon Bridge Dinner May 19. This will be the closing event of the season. Meetings will resume in September and will continue monthly until May. Guests are welcome at the meetings.

Women in the area interested in learning more about the Woman's Club of Chelsea are invited to call the president, 475-7591.

Marathon Bridge Play Ends Season With Prize Awards

On Sunday evening, May 1, the final meeting of the Couples (Pairs) Bridge Marathon for the benefit of the Chelsea Community Hospital was held in the Woodlands Room at the Hospital. Ten couples participated.

Individual scores were kept this evening, with rotating partners.

Winners for the evening's play were Donna Dotson of Chelsea with a score of 4,300 for the 20 hands of bridge played, in first place; in second place, Evelyn North of Loch Alpine with a score of 4,280; and Addie Laetz of Ann Arbor with 3,840 in third place.

Since this was the last meeting of the group for the season which began Oct. 3, prizes were awarded for several categories to persons having played at least four times. The four highest scores of each person were used to determine winners.

The pair with the highest score was Larry and Eric Wiedmayer of Grass Lake with a cumulative score of 30,644. Close behind them were Helen Lancaster and Joan VanOrman, both of Chelsea, with 30,470.

The highest cumulative score for a lady was Joan VanOrman with a score of 15,385. Close behind Joan was Helen Lancaster with 15,085. For the men, Larry Wiedmayer was high with 15,862. In second was Steve Dotson, Chelsea, with 14,900.

A prize was given to the man with the highest score for any given night during the year; this was Loyal Joos of Chelsea with a score of 5,300. The lady with the highest score for any one evening was Marian Joos with a score of 5,300. Obviously, they were playing together the night they had these fantastic scores.

A special prize was given for perfect attendance; Larry and Eric Wiedmayer, Fred and Betty Mammel, of Chelsea, would also have received an award since they had planned to be present—but Fred took an emergency trip to the hospital and they had to miss. He's doing fine now.

Two additional special prizes were given to two couples who had each introduced a new couple to the group who were in attendance at least four times during the year: Shirley and Max Sweet of Ann Arbor brought their daughter, Rebecca, who played with Peter Flintoft; and Addie and Ernie Laetz, also of Ann Arbor, brought Fred and Betty Mammel.

Refreshments were brought by Dwight and Roberta Barstow of Base Lake, Dexter, and coffee and tea were furnished by the Chelsea Hospital.

The same format will be followed next year, using four scores to qualify for year-end prizes in this marathon event. The group begins play at 8 p.m. so that working people may get home at a reasonable hour, usually by 9:30 p.m. Play takes place in the Woodlands Room of Chelsea Community Hospital. A donation to the Hospital of \$2.75 is contributed each evening they play, and a quarter is also added to be used for prizes for the night's play. Of course, the amount given to the hospital is tax deductible. Mixed pairs may play, so think about a partner for next season, beginning on the first Sunday evening of October, and call for any further information: Marlene Rademacher (475-5121) or Roberta Barstow (426-3887).

VFW Ladies Auxiliary Plans Open House To Mark D-Day

A regular monthly meeting of Ladies Auxiliary No 4076, Veterans of Foreign Wars, was held Wednesday, May 11.

Memorial services were held in honor of all departed auxiliary sisters, and memorial flags will be placed on each departed member's grave before Memorial day.

It was announced Michigan Day will be held at the National Home in Eaton Rapids on July 31. Michigan Cottage No. 2, is once again open and will be included in the tour. Twenty dollars was allowed as a donation towards up-keep. Ten dollars was allowed toward Camp Trotter, with two local boys attending the camp this summer, under the sponsorship of the local auxiliary.

Plans were made to hold open house for World War II Veterans in memory of D-day June 6. The event will take place Sunday, June 5 from 2 to 5 p.m. in the VFW Hall. All area World War II Veterans are welcome, along with their families.

Educational Program Offered May 23 On Sleep Disorders

A noteworthy program entitled "Update on Sleep Disorders" will be held Monday, May 23, from 7 to 9 p.m. at the Holiday Inn West in Ann Arbor (I-94-exit 172).

Sponsored as a public service by Chelsea Community Hospital, the program features Dr. James R. Weintraub and Dr. Donald G. Dimcheff. Topics include evaluation and treatment of sleep disorders, sleep apnea, what sufferers can do for insomnia, myths about sleeping pills, and new research findings. A question-and-answer session will follow the formal presentation.

Dr. Weintraub is director of the Sleep Program at Michigan Head-Pain & Neurological Institute and a sleep disorders specialist at Chelsea Community Hospital. Dr. Dimcheff is director of the Sleep Disorders Center at Chelsea Community Hospital and a pulmonary disease and critical care specialist.

The program is open to the public, free of charge, thanks to an educational grant from Searle Pharmaceuticals. Advance registration is requested. To register, or for more information, call 800-612-5733.

A pot-luck supper and installation of officers was held jointly with the Post Saturday, May 14 beginning at 8 p.m. in the VFW Hall.

It was decided to raise the auxiliary dues \$3 in order to cover the cost of the Auxiliary's cancer insurance.

Twenty dollars was voted out to be sent to the Iron Mountain VA Hospital, to assist with their special project for the patients' enjoyment and entertainment.

Reports of the 8th District meeting held in Lansing on May 8, were given by members who had attended. They were Lena Benke, Lois Speer and Eulahlee Packard. A report of the hospital party held at Ann Arbor VA Hospital was given by Lois Speer.

Poppy chairman Lena Benke reported May 13 and 14 as Poppy Days locally. Plans to celebrate the Post and Auxiliary's 50th Anniversary in 1995, are also being formulated in conjunction with the Post.

Bessie Sharp was appointed as patriotic instructor for the coming year.

The Department Convention will be held in Lansing June 16-19. Auxiliary Delegates are Lois Speer as president, Lena Benke, Bessie Sharp, and Mildred Fish.

The next regular meeting is set for June 8, in the VFW Hall.

Parkinson Support Group Meets Sunday

Washtenaw Parkinson Education and Support Group will meet Sunday, May 15, at 1:30 p.m. for refreshments and socializing, to be followed by a program at 2 p.m. "Dealing with Physical Changes Due to Parkinson's" will be the topic for small group discussion.

The meeting will be in the McAuley Education Center, Building 5305. Everyone is welcome.

Have you noticed the silver creatures in our window?

Enjoyment of the outdoors is brought inside with sculptures. The graceful freeformed animals, birds and sealife are all individually sandcast in aluminum and hand polished to a smooth, non-tarnish, care-free finish. To give the wild-life sculptures a life-like setting, rough stone bases of native quarried marble are used.

Imagine the beauty of sterling silver without ever having to polish! Each piece is hand finished, no two are ever quite the same. Each piece is signed by the creator, Gordon Hoselton.

Hearing Date Set To Discuss Cable TV Rates

The Chelsea Village Council wants to talk TV with you. Specifically, the Village Council will hold a public hearing at its June 14 meeting to discuss a rate schedule for cable television in Chelsea.

Chelsea is using the power given to them under the new Federal Communications Commission laws to regulate the price it pays for Cable TV.

Village Manager Jack Myers would not discuss what rates the Village Council was prepared to make until the hearing in June.

Chelsea, along with five other villages and cities, is under contract with Clear Cablevision. A representative from Clear Cablevision was unavailable for comment.

The Village Council has hired outside legal help to aid it in sorting through what Myers calls a "whole mess" of FCC regulations.

John Pestle of Varnum, Riddering, Schmidt & Howlett (Grand Rapids) is set to represent the city. Pestle will be at the June meeting to answer any questions about the FCC regulations or new rates.

Council Approves Study On Village Hall Future

The question of the Village Hall still remains up in the air, but it is now known who will answer the question of the Hall's future.

The Chelsea Village Council awarded a feasibility study to Ann Arbor Architects Collaborative.

The study, which will cost Chelsea \$8,000, will be done in two phases and should be concluded sometime in late August or early September.

The first phase, which includes interviewing Fire Chief Bud Hankard, is to consider the viability of the two sites to accommodate proposed services, the Police at the Fire Station and Village offices at Police Station.

The second phase includes times for public participation and setting models for development of site plans.

However, despite the Council's approval of Ann Arbor Collaborative; Village Manager Jack Myers said they are no closer to knowing

anything about Village Hall's future than before.

Store Employee Threatened Over Debt Payment

A Chelsea man threatened to smash a Perky Pantry, 501 S. Main, employee's car windows if the woman would not pay the man the money she owed him.

The pantry employee filed a police report on May 4 stating the Chelsea man threatened her and she was afraid he may make good on those threats.

Police questioned the suspect and warned him not to threaten the woman anymore.

Furthermore, the Perky Pantry wrote a letter to the Chelsea Police stating that the accused was no longer welcome at the business. The police passed on the message.

Immunization Clinic Coming to Chelsea

Parents: A Shots for Tots Immunization Clinic is coming to Chelsea.

Washtenaw County Health Services is having a special immunization clinic for children and adolescents. It will be held at the Chelsea Pediatric Center, 1513 S. Main St., in Chelsea on Wednesday, May 18 from 8:30 a.m. until 8 p.m. If you would like to make an appointment, call 475-9175. Appointments are not required and walk-ins are welcome.

This immunization clinic is open to the public. Please bring your child's immunization record with you. A donation of \$12 per child is requested but not required.

For more information about this special immunization clinic, call Washtenaw County Health Services at (313) 484-7200.

Police Arrest Minor On Alcohol Charge

Chelsea police issued a court summons to one minor in possession on April 24.

Police noticed three persons sitting in a car in the Chelsea Depot Parking Lot on Jackson St., and after investigating found a pint of Jim Bean whiskey along with drug paraphernalia and a very small amount of marijuana in the car.

The police officer issued only one court summons, to a 20-year-old Allen Park resident, after admitting to drinking the alcohol by himself. No other warrants were issued.

S. Main Resident Reports Vandalism in Egg Throwing Incident

A South Main resident filed a police report on May 15 for malicious destruction of property.

The complaint stated unidentified persons vandalized the South Main residence by throwing eggs on the walls.

Police dispatched to the scene did observe eggs smashed against the home's walls.

The complainant said this was not the first incident of vandalism to the house. The complainant also mentioned someone laying a dead racoon at the front steps of the house.

Police suspect two Chelsea high school females to have vandalized the house.

Jesus Christ Superstar Chosen As Summer Show

Jesus Christ Superstar, the Andrew Lloyd Webber-Tim Rice hit has been selected as the Dexter Community Players' musical tentatively scheduled for July 13-18.
This musical raised eyebrows in 1972 when it was originally called a "rock opera."
Auditions will be May 22 and 23 at Copeland Elementary school, Dexter. Registration to audition will begin at 7 p.m. each evening, with auditions beginning promptly at 7:30 p.m. Those wishing to try out for a part must register at the above time.

Two CHS Students Win in Automotive Technology Contest

Jeff Shoemaker of Chelsea has been named first-place winner in the Automotive Technology Competitions at Lansing Community College.
The contest included four major skill areas: Master Technician, Electrical Technician, Brake Technician, and General Service Technician.
Scott Peterson of Chelsea was awarded fourth place. Both Jeff and Scott won in the Master Technician category.
Jeff will be traveling to Kansas City, Mo., in June to compete in the National NCA Skill Olympics, sponsored by General Motors Corp.
Jeff has been offered several technical scholarships to respected technical schools in the amount of \$10,000.

Letters to the Editor

Dear Editor:
"Christmas in April" is a home improvement program for our local residents. As participants, we know that the success of this program is not solely in the improvements that are made, but also in the good feelings of the many volunteers who commit their time and materials to the projects.
This year marks the third year that IBEW Local 252 Electricians and Contractors have contributed time, labor and materials to support this community effort. Volunteer contractors included Harper Electric Co., K&F Electric Co., R.A. Meyer Electric, Inc., Turner Electric Service, Inc., and Douglas R. Wilbur Electrical, Inc., who worked in Ann Arbor, Chelsea, Dexter, Manchester, Milan, Saline, Ypsilanti, Whitmore Lake and throughout Washtenaw county with over 35 Local 252 electricians. All costs were borne by the Contractors and Local 252 Labor Management Committee.
We were proud to be involved in this project, and look forward to next year's effort.

John W. Palmer, speaking for the Chelsea Police Department, has announced that Village Ordinance 38, prohibiting "persons under 17 years of age from loitering or remaining upon the streets, or other public places in the village of Chelsea after certain hours of the night, without any lawful business," will be strictly enforced.
Christine and Betsy Doll, second and third grade pupils at St. Mary's Catholic school, have just completed their third consecutive year of perfect school attendance. They are the daughters of Mr. and Mrs. Donald Doll.
Two Chelsea rose gardens are open to the public this week and anyone interested is invited by the owners to visit them. Lambert Mepyns of 410 Garfield St. has invited people to visit his rose gardens for several years, but the second rose garden mentioned, that of Chester Keezer at 202 Wilkinson St., is being shown for the first time this year.

Maryellen Makes New Friends On 10-Day Trip to Shanghai

By Maryellen Mynning-La
May 1, 1994

Dear Friends,
I just returned from a strenuous 10-day trip to Shanghai, Suzhou, Wuxi, and Hangzhou. The trip was sponsored by our Foreign Affairs Office and our group included 20 South Koreans, 10 Brits, two Japanese, and myself.

The strenuous part consisted of a 23-hour train ride via hard sleeper compartment, where the only toilet facilities consisted of squats.

Next we were squeezed into dirty, gas fume spewing buses (circa 1948), and THEN we were herded into guest houses where we slept three to a room, our beds about two inches from the floor.

The upside to all this was that shared pain created strong new friendships.

Shanghai is the largest city in China, and it is crammed with skyscrapers, bridges, tunnels, and grouchy shoppers determined to get one last bargain before they leave for home. Along Nanjing Lu, the main shopping thoroughfare, I was accosted by shops selling French pastry, pearls and jade, stamps and coins, silk, and the latest in fashions.

Also along Nanjing Lu I stared at the Shanghai citizens for they pride themselves on setting the fashion trends for all of China, and they mixed satins, silks, jeans, and cords into a glorious mishmash that dazzled the eye.

I, however, looked like the typical dazed tourist as I wandered along. I had my sunglasses perched atop my head, two cameras slung around my neck, my backpack hoisted over one shoulder, my guidebook tucked under one arm, and my mouth filled with French munchies.

It was hard to say who did the most staring, me or the Chinese!

The Bund, the most famous street in Shanghai, skirts along the Huangpu River and it is here where I found the famous Peace Hotel.

The Peace Hotel was built in 1906 and remodeled in the 1930's. It is still famous for its enormous crystal chandeliers, ornate wood moldings, art deco decor, and a lobby where you are positive that Bogart and Bacall could somehow still wander in.

It has long been my fantasy to sit in the Dragon and Phoenix Restaurant on the 8th floor of the Peace, sip coffee and pretend that I was waiting for

Gable to join me. But I quickly found out that even if I just settled for a cup of coffee in the first floor cafe I would be nailed for 88 yuan (about \$10.00)!

So much for Shanghai dreams and Clark Gable!

Deputies Report Larceny, String of Area Break-ins

Washtenaw County Sheriff's deputies investigated several incidents in Dexter Village and Scio, Sylvan, Sharon, Webster and Dexter townships, May 3-11.

Sylvan Township
Breaking and entering was reported in the 3600 block of Notten Rd., May 5. A 47-year-old township woman told police thieves broke in and stole two bottles of liquor and stole nearly \$7,000 worth of jewelry. The incident reportedly happened between 6 a.m. and 8 p.m. Police noted the thieves sorted through a large amount of women's jewelry and selected the most valuable pieces.

Sharon Township
Breaking and entering was reported in the 4700 block of Jacob Rd., May 4. A 52-year-old township man told police someone broke into his residence between 9:45 a.m. and 12:45 p.m., stealing nearly \$2,000 worth of jewelry and a camera, cash, stereo, TV, stereo speakers and a power drill. Thieves broke in by kicking in the side garage door. Police photographed a boot print and tire prints at the scene. A neighbor reported seeing a small, dark gray pickup parked at the home between 10:30 a.m. and 11:30 a.m.

Dexter Township
Unlawful driving away of an automobile was reported in the 13900 block of North Territorial Rd., May 7. A 21-year-old male resident told police his 1988 Pontiac Sunbird was stolen between 11 p.m. and 9:15 a.m. The vehicle's key was broken off in the ignition. The man said someone could have started it with the use of a pair of pliers. Pinckney police later recovered the vehicle in a pond.

Scio Township
Assault was reported on Scio Church Rd. near Parker Rd., May 11. A 51-year-old Manchester woman and a 33-year-old Manchester man are accusing each other of assault during a traffic altercation. Both agree they were driving separately along Scio Church Rd. May 11 when the woman

passed the man, who was driving under the speed limit because his van was loaded with hardwood flooring. However, they disagree about the events following. The man said the woman passed his van in her vehicle and cut him off. He said he had to apply his brakes to prevent an accident, which caused the flooring to slide forward and strike him in the head. The woman denied driving erratically. She said he had been following her closely so she pulled over to let him pass. At that point, the man got out of his vehicle and walked towards her's yelling at her, so she pulled away quickly. He pursued her so she called 911 on her cellular phone. She said he was the one driving aggressively, not her. Both are requesting prosecutorial review of the incident to determine wrongdoing.

Kenneth A. Romeo, 25, of Ann Arbor was arrested on a warrant for larceny after a vehicle he was a passenger in was stopped for speeding on Huron River Dr. near Green Nook Rd., May 10. A hash pipe was also found in his possession. He was taken to county jail.

Attempted unlawful driving away of an automobile was reported in the 4400 block of Jackson Rd., May 10. A 17-year Ann Arbor boy reported between 2:30 p.m. and 2:45 p.m. someone tried to steal his 1993 Jeep Wrangler, worth \$16,000. His vehicle was parked in the parking lot of where he is employed. A neighboring business owner contacted him because it was in front of the mailboxes to his business. The boy checked the vehicle and found wiring

hanging from under the dash board and the horn cover pried off. Police suspect someone hot wired the vehicle, but because the steering wheel locks if used without an ignition key, it locked up when the thieves tried to turn left onto Jackson Rd.

Armed robbery was reported at the I-94 rest stop between Zeeb and Baker Rds., May 9. A Wisconsin truck driver told police he pulled his tractor trailer into the rest area so he could get some sleep. He left the vehicle to use the restroom and when he returned he found the interior light on. He looked around and a man put a suspected gun to his head while another man stole \$690 from his wallet.

Larceny of a vehicle was reported at Nixon Auto Parts on Jackson Rd., May 3. The business owner told police he purchased a 1972 blue Cadillac from Smith's Service in April. He received a call from a 19-year-old Chelsea man May 2. The man claimed the vehicle was his and he wanted it back. The owner of Nixon's Auto Parts told the man he bought the car and he would sell it back. The Chelsea man allegedly said, "I'll get it back one way or another." The next day the car was discovered missing. It is valued at \$700.

Breaking and entering was reported at Richard Brothers Painting on Jackson Rd., May 5. The company's owner, 38, reported someone broke in between 5 p.m. May 4 and 8 a.m. May 5 and stole his After Cooler System used for sand blasting. The equipment is valued at \$4,189.

Chelsea Painters Art Fest Coming June 4-5

Chelsea Painters will hold their 21st annual Art Fest on the grounds of the

Chelsea Community Hospital and Chelsea Medical Center on Saturday and Sunday, June 4-5, from 10 a.m. to 5 p.m. Area award winning artists will exhibit and sell original watercolors, acrylics, oils, prints, drawings, collages, and cards.

A percentage of the proceeds will enable the Painters to award the Palmer Medical Scholarship. Since 1974, the Chelsea Painters have given more than \$10,000 to this fund. Last year the recipient was J.D. Alford from Chelsea, a medical student at the University of Michigan.

The Chelsea Community Hospital Auxiliary will assist with refreshments and there will be entertainment by Dusty Rhodes on both days. This event will be held rain or shine and is open to the public.

PIONEER DAYS were studied by this third grade class at South school last week. Using a hot iron as a wood-burning tool the students burned in designs they had drawn on a wooden slab. In this group were, from left,

Marjorie Sacks, Carol Dault, assisting mom, Stephanie Hanna, Alison Bullard, assisting mom, Nathan Zander and Ray White.

SAWDUST DOLLS were made by third graders at South school last week as part of a Pioneer Days study. Students, and helpers, from left, are Sarah Brigham,

Rachel Armstrong, Anne Armstrong, mom, Shawn Stevens, Crystal Heydlauff, teacher, Elise Murphy, Ashley Niese and Jeanne Cloke.

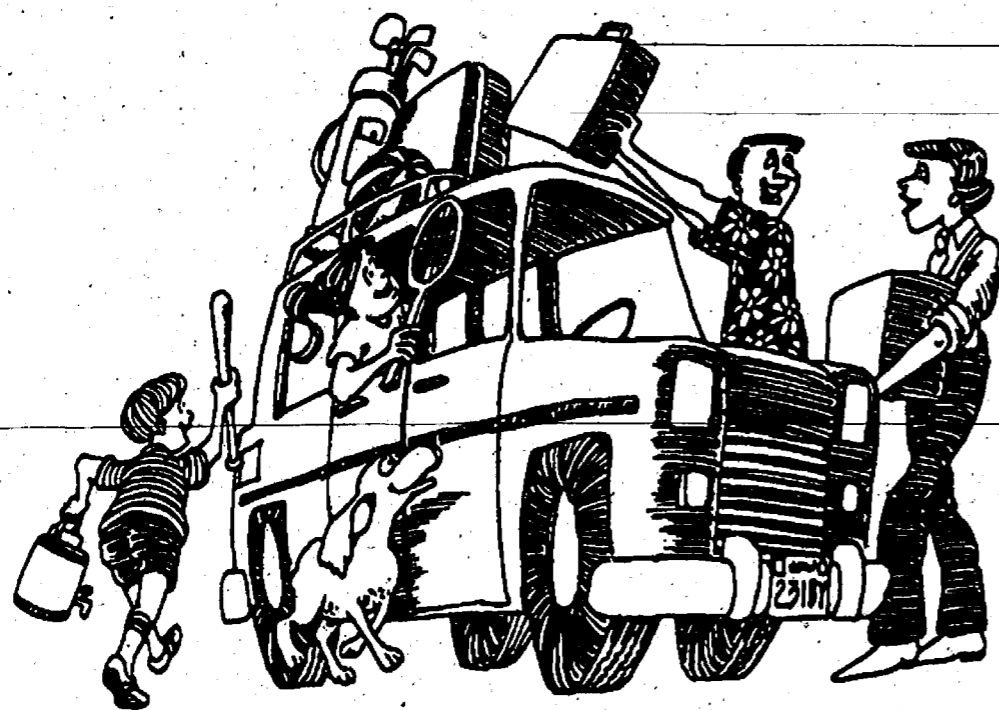

FIRE ATTENDANTS at the sixth grade camp Bob Mida and Quentin Mindel carefully arrange and arrange roasting goodies in the open fire. They were par-

ticipating in Beach Middle school's outdoor cooking class during sixth grade camp.

Let's Go Bulldogs!

Lisa Beard Pitches 3 Consecutive Games, Wins Two of Them

The Chelsea softball team rode Lisa Beard's arm this past week, while winning three out of four Southeastern Conference games.

Beard posted two wins and Carey Schiller added another as Chelsea, 18-7 and 9-3 in the SEC, climbed up the conference ladder.

On May 9 Chelsea traveled to Tecumseh, where they split a doubleheader, 4-1 and 3-4.

Schiller, 5-5, paced Chelsea from the mound in the first game, giving up only two hits and one run. Schiller had eight strike-outs in the game.

Beard and Martha Merkel led Chelsea's hitting attack. Beard had three hits and two RBI, while Merkel had two hits and one RBI. Jacki Crawford also drove in a run with a sacrifice fly in the fourth inning.

Beard pitched the first of three consecutive games for Chelsea in the second game. She took the loss, despite giving up only five hits, and dropped her record to an even 2-2.

Chelsea hurt themselves in the second game by giving up three unearned runs.

"Three of Tecumseh's four runs were unearned," said Chelsea coach Joe Beard, "and that defensive lapse proved to be too much for us to overcome."

Lori Ritter led Chelsea in the second game with two hits and an RBI. Nancy Pidd hit a two-out triple to score two in the seventh, but it was not enough to pull out the victory.

"The girls never gave up, and they almost came back," Beard said, "it was a nice effort."

"Tecumseh is a good ball club and we played well, but slipped a little in the second game allowing them to get by us," Beard said.

On Thursday it was a different story as Chelsea cruised to a home doubleheader sweep of Pinckney, 18-2 and 13-2. Both games were stopped after five innings because of the ten-run mercy rule.

Lisa Beard was dominating in both games and raised her record to 4-2 on the season.

Chelsea scored in each inning during the first game, but really blew it wide open after a 12-run fourth.

Schiller had two hits during the inning and Beard, Crawford, Ritter, Nancy Pidd and Charlotte Ziegler each had a hit.

The second game was more of the same, as Chelsea scored five in the first and seven in the fourth and sandwiched another run in the second.

Again Beard drove in a run with a single in the first; and after a pair of bases loaded walks, Alicia Lafferty drove in two more with a single.

Beard again led the charge in the fifth with a two RBI single before Pinckney errors allowed Chelsea to put the game over the 10-run mercy rule.

Beard said his team played well, but should win games like these.

BOY'S TENNIS TEAM at Chelsea High school shows signs of definite improvement this year. While they may not yet be prospective champions they are better. Back row, front left, Steve McDonald, Nathan Butler, Jason Dunahoo, Adam Beauchamp, Mike Bainton, Dan Letizio, Mark Valchine, Jason Middleton, Scott Hammett, Mgr. Jim Maynard and Jesse Hammett.

Bulldogs Homer Past Non-Conference Foe

Chelsea's varsity baseball team put on a power display during a doubleheader sweep of Ann Arbor Gabriel Richard, last Saturday.

Chelsea, 17-9-1 and 6-6 in the Southeastern Conference, hit three home runs during the two game set Saturday afternoon.

The Bulldogs cruised to the easy 19-3 victory in the first game behind senior Matt Powell's one-hitter.

Powell took his no-hit bid into the bottom of the fifth inning when he came unglued, walking four batters to allow Gabriel Richard's first run. Then after a two-out error, Powell gave up a hot shot that just got past the first baseman.

Powell finished the game by striking out the side in the fifth, giving him 10 strikeouts for the game. He issued six walks.

Chelsea put the game out of reach with a seven-run two-out rally in the third inning.

The big blast came from senior Don Poppenger, who belted a three-run homer during the rally.

Chelsea scored seven more in the fourth, including a solo shot by Nick Brink, sophomore, to total out at 19 runs.

The Bulldogs, however, were not done scoring runs this day. Chelsea

pounded out 10 more runs in the second game of the doubleheader, winning convincingly, 10-2.

Sophomore Sam Morseau hit a two-run shot and senior Eric Dougherty added two hits to lead the Chelsea hitting attack.

Senior Tim Wescott pitched well in the closer giving up just three hits for the complete game win. Wescott also struck out 10 Richard hitters.

Afterwards, Chelsea coach Wayne Welton was sympathetic towards AA Gabriel Richard's situation.

"They're rebuilding their program," Welton said. "No question they're struggling, but it was also a good day for us."

On Monday, Chelsea hosted Jackson Northwest for what was supposed to be a doubleheader, but turned into a game and a half.

The second game of the doubleheader was stopped after five innings due to darkness with the teams tied 2-2. Welton said this was

probably only the sixth time in his career a game has ended in a tie.

Chelsea and Jackson played a marathon 17-11 first game causing the cancellation of the second game due to darkness.

Chelsea capitalized on patience at the plate during the first game, drawing 14 walks from Jackson's pitching staff.

Despite the score, Welton said pitcher Jeff Branch, 5-3 junior, deserved a "better fate" than giving up 11 runs.

"He went the distance," Welton said. "We didn't play good defense behind him."

Chelsea did also bang out 12 hits, while scoring double-digit runs for the third consecutive game. Powell and senior Pat Steele each had three hits for the Bulldogs.

Morseau pitched well for Chelsea in the second game and Steele drove in both of Chelsea's runs during the tie.

Girls Track Team Wins Northwest Metric Relays

Chelsea High school girls track team won the Division II at the Jackson Northwest Metric Relays for the fifth straight year Saturday. The Bulldogs had 112 points to 92 for runner-up Jackson Northwest in the seven-team field.

Highlight for Chelsea was a sweep of the field events, setting two meet records in the process. Erin Schiller and Courtney Thompson set their fourth record in eight days as they won the high jump relay with a meet record combined height of 10'2", which coach Bert Kruse called "outstanding considering the jumping conditions." Both jumpers use approach runs that at Northwest gave them only about three strides on the runway, the rest on grass. They jumped early in the morning and it was not easy to make their approaches on the wet grass.

The second meet record came from the discus team of Mara Smith, Heidi Wehrwein, and Jessica Flintoft who won for the second straight year with

a combined 300'2", bettering the old meet record by 20 feet. Wehrwein also had her best individual throw ever, hitting 100'7". "Our discus throwers are really coming on," said coach Bill Bainton. "Their consistency also has a lot to do with them setting this record."

Smith, Wehrwein, and Carrie Ashendel won the shot put with a combined total of 88'4", and Katie Spink, Laurie Schiller, and Keri Kentala won the long jump at 41'9". The four wins gave the Bulldogs 48 of their 112 points.

On the track, Chelsea had wins from the shuttle hurdle team of Keri Kentala, Jill McKinnon, Courtney Thompson, and Heidi Kennitz in 1:18.9, and the middle distance relay of Melissa Hand, Jennifer Space, Laurie Schiller, and Molly Griebel in 7:24.4.

In on of the day's closest races, the 3200 relay of Beth Bell, Sarah Henry, Jennifer Space, and Melissa Hand finished second to Northwest by .2

seconds in 10:12.8. Spink, Kentala, Erin Schiller, and Bell were third in the 800 relay in 1:54.7. Sarah Schick, Bell, Erin Schiller, Sarah Henry, and Spink added a third in the unique 5-person "Boonie" relay. The 1600 relay of Spink, Kennitz, Space, and Laurie Schiller was fourth in 4:28.7. Chelsea got a fifth in the 6400 relay from the team of Molly Griebel, Erika Leiter, Jessica Flintoft, and Sarah Metzler in 26:28.1. "That's a long race, but a good one because it involves some of the long distance runners that may not normally get a chance to run relays." Rounding out the scoring was the 400 relay of Schick, Kentala, Erin Schiller, and Bell who were fifth in spite of running a season's best time of :53.2.

"Although we set two records, we didn't have a lot of outstanding individual performances, just a lot of solid, steady team performances. Our team just went out and got the job done."

TWO CHELSEA RUNNERS show good teamwork, as Sarah Henry hands the baton off to Jennifer Space during the 3200 meter relay race. Chelsea went on to defeat Dexter in the race.

League Tourney Next

Welton now prepares his team for the SEC tournament, which is set to begin on Saturday May 21. The Championship Game will be hosted here at Chelsea with preliminary rounds being hosted by Dexter and Pinckney, too.

Welton said despite his team's 6-6 conference mark his team will be looking to win the tournament.

"We're always trying to win our games," Welton said. "Our kids know they can beat all these teams."

Chelsea, which is the only team to beat Saline (11-1) in conference play this year, has to wait for the outcome of the Dexter-Milan doubleheader on Wednesday to know where they will be seeded in the tourney.

Golf Team Improves, Loses Three

The Chelsea girl's golf team saw improvement during its three losses this past week.

Golf coach Helen Bareils' squad started its long week on Monday, May 9 to compete against Saline at Howell. Chelsea dropped the contest 215-240 (remember low score wins in golf). Sarah Stolaski, 55, Lisa Hughes, 59, Leslie Davies, 62, and Jessica Inwood, 64, scored for Chelsea during the meet.

On Wednesday, Chelsea was home at the Inverness Golf Course for a tournament with Brighton and Howell.

The girls improved the team score to 237, but could not defeat either Howell (221) or Brighton (224).

Chelsea was led Wednesday by Inwood's 55 and Stolaski's 59. Erin Armstrong, 61, and Liz Holdsworth, 62, also scored for Chelsea during the three team competition.

Chelsea's improvement continued on Friday, but the girl's could not hold off Ann Arbor Pioneer and lost 223-225.

Bareils said her team played "exceptionally well" despite the loss. Chelsea had three girls finish under 60 for Friday's contest. Hughes, 52, Stolaski, 55, and Davies, 58.

Chelsea next takes on Ypsilanti and Saline in a pair of road games this week, with Regional Finals on May 23.

Girls Track Team Defeats Tecumseh To Remain Unbeaten

The girls varsity track team upped their SEC record to 5-0 and their overall record to 8-0 with a 72 to 56 win over Tecumseh Thursday. The teams split even on first places, but the Bulldogs gained quite an edge with their superior depth, taking 10 of 12 second places.

Chelsea continued to get strong performances in the field events, outscoring Tecumseh 21-15. Erin Schiller and Courtney Thompson went 1-2 in the high jump. Mara Smith continued to throw well in the discus as she extended her personal best to 114'-11" to win that event with Heidi Wehrwein adding a third. Wehrwein was second in the shot with Smith adding third. Laurie Schiller had her best jump of the year, 14'-11 1/2", to finish second in the long jump.

Chelsea came from behind to win the 3200 relay in 10:27.6 with Sarah Henry, Jessica Flintoft, Jenni Space, and Melissa Hand, and won the 800 relay in 1:53.1 with Katie Spink, Keri Kentala, Erin Schiller, and Beth Bell.

A dropped baton led to a Tecumseh win in the 400 relay, but 1-2 finishes in the 300 hurdles from Kentala and

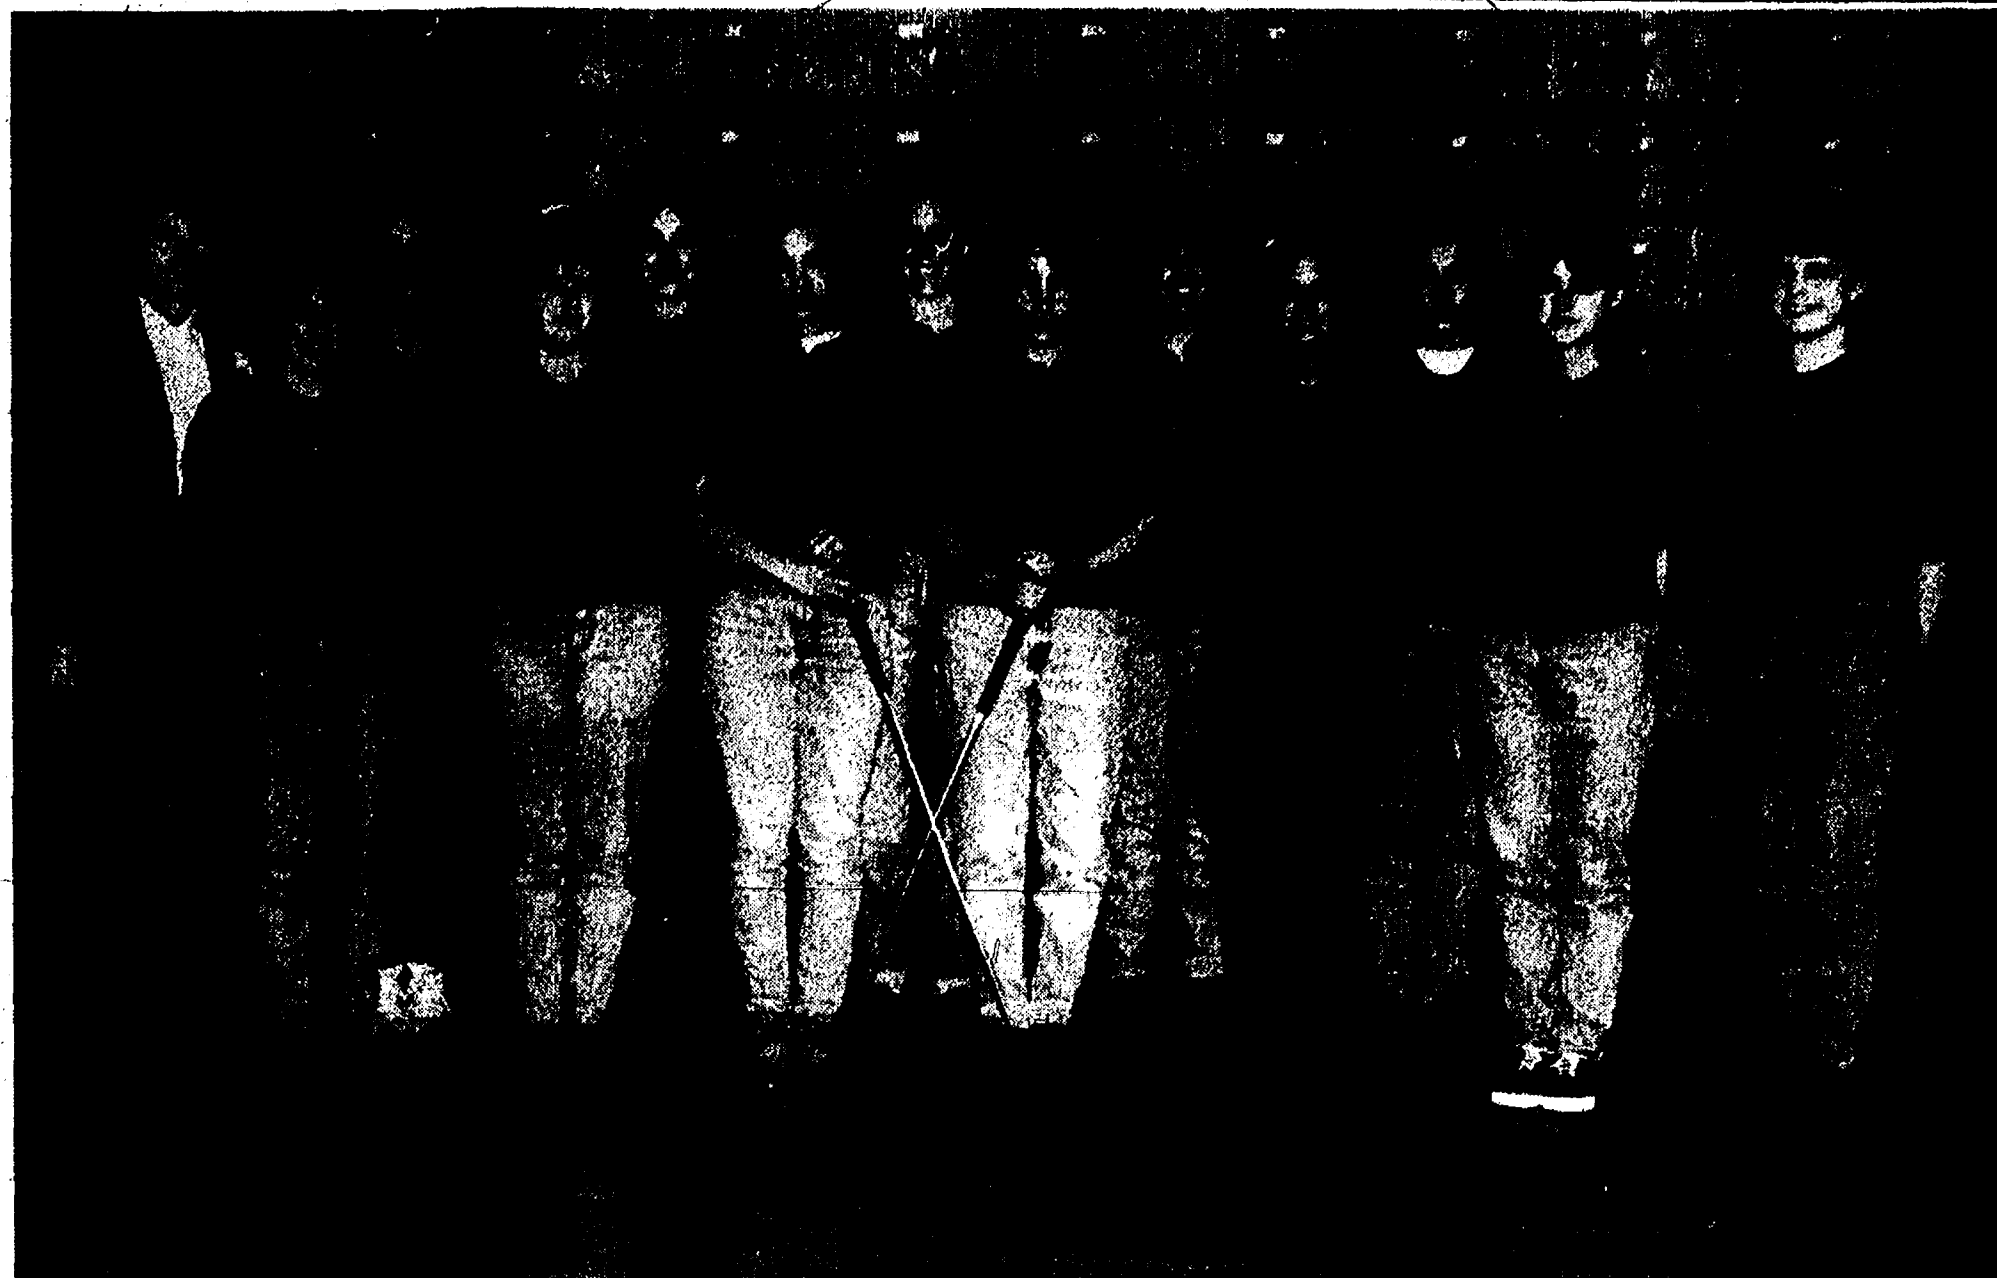

Heidi Kemnitz and in the 800 from Hand and Space put the meet away. Space ran her season's best 800, 2:33.2 to take the second.

Sarah Schick won the 100 in :13.6 and Molly Griebel had the only other Bulldog first, winning the 1600 with a season's best of 5:44.9, and was second in the 3200 in 12:42.8.

Keri Kentala was second in the 100 hurdles with Jill McKinnon third. Tracy Kramer just edged out teammate Jennifer Wood to take third in the 100. Beth Bell was just edged in the 400 but ran her best time in taking second in 1:01.9. Katie Spink was third in 1:05.4. Spink also finished second in the 200.

Also worthy of note was the time of the Bulldogs' second team 400 relay. The :58.0 turned in by the team of Wood, Kramer, Sarah Mead, and Missy Gonyon was their season's best and also the best from a second relay team in several years.

The win set up an SEC showdown with Pinckney on Tuesday at Chelsea. The Pirates are also undefeated. Results of this meet were not yet available at press time.

THE GIRL'S GOLF TEAM at Chelsea High doesn't draw a huge gallery but when they play they have fun, and they learn the fundamentals of a game that will provide a lifetime of good recreation. Members of the team are, left to

right, coach Helen Bareis, Beth Vogel, Erin Armstrong, Aubree Gerardi, Lesley Davis, Sarah Stolaski, Jessica Inwood, Lisa Hughes, Amber Sears, Liz Holdsworth, Shannon Longe, Erin Longe, Jennifer Gentner.

JV Baseball Team Loses 2 to Pinckney

The Chelsea junior varsity baseball team fumbled their way to two more losses on Thursday, May 12.

The junior Bulldogs committed 18 errors while being swept by Pinckney, 7-6 (eight innings) and 7-1, in a doubleheader on the road.

Chelsea, 4-15, again played well in the first game of the doubleheader, only to be blown out in the second game.

Chelsea struck quickly Thursday, jumping out to an early lead after scoring three runs in the first inning of game one.

Mike Thayer reached for the Bulldogs on an error, and after stealing second, scored on a double by Jesse Petty. Petty was brought home by pitcher Kent Young's single. Young became aggressive on the base paths, stealing second and third. He then scored on a wild pitch.

However, Chelsea let Pinckney back in the game giving up two runs in the 2nd, 3rd and 4th innings. Pinckney capitalized on Chelsea's 10 errors in the first game. All of Pinckney's runs were unearned.

Chelsea kept itself in the game by scoring a run in the fifth off Young's RBI single, before tying the score in the top of the seventh with two runs.

Dave Patton and Jordan Dyer each had RBI singles in the seventh to send the game to extra innings.

Pinckney ended the game by scoring a run in the eighth inning.

Afterwards, Chelsea coach Jim Ticknor said he was upset with his team's performance in the field.

"We just couldn't field the ball when we needed to," Ticknor said. "We played well enough to win in all aspects except defense."

The defense fared only somewhat

better during the second game, giving up six more errors.

Chelsea just could not get on track in the second game, losing 7-1.

Chelsea's lone run came in the third when Ryan Lafferty walked and stole second before scoring after a pair of wild pitches.

The Bulldogs managed only three hits for the entire game.

Lafferty also pitched well in relief. He pitched two scoreless innings, with two strikeouts and one walk.

Freshman Sweep DH

Nothing like a little batting practice before a big tournament.

Batting practice must have been what it felt like for Mark Scheese's freshman baseball squad as Chelsea, 12-3-1, romped over Milan, 12-0 and 20-0, to sweep the doubleheader.

Jason Sprawka gave up only two hits while striking out six on his way to a five-inning complete game shutout for Chelsea.

Casey Wescott led the way for the Chelsea hitters with three hits. Ashley Coy and Jay Schick each had a pair of hits for Chelsea. Schick also tacked on four RBI to go along with his two hits.

The second game was more of the same only with new faces. Jake Walker tallied the win in the closer. He also gave up only two hits while striking out six during the shutout performance.

Chelsea's leading hitters in the second game were Jesse Wiess, two doubles and a triple with three RBI, and Josh Fraker, a double and a single with three RBI.

The lopsided games appeared to be batting practice for the Bulldogs, who had a tournament in Coldwater the next day.

Varsity Baseball Team Wins 2, Loses 2 Games

Chelsea varsity baseball team ended Southeastern Conference play this past week by sweeping a doubleheader and then getting swept in another twinbill.

On Monday, May 9 Chelsea barraged the Tecumseh pitching staff for 27 hits during the two games.

The Bulldogs came out swinging in the first game, pounding out 13 hits and 12 runs in a 12-2 five inning mercy rule win.

Senior Jason McVittie had three hits during game one to lead the Bulldogs' attack and Jeff Branch, junior, tossed the complete game for the win.

The second game was more of the same as Chelsea pounded away for 14 more hits and 11 more runs, winning 11-5.

Junior Case McCalla paced the Bulldog barrage with three hits and senior Matt Powell was overpowering, striking out 12 and allowing only four hits on his way to an easy victory.

Tim Wescott, senior, added five hits during the two games for Chelsea. Things were not so easy for Chelsea on Thursday, May 12 against Pinck-

ney, as the Bulldogs dropped a pair, 9-1 and 9-5.

Chelsea's bats failed them during game one, as the Bulldogs could manage only two hits.

However, the key to the game was Chelsea's inability to field the ball in the third inning. The team's five errors in the inning led to eight unearned Pinckney runs, and effectively putting Chelsea out of reach.

The lone bright spot for the Bulldogs was the pitching performance by Sam Morseau, who struck out eight in four shutout innings of relief.

Chelsea collapsed in game two, blowing a 5-1 lead in the fifth inning, giving up four runs in the fifth and sixth innings and a final run in the seventh.

Again Chelsea's bats were cold, and they only managed six hits. Two of which came from Tim Wescott.

"We went from 27 hits (on Monday) to eight hits (on Thursday)," Wescott said. "But a lot of that has to do with Pinckney's pitching staff, which was led by game one winner Brian Reynolds (who has signed to play for Eastern Michigan next year)."

Freshman Hit Big, Split At Tourney

The freshman baseball team continued to terrorize pitching staffs at the Coldwater tournament on Saturday, but unfortunately could only manage a split in two games.

Chelsea came out swinging again on Saturday piling up the runs against Pennfield, 17-3, in its opening game of the one day tournament.

Casey Wescott pitched the Bulldogs to the win in the first game. Wescott gave up four hits and struck out six, while giving up three runs (two earned) and walking eight.

Wescott also led Chelsea at the plate with two hits. Other leading hitters included: Jason Sprawka (three hits); and Jay Schick, Jake Walker and Lance Ching, who all had a pair of hits.

Chelsea continued to hit against host school Coldwater in the second game. They just could not stop Coldwater from scoring and lost 10-8.

Dusty White took the loss for the Bulldogs, while Wescott and Tim Lawrence led the hitting attack with two hits.

The split dropped Chelsea's record to 13-4-1 on the season.

JV Baseball Team Swept By Tecumseh

Chelsea's junior varsity baseball team was swept during doubleheader action May 9 against Tecumseh, 3-2 and 15-5 (in five innings).

Chelsea, 4-13, blew a fine pitching performance by Kent Young in the opener. Young notched five strikeouts to go along with five walks during the complete game loss.

After Tecumseh took a 1-0 lead in the top half of the second, the Bulldogs grabbed the lead by scoring a pair of runs in their half of the fifth inning.

However, Chelsea let the game slip away in the top of the seventh when Tecumseh scored two unearned runs. "A great game," said JV coach Jim Ticknor. "We had chances and didn't get the big hit."

Matt Tuttle paced Chelsea at the plate in the second game. He was 2 for 2 with three RBI and a walk.

However, it was not enough as the Bulldogs' pitching staff gave up 15 runs in five innings. Chelsea used three pitchers during the game, none of which were effective in stopping the Tecumseh attack.

Boy's Track Team Whips Dexter, 101-36

The Chelsea boy's track and field team ran away to two more victories in the Southeastern Conference this week.

Chelsea, 7-1 and 4-1 in the SEC, trounced Dexter, 101-36, on May 10 and followed up with another stellar performance two days later with an 83-54 whipping of Tecumseh.

"We ran an outstanding meet," Chelsea coach Pat Clarke said after the Tecumseh meet. "We are getting better with every meet that passes."

Chelsea was paced during the two meets by senior David Beeman and junior Ryan Schultz. Both performers notched dual victories in the two meets.

Beeman dominated in the throwing events, winning both the shot put and discus events each meet. Beeman outdistanced his nearest competitor by at least 10 feet in the shot put each day and by over 59 feet (166'10"-107'10") against Dexter.

Schultz continued to impress with

his four first place finishes during the two meets. Schultz won both the 1600 and 3200 meter races for Chelsea.

Chelsea was dominating against Dexter, only losing two events (400 dash and 1600 meter relay).

Other outstanding performances were turned in by sophomore Jim Irwin, junior Bryndon Skelton, and senior Cory Brown.

Irwin, 100 and 200 dashes, and Skelton, 110 and 300 hurdles, were both double winners. Brown was also a double winner. He jumped 19'7 1/4" to capture the long jump, before going on to run a personal best 1:57.34 in the 800 meter run.

Brown excelled again against Tecumseh on Thursday running :50.8 seconds in the 400 dash to garner second place. Brown's time was only .3 seconds off the school record of :50.5.

Skelton again captured the 300 hurdles, but dropped to second in the 110 hurdles despite running a faster time than he did against Dexter when he took first place.

JILL McKINNON JUMPS a hurdle during dual meet action against Dexter on May 10. McKinnon finished second in the 100 meter hurdles.

Erin Schiller Sets High Jump Record

Chelsea High school girls track team defeated Dexter 84-44 Tuesday, May 10.

Highlight of the meet was a new school record in the high jump by senior Erin Schiller. Schiller's jump of 5'-5" bettered the old record of 5'-4" set by Jeanine Rossi and tied only last Friday by junior Courtney Thompson.

"Erin has been close to the record several times this season so we thought it was only a matter of time before she got it. She worked extremely hard to get to that goal," said coach Bainton. Thompson cleared 5'-0" to finish second.

The Bulldogs had some other fine performances also. Keri Kentala turned in her best times of the season, winning the 100 hurdles in :17.5 and the 300 hurdles in :51.7.

Jill McKinnon had her best 100 hurdle time, placing second in :17.9 and Heidi Kernitz ran her best in the 300 hurdles, placing third in :53.0.

Sarah Schick had a hand in three wins, taking the 100 in :13.5, and com-

binging with Kentala, Kernitz, and Katie Spink to win the 800 relay.

Schick, Erin Schiller, Laurie Schiller, and Beth Bell won the 400 relay.

Beth Bell, Sarah Henry, Jenni Space, and Melissa Hand combined to take the 3200 relay with a season's best time of 9:59.5, a very good time for a dual meet. Bell also won the 200 in :28.1.

Hand won the 800 in a good time of 2:24.8.

Molly Griebe ran two good races to finish second in the 1600 at 5:52.5, her season's best, and win the 3200 in 12:35.0. Erika Leiter was second in the 3200 with her best of 13:04.0. Katie Spink won the 400 in 1:04.6, and Erin Schiller added a second in the 200.

In field events, Spink won the long jump at 14'-10" with Laurie Schiller third. Heidi Wehrwein was second in the shot put and Mara Smith was second in the discus with Jessica Flintoft third with her best throw ever of 98'-6".

Softball Team Wins 2 of 3 at Invitational

The Chelsea softball team took time away from the Southeastern Conference and participated in the St. Joseph Invitational Saturday.

Chelsea fared well at the one-day tourney winning a pair of games, while losing just one. Chelsea improved its record to 20-8 over-all on the season.

Chelsea met host St. Joseph in game one and decked them 11-1.

Lisa Beard, pitching in her fourth consecutive game, notched the win, allowing six hits and marking up nine strike-outs.

Beard also led the team in hits with four to go along with three RBI. Shannon Shemansky, Jacki Crawford, Nancy Pidd, and Charlotte Ziegler each contributed two hits toward the winning cause.

Chelsea was not as successful hitting the ball in its second game against

Lakeshore high school.

Pidd smacked out Chelsea's only hit of the game, as they lost a 5-1 decision. Carey Schiller took only her second loss of the season. Schiller gave up eight hits and had nine Ks.

Chelsea coach Joe Beard said the defense let his team down.

"Defensively, we just didn't get the job done," he said. "Letting four runs in, in the first set us back and we couldn't recover."

Chelsea, however, came back and won a thriller in its third game of the day.

Lisa Beard excelled again, driving in the winning run with the score tied, 2-2, in the bottom of the seventh inning to beat Holland Christian, 3-2.

Beard, Schiller, and Ziegler each had two hits in the game.

Melissa Schultz and Lauren Zuehlke combined to pitch a three hitter.

Beach Girls Track Team Remains Undefeated

The Chelsea Beach Middle school girls' track and field team remained undefeated by thrashing Saline, 92-31 on May 11.

The meet, which was ran in cold and rainy conditions at Saline, improved Beach's record to 5-0 for the season. Coach Ann Schaffer continues to be impressed with her group of athletes, who won 13 of the 15 events during the Saline meet.

"This team is excellent," Schaffer said, "undefeated and four new school records."

One of which occurred during 1600 meter run at Saline. Jeanne Spink timed in at 6:42 to break the old

record of 6:44 set by Lisa Monte in 1989.

Other individual winners include: Cindy Richard, shotput (30'5"), 55 hurdles (10:28 sec.) and 200 hurdles (36:09 sec.); Rachelle Skelly, long jump and 70 meters (10:31 sec.); Karen Pieper, 3200 meters (13:22); Sabrina Flannery, 800 meters (2:47); Rachel Weirauch, 100 meters (13.2 sec.); Claire Lassier, 400 meters (70:95 sec.); and Shanee McWhorter, 200 meters (30:01 sec.).

The girls finish their season on Wednesday on the road against Dexter.

Netters Drop Two During Past Week

On Tuesday the Bulldog tennis team lost to Haslett, there, 1-6, and on Thursday lost by one point to Howell, 3-4.

"Both of these dual matches were ones we should have won," said coach Terri Curtis. "The boys played very poorly at Haslett except for Dan Johnson. They played much better at home against Howell on Thursday, but still could not pull out the win."

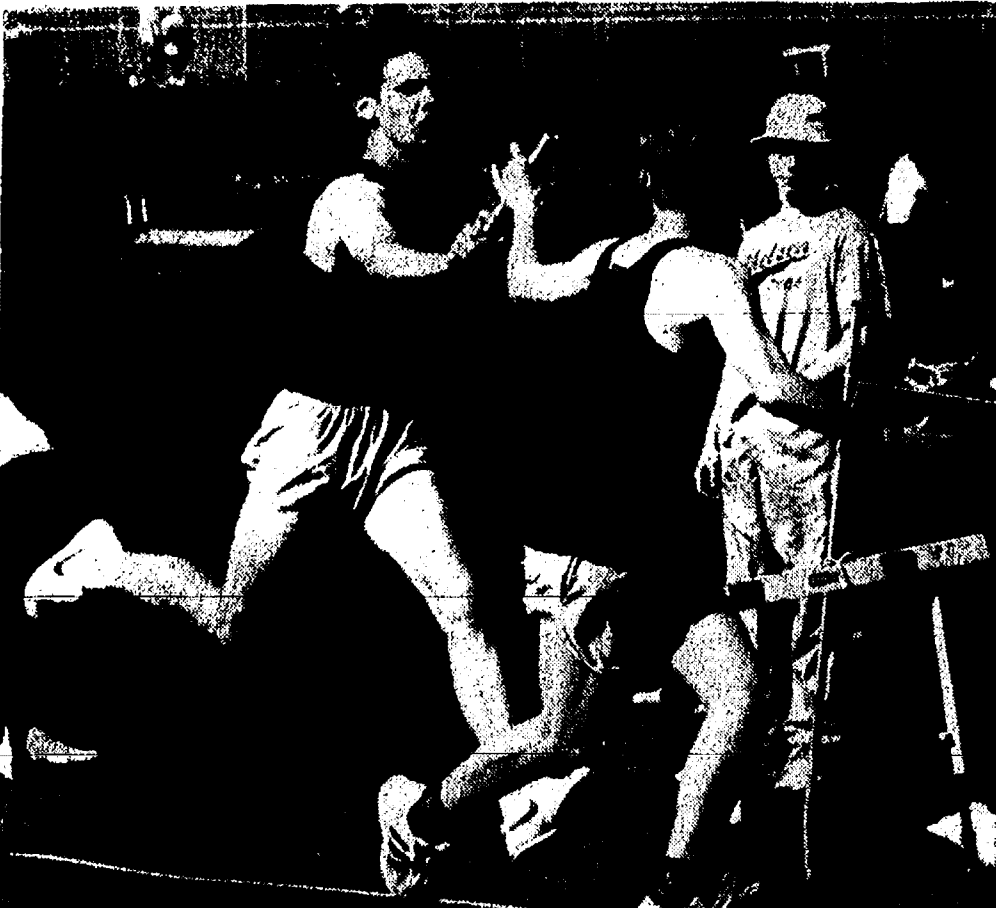

Against Haslett, Nathan Butler lost to Bardocz/Schefe 3-6, 3-6; went down to Chris Carlson 0-6, 6-1; Dan Johnson defeated Eric Giebel/Boughton fought long and to Ben Ducker 2-6, 4-6; and Ryan Chase went down to Ian Boyka 4-6, 1-6.

In doubles play, the team of Bainton/Koengeter was defeated by Hargrove/Sheeley 2-8, 1-6; Theobald/J. Lenneman 6-7, 4-6; and Giebel/Boughton lost to A. Lenneman/Frentz 6-7, 3-6.

In the Howell match, Nathan Butler played a long three-setter but was defeated by Brett Leone 6-4, 5-7, 2-6; Dan Johnson again won his point against Greg Bushey 6-3, 6-1; Steve McDonald went down to Chris Haney 2-6, 3-6; and Ben O'Connor overcame his opponent in another three-setter 1-6, 6-1, 7-5.

In doubles play Bainton/Koengeter lost to Bardocz/Schefe 3-6, 3-6; Beauchamp/Myers won over Hall/Soehl 6-4, 6-2; and Palmer 6-4, 6-0; Steve McDonald lost hard but could not bring in the point Chase went down to Ian Boyka 4-6, 1-6.

The netters will host Pinckney this Tuesday at home. The match will start early at 3:15 instead of 4 p.m. Please note the change of time for this match.

I GOT IT. Scott Hawley hands the baton to Ryan Schultz during the 3200 meter relay vs. Dexter on Tuesday, May 10. Chelsea cruised to the victory in the race.

Chelsea Volleyball Club To Host State Tourney

Chelsea Volleyball Club will host the AAU State Volleyball Tournament on Saturday, May 21. Twenty teams composed of nearly 200 girls age 12 and under, from throughout the state, including teams from Chelsea and Dexter, are registered for this competition.

Matches will be played at both Chelsea High school and Beach Middle school beginning at 9 a.m. Tournament finals will be played at Beach and should conclude by 7:30 p.m. There is no charge for admission.

Administered by Robert Berg of Chelsea, the Chelsea Volleyball Club (CVC) was organized in March 1993 to promote the sport of power volleyball in the local area. Following guidelines determined by the AAU Junior Olympic Volleyball Program, Berg said the club goal is to help maximize the potential of young players wishing to

increase their proficiency level. "This is a great opportunity to develop skills and game experience, self-confidence and self-esteem, as well as have fun training and competing in the world's most exciting team sport," he said.

Organized training sessions begin in the spring, and weekly tournaments are played throughout the state beginning in April. Currently 35 girls play on CVC sponsored teams in the 18 and under, 14 and under, and 12 and under age groups.

The Chelsea 12 and under team, coached by CHS varsity coach Dan Montgomery, consists of nine fifth and sixth graders. Team members are Deborah Adams, Mora Arnold, Lindsey Brink, Sally Compton, Molly Edman, Cassie Palmer, Lindsay Powers, Laura Saarinen, and Valerie Schiller. Montgomery also serves as the club's advisor.

Chelsea Interchurch Softball League Organizing for Season

Old Mitts are being taken off the hooks. Rookies are being recruited and trained! There will be an organizational meeting of interested team representatives for an Interchurch Softball League on Monday, May 23, at Chelsea First United Methodist church, at 7:30 p.m.

have sent teams: Dexter United Methodist, First Assembly of God, St. Paul U.C.C., St. Mary's Catholic, Free Methodist, North Lake United Methodist, Chelsea First United Methodist, Chelsea Christian

Fellowship, Zion Lutheran, and Immanuel Bible church.
Contract the Rev. Wayne Hawley at 476-7569 or 476-9348, if you want to enter a team.

The first game of the season will be May 26 at 6:30 p.m. at St. Paul's end of the Papo playing field on Old US-12 and at the Chelsea Free Methodist field on Werker Rd. All the following games will be on Thursday nights at 6:30 through the end of July. (On June 9 they will move to the St. Mary's end of the field.)

This slow-pitched league is coed. No team may field a team of more than seven males. Players must be 14 years old by September. (There is no upper age limit.) Each team is being asked to provide one person to umpire at each game played and two softballs: one regulation size and one 11-inch ball. The other rules are so user friendly, that they make for a very informal and fun league.

There is a rich history of this league. Here, many youth got their start, middle-agers sprained their ankles, and pastors were shown to be very human. Records go back to at least 1986.

Thirteen-year-old Ben Gibson is learning some hard lessons about life. Abandoned suddenly by their father, he and his family set out for Los Angeles - with only a shred of hope and one small clue - to find him. It isn't long before their money is spent or stolen and they're eventually forced to the streets to find shelter. Ben and his family now must come face-to-face with the horrors of a homeless way of life in a strange city.

COME THE MORNING uses the contemporary issue of homelessness as a backdrop for the timeless message of man's need to reconcile himself to God.

This powerful new dramatic film from World Wide Pictures is sure to tug at the heartstrings of each viewer and urge the "acting out" of one's faith in a hurting world.

Join us at Chelsea Free Methodist Church, 7665 Werker Rd., on Sunday, May 22 at 6:00 p.m.

The new jobs in service industries will demand much higher skill levels than the jobs of today. Very few jobs will be created for those who cannot read, follow directions, and use mathematics. Ironically, the demographic trends in the workforce, coupled with the higher skill requirements of the economy, will lead to both higher and lower unemployment: more joblessness among the least-skilled and less among the most educationally advantaged, according to the Department Labor's Workforce 2000.

Yekulis Seeks County Commissioner Post

Joseph J. Yekulis, Jr. 39, has announced his candidacy for the District 1 Washtenaw County Commissioner's seat being vacated by Martin Straub, who is running for the Michigan State House of Representatives.

Yekulis, a Republican, is a life-long resident of Washtenaw county, and a retired sergeant from the Washtenaw County Sheriff's Department. He is currently self-employed as a law enforcement trainer and consultant, and recently joined Interface Associates of Ann Arbor, selling multi-media education technology.

Yekulis feels well qualified for this position due to his depth of experience in working for county government for 17 years. His goals are to maintain the continuity of strong representation from Western Washtenaw county, and to ensure that District 1 receives its fair allocation of county resources. His familiarity with several long-time board members and county administration staff should be an asset in effectively representing our area.

During his years of service with the Sheriff's Department, he served three

JOSEPH J. YEKULIS, JR.

sheriffs and rose through the ranks of the agency, serving first in 1975 as an animal control officer, then as a deputy assigned to patrol and traffic services where he became an accident reconstructionist and a paramedic. In late 1986 he was promoted to sergeant, and or-ordinated the design and implementation of the Field Training Officer Program. He also assisted in the development of the Family Violence Intervention Project in Ypsilanti township, which eventually led to an effective preferred arrest policy in matters of domestic violence. In 1990, he became the first "Director" of Washtenaw Central Dispatch, and assisted in the implementation of the county-wide Enhanced 9-1-1 system, Consolidated Dispatching with the Michigan State Police Ypsilanti Post, and a Communications Training Officer program. He left the agency in April 1992, after the county made an early retirement offer to qualifying sheriff's employees.

Yekulis completed his education during his service with the Sheriff's Department, and holds two degrees from Eastern Michigan University. He received a bachelor of science degree in 1981, majoring in political science, and graduated with honors from the master's program in 1992, completing a degree in interdisciplinary technology.

U-M Names Scholarship Award Winners

Several area residents were among 512 top high school seniors selected throughout the state to receive the University of Michigan's Regents-Alumni Scholar Merit Awards for outstanding academic achievement, scholarly promise and potential contribution to the university community.

A total of 1,134 students were nominated for the merit award based on their grades, class ranking and test scores. Nominees were interviewed by U-M alumni representatives in their hometown area and final decisions were made by the University Regents-Alumni Award Committee.

Dexter High school students receiving scholarships were Ercan Dede, Christopher Frank and Peter Leidy. Daniel Johnston of Stockbridge High school received a scholarship. Chelsea High school students receiving scholarships were Sarah Henry and David Seitz. Manchester High school students receiving scholarships were Benjamin Lowery and Kurtis McDonald; and Sarah Kelley of Pinckney High school received a scholarship.

Students selected as Regents-Alumni Scholars will receive a \$1,000 scholarship when they enroll in the University of Michigan for fall 1994. In addition, recognition certificates have been provided to the recipients' high schools for presentations at spring awards convocations.

Michael Visel, Steven Xuereb Earn Degrees

Michael Visel of Dexter and Steven Xuereb of Whitmore Lake were among 618 students from Northern Michigan University receiving degrees at the spring commencement ceremony held Saturday, April 30.

Visel earned a Bachelor of Social Work and Xuereb earned a Bachelor of Science in accounting.

A total of 448 students earned bachelor's degrees, 58 earned master's degrees, 90 earned associate, two-year degrees, nine completed requirements for one-year certificate programs and 15 earned vocational diplomas.

Lima Township Zoning Ordinance Revision IX QUARRY DEFINITION

QUARRY: The term quarry shall mean any pit, excavation, extraction or mining operation for the purpose of removal of excavated material such as earth, topsoil, sand, aggregate, clay or stone, for sale, transportation, exchange or barter, away from the premises. Removal in excess of 500 cubic yards in any calendar year shall be deemed a quarry operation. Away from the premises shall be defined as any one of the following: a different lot of legal record, across a public road right-of-way or more than 1000 feet from the site of excavation. Excavation by public authorities within a public right-of-way shall not be deemed an extraction operation.

I hereby certify the above Ordinance Revision was adopted at a regular meeting of the Lima Township Board on the 2nd day of May, 1994. Ayes: Bareis, Heller, Trinkle, Messman and VanRiper. Nays: None.

Lima Township Zoning Ordinance Revision IV MOBILE HOME ORDINANCE

Section 4.04 B. Residence Districts MH (See Note 2) Note #2: Regulations for Mobile Home Parks are set forth in Section 5.14 [15.300], herein. 2. Minimum Lot Area—All other permitted and special uses RS, 1 Acre. Section 5.14 MOBILE HOME PARK District (MHP)

A. Intent. The intent is to provide districts of such size and location as will encourage proper mobile home residential development, adjacent to essential community services, and otherwise protect the health, safety and welfare of mobile home residents.

B. Permitted Uses.

1. Mobile home parks subject to the provisions of Section 5.14 D.

2. Mobile home parks and permitted uses in accordance with Section 4.03 of the Lima Township Zoning Ordinance.

C. Special Uses.

1. Special uses in accordance with Section 4.03 of the Lima Township Zoning Ordinance.

D. Site Design Requirements. The Mobile Home Code, as established by the Mobile Home Commission and the Michigan Department of Public Health Rules under the authority of 1987 PA 96, as amended, regulates development of mobile home parks. All mobile home parks must be constructed according to the standards of the Code.

In addition to the rules and standards of the State of Michigan, Lima Township imposes the following conditions:

1. Mobile Home Parks shall be constructed, licensed, operated, and managed in accordance with the provisions of the Mobile Home Commission Act, 1987 P.A. 96, as amended, and subsequently adopted rules and regulations governing mobile home parks.

2. Mobile Home Parks shall not be permitted on parcels less than fifteen (15) acres in size.

3. Individual mobile home sites

within a mobile home park shall have a minimum lot size of 5,500 square feet per mobile home being served. This 5,500 square foot minimum may be reduced by twenty (20) percent, provided that the individual site shall be equal to at least 4,400 square feet. For each square foot of land gained through this reduction of the site below 5,500 square feet, an equal amount of land shall be dedicated as open space. In no case shall the open space requirements be less than that required under R125.1946, Rule 946 of the Michigan Administrative Code.

4. The on-site storage of boat trailers, boats, camping units, horse trailers and similar recreational equipment shall be prohibited on mobile home sites and in designated open space areas. The mobile home park may provide, within the confines of the park, a common outdoor storage area for the storage of the above mentioned equipment.

5. The minimum setback for mobile home parks shall be fifty (50) feet from a public right-of-way and fifteen (15) from any adjoining property line not involving a public right-of-way. Mobile home parks shall be landscaped as follows:

a. If the mobile home park abuts an existing residential development, the park shall be required to provide landscape screening along the park boundary abutting the residential development.

b. If the park abuts a non-residential development, the park need not provide screening.

c. In all cases, however, a park shall provide landscape screening along the park boundary abutting a public right-of-way. The landscape screening shall consist of evergreen trees or shrubs of minimum three (3) feet in height which are spaced so they provide a continuous screen at maturity. A landscape berm may be incorporated within the landscape screen. Walls and fences used in conjunction with a landscape screen shall be approved by the planning commission.

6. Mobile Home Parks shall be subject to preliminary plan review requirements in accordance with 1987 PA 96, as amended.

7. A permit shall not be required for the construction or erection of canopies or awnings which are open on three (3) sides. A building permit shall be required, however, before the construction or erection of any screened, glassed-in, or otherwise enclosed awning or canopy.

I hereby certify the above Ordinance Revision was adopted at a regular meeting of the Lima Township Board on the 2nd day of May, 1994. Ayes: Bareis, Heller, Trinkle, Messman and VanRiper. Nays: None.

Arlene R. Bareis,
Lima Township Clerk.

FRIENDS OF WILDLIFE are always available to help injured or orphaned animals. They have the knowledge of what kinds of foods the animals need and the skills on how to handle them without further injury to the animal or to themselves. They are offering a training workshop on May 28 to anyone interested in helping wildlife.

Friends of Wildlife Help Injured Animals, Birds

It is the time of year when wildlife babies are being born or hatched. The parents may build a nest in a bush, a tree, or even in your chimney. Wild animals may come into our homes or chomp on our garden plants in their search for food and shelter for their family. They aren't trying to bother, scare or inconvenience us, but sometimes they do.

On the other side of the coin, it appears that human impact on wildlife can and usually does exceed just inconveniencing wildlife. 1994 human lifestyle often includes litter, automobiles, garden pesticides, free roaming pets, utility lines, pollutants, construction projects, and the human population boom—all these can result in wildlife injury, death or can create orphans of the young wildlife.

There are ways to help both humans and wildlife live together as neighbors. Friends of Wildlife can assist you in solving a wildlife question or problem, and they specialize in wildlife rescue.

Friends of Wildlife is a volunteer group of well trained, and dedicated local people who help care for injured and orphaned wild animals until those animals are rehabilitated and can survive successfully on their own. Then the Friends volunteers return the wildlife back to their natural habitat. This is no small task.

Bringing wildlife into human contact, even to rescue them, can ruin the animals' natural instinct to escape danger in nature. The rehabilitators have to accomplish healing of the injured and raising of the infants without destroying the wildlife's survival mechanisms. It is very important to learn in detail about the needs of the particular animal one is rehabilitating. Wildlife needs to be fed the right foods that they will find back in nature. You need to learn the stages of development of the young so that rearing an infant can be close and reassuring when needed, yet at a certain stage humans must back off and let nature's defenses develop in the young animal for its ultimate survival as an adult in nature.

Another purpose of Friends of Wildlife is to educate people to recognize when wildlife does not need assistance. There are times when you should not step in to "help" an animal. For instance, rabbits are in-

dependent at an early age. They may look too small to you, but they are fine hopping around on their own. Very young bunnies still in a nest with no Mom around are also O.K. These nesting bunnies are not abandoned! The rabbit moms are on the nest only for a few times a day to feed their young for only a short time. The average person feels the bunnies in the nest need rescuing when the babies really need to be left undisturbed.

There is an old tale that a mother bird will smell the scent of humans and reject a baby that has been handled by people. In fact, birds have a poor sense of smell (eyesight is their strong suit) and won't notice that a person has touched their baby. Most baby birds can be put back into the nest. Be sure they have fallen and are not just practicing flying. If they are fully feathered and can flutter about, they are probably in flight school with their parents nearby. If the baby bird is very young, you are sure they have fallen, and you can find their nest and easily get to it, by all means return them to their nest. The parents would be pleased to find that baby back in the nest where it should be and where they can care for it.

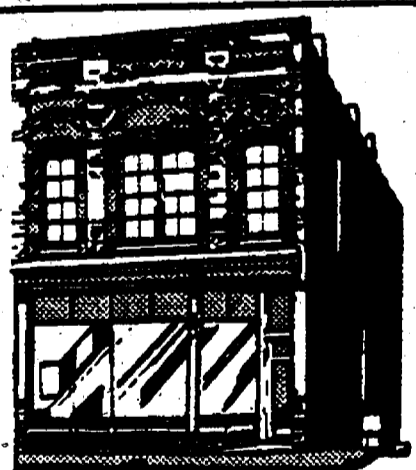

If you would like to learn more about wildlife and may want to become a wildlife rehabilitator, Friends of Wildlife is holding a workshop on Saturday, May 28. A one-day workshop will train adults interested in becoming actively involved in the rescue, raise and release of healthy wildlife back into nature. The cost for the day of hands-on training includes lunch and introduces you to some local infant wildlife that are currently in the rehabilitation process. Call Pat for details, (313) 685-5592. Pre-registration is needed to attend.

If you find injured wildlife call the Huron Valley Humane Society who will call the Friends of Wildlife volunteers. Be careful when trying to handle wildlife. Most animals do not want to be near people. Wild animals are not "vicious" or "mean" but they are very scared when hurt or orphaned. They will defend themselves from you. You would want to protect yourself if some large alien creature tried to pick you up, or corner you. Put yourself in the animal's place. Be aware that they don't know you are trying to help them. Know what you are doing or call a person who does know.

Extend Your Investment. Use Amoco Quality Products.

Amoco Premier Diesel Fuel (APDF) — Lubricity and a Whole Lot More
APDF provides the fuel lubricity your diesel fuel system needs for normal, trouble-free operation. With APDF, you don't need to use expensive, aftermarket lubricity additives which some manufacturers recommend for low-lubricity, low-sulfur fuels. APDF's exclusive D-Guard multi-purpose additive package not only helps increase fuel lubricity, it also helps protect your fuel system from corrosion, filter-plugging and build-up of gums and resins. And, APDF's high 50-octane rating helps your engine start quickly and warm-up smoothly.

Amoco Quality Lubricants — For Added Protection Amoco has a full line of motor oils and lubricants designed to help protect your farm equipment and to help increase your fuel efficiency. Amoco Premier II is designed exclusively to boost diesel engine performance, with additives to extend engine life and cut oil consumption. Amoco 200 and 300 motor oils are multipurpose oils that provide the performance in both gasoline and diesel engines that you have come to expect from Amoco. And, Amoco 1000 transmission/hydraulic fluid offers high-level protection for hard-working gears and pumps.

Use Amoco Quality Products You've invested tens, perhaps hundreds, of thousands of dollars to build a successful farming operation. So, use quality Amoco fuels and lubricants to help protect that investment.

PART-TIME CUSTOMER SERVICE REPRESENTATIVE
At Great Lakes Bancorp, the people who make us great are our knowledgeable employees and our satisfied customers. We now have a number of challenging part-time positions available at Chelsea branch. We will be offering a two-week, full-time training class at our corporate branch in Ann Arbor beginning May 31, 1994. Our tellers are called CSRs because in addition to traditional teller responsibilities, they use their expert knowledge to recommend appropriate bank services to our customers. This entails working closely with our customers to assess their individual needs, and then explaining and promoting our services to them. Previous retail sales background a plus. We offer competitive pay, opportunities for advancement and a friendly work environment. Our employees also receive extensive training and full management support. If you are interested in becoming one of the people who make us great, apply in person to:

Card of Thanks 19

CARD OF THANKS
The family of K.R. McMannis would like to thank the Mitchells for their kindness during the arrangements of his Memorial Service, Chelsea Greenhouse for the beautiful flowers, the Rev. Richard Duke for his comforting words and all our friends, co-workers and neighbors who came to share the day with us. A special thanks to John Wesley Mitchell, III, who chose May 2nd to make his arrival.

Card of Thanks 19

Thank You
I want to thank the Surgical Staff, Dr. Cleary, Dr. Cropsy and staff, also Dr. Marcus and Dr. Yarows, the nurses in ICU, the nurses and aides in East Wing of Chelsea Hospital for their dedicated care, all my friends, neighbors and relatives for their cards, calls, visits and flowers. A special thanks to my family for staying near me during surgery, my stay in the hospital and since my return home. They all meant so much.
Elwood Keezer.

CARD OF THANKS

We wish to take this opportunity to extend our appreciation for the many expressions of sympathy received upon the loss of Hilda M. McClure. The Chelsea Retirement Community, especially the staff of K-2, and Dr. Steven Yarows gave her wonderful care. The Rev. Rosemary Chaffee, the floral tributes, and the contributions in Mother's memory all helped to ease this difficult time. We thank all of our Chelsea area friends.
Jean and Fred Hopkins and Family.

THANK YOU

I would like to take this opportunity to thank my friends and family for their presence, donated food, and "gifts" at my wonderful surprise birthday party May 7. It was truly a "Surprise" and it made my turning a half century old much easier. A special thanks goes to Roger, all my children, my parents (Olive and Glen Wiseman), and my sisters and brothers-in-law, Judy and Bob Tefft, Arly and Bob Spink (thanks for opening up your home). They say "paybacks are tough" but I truly enjoyed this one. My love to you all.
Velma.

THANK YOU

To the person who turned in a valuable item, which I had left behind, to a local grocery store, thank you more than I can say. Call this paper for my number—lunch or dinner, if you prefer, is on me. Gratefully,
Rosalie Hartman, Dexter.

CARD OF THANKS

Thank you to everyone who gave so much to Evelyn during these last few years of her life. Your prayers, kindness and generosity were greatly appreciated. Thank you to those who sent cards, gifts, flowers and visited Evelyn, during her hospital stay. For their "endless gift of devotion to others" a special "thank you" goes to, Father DuPuis, Deacon Shaneyfelt, St. Mary's Altar Society and the John Mitchell family. Evelyn's days were filled with telephone calls, card playing, bible class, china painting, lunches, visitors, letters and many other blessings, because, you her friends made it possible. With love and much thanks,
The Family of Evelyn Hale.

PUBLIC NOTICE
Date: May 18, 1994
Permit No. 4288884
Chryso-Chelsea Filling Grounds
The Michigan Department of Natural Resources proposes to reissue a discharge permit to Chryso-Chelsea Filling Grounds, located at 4100 South 14th, Chelsea, Michigan 48118. The applicant is engaged in the testing of vehicles. The applicant discharges process wastewater and contact cooling water and proposes to discharge treated sanitary wastewater to Mill Creek, in Section 23, T2S, R2E, Washtenaw County.
The draft permit includes the following modifications to the previously issued permit: new internal outfall 003 which authorizes the discharge of treated sanitary wastewater; new limits for Dissolved Oxygen, Total Phosphorus, Total Residual Chlorine, and Total Silver at outfall 003; and elimination of outfall 004 by rerouting the discharge to outfall 003.
Comments or objections to the draft permit received by June 20, 1994 will be considered in the final decision to issue the permit. Persons desiring information regarding the draft permit, procedures for commenting, or requesting a hearing, should contact: Alvin Lam, Permit Section, Surface Water Quality Division, Department of Natural Resources, P.O. Box 32273, Lansing, Michigan 48909, telephone: 517-339-4123.
Copies of the public notice and draft permit may be obtained at the Surface Water Quality Division District Office located at the Jackson State Office Building, 201 East Louis St. (Highway 48) Floor, Jackson, Michigan 49201, telephone: 517-790-7900.

SYLVAN TOWNSHIP RESIDENTS
Sylvan Township will be sponsoring a pick up of large appliances. The funding for this is provided through the distribution of Solid Waste Funds. The funds distributed to Sylvan Township are based in part on the population of the Township outside of the Village limits, therefore the collection will be limited to residents outside of the Village limits.
Appliances that will be picked up are: stoves, refrigerators, washers, dryers, freezers, air conditioners, hot water heaters and microwave ovens. Due to the limited funds available and the cost to remove freon from refrigerators, freezers and air conditioners, it will be necessary to limit the number of those type units per household to three.
Appliances must be brought out to the roadside.
The pick up will occur on Saturday, May 21, 1994. To arrange for pick up, residents must call the Township office at 475-8890 on Monday, May 16, 1994 and Wednesday, May 18, 1994 or Friday, May 20, 1994 between the hours of 9:00 a.m. and 12:00 Noon.

WHAT CAUSES CATARACTS?
A cataract is a clouding of the lens of the eye. The lens is positioned directly behind the pupil, and normally it is optically clear. Any disturbance in the lens will cause it to become cloudy, and we then call it a "cataract."
Usually, the clouding of the lens into a cataract is a slow process occurring as we age. Sometimes, however, we will see cataracts form in very young individuals. The great majority of these cases are of unknown cause. Occasionally there seems to be a hereditary factor in cataract formation. Recent evidence supports the theory that long-term exposure to the sun may hasten cataract formation, and it's possible that persons who spend much of their time outdoors may be more likely to get cataracts. Shielding the eyes from the sun or wearing glasses that block ultraviolet light may slow development of cataracts.
Long-term use of cortisone or other steroid drugs has been associated with cataracts. Trauma to the eye can cause cataract formation, either immediately or delayed. Cataracts are seen in some diseases of the eye such as iritis, and in diabetics and in persons with atopic dermatitis. Many other rare diseases have been linked to cataract formation.
For most patients, the cause of their cataract will not be known for certain. If the lens clouds enough to seriously affect vision, modern cataract surgery, with lens replacement by intraocular lens implant, can restore excellent vision in the great majority of patients.

Breakfast Club Hears Golf Course Plans

The Economic Breakfast Club of Chelsea will meet at 7:30 a.m., Wednesday, May 18, in the Main Dining Room of Chelsea Community Hospital. Sponsored by the Chelsea Area Chamber of Commerce, these meetings are held bi-monthly from September through May and have guest speakers who address a broad range of topics of interest to members and their guests.

Guest speaker this month was Fred Barkley, director of the Washtenaw County Parks and Recreation Department. He brought the group up to date on the plans to build a county-owned golf course in Chelsea; where it will be located; who are the course architects; when it should be open to the public and other related matters. This course will be an important addition to the Chelsea community and made for an interesting discussion.

Five Talented Seniors Present Concerto Concert Thursday

On Thursday, May 19 at 7:30 p.m. Chelsea residents will be treated to an evening's entertainment by five talented seniors accompanied by the Chelsea High School Chamber Orchestra. Each senior has prepared a concerto, a piece designed to showcase one instrument with an orchestral background, usually in symphonic form.

Brian Dufek, who next fall will attend the University of Michigan to study chemical engineering, begins the evening with the "Violin Concerto No. 1 in G Minor" by Max Bruch, who was best known for his three violin concertos. Brian currently studies with Barbara Sturgis-Everett.

Lisa Hughes will play Camille Saint-Saens' romantic cello piece, "Allegro Appassionato," which is a dance-like song. Lisa will study chemistry at Hope College next year. Her cello teacher is Alison Badger.

Violinist Sarah Henry will play a more modern piece, Dmitri Kabalewski's "Violin Concerto, Op. 48, Vivace Giocoso." Sarah has studied violin with Karen Krahmolikov. She will attend the University of Michigan School of Natural Resources where she will study ecology and environmental policy making.

Erin Snyder will play the "Viola Concerto in G Major" by Telemann, a stately piece typical of the Baroque period. Erin has been studying with Chelsea High School graduate and current University of Michigan Music School student, Julia Gray-Lion. Erin plans to follow Julia to the University to study environmental chemistry in the School of Natural Resources.

The final performance will be given by Rebecca Flintoft. Becca will play

Saint-Saens' "Cello Concerto No. 1 in A Minor," which she describes as "exploring all the registers of the cello, from lowest to highest." Becca's outstanding musicianship has been honored as she has been a member of the Michigan Youth Symphony and the Briarwood Honors Orchestra this year. She will attend Kalamazoo College in September, majoring in chemistry.

This will be the final concerto concert conducted by Peter Rosheger, well-loved conductor of the orchestra programs here at Chelsea. Rosheger has accepted a position as director of orchestras at New Trier High School in Winnetka, Ill., a nationally known

high school with one of the premier music programs in the nation.

During his tenure here, he has built the strings program into a truly outstanding orchestral program. The Chelsea Orchestras are now known as being outstanding all over the state, and increasingly throughout the nation. All of the seniors who will be performing on Thursday night mentioned how much they will miss the energy, caring, and direction of Mr. Rosheger. This concert will be the culmination of many years of playing at Chelsea, and should be well worth attending.

Cassidy Lake Camp Siren Will Signal Trainee Escapes

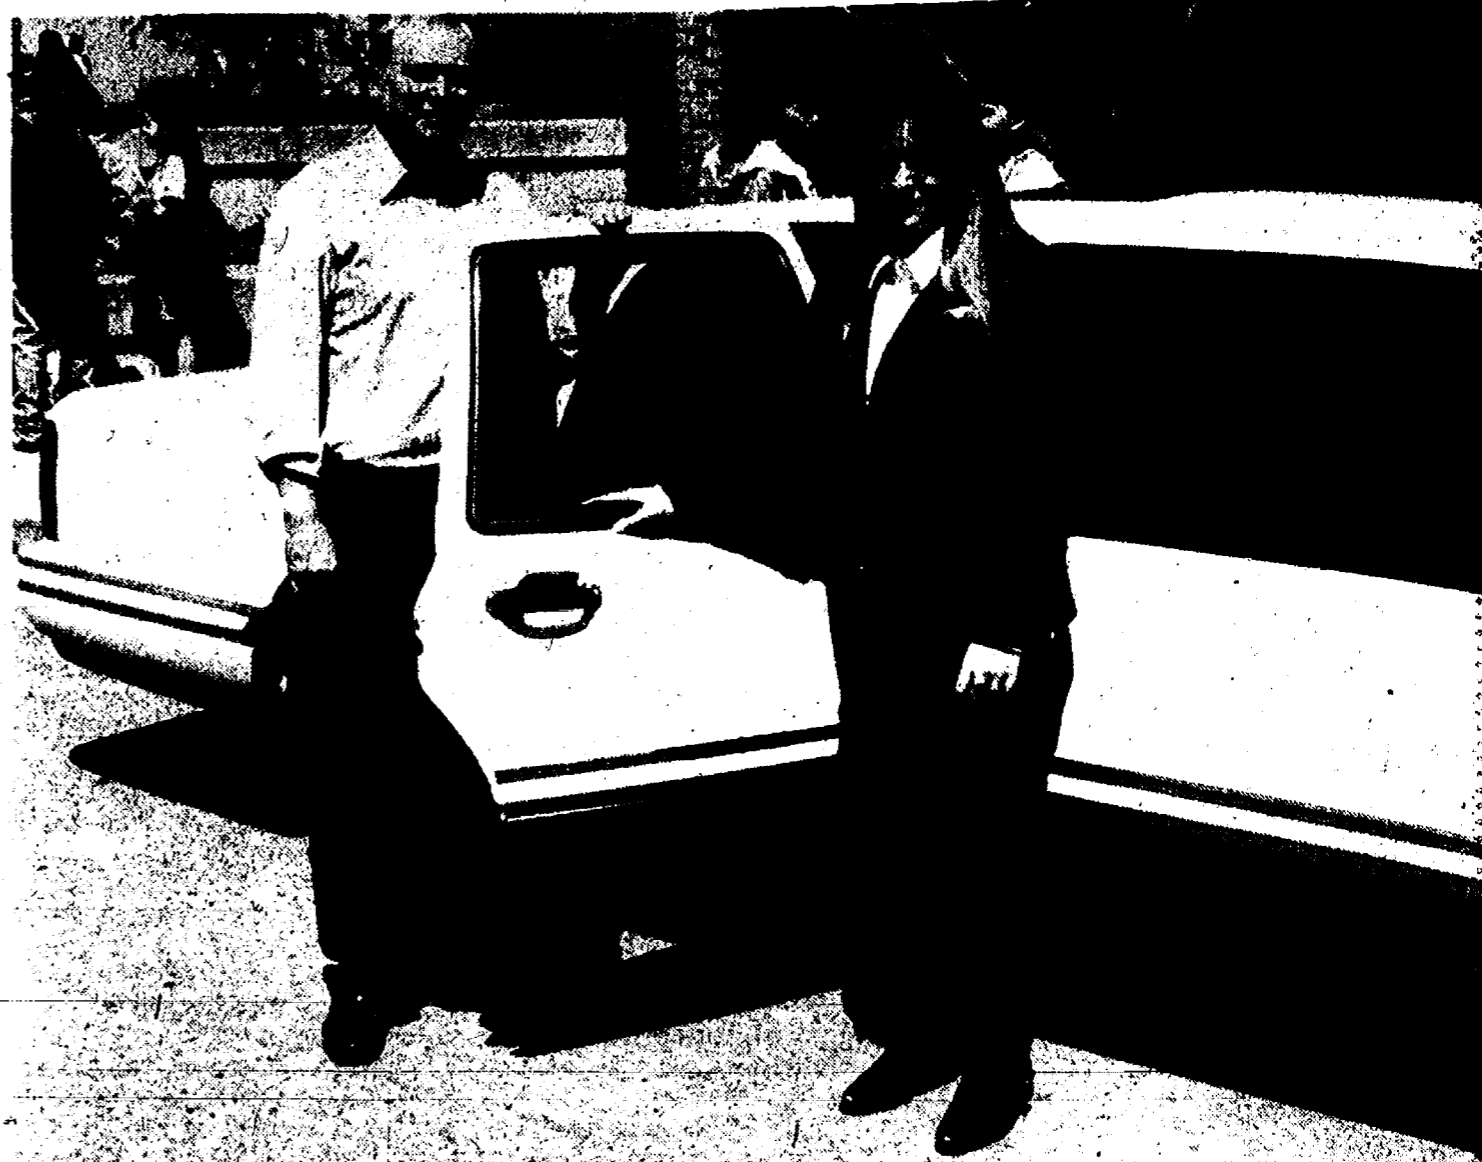

Cassidy Lake will begin use of a siren to notify persons in the area of the camp in the event of an escape. The siren will sound as soon as it is verified that a trainee has escaped from within the fenced perimeter or attached grounds. The audible range is approximately 2 miles. The siren will sound for two minutes every 15 minutes for one hour following the escape.

An "Escape Hotline" is now available for area residents to call to receive information in case the siren sounds.

A practice siren will sound at 12 noon on May 21 as well as the first Saturday of each month thereafter.

The Escape Hotline number is 475-6910 and will be available 24 hours a day.

Block Captains are requested to please distribute this information to all residences in your areas.

JAMES HOEFT, 7th grade teacher at Beach Middle school, was the lucky winner of a limousine service for Friday, May 13. His name was chosen by drawing as an award during Teacher Appreciation Week. The special treatment was very appropriate since Hoeft is retiring at the end of this school year following 31 years of service to the Chelsea School District.

Teacher Receives Royal Treatment

James Hoeft, 7th grade bloc teacher at Beach Middle school, received a special surprise on Wednesday, May 11. His name was drawn as the teacher who would be picked up in a limousine at his home, driven to school, and taken home at the end of the day.

Hoeft has taught in the school district for 31 years and will be retiring this year.

He is admired by both his students and their parents as one of Chelsea's most caring teachers, so it is particularly appropriate that he will be representing his colleagues as he sits back and enjoys a ride that symbolizes the importance of treating our teachers with the care and respect they deserve.

There has been a week of activities at the school during Teacher Ap-

preciation Week which included decorating the teachers' rooms, breakfast, lunch and several drawings. The Common Grill, Allie's Cafe, Big Boy, Chelsea Greenhouse, TJ Farms, and Executive Limousine all contributed to the gifts teachers received.

The activities are organized and carried out by the Beach Parent Advisory Organization through contributions by parents, students and community members.

I-94 On-Ramp Closed

The eastbound I-94 on-ramp from Baker Rd. has been closed for construction until mid-July.

Traffic will be detoured to the Zeeb Rd. eastbound I-94 on-ramp.

Traffic delays can be expected along Baker and Jackson Rds.

Heart & Sole Run Scheduled for June 4

The fifth annual Chelsea Heart & Sole Run-Walk is scheduled for 8 a.m., Saturday June 4, from Chelsea Community Hospital campus.

There will be a 10K, 5K and 2 Mile Run and Walk, with the walkers starting 15 minutes after the runners.

This growing event, which is co-sponsored by Chelsea Community Hospital and Chelsea Area Chamber of Commerce, rambles through the Village and east of town on country roads and is a TAC certified race.

In the two mile run, age division awards will be given to 8, 9, 10, 11, 12, and 13-19 year olds and in 10-year increments up to 70 years. In the other two races awards will be given in the 14 and under age group and in five-year increments up to 70 years.

In-person registration is Friday evening from 4 to 7 p.m. in the hospital dining room, where a pre-race spaghetti dinner will be available at a very reasonable price. Runner/writer Tom Henderson will conduct a runner's workshop from 6 to 7 p.m. He will answer questions and entertain the runners with tips and anecdotes.

For more information or to have registration forms mailed, call (313) 475-4063 during business hours.
