### East Street Celebrations

The East St. PTA celebrates its Founder's Day on April 8. Each year we have this event with past Honorary Life members returning to welcome the new Honorary Life members. One of our past Honorary Life members, third from the left, sitting down, is 82 years young, Marie Foster, and is expected back next year as well. Thanks to all these dedicated individuals, the children of East St. have always in the past and right up to today enjoy the activities PTA sponsors.

On March 27 it was East St. Day at East St. School. A McDonald's lunch, which was pre-ordered and prepaid by the children, was made available to the children by the PTA. The children ate their way through over 100 cheeseburgers, hamburgers, chicken McNuggets and french fries. No doubt, they enjoyed every last bite!

### Middle School Presents 'Boyfriend'

The Hicksville Minutemen 1977 B Travelling Soccer Team defeated the Elmont Rowdies 4-0 at Triangle Park on Sunday, May 5, to bring their L. I. Junior Soccer League record to 3 wins 2 ties 2 losses, good enough for second place in their division, led by the superlative defensive effort of Danny De Pinho and Jorge Da Silva in goal, Mike Herszkowitz at sweeper, Greg Walunas at right fullback, Timmy Dalton at left fullback and Andres Turcios at stopper.

The Minutemen scored 3 early first half goals and then coasted to an easy victory the rest of the way. Kenny D'Introno at left wing set up Jorge Da Silva at striker for 2 of the first three goals. Da Silva set up the second goal of the game, which was put in by Tommy Coffey. After a super first half, on offense, Da Silva had an equally good second half in goal. The game's fourth goal was

scored midway in the second half by striker Douglas Garcia, again on a D'Introno set up. The balance of the Minutemen, all of whom had a fine game, were Bobby Braun at left halfback, Anthony Noya at center halfback, Brian Rigert at halfback, Alcino Silva at wing, Bobby Wagner at wing and Richard Werchenski at striker.

Congratulations to the Minutemen Coach Tony De Pinho, Asst. Coach Al Blicker and sponsor Seaman & Eisemann for a fine winning soccer game, bouncing back from Saturday's valiant, but losing, effort to fantastic Walkkill Team in Middletown, N. Y. in the 4th round of the State Cup Tournament by a 3-0 score. The game was much closer than the score indicates, for the Minutemen held the opposition scoreless for the first 50 minutes of the game's 70 minutes, due to an excellent defensive effort.

### Mother's Day Workshop At Museum

The Gregory Museum is pleased to announce a workshop titled, "Frame A Love/Handsome Face For Mother's Day," to be held on Saturday, May 11. If you're 8 and older, come join us and make a lovely picture frame for Mom. Connie Williams will direct this workshop and everything you need, except your photograph, will be provided. This workshop will be held from 1:30 to 3 p.m. The fee is \$8 for non-members and \$6 for members.

If you're not already a member of the Hicksville Gregory Museum, perhaps you might consider a membership. Members are entitled to free admission to the Museum and also receive a discount in our gift shop. A yearly membership is offered to individuals for \$10 and a family membership is available for \$20. Those with family memberships are entitled to a discount at all workshops.

### Permission Denied On Zone Ord.

The Oyster Bay Town Board has denied a request for permission to modify restrictive covenants in a "C" Residential District in Hicksville, according to Town Councilman Thomas L. Clark.

"The applicant, Merton Wachtel was seeking permission for the modifications to allow premises located in a 'C' residential district on the west side of Broadway at the intersection of Columbia Drive, also known by the address of 420 Broadway, to be used as a medical diagnostic center by any medical professional without the necessity of maintaining a residence on the premises," Clark stated. "Pursuant to a public hearing held on November 13, 1990, the Town Board has denied the application."

In its denial, the Town Board stated that the applicant had failed to provide adequate justification for the removal of the conditions imposed on the property when the special use permit was granted in 1960. The Board also cited that the conditions which existed in 1960, such as limited traffic generation by the subject use and adequate off-street parking, have changed, and that after considering the nature, type of the existing use and the surrounding uses, the granting of the application would impede future efforts to stabilize the area and would not be in conformance with the aesthetic purposes and intent of the Town's comprehensive zoning plan.

### Hicksville PTA Council Candidates Forum

The Hicksville Council of PTAs is again hosting a school board candidates forum at 8 p.m. on Thursday, May 16, in cafeteria A of the Senior High School.

Three seats are up for election on the School Board this year. All board members serve their term at no compensation.

Running for the seat of William Bennett, a 3 year term expiring June 30, 1994, are Helen M. Lafferty, Mary E. Carton and Susan DeFreitas. For the seat of JoAnn Miltenberg, a 2 year remaining term expiring June 30, 1993 (elected trustee will be sworn in by the present board the night of the elections), are Richard H. Pfander and Kevin Asher. For the seat of Patricia Rooney, a 3 year term expiring June 30, 1994, are James M.

Black and Jeffrey A. Siegal. At the beginning of the forum, index cards will be distributed to the members of the audience so that they may write questions directed to the candidates. The candidates will be given time to make opening statements. They will then be available to answer the submitted questions. At the end of the program, they will each give a closing statement.

Representatives from the League of Women Voters will be serving as moderator and time-keeper. As in the past, Hicksville's PTAs will not and cannot support any candidate for the School Board. However, we urge the community to become informed by attending our Candidates Forum.

### Rabbi Retirement

Oyster Bay Town Councilman Leonard B. Symons recently presented a citation to Rabbi Julius Goldberg of the Plainview Jewish Center who is retiring. The citation recognizes his years of dedication and commitment to the Jewish Center. Looking on proudly is the Rabbi's wife, Bette.

### Career Day At Middle School

The Careers Day '91 program was presented at the Hicksville Middle School on April 25th under the leadership of Home & Careers, Library, and Guidance personnel.

Every eighth grade student was able to hear and react to four presentations by professionals from different fields. Each speaker was introduced by a student presenter who summarized the credentials and career of the presenter.

In order to present a diverse

experience, speakers were drawn from district personnel, staff family members, and Rotary Club volunteers. The energy and time contributed by these professionals was appreciated by everyone concerned.

The day's events, coordinated by Barbara Horsley, Guidance Chairperson, and Marie Marshall, Assistant Principal, were well received by staff and students. Plans are already underway for Career Day '92!

# Letters to the Editor

To the Editor:

As a member of the Silent Majority, I am trying to reach you, the average taxpayer of the Hicksville School District. May 22 is the date of the Budget Vote which also encompasses the election of three candidates to the School Board. I am one of these candidates. Your vote is important to the school community.

I am concerned about the reputation that Hicksville has in the media and among its residents. I would like to bring back the sense of pride we all had at one time in our school district.

Good character, intelligence and common sense, should be the criteria for all school board candidates.

If elected, I will not forget the fact that Hicksville is an aging community. There should be a strong sense of obligation to consider these residents. Using common sense combined with fiscal responsibility, will permit them to remain in an affordable community. At the same time it is of great importance that we maintain our academic excellence. I believe we can do both.

I support the concept of 2 separate school systems which permits any taxpayer to send their children to the public school or a private parochial school. We should provide these children in private education, with transportation, books and whatever tools necessary, as we have done in the past. Parents of these children are taxpayers and deserve our support and encouragement.

I have been a member of the Citizen's Advisory Committee for the past several months.

I am a licensed real estate broker. I have over 30 years of business experience. No one can summarize a lifetime of business experience, but I am certain that the values of such will be an asset to my service as a school board member.

Sincerely,  
Mary E. Carton

To the Editor:

When I first ran for a seat on the School Board I was supported by the Teacher's Union and the Teacher Aids Association. I thought that it was because I was pro children and pro education.

As the years unfolded and the phone calls came from union leaders on different issues I realized that I was probably supported because I was a teacher and would further the union's position. After I voted "no" on the teacher's contract it became apparent, in no uncertain terms, that I would not be supported by the union in my campaign for a second term.

I believe that after the HCT's endorsement of Mrs. Rooney and me, and subsequently our "no" votes on the teacher's contract and our "yes" votes on the

superintendent's contract, they needed upfront assurances from candidates who would further the union's interests. The union hierarchy has a constitutional right and responsibility to its membership to support candidates who will vote their position. This is not unique to Hicksville. It exists nationwide. As a community, we have to decide who our board members are elected to represent.

Mr. Zaleski is doing exactly what he is elected to do: protect the teachers' interests. The question is: are our Board members doing what they are elected to do? Protect our community and provide the best education for our children. The union can start negotiating as early as November 1991. My guess is that they will try to negotiate while Mrs. Rudin still has Mr. Martillo and Mr. Collins on the Board. The key will be the three seats now open. Six of the School Board candidates gave opening speeches at the Hicksville Community Council meeting. I was not surprised to see union leaders clap only for the three candidates who "supposedly" are not supported by any organization.

Use your votes wisely. Helen Lafferty, Rich Pfander and Jim Black are candidates who truly represent our children and our community. On May 22 - Vote Row A.

Sincerely,  
Jo Ann Miltenberg  
433-6026

Hicksville taxpayers must return integrity and morality into the character and makeup of the Hicksville School Board and must enhance fiscal responsibility by defeating the projected budget and all associated propositions. If not done the Hicksville school system will become morally, ethically, and financially bankrupt.

Of the candidates:

**Richard H. Pfander** is a litigant in the Robert Izzo sexual abuse case. In other words he is using us, the taxpayers, for "big bucks." He claims he will excuse himself from deliberations and votes on the lawsuit. However, even if that claim was etched in stone, it is still morally and ethically repugnant for him to ask those being sued to elect him to the Hicksville School Board thus providing litigants access to taxpayer's defense strategy.

**Mary E. Carton** claims to be a member of the "silent majority!" However, her education philosophy written by her in numerous letters to editors over the years and in the course of conversations I had with her during my short stint on the 1991 Citizen's Budget Advisory Committee indicates she is neither silent nor in the majority. In fact

she is a taxpayer's worst nightmare! That 10% per year for three years given in the last teacher's contract by Martillo and Collins may look quite penurious if she is involved in contract negotiations. She must fully reveal her professional background and her connections to the education community if any before taxpayers even consider a vote to place her on the Board of Education.

**Jeffrey A. Siegel**, will, like Martillo, be a one issue trustee if elected to the Board of Education. Taxpayers just don't need another representative from The East Street School area to continue the disruptions that resulted in the resignations of two fine board members, JoAnn Miltenberg and Pat Rooney, and which prevented the board from presenting a cost-effective budget to the electorate for consideration.

Having the school district budget vote on May 22 is an abomination. It is too early. We could and should have waited until June 30. At this point in time, Hicksville taxpayers are threatened with a six million dollar cut in state school aid. We absolutely should not approve a "blank check" budget for the school administration before knowing how much our state aid will be reduced. The budget must be voted down in the May 22 vote. If it is defeated, a new revised and reduced budget could be prepared and presented for a re-vote after a state budget is approved and the amount of our state aid is confirmed. If it is not defeated, taxpayers will in effect replace the reduction in state aid with increased property tax dollars reinforcing the tax and spend policies of previous Hicksville school boards. To understand the significance, a six million dollar reduction will result in about a \$6 per hundred tax increase or about \$360 per year for a home assessed at \$6,000. The cumulative effect of this increase plus those occurring over the past five years and for the increases in years to come have and will continue to greatly erode taxpayer property values and lower the standard of living for many elderly residents, for the newly unemployed, and for many young families with children who are now barely getting by on reduced income.

I strongly urge all residents to vote for the taxpayer's friend Helen M. Lafferty, Kevin Asher, and James Black and above all to vote no on all budget propositions.

Sincerely yours,  
Frank H. Willard

To the Editor:

School Board elections are upon us again. We urge everyone to become informed about the candidates by attending the "Candidates Forum" night on May 16 in the Senior High School. Ask questions - Evaluate the answers. We are sure that all the candidates espouse the same goals, namely, good safe schools where all our children can receive a superior education, a full-service district with adult ed classes and senior citizen services, adequate transportation, and all this with an affordable budget. Everyone wants these things; how we go about achieving them is where we differ.

This year, we are fortunate in

having some well-qualified, experienced candidates. Mr. Bennett's seat is being sought by Helen M. Lafferty, the enthusiastic and very active member of the Reorganization Committee, Mary E. Carton, who devoted so much time, talent, and effort to the Citizens Budget Advisory Committee, and Susan DeFreitas, the hard-working President of the Woodland Avenue P.T.A.

Vying for Mrs. Miltenberg's unexpired seat are Richard H. Pfander, the very competent chairperson of the Willet Avenue Leasing Committee, and Kevin Asher, an officer in the Chemical Bank and a life-time Hicksville resident and H.H.S. graduate.

James A. Black, an attorney and active member of the Reorganization Committee and Jeffrey A. Siegel, who contributed so much to the Citizen's Budget Advisory Committee are running for Mrs. Rooney's seat. All of these people are regular attendees at School Board meetings.

## Students Publish Fairy Tales

The sixth grade students in Harry Smith's Dutch Lane classroom have proudly published their own fairy tales, taking a well-known story and recreating it in their own words. Their stories are on display in the front hall of the school and will soon be available in the library for circulation. The stories will also be on view at the International Reading Association Convention in Las Vegas this month.

Rita Ezor, author and primary consultant for the Individualized Language Arts program, a National Diffusion Network (NDN) replicated program, demonstrated lessons at the Dutch Lane School on January 24 and 25. Her lesson in Mr. Smith's class dealt with the telling of a fairy tale from a particular point of view. The students were so intrigued with the idea that they wanted to write their own fairy tales. Under the guidance of Reading Teacher Roberta Katcher and Mr. Smith, the class persevered in rewriting their own stories.

The class worked in groups and each group had to decide which fairy tale they would retell and from whose viewpoint. Another decision was if it were to be a story, a play or a poem. Once these decisions were made, the students worked cooperatively, using computers to type, edit, and print the final versions.

When the fairy tales from Mr. Smith's class were finished, the students in John Maiorino's class

Decide which ones would make the best trustees - and then VOTE. If you don't and the Board takes actions you don't like, you have no one to blame but yourself!

We also urge that you vote "yes" for all three budget propositions. Let's get Hicksville back on track!

Yours for a better Hicksville  
Carolyn and Bill Kelly

To the Editor:

There seems to be a little confusion about my position on busing for private/parochial school children as stated in my candidate's letter last week.

I am not in favor of students travelling on the Long Island Railroad or on municipal buses. I believe the personal safety of every student in Hicksville is of prime importance.

I do not consider one group of students to be in any way less important than any other.

Helen M. Lafferty

and the process began again.

The fairy tale books were all recently completed and laminated. The students learned from cooperatively working together, and each idea was important and valued. They had to plan, organize, write, edit, reflect, revise, finalize and illustrate their story, and each student received a final copy of their work.

The students who worked so hard on this project are: (from Mr. Smith's class) "Little Red Riding Hood," Richard Ohnmacht, Jonathan Bobrowsky, Colleen Gilson, & Donna Phillips; "Little Red Riding Hood," Henry Connelly, Diana Fong, Tricia Giordano, and Michael Raspani; "The Emperor's New Clothes," James Gaudio, Michael Becker, and Jillian Snyder; "Cinderella," Jennifer LaScala, Jaclyn O'Reefe, and Adrian Diaz; "Rapunzel," Angela Becker, Nikitas Miglis, and Daniel Mockler; "Rapunzel," James Alexander, Christine Camacho, and Blanca Martinez; (from Mr. Maiorino's class) "Jack and the Beanstalk," Anthony Guadiso, Suzanne Klein, Gary Raisig, and John Schiralli; "Hansel and Gretel," James Blaesser, Joseph Demarest, Elizabeth Karmann, and Synphen Wu; "Goldilocks and the Three Bears," Daniel Kraemer, Douglas Economou, Jennifer LeFavers, Kelly Fried, and Roberto Rivera; "Goldilocks and the Three 'Fur Balls,'" John Danzi, Michelle Firester, Athena Scheidet, and Paul Tanck.

Mr. Smith's class: the authors of "The Emperor's New Clothes," and "Cinderella": James Gaudio, Michael Becker, Jillian Snyder, Jennifer LaScala, Jaclyn O'Reefe and Adrian Diaz.

Mr. Maiorino's class: the authors of "Goldilocks and the Three Bears," and "Goldilocks and the Three 'Fur Balls,'" Daniel Kraemer, Douglas Economou, Jennifer LeFavers, Kelly Fried, Roberto Rivera, John Danzi, Michelle Firester, Athena Scheidet and Paul Tanck.

### Persian Gulf Vet At Woodland School

Staff Sgt. Wilfredo Auffant, former student at Woodland Avenue School, returned from his tour of duty in the Persian Gulf and paid a visit to the 3rd, 5th and 6th graders of Woodland. His son, William, is now a student in the 3rd grade and his daughter, Jennifer, is a 6th grader there.

In his presentation, Staff Sgt. Auffant showed the children the protective gear the soldiers had to wear when there was a scud alert. Some students were lucky enough to try on the mask, but they all agreed that they did not really like how it felt.

The children had many questions for Jennifer and Willy's dad, and he gave them lots of interesting first-hand information. After his discussion with the kids, he presented Dr. Clancy and the Woodland students with a plaque from Operation Desert Storm. It thanked everyone for their support of the soldiers during the war. We all thanked him and were pleased that he and other soldiers are now able to return home safely.

## Gregory Museum 30 Years Of Community Service

By Maureen Traxler  
 1963. The year the Verrazano Bridge was built linking Brooklyn and Staten Island. The year President John F. Kennedy was assassinated. And the year a visionary supervisor of curriculum materials in the Hicksville school system founded a museum which in 30 years would be known throughout the metropolitan New York region.

Dr. Gardiner E. Gregory had many scientific interests and capabilities, and he was a recognized author on moths and butterflies. In an effort to assist the earth science program in the local school system, he and his wife Anne began a small museum in their home on Cottage Boulevard. Mr. Gregory started to collect rocks and minerals and added them to his lepidotery collection. The museum was opened to the public schools with the permission of the Hicksville School Superintendent, and Mr. Gregory periodically conducted classes. From there, the museum became available to other school districts with Anne acting as tour guide.

Mr. Gregory amassed quite a body of support, and in 1964, his museum was granted a provisional charter. A board of trustees was formed, and Mr. Gregory continued collecting.

By the late 1960's, the Gregory house was bursting at the seams, and it became obvious that new quarters must be sought.

In the same community of Hicksville, the Town of Oyster Bay ceased use of the Heitz Place Courthouse as inadequate for the area. The building was constructed in 1895 on land donated by Arnold Heitz for the site of a Village Hall. The building was used as a Village Hall until shortly after World War II. Elections were held there; taxes were collected there; the Hicksville draft board was housed there in World War I; Water Commissioners were elected there; and the community's service clubs used it as their first meeting rooms.

The jail located in the rear of the building operated from 1915 until 1935, when its last inmate took his life while serving time on a marital dispute.

By 1969, the courthouse was in quite a degenerate state, having suffered much vandalism and being a potential fire hazard. Then, the enterprising Mr. Gregory and his board of trustees approached the Town Board about leasing the building. It was through the efforts of two prominent Town board members, Hicksville's G. Carl Grunewald and now State Senator Ralph Marino who thought of the courthouse in an historic light, that the Town Board offered to the Gregory Museum a 20, and then 30-year lease for \$1 a year.

Under the direction of the trustees, the building was renovated and converted into a museum, and the board took on the financial support and maintenance, as the Town chose to remain free of fiscal obligation. During the next three years, some 300 community volunteers worked on the conversion - supplies came from McKeon and Bethpage Lumber, Edward Peter provided all insulation, Hicksville Rohrback Plate Glass donated and installed the glass for all the display cases, Irwin Botto provided the first heating unit and

installed it, BUCES students lent a hand to the Nassau Carpenters Union, and free services were provided by local electrical contractors.

The Grand Opening of the museum at its new location took place in February 1973. Museum historian Richard Evers gathered historic artifacts from many Hicksville families and they were placed on display in the old jail area. In 1974, through the efforts of Mr. Evers and Dorothy H. McGee of the Oyster Bay Bicentennial and Historical Commission, the Heitz Place Courthouse was admitted to the National Registry of Historic Buildings on the strength of its varied and documented notable historic past.

The museum grew steadily, serving over 45 school districts on Long Island with guided tours encompassing the scientific areas of earth science, mineralogy, palaeontology (the study of fossils), and lepidotery (the study of moths and butterflies). The museum is now chartered as The Gregory Museum: Long Island Earth Science Center. An application is currently on file with the State Education Department to revise the name to The Hicksville Gregory Museum: L.I. Earth Science Center. In the revived courthouse, Gardiner Gregory served as President of the board of trustees from 1973 until 1978, at which time he and his wife retired to his boyhood home in Castine, Maine.

During its first 20 years, the museum received considerable financial support from the Gregory family, with additional monies coming from fund drives, local contributors, seed money and grants from the New York State Council on the Arts. After the difficult recession days of the 1970's when financial support waned, the museum's funds dried

up and it was actually forced to close during 1980-81.

At that time, several unsuccessful efforts were made to affiliate the museum with some Long Island governmental body: The Hicksville Library was unable to accommodate the museum because of its own expansion; the Town of Oyster Bay didn't have the administrative staff; the County wanted to move the collection to Garvey's Point, and they didn't want the old building. During the year the museum was closed, it opened sporadically for school tours only, offered by volunteer tour guides, retired teacher Elizabeth Pearce and Michael Hodkinson.

But new Director Richard Evers pursued a service contract with the Hicksville School District. With support from the newly-elected school board in 1981, Superintendent Wilbur Hawkins placed the \$30,000 service contract as a line item in the budget, and the board approved it with an annual option of renewal. The museum was now able to reopen.

In 1984, the board increased the expenditure to \$40,000. The contract included such services as: free admission to all Hicksville residents; guided tours for classes; inservice training for teachers; outreach programs in the schools; sightseeing bus trips of the Hicksville community with emphasis on historic sites; internships for students, and a source of science reference for children and teachers.

The Gregory Museum is written up in many travel and national directories, and the Long Island Museum Association Guidebook, and its services are utilized by school groups from Queens County to Patchogue.

The Museum's service contract remained intact until the current austerity budget prohibited its continuance.

## Lunchtime Library At Fork Lane

On Tuesday since January, Fork Lane PTA has opened up the library at recess for the children. Volunteer PTA moms Joanne Toich and Monica Pinell man the library while children read books, play chess and checkers, catch up on homework or do projects.

## Travel Brochure Winners

Bethpage youngsters responded with enthusiasm to the lure of travel and faraway places!

During the late winter and early spring, the Bethpage Public Library invited young people in Grades 1-6 to take imaginary journeys to their favorite places and create original travel brochures in honor of National Library Week (April 14-20). The contest was undertaken with a full cooperation of the Bethpage Public Schools and a number of teachers adopted the idea as class projects.

Youngsters were asked to charge out Bethpage Public Library materials of their choice to aid in designing the brochures which could include a map, information on famous attractions, buildings, customs, foods, music, climate, language, stories, important people and fun things to do. Beginning with National Library Week, winning entries were displayed in the Children's Room. Over 175 brochures were submitted and each youngster who designed one received a Certificate of Participation. The overall winners on each grade level are: Grade 1 - Giuliana Casalan, Kramer Lane School; Grade 2 - Edward Reilly, St. Martin's School; Grade 3 - Stephanie Cioffi and Sara Bestany, Charles Campagne School; Grade 4 - Valerie Warmhold, Charles Campagne School; and Rachel Sullivan, Central Boulevard School; Grade 5 - Scott Goodside, Kramer Lane School; Grade 6 - Vinny Pahuja, John F. Kennedy Jr. High School.

## Senior Citizen Installation

Sgt. George Stefanski, uncle of OCR students Katie and Joe Shurley, came to visit the school on April 11. Emotions ran deep as Sgt. Stefanski entered through the front doors of the school. Sixth grade students lined the halls wearing white gloves and holding flags while patriotic music played in the background. Principal Mrs. Silver welcomed him home and to the school. Sgt. Stefanski spent time during each lunch period answering questions and thanking the children on behalf of the soldiers stationed with him for their thoughtful correspondence and how much it was appreciated. Mrs. Silver then had him cut yellow ribbons off the "giving tree," which has been standing in the lobby in memory of the men and women of Desert Shield. Finally, Sgt. Stefanski was able to share lunch with Miss Kaplan's class (who had been corresponding with him), in their classroom where the children had prepared questions for him and he showed them different apparatus and food rations that were used in the desert. This was a great day of sharing for both the students and Sgt. Stefanski.

## Third H.H.S. Scholars Dinner

The Hicksville Council of PTAs presented 63 Hicksville High School seniors with its apple for the Scholars' Award at the Hicksville Alumni Association's third annual Scholars' Dinner on May 1, at the Hicksville Elks Club. These students represent the top 20% of their class in academic standing.

Each PTA unit honored those seniors who graduated from their area school. Each of these students was presented a certificate and an engraved brass paperweight "apple" by their school principal and PTA president. The apple is the New York State symbol of excellence in education.

Each group of students selected an outstanding teacher from their school as their honored guest. The teachers were recognized for their dedication and service to these students during their elementary, middle school or high school years. A school bell was appropriately presented to each honored guest.

The Council appreciates that Hicksville has produced a number of outstanding young men and women. This award gives a broader range of students the opportunity to have their scholarly efforts recognized. All 11 units of the Council, and the Council itself, have contributed to this award, making it a community commitment.

The Council was proud to be able to salute our academically distinguished seniors in partnership with the Hicksville Alumni Association. The 1991 Scholars' Award winners are:

**Burns Avenue School** - Rajesh Babani, Navin Belani, Tara Hooper, Pauline McNicholas, Nicole Rizopoulos and Carrie Ann Sabato. Honored Guest: Ms. Kathleen Schek.

## Middle School Performance

The Hicksville Middle School Drama Club will present "The Boyfriend," a rollicking musical of the roaring '20s, on May 23, 24 and 25. All performances will be at 7:30 p.m.

With the French Riviera as its backdrop, the musical takes a light-hearted romp through those fabulous 1920's, complete with Flappers, the Charleston, and some of the most colorful characters ever assembled on the musical stage. The show centers around young Polly (Mary-ann Mirabelli) Brown, who falls in love with Tony (Rob Schack) while attending Madame Dubonnet's (Merry Senn and Katie Andreski) School For Young Ladies. Throughout the show, Polly and her madcap friends (Kerri Friedrich, Jennifer Traxler, Kristin Burns, and Dawn Kotowitz) lead their "Boyfriends" (Todd Mas-

ter, Anthony Noya, and Matt DePalmer) through the trials of life and love on the French Riviera. Also featured is the hysterical older gentleman and his wife, Lord and Lady Brockhurst (Marc Williams, Jenn Demeo, and Kim Krueger) and Hortense (Jennifer Grassick), Madame Dubonnet's mail.

The students of the Hicksville Middle School have worked very hard rehearsing, building sets, and fundraising for what will surely be a high energy night of entertainment.

Tickets will be on sale each Wednesday prior to the performances, from 7 - 9 p.m. at the Middle School Auditorium. Tickets are \$5 and seating is reserved so get your tickets early.

For more ticket information, contact Director Daniel Kristoff at 933-6646.

## News From Hicksville Library

### Play At the Hicksville Public Library

"A lot of smiles as well as genuine belly-laughs" so said the N. Y. Times when "Lovers and Other Strangers" was on Broadway. The Other Vic Theatre Company is bringing it to the Hicksville Public Library stage on Friday, May 10 at 8 p.m. for all to enjoy. Everyone is welcome to attend.

The library is accessible to the handicapped.

This play is co-sponsored by the Hicksville Public Library and the Nassau County Arts Decentralization Consortium with public funds from the New York State Council on the Arts Decentralization Program.

### Destination Florida

Wednesday, May 15, at 8 p.m. the Hicksville Public Library will present a program "Destination Florida."

Fifty percent of all families who move to Florida will return in two years. If you are considering moving there, this is the program for you.

Lee and Saralee Rosenberg, authors of "Destination Florida: A Guide to Successful Relocation," will be at the Hicksville Library to tell you the pros and cons, before you move. All welcome.

### For Seniors With Love

Elderhostel, the exciting way for older adults to expand their

horizons and develop new interests. Elderhostel is the subject of a slide/lecture at the Hicksville Public Library on Monday afternoon, May 13 at 1:30 p.m.

Debbie Collins will present this slide/lecture about Elderhostel which is open to adults 60 and over.

### Southwest Cooking

Wednesday, May 22, at 8 p.m. the Hicksville Public Library will present a cooking demonstration.

Serve your friends and family something excitingly different; the cuisine of the Southwest, which is the latest trend in cooking. Kerry Kegney who keeps up with what's popular in the kitchen, will cook a complete Southwest meal. Kerry will also show you how to eat a festive Southwest dinner table. There will be recipes for all to take home. All are welcome to attend.

### Creations by Kay

"Creations by Kay" is the title of the exhibit in the lobby showcase at the Hicksville Public Library. Among the many artistic talents of Kay Sari, a long time resident of Hicksville, is her patience to create cloth dolls. For more than 30 years Kay has been creating appealing dolls, dolls that are now on display at the library, you are welcome to stop by and view this attractive exhibit, during regular library hours.

## Basket Workshop

On Thursday, May 16, at 8 p.m. the Hicksville Public Library will hold a "May Basket" workshop.

Register at the library 169 Jerusalem Avenue, Hicksville.

In the workshop you will decorate a basket as fresh as spring itself. The basket trimmed with flowers and ribbon makes a beautiful centerpiece. There is a materials fee of \$7.50. Bring to class: Scissors, glue gun, (if you have one) and velveteen glue.

## Shavuot Services

All Welcome to Cong. Shaarei Zedek Old Country & New South Roads, Hicksville on Sunday, May 19, for Shavuot Services followed by Fantastic Brunch.

Bagels, lox, fish, salads, quiche, coffee, cake and more...\$6 per person - Reservation Required. Call evenings: 433-4018.

## Elks Honor Douglas Brown

The Elks Lodge honored Douglas Brown as its most recent Student of the Month. He is a hardworking person who has dedicated himself to providing service to others.

With good grades and a special facility in math, Doug has volunteered his spare time for the last four years to the Audio-Visual squad and has served as Captain for the last three. He is the one who sets up a schedule each day for the use of audio and TV equipment and identifies which students are responsible for delivering and returning it. He has also been in charge of the sound control for plays and assemblies during and after school.

Swimming has been another of his interests and he went with the team to the state qualifying meet for the relay race. For the past two summers he has served as lifeguard at Tappan Beach. His long-range goal is to become a Math Teacher and Computer Programmer through attending college at S.U.N.Y. New Paltz.

In this he follows the family tradition with his father who serves as Business, and Computer Chairperson at Hicksville High School and his mother, a Computer Programmer. Above all is that Doug works well with people and particularly with adults. He is cooperative and reliable and he attributes his organization to his need to compete with his brothers who have also excelled.

## H.H.S. Comedy, May 10, 11

The Hicksville Senior High School Drama Club will present "Plaza Suite" by Neil Simon, on Friday, May 10, and Saturday, May 11, at 8 p.m. Tickets are \$6.00 with a complimentary performance for senior citizens on Thursday, May 9.

The production will be performed "in the round," with the stage set in the center of the audience. The performers are Lisa Entel, Ray Victor, Sue Flemm, Colleen Bartley, Mike Kraemer, Stacey Heyer, and Billy Paulovich, under the direction of Judith Paseltiner.

Plaza Suite consists of three stories that all take place in the same suite of the Plaza Hotel. You'll laugh 'til you burst! Contact the drama office at 933-6647 for further information.

## Nursing Scholarships Available

As a continuing tradition in its commitment to the nursing profession, Mid-Island Hospital and its Medical/Dental Staff Association have announced the availability of several nursing scholarships to be awarded this year to eligible students who have been accepted into accredited school of professional nursing.

Selections will be made among the hospital's neighboring areas: Bethpage; Plainedge; Farmingdale; Levittown; the Massapequas; Plainview; Hicksville; Seaford; and Wantagh.

It is hard for students to decide on an avocation due to the world of available careers. Nursing and its positive factors need to be advocated in society. The Bethpage acute care facility has opened a door to a rewarding health care career and has committed its resources to the young people of the neighboring communities.

Eligibility will be based upon: Acceptance into an accredited school of nursing; High School scholastic performance; Potential for success in the nursing program; Reference letters from two teachers; and a resident of the aforementioned areas.

Students may obtain an application from the guidance counselor's office. The deadline date for submitting applications and letters of reference will be no later than Monday, May 13.

The scholarship awards program is Mid-Island's way of helping to ease the nursing shortage and to assist young people in achieving an educational degree in nursing. For further information, please call the hospital's Nursing office at 520-2215. Mid-Island Hospital has continued to care for its surrounding communities for the past 35 years.

## Bus Trip To Mozart Bicen.

On Sunday, June 2, hear a star-studded all-Mozart concert at Lincoln Center with Itzhak Perlman on the violin and Daniel Barenboim on the piano—with the Bethpage Public Library. The deluxe coach will leave the library for Avery Fisher Hall in New York City promptly at 3 p.m. The concert is scheduled for 7:30 p.m., so there will be ample time to enjoy dinner on your own prior to the performance.

The all-Mozart program, played by Mr. Perlman and Mr. Barenboim, will include a feast of sonatas—the Sonata in G, K.301; the Sonata in E-flat, K.302; the Sonata in C, K.303; the Sonata in E, K.304; the Sonata in A, K.305; the Sonata in D, K.306.

The cost for this outstanding event (including transportation and ticket) is \$49 per person. For reservations and information, call the Reference Desk at the Bethpage Public Library at 931-3907.

## Three Winners In Hist. Contest

Hicksville High School is pleased to announce the three winners from the National History Day Contest held recently at Hofstra University. Winning first place for their media presentation on Women's Rights were Helen Woo and Connie Young. Also

## Hicksville Baseball News

### GIRLS MINOR DIVISION

The Newbridge Gulf Service Station Team, (team #4) managed by Carlos Rodriguez, played a super game against team #1 in the minor division. Three shutout innings by Rosemarie Zullo, solid pitching by Vanessa Leal and good fielding by the entire team led them to a 6-3 victory. Great job team!

### BOYS INSTRUCTIONAL DIV.

It was the first game of the year for the Pirates, sponsored by Goldman Bros., and managed by Jim Cocker. We played really well for the start of the season. The score was very close throughout the game. Chris Bretton made some great plays on the field including a diving stop of a hand grounder. Jesse Roestenberg, Andrew Canenas and Brian Murphy also made some nice plays on defense. The hitting stars of the game were Michael Walsh, Kevin Fitzpatrick, Steven Kessler, Jesse Roestenberg and Chris Cocker who each had 4 hits apiece. Chris Cocker had a double-the only extra base hit. Doug Pinelli, Gerard McNicholas and Andrew Canenas had 3 hits each. An excellent show of team work.

The next time Goldman Bros. team came to bat it felt like winter on the field for this game but both teams were ready to play. The Pirates played OK on defense but Jesse Roestenberg and Chris Bretton continue to do exceptionally well. The Tigers, the opposing team, had a great defensive team but we still managed to score some runs. Steven Kessler, Daniel Landers and Jesse Roestenberg had 4 hits each. Jesse also scored 4 runs. Chris Cocker and Michael Walsh had 3 hits each. Brian Oswald and Chris McKenna were playing for the 1st time and each contributed hits.

Our most recent game was the best game of the year for the Pirates. We played great on the field today against the Bears. Chris Bretton had an amazing double play on a pop up at shortstop. Chris Cocker and Jesse Roestenberg each played 1st base and made some great plays. Kevin Fitzpatrick, Steven Kessler, Andrew Canenas and Gerard McNicholas also played well on defense. While up at bat Brian Oswald, Brian Murphy, Daniel Landers, Doug Pinelli continue to do well. Everybody got a hit today including extra base hits by Steven Kessler, Chris Cocker and Chris Bretton.

The Tigers (team #9) managed by Joe Millito played a good game against the opposing team, Dodgers (team #2). Good defense by Matthew Scally, Tigers 3rd baseman as he caught a one line drive, making the play at 3rd base. Good hitting and excellent defense by the entire team. Great game!

The Yankees (team #8), managed by Joe Restivo played against the Blue Jays for their next game. A light rain could not dampen the play of the Yankees this past Saturday as they met the Blue Jays on the field. Each game brings improvement in each player, especially Joey Ahern, David Skelly, Matt Restivo, Chris Colantropo and Gregory Krayeski. All pounded out base hits in the Yankees' effort against the tough Blue Jays.

### BOYS FARM DIVISION

On Saturday, the Giants (team #9), managed by Stan Sham were ready... bats-a-swinging... balls-a-

throwing... gloves-a-catching. It was our season opener and we were going to do our best.

The outfield was set. The infield was at the ready. Howard Sham was on the mound. The PITCH!...a ball, a strike, a walk, a hit, an out, then two more. The pitching battle began. Howard Sham belted a double and a homerun. Sheel Patel got a big single. Suraj got a single and a double and Eric came through with a big single. The defense held up in support of the team. Eric Pasquarelli came in and pitched the last three and did a fine job. Our outfielders were Paul Rickmeyer, Sheel Patel, Jeremy Kyrkostas, Michael Chisone, and Michael Weber. Our catcher was Frank Kanko. Eric Pasquarelli was at first, Chris Jamison at 2nd, shortstop was Suraj Ram, and at third was Mat Parmiter.

The first game of the season the Giants saw their first win over the Saints, with a score of 5-2. It was a good day....

The next weekend, Saturday, April 27, the Giants played the Red Sox. This week more bats came alive. Michael Ghisone got two doubles, Eric Pasquarelli hit a big single and got 2 RBI's. Mat Parmiter and John Cassagne both had big base hits. Chris Jamison shared the mound with Howard Sham. Chris pitched a fine game for this first time out....

Defense was more than adequate to get the Giants the win against the Red Sox--5-0..

Team #4, the Cubs, met Team #5, the Pirates, on that same Saturday. Good hitting by Robby Dwyer, a Grand Slam, and 2 home runs by Chris Musinski, good catching by Dennis Mulligan and Mike Rini and excellent defense by Tom Price, Tom Kuck, Greg McCready, Danny Nolan, Khasha Yousefi and Bob Becker brought a victory to the Cubs as a team. Scot McDonald had 3 hits, Dave Musinsky played a good game at short stop. Another good team effort by the Cubs gave them the win by 15-5 over the Pirates.

The next time the Cubs came to bat, they defeated the Rangers 1-0. Good game played by both teams. Manager, Den Mulligan, gave these highlights. Good pitching by the Cubs by Chris Musinski and Robby Dwyer. Dennis Mulligan did a good job behind the plate and Dan Nolan played a good defense at 1st base. Good hitting by Dave Musinsky, Matt Luyster, Bob Becker and Doug Chiz. Tom Price made a real good play in the outfield. Scott McDonald walked to score the only run in the game. Good all around game for Yousefi Khasha, Tom Kuck and Greg McCready. A good team effort by all team members.

Team #7 of the boys farm division came out on the field to beat Team #6, the Saints, by a score of 8-7. Very evenly matched game with exceptional playing on both sides. Kyle Rieback pitched great for the Saints for 3 innings, but the Mets (team #7), came back to win in the bottom of the 6th inning. Winning run was driven in by Sean Curran. Excellent pitching by Mike Benic, Shaun Lyons and Kevin Iannece for the Mets.

### BOYS MINOR DIVISION

If you weren't at the Minors Cubs-Red Sox game on 5/1 you missed a really exciting game! Manager Joe Caruso led his team to a 5-3 victory over the awesome Red Sox, managed by Rich Deña.

The Cubs were ahead 3-1 until the 6th inning when the Sox tied up the game. Forced into extra innings the Cubs scored 2 runs in the 7th to win. The Cubs pitchers did a fantastic job. Joe Restivo with 4 strikeouts and only 3 walks, and Adam Geslak with 7 strikeouts, and giving up 1 walk. Joey Caruso had the win, coming in in the 7th, to strike out 2 and throw out the last batter at first. Joey also hit a homerun in the 4th. The entire team really pulled together and played great ball!

And so, our 1991 Baseball Season is off to a great start! Come and join the fun and watch these kids of all ages play a healthy game of baseball and enjoy some good quality time of the baseball field.... Join us for a hot dog at the ball park!!!

## Fork Lane International Day

The students at the Fork Lane School recently held an International Day Fair under the direction of the sixth-grade teachers Janet Kenah and Lori Halpern. The sixth-graders have been studying various countries this year and each group of students were assigned a country in which to do in-depth research on foods, customs, dress, etc. The International Day Fair was a

wonderful culmination to their studies and involved the whole school "visiting" different countries as set up in the all-purpose room by Mrs. Kenah's and Ms. Halpern's students. With the excellent assistance of Barbara Seiden's ESL (English as a Second Language) students who performed "It's a Small World," the fair with a huge success.

Mrs. Seiden's ESL students perform "It's a Small World."

Students in Sweden and the Netherlands: Jill Dayney, Alla Akkan, Danielle Degoski and Bincey Alexander.

Students in Italy: Trisha Philpott and Gina Pellettiera.

The Hicksville Hawks Travelling Soccer Team played an exceptional weekend of soccer at Cantiague Park, coming away with winning efforts on Saturday, May 4 and Sunday, May 5, by the scores of 1-0 and 2-1. Saturday's game was a victory in the 4th round of the State Cup Tournament against White Plains, in the 1975 age group. Sunday's game was a 2-1 victory over the Kings Park Cougars, bringing their first place, L. I. Junior Soccer League record to 5 wins, no losses, in the 1974 age group.

The goal scorer on Saturday was Steven Fox. The goal scorers on

Sunday were Danny Bell and David Baumritter. The Hawks were led by the sensational play of goalkeeper Dimitry Drouin. The balance of the players were Tommy Basaranlar, Eric Blicher, Chris Jendras, Kevin Koehn, Danny Longo, Mike Longo, Andre Parris, Rob Persaud, Brian Rooney, Rich Kotschau, Brian Harkins and Earl Dennis.

Congratulations to the Hawks, Coach John Fitzgerald, Asst. Coach Pat McHugh, Manager Brian Koehn and sponsor, Sports Medicine Rehabilitation of Manhasset.

# THE BEST

## COMMUNITY HOSPITAL ON LONG ISLAND...

It takes a lot of work and commitment to be the best but North Shore University Hospital at Glen Cove has done just that. While others have been cutting back on programs, staff, and the purchasing of new equipment, North Shore's Glen Cove has been adding new services. That's the only way to create what you deserve - the best in medical care.

**Anesthesiologists** - on staff, full-time, ready for any emergency.

**Maternity** - a full range of choices for childbirth - living in, birthing in, or the traditional methods of delivery.

**Neonatologist** - a board certified full-time neonatologist to make sure the newborn is healthy and, if not, to provide immediate emergency care.

**High-Risk Births** - trained personnel and facilities to deal with high-risk pregnancies and births, and all the necessary equipment to monitor the mother's progress.

**Amniocentesis** - appropriate personnel and advanced ultrasound equipment to perform amniocentesis along with a vast number of other radiologic tests.

**Mammography** - a full-time, physician specially trained in giving and interpreting mammograms in a program certified by the American College of Radiology.

**Cancer Care** - two specially staffed and equipped vans ready to pay house calls on terminally ill cancer patients.

**Pain Control** - Self-administering bedside equipment for patients to control their own pain.

**Laparoscopy** - New surgery for gallbladder removal, appendectomy and hernia repair to shorten the hospital and recuperative time of patients that also minimizes scarring.

**Laser** - full laser equipment to perform a large number of surgeries.

**Genetic Counseling** - an experienced geneticist is now on staff to consult with parents to be.

**Neurology** - a new, fully staffed neurology department has now been established.

**Substance Abuse** - a program has now been initiated for mothers and children.

**Primary Care** - the Family Practice Program has now expanded its services to include pediatrics and extended its hours to Saturday.

...and much more.

What other community hospital in this region can make these claims?
