# WE LEFT NO STONE UNTURNED

This year's theme, "We Left No Stone Unturned", arrived upon us after many hours of agony. As seniors we tried to experience as much of life as possible. Everywhere you looked you could find a member of the senior class, in every nook and cranny. Throughout town, at McDonalds, in the halls, and at the malls, everywhere you looked, a senior was there experiencing life at the fullest. We, the Senior Class of 1992, have left no stone unturned in our quest to experience life to the fullest.

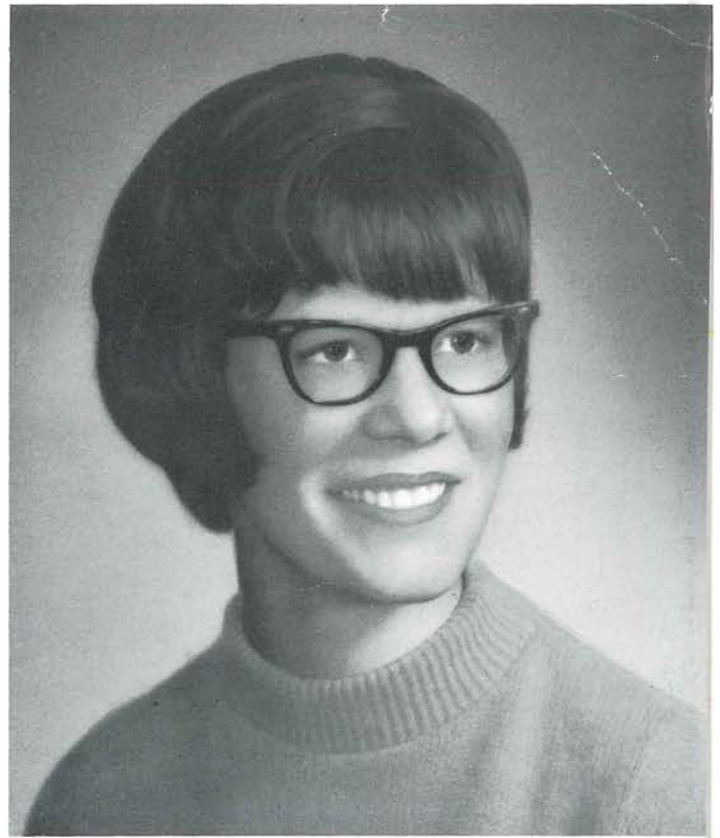

# TEACHER OF THE YEAR

Congratulations Mrs. Linda Schneider! Mrs. Schneider was selected as the 1991-1992 Teacher of the Year by the Yearbook Staff for various reasons. Mrs. Schneider has stayed after school to type many yearbook articles and she helps us with our billing on the computers.

Mrs. Schneider graduated from Leetonia High School then proceeded to attend Kent State University for a teaching degree. After receiving her degree, it seemed to her that this was not enough. She then went back to KSU and received her Masters Degree. Mrs. Schneider accepted Mr. Bill Schneider's hand in marriage and had two children.

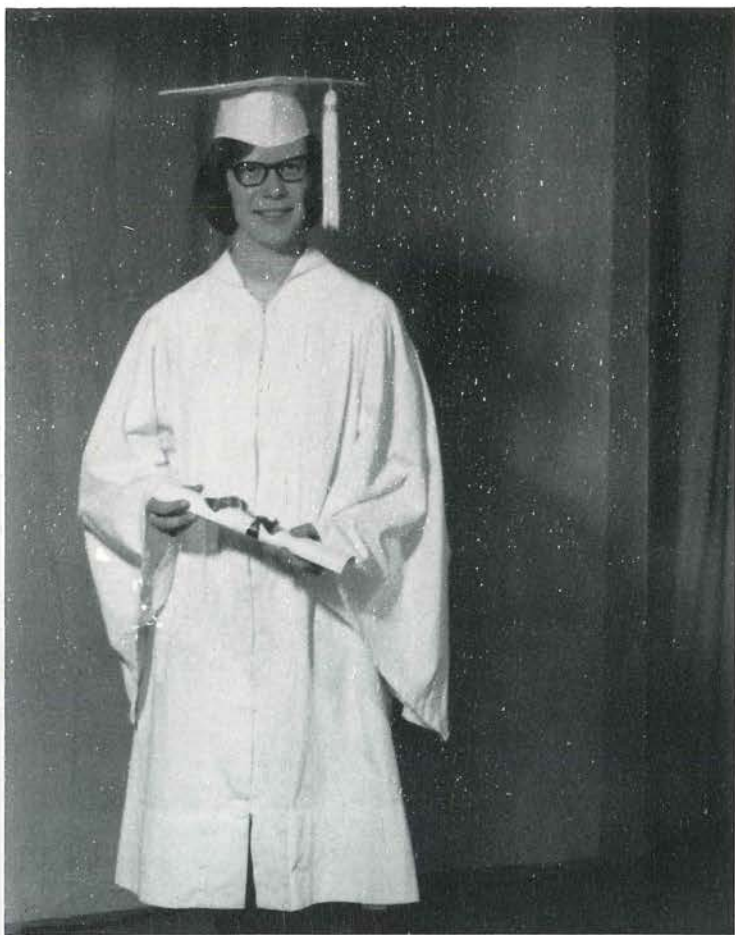

Mrs. Schneider has been a past Yearbook advisor, has been involved in the Alliance Band Boosters, and a Class Advisor at Salem. While attending Leetonia High School, Mrs. McKenzie, (a current co-worker) was Mrs. Schneiders I.O.E. teacher.

Once again, Congratulations and thank you for all you have done a Salem Senior High School.

# Class of ... 92

# SENIOR CLASS OFFICERS

1992

In the past four years we have grown as a class. Our friends, activities, and last but definitely not least, our teachers have helped us to do this. I hope you have had some great memories, as I have had. It has been a privilege to have served as your senior class President. Now, we will be going our separate ways. I would like to wish the class of '92 the best of luck in everything that is ahead. You have been a great class.

Steve Turnbull, President

It has been a privilege for me to represent all of you as Senior Class Vice President and to have grown with you over the years. If you look back in all of your old kindergarten pictures, most of us used to play together and be best friends. Then we slowly grew apart throughout grade school and junior high, but we still had high school. High school brought on some of the best memories for us. Whether it be your first date, getting your license, or your first chemistry test, the memories will always be there for us to look back on. As we traveled on throughout high school, most of our old kindergarten friendships that were once lost slowly started to regrow. This is where graduation stepped in and took over. Everyone will go their separate ways and start their new lives. But hopefully we will never forget what we learned and who we knew. I want to wish you all the best of luck in whatever direction you choose.

Porsche Hite, Vice President

I would like to thank my classmates for allowing me the honor of serving as Class Secretary. Through the years we have experienced many good times along with some bad times. But I would like to think that these experiences have created new friendships as well as strengthened those we already had. I wish you all the best in your future endeavors. Thoughts of our high school days will stay with us always, so let's make the most of today.

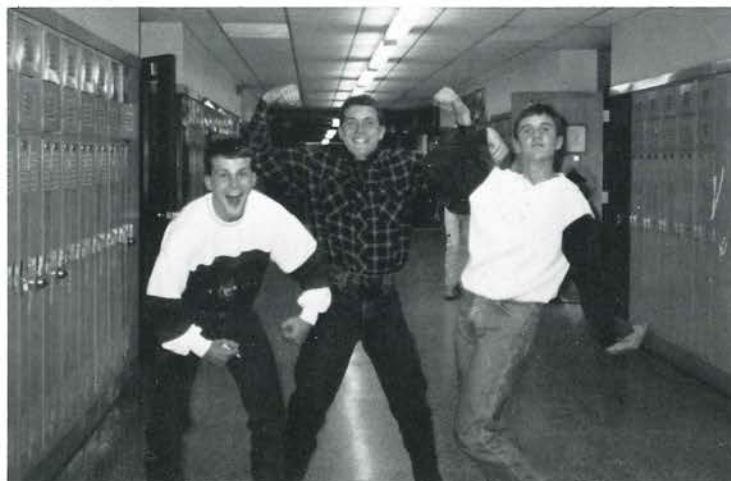

Angelena Rose  
Pierce  
Secretary

It has been an honor to serve as Senior Class Treasurer of the Class of '92. Over the past four years, all of us have experienced many good and bad times; but overall, these will be the best memories of our lives. We have certainly accomplished a lot, but now we have to move on to larger and new responsibilities. As each of you goes your separate ways, may the friendships, memories, and experiences never be forgotten. I wish the "Class of '92" great happiness and the best of luck in the years ahead. Congratulations Seniors!

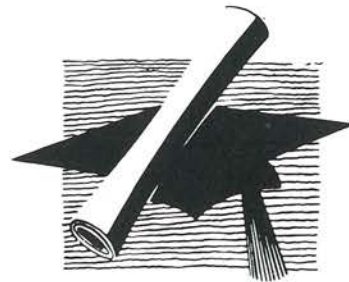

Kristen Ehrhart,  
Treasurer

# GRADUATION

At the 128 annual baccalaureate and commencement, held on Sunday, June 7th at 2:00 p.m., the Class of 1992 graduated. Porsche Hite welcomed the graduating class and then Mr. Richard L. Fawcett gave his remarks. Valedictorians Heidi Auman, Sara Eckstein, Kyle Calderhead, and Mary Rottenborn gave their addresses. Angelena Pierce then proceeded with the reading of the roll while Dr. Fawcett and Steve Turnbull handed out the diplomas. After approximately 210 names, Kristen Ehrhart led the changing of the tassels. The ceremony was closed with Lisa Jenkins leading the Alma Mater and Reverend James A. Clark with the benediction.

# SPIRIT LEADERS

What do enthusiastic and energetic girls do to help support their team in sports? Yep, you guess it, they put their hard work into cheerleading. The Salem High School Cheerleaders worked very hard to make sure that the team members get the support they deserved.

Starting the year off with good school spirit was what the cheerleaders did. Signs, banners, and colorful decorations were spread throughout Salem High. At games the girls got both the crowd and team members pumped up to be sure and win the game.

As always, no game wouldn't be complete without the highly spirited Salem High Cheerleaders. They help set properly examples for the entire student body. Lets hope they keep their enthusiasm and help keep momentum.

# FROSH FOOTBALL GOES 8-1: Score 100 Points In Last 3 Games

Luck seemed to be on Salem's side this year, or at least fate. With so many up-and-coming players, the team improved throughout the season and ended with an 8-1 record. If this pace continues, coach Headland feels that players such as: Corey Belaney, Jake Cook, Lonnie Kubankin, Shawn McGrath, and Nate Walker will keep the team strong in the future years. We'll all look forward to cheering them on!

# VARSITY FOOTBALL: Breaking Through the Wall

The helmets crunched this season, sometimes harder than others. Though many of our first-string players suffered injuries that kept most of them on the sidelines most of the season, the Quakers fought back under the direction of new head coach, Mr. Rich Washinko, and still came out with a 5-5 record. The team was led by co-captains Nick Schneider and Jeff Pittman, Ben Edgerton, Brian Lippiatt, Eric DiPasquale, Mike Grande, Mike Pettey, Jeff Andres, and Doug Exline.

# GIRL'S CC SENDS TWO RUNNERS TO STATE AFTER OUTSTANDING SEASON

This year the girls put forth all of their effort while working as a team and did an outstanding job. Salem worked hard and replaced the few key runners who graduated. They not only found replacements for these few but they also found some of their own to be replaced some day, Amy Heineman and Angie Adams. These two girls went to State Competition and represented Salem High well. Amy Heineman placed 25, and Angie Adams placed 31.

# BOY'S CROSS COUNTRY TEAM FINISHES SECOND AT STATE MEET

The boys sent their whole team to state competition. Seven of their team members placed in the top 140. Mike Rea placed 2, Kris Kornbau 7, Bill Sherwood 54, Dan Nye 60, Jason Julian 67, Dan Moffett 73, and Rus Zornick 140. It was all the team effort and the determination that made it possible. Even though there are a few members not mentioned, they deserve the congratulations too. They are the team members who are there to cheer and support the others to their victories. Congratulations to the whole team!

# VOLLEYBALL WINS SECOND CONSECUTIVE DISTRICT CHAMPIONSHIP

Bump, Set, Spike that's what volleyball is all about. This years Salem team used all their effort and defeated nearly every team they had to face. They even advanced quite quickly throughout the tournaments but were eventually defeated. It was all the team effort and hard work that helped this team go so far. Maybe next year they'll even go further. Congratulations and better luck next year!

# GIRLS TENNIS SHOWS IMPROVEMENT THROUGHOUT SEASON

Although the girl's tennis team did not have a very successful season, there is hope for next year. They had several defeats and one win. The individual records of the team members were much better. Heather McKee played first singles the entire season and is a second year letterman. Denise Lee played second singles and Emily Mager and Kim McMahon played third. Most of the varsity players lost in the first round competition at Mill Creek Park but Kim McMahon advanced to the second round. Good Luck Next Year!

# SOCCKER TEAM SETS SCHOOL RECORD IN 10-0 WIN!

To describe this year's soccer season as disappointing would not be fair. A better description might be to call it extremely competitive. The team lost 5 games to 3 teams: Canfield, Poland, and Fitch by a total of 8 goals. All three teams were either league champions or runner-ups. The season highlight (and also a school record) was a 10-0 win over Cambell Memorial. This came in the midst of a 3-2-1 streak to finish the season. The team finished third in the M.V.C. with a 3-4-1 record, but outscored M.V.C. opponents 22-12. The defense was led by goalie and co-captain Tony Leo. Full-backs Ross Rammuno and Mike Ruple were rewarded for their solid defense with M.V.C.-2 team recognition. Bill Garlock and Tim Ewing both switched from the offense to the defense mid-season and did excellent jobs. The mid-field was led by co-captain Steve Bailey; he was supported by Rick Hoffmaster, Whitman Robinson, and Rick Lobdell. The front line was headed up by Jason Smith, Charlie Straub, Charlie Welch, and Graig Orrach. This year's Junior Varsity was led by juniors Jacob Bails and Darren Walker, sophomore Craig Banning, and freshmen Ryan Drake and Joel Stewart. They finished second in the M.V.C. with eleven returning lettermen including 8 seniors.

# PAR FOR THE COURSE

This year's Junior Varsity team has given Salem fans something to look forward to next year. Leading scorers of the team were juniors Ross Ramunno, Charlie Straub, and Bill Schneider. Although Salem finished with a record of 10-10, they lived up to the definition of the word "team." This squad looks to be a strong varsity foundation next year.

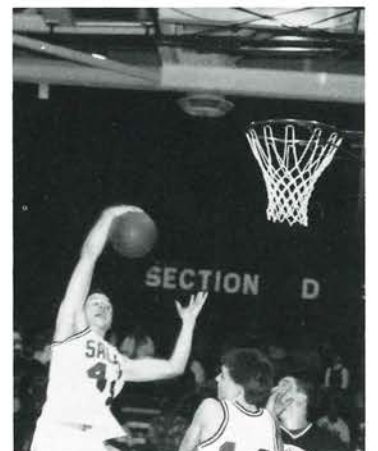

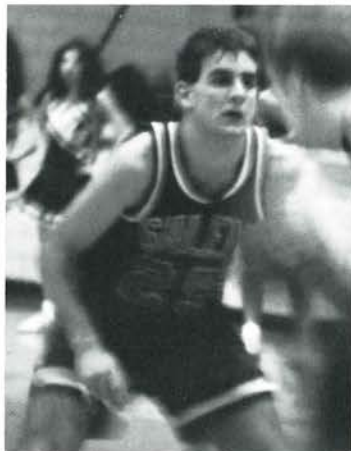

# “SALEM OVERCOMES “HEIGHT DISADVANTAGE” TO BE AT THE TOP.”

This year, Salem was condemned by many because of the lack of height, but their hearts and desire over came these persons' expectations. Salem ended its season with a respectable deceiving record of 12-10 and a second place finish in MVC play. Five of these losses were to ranked teams and 8 of the 10 losses were within a spread of 10 points. By far, the best game of the year was Salem's romp of JFK in their finale at home with a score of 95-70. Highlighted in the game with a switch over half court length by Jeff Mooney to end the half. This year Salem was lead offensively by Senior Brian Petrucci, and received great defensive play from Seniors Shawn Sauerwein and Beau Hendricks. Salem tips their hats to this year squad for their season of play which they had to start by overcoming a loss of Nick Schneider, who was out for the regular season, except seconds in the JFK and about a quarter of play in the tournaments against Cardinal Mooney, due to the knee injury he received in football season.

# J.V. GIRL'S BASKETBALL TIES FOR MVC CHAMPIONSHIP.

Other team members were Jeni Gregory, Danielle Conser, Lisa Stewart, Shana Carney, Megan Morrissey, and Suzy Wolken. They finished with a 5-15 record. This talented group of freshmen and sophomores will definitely be a force in upcoming years.

# GIRL'S BASKETBALL CONTINUED WINNING TRADITION

The team beat area power houses Poland and East Liverpool, while losing to last year's state semi-finalist Canfield twice and to perennial powers West Branch, Beaver Local, Howland, and Columbus South.

Members of the varsity team were seniors Karen Mitchell, Robin Oberle, Tricia Wilms, Kristen Ehrhart, and Christy Lippiatt. Juniors on the varsity team were Leah Lutsch, Marcie Baker, and Cheryl Ramsey. Sophomores were Valerie Scott and Megan Alix. Tenille Abrahms was the lone freshman. # BEST SEASON IN 10 YEARS!

This year the Salem boy's tennis team, coached by Joe Judge, finished the season with a 11 - 10 record. For the team it was their best season in 10 years. The successful guys took their rackets and proceeded to win the county Championship. Jeff Mooney went to the Districts, and Ken Lee and Terry Girsht each advanced beyond the 1st round sectionals. It was a great year for our guys at Centennial this season. Job Well Done!

These wins did not come easily. They had to work for them and alot of the loses were by only one run. Congratulations and Good Luck next year!

# VARSITY BASEBALL

This year the Varsity Team held a record of 4-14. They only had 3 Seniors ( ) Which gave them a lack of experience on the team. But while holding this handicapp, they managed to capture the Sectional Championship, With only the loss of 3 seniors this year, there should be plenty of experience on the team for next year. Although many upperclassmen were lost throughout the year, Salem still ended the season with a 5-1 record. The underclassmen really had great idols like- Karen Mitchell, Amy Coy, Tricia Wilms, Angie Pierce, Amy Heineman, and Amy McDevitt. This year these girls sent the 3200 relay team to the Regionals. # THE RECORD BREAKERS

Once again, the Salem Boys Track Team has spent a year as homeless vagabonds. Just as the year before, they never had a home field advantage.

But this never got them down. They gave their hearts for the team and reaped their rewards.

While no person has ever won a meet, Mike Rea sure tried. Winning is a team effort, but there sure are superstars. Kris Kornbau, Mike Rea, Ben Edgerton, Russ Zornick, and Dan Nye: these are just a few.

A common goal for every man, be he a runner or thrower or even a jumper, is to break a record. This was a big year for record breakers, for there were four. The 400 meter dash, 800 meter run, 1600 meter relay, and the 3200 meter relay at the state meet.

# SALEM SOFTBALL '92

Another year comes to an end. 3 Seniors say goodbye to the friendship they've built within the softball team. The memories of the last step onto the field, the last bat and most of all the last game as high school students. Although eager underclassmen strive to fill the big shoes that have been left behind, they strive to never forget the everlasting words "get better" but still "have fun".

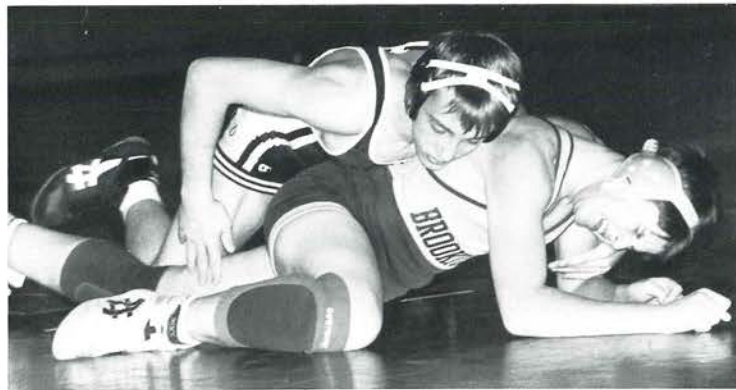

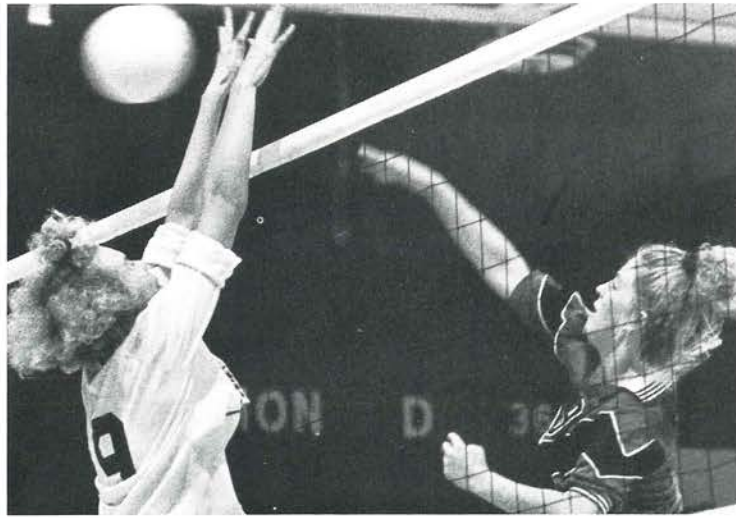

The season started out rough but smoothed out in the end. The odds were in the girls' favor so they took advantage and took a turn for the better. All the double plays, grandslams, wins and loses will always stay in their minds forever. Good luck in the future, have fun while trying your hardest!

## THE GIFT OF LIFE

The Red Cross, along with Student Council, came to the high school in May to collect blood. Mostly it was seniors who donated because you had to be 18 or older. But in the end the Blood Bank was a success.

# OKLAHOMA!

Imagine this:

Getting up on stage to sing a song in front of thirty five other people;

Reading from a script you have never seen before and trying to make it look believable;

Trying to do a dance that you have never seen before in your life;

Putting it all together to make a show that will live in your mind and the mind of others forever for its good (and bad) points.

These are the basic backbone for the 1992 SHS musical "Oklahoma!" Written by Rodgers and Hammerstien and directed by Joe McKim and Linda Jenkins, the musical performed its two-show run on May 29 and 30, destined to become a classic at SHS to live in the mind of the cast and crew forever.

The story about a cowboy named Curly (played by Ron Pierce, Jr., senior) and Laurey, the girl he loves (Lisa Jenkins, senior) was a huge success, receiving standing ovations on both nights and playing to well over 700 people, some of which were repeat viewers seeing the show both nights.

Audiences loved the musical numbers performed by the Ensemble and Chorus, and were enchanted with the dream ballet scene and its "memorable" cowboys and bridesmaids, laughed along with Will Parker (Josh Morlan, senior) and Ado Annie (Beth Dumovic, senior) in "Kansas City" and "All Er Nothin'", laughed at Ali Hakim (Dom Ferreri, junior) in "It's a Scandal, It's a Outrage!", were comforted by Aunt Eller, (Ro-

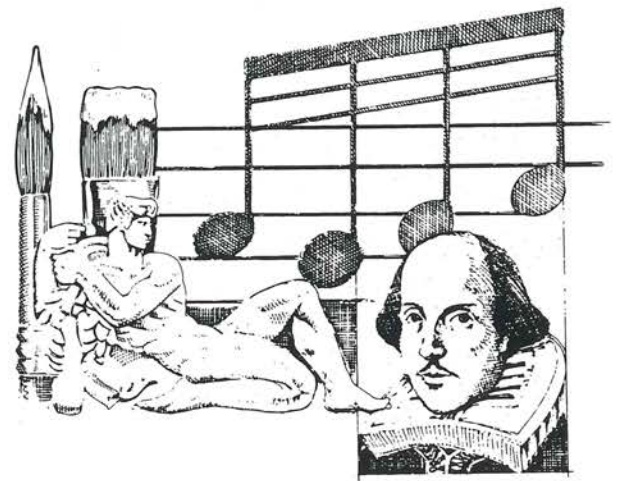

Josh Morlan, Dom Ferrari, Ron Pierce, Lisa Jenkins, Beth Dumovic, Karen Honeywell, Robin Bellis, Mirkanda Fitch

byn Bellis, sophomore), cheered with Andrew Carnes' (Bob Oberle, freshman) decision at the end, and cried along with Jud Fry (Mirkanda Fitch, Junior) in "Lonely Room."

Cast members also included: Karen Honeywell, senior, as Gertie Cummings; Robert Kimmel, sophomore, as Cord Elam; Nicole McLaughlin, senior, as Vivienne; Lindsay McShane, freshman, as Ellen; Tarran Turvey, freshman, as Virginia; Christine Lippiatt, senior, as Faye; Emily Miller, junior, as Aggie; Mark Ramuno, freshman, as Ike Skidmore; Brian Dean, freshman, as Slim; Garret Morlan, freshman, as Fred; and Brian Lippiatt, senior, as Joe.

Dancers included Juniors: Krissy Milazzo, Leanne Cyrus, and Tricia Stone; Sophomore Kara Zocolo; and Freshmen: Megan Morrissey, Shannon Quinn, and Melanie Drake.

The Oklahoma! Chorus included Seniors: Jenni Covert

and Michelle Hum and Sophomore Becky Criss.

This show is the second in a restarted tradition of spring musicals ended in the 1980's when the cast was still in grade school, and hopefully with the success of "Oklahoma!" and last year's success of "Pajama Game" this will be a tradition that like the Energizer Bunny keeps going and going . . .

# SPRING FLING

May 16th was a special night for approximately 45 students, not only Salem ones either. Students from many other school districts gathered at the Saxon Club just outside of Salem at 6:30. At 6:30 they enjoyed dinner then a D.J. for dancing. The night ended around 11:30 with everyone arriving at home content.

One word-FADS. When do they start and when do they stop? Who starts them? Who gets everyone to switch to a new fad? Whatever these answers are, fads are still here. Here is a small list along with some pictures to show some of the fads found this year: limos, dresses, and tuxes? Hair, t-shirts, computers, stripes, polka dots, detention? Pictures in groups, stickers, cafeteria food? Fights? studying? Homework? Counselors? PDA? Kiroke? Phones?

# GOOD TEEN DAY

## National Good Teen Day" Resolution introduced to Congress

Recently the Honorable James J. Traficant Jr., congressman from Youngstown introduced a resolution designating January 16, 1993 as "National Good Teen Day." The driving force behind "Good Teen Day" is Mr. Viencek, SHS English. Traficant, at the request of Mr. Viencek, was asked to be a spokesperson for the holiday. Below is a copy of the resolution introduced to Congress, as well as background material on "Good Teen Day."

## Joint Resolution

Designating January 16, 1993, as "National Good Teen Day."

Whereas Salem City Schools in Salem, Ohio, have proclaimed January 16, 1992, as "Good Teen Day;"

Whereas there are more than twenty-four million teenagers in the United States according to the 1990 Census;

Whereas our Nation's teenagers represent an important part of our society, and the many physical and emotional changes and character-building experiences which teenagers go through are important concern;

Whereas it is easy to stereotype teenagers as either those who have problems or those who excel;

Whereas teenagers should not simply be recognized for their intelligence, abilities, skills and talents, but rather for the good which is inherent in all human beings;

Whereas as unique individuals, teenagers are encouraged to esteem the good as well as the potential that is within each of them;

Whereas a day should be created to focus on the positive qualities in America's youth; and

Whereas teenagers are the future of this great country: Now, therefore, be it

- 1 Resolved by the Senate and House of Representatives
- 2 of the United States of America in Congress assembled,
- 3 That January 16, 1993, is designated as "National Good
- 4 Teen Day," and the President is authorized and requested
- 5 to issue a proclamation calling on the people of the United
- 6 States to observe such day by recognizing the teenagers
- 7 of the United States and by participating in appropriate
- 8 ceremonies and activities.

National Good Teen Day festivities were kicked off at the Good Teen Day Assembly on Jan. 15, 1992. Although the actual day was Jan. 16, 1992, the assembly was the day before due to exams.

Mr. Viencek created a day to recognize teen-agers as a valuable and productive part of society. Viencek's inspiration for Good Teen Day came after reading the following quotes from our 16th President of the United State; Abraham Lincoln: "When you look for the good in man you will always find it."

There is a significance behind the date of Good Teen Day: January is the first month of the year and we like to think of ourselves as number one, 16 because Lincoln was the 16th president and 16 is also a special year for teens celebrating that special 16th birthday and their driver's license and is the middle of their teen-age years.

Speakers at the assembly included: Dr. Burton D. Schoffman; Superintendent of Salem City School, Alvahn Mondell; Mayor of Salem, Paul Hood; Columbiana County Superintendent of Schools, Mrs. Kress; Freshman Class Advisor and James Traficant, United States Congressman from the 17th Congressional District was the guest speaker.

In conjunction with Good Teen Day, the Freshman class under the supervision of Mrs. Kress held a candy bar sell with all of the proceeds from the sell going to the Freshman Class. Students could pick up their candy bar on Good Teen Day in the cafeteria before school and between exam periods.

Mayor Mondell had many kind things to say about today's teens. Here are some of the comments he made: "It's a wonderful thing that teen-agers are being recognized. I am very happy that the first effort along this line will be right here in Salem, Ohio. Looking at all these distinguished people behind me and even myself included, we were all teens at one time. As a teen I was recognized quite a bit. Sometimes I didn't want to be recognized." Mondell presented the teens in Salem with a proclamation stating that Jan. 16, 1992 would be the first National Good Teen Day and that the students of SHS would be the 1st teenagers in the United States of America to be honored on a day designed especially for them.

Representative Traficant gave students of SHS three very important pieces of advice: "Listen to your parents, do well in school and listen to your teachers." In his speech he also made a very important point when he made the comment: "Watch who you hang around with, make good decisions about other people and choose your friends wisely, because you can't choose your enemies."

## Congressional Record NATIONAL GOOD TEEN DAY HON. JAMES A. TRAFICANT, JR.

## OF OHIO IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 5, 1992

Mr. Traficant. Mr. Speaker, I introduced legislation today designating January 16, 1993, as National Good Teen Day. I believe that a national day should be created to focus on the positive qualities in America's youth.

Salem City Schools, in my district, designated January 16, 1992, as Good Teen Day. The city of Salem, OH, as well as the Ohio House of Representatives have extended recognition to Salem City Schools for this important initiative. Good Teen Day festivities in Salem included a baseball card show and a candy sale.

The concept of Good Teen Day was created by Mr. Robert Viencek, instructor of English at Salem High School. He selected January 16 as Good Teen Day because Abraham Lincoln, the 16th President of the United States, was quoted as saying, "When you look for the good in man, you'll always find it." There were other reasons for choosing the 16th as the date to honor teens, according to Mr. Viencek. "Sixteen is a special year in the lives of teenagers. It is the age when many young people start to drive and start to work — it is the middle of the seven teen years - 13-19."

Mr. Speaker, our Nation's teenagers represent an important part of our society. The many physical and emotional changes and character-building experiences that teenagers go through are an important concern. It is often easy to stereotype teenagers as either those who have problems or those who excel. Teenagers should not simply be recognized for their intelligence, abilities, skills, and talents, but rather for the good which is important in all human beings.

Teenagers are the future of our great country. There are more than 24 million teenagers in the United States according to the 1990 census. Therefore, I believe that Mr. Viencek's idea should not be limited to one locality, but expanded to the national level. Mr. Speaker, I encourage my colleagues to join me in honoring the teens across America by cosponsoring National Good Teen Day.

# HEAD OF THE CLASS

Student Council was formed to represent the student body at the high school. When a student has a comment or suggestion to improve the school or anything else, Student Council is there to try to make those things happen. To become a member on Student Council the person must first apply through the office to be placed on the ballot. Then the students vote for the representatives of their class. Some of the activities Student Council has participated in are teacher appreciation day, Thanksgiving dinner for needy family, re-opened Senior Lounge, and Jostens Leadership Convention. Student exchange day and the blood drive was sponsored by Student Council. Student Council meets every first Thursday of every month. If you have a problem, remember - that's what Student Council is for.

# NOUS AIMONS LE FRANCAIS

Recognize these lyrics: "Les poissons, Les poissons; hee hee hee, haw haw haw . . ." Well, if you don't, they're just lines from a song in one of Disney's recent movies—*The Little Mermaid*. This song has unofficially been made 1991-1992 theme song for the French Club by a few members (who wish to remain anonymous). They not only have a sense of humor, but they also know how to have a good time. This year they held a Christmas party (which included many delicious French dishes and a gift exchange), they went on a hayride, and held a Mardi Gras pizza party in March. For profits they held a concession stand and sold carnations for Valentine's Day.

AFS is a club that shows foreign exchange students Salem and gives them support. They meet every Wednesday on a monthly or bi-monthly basis. They've gone to a Penguins hockey game, ice skating, backyard parties, Christmas caroling, and a Progressional Dinner. These activities give the exchange students and the students of Salem a chance to expand their horizons. Currently, Jon McNeal of Salem, is an exchange student in Germany.

# INTERACTING ON IMPULSE

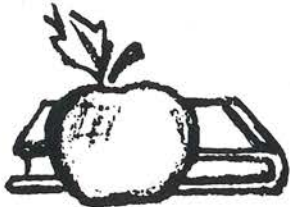

Interact is one of the community's most valuable clubs. The members of interact put a lot of time and effort into making the city the best it can be. Raising money through concession stands, or donators of any kind, the club manages to go strong all year long in the giving of complete support to the community. Not only does the club help out around the neighborhood, but as it says in its name, the members interact with each other and the surrounding community. Some of the various interacting activities the club has done this year are: delivered cookies to a nursing home, helped the Salvation Army, attended a Cavs vs. Jazz basketball game, and sponsored the St. Patrick's Day dance.

People were trained in communication skills on a day seminar. Taught by 4-H, it was a great help to the Peer Education Panel members. This year more people were chosen to be on a panel. The group is in its third year at Salem and flying high!

# LITERALLY SPEAKING . . .

Started just last year, the Drama and Poetry Club is unique at SHS. Unlike most organizations where the members just sit and listen to one or two officers tell them what fundraisers are coming up, this one focuses on the members enriching their love and understanding of theater and literature. The members talk about plays and poetry, and even share their own writings with the group to be critiqued. The group meets weekly on Fridays, and also have parties on occasion. They hope to perform a play sometime in the future, to get a better understanding of the hard work and creativity involved in the fine arts. With the amount of talent in the club, they will surely succeed with rave reviews.

# GETTING THE SCOOP

In its 79th year of production, "The Quaker" is distributed every other week to Salem High School students, free of charge. The juniors and seniors at Mr. Ladner's Journalism Class make it all possible. They meet every day to work on the paper. They have outside speakers and also participate in the Tri-County Journalism Association's Press Day. In the class they learn about mass media and its use in today's society.

# BEHIND THE SCREEN

The audio-visual aides at Salem High greatly help in the education of every student who enters these doors. Not only do they deliver the equipment to the classrooms, but they also keep it sorted and in good working order. This helps the teachers by allowing them to share added information with their students which they may not have been able to do otherwise. Surely, everyone here at SHS has benefited from these hard workers who put so much time and energy into increasing the academic quality of our school.

# SHS MECHANICS

Any of the vocational machine students are eligible to become part of the club, machines. It was started in 1979 headed by Mr. Citino. Machines tries to keep the environment clean and they collect for charity. For example, the Heart Fund by the American Cancer Society. Activities that have been planned are to purchase jackets and to get a speaker on tool grinding. Machines meet five times per school year.

# SECRETARIAL SCENE

The job scene is happening for the juniors and seniors in Administrative Secretary I and II, CBE and SOEA.

Students in Administrative Secretary I are prepared for jobs in office occupations. The program helps juniors develop skills in typing, filing, accounting, and machine transcription. Word processing, database and spreadsheets are some skills in computer applications. This can be followed in the senior year where these skills are put to more frequent use.

To provide leadership and professional experience is the purpose of Administrative Secretary II. The seniors are employed as positions become available. Along with basic office skills, techniques of job-seeking, career planning, and resume writing are taught.

CBE, or Cooperative Business Education, right away places those seniors who are ready for employment. This is an excellent opportunity for students to become valuable employees while being supervised by work and school. It offers vocational choices and alternative choices for college or a full-time job after graduation.

Students in SOEA or Salem Office Education Association are helped to establish employment goals through different activities such as meetings, open houses, and field trips. This year SOEA went to Nationwide Insurance Company in Canton.

# AROUND THE WORLD

Every year juniors and seniors throughout the world leave their own high schools and live in the United States for a year. They have the opportunity to participate in any school activity, which many do. Although the AFS sponsors most exchange students (Rotary, AISE (American Intercultural Student Exchange), and EF (Education Foundation for Foreign Study)), also sponsor some students. Many of the students talk to local groups and elementary schools about their country. Most of these students travel to a variety of places in the United States with their generous host families.

Pep Band is a very spirited group of band members whose purpose is to get the Salem fans wound up. Well there's no question about it, this idea works very well. Once they start playing, the whole audience is in on it.

# LEADING THE PACK

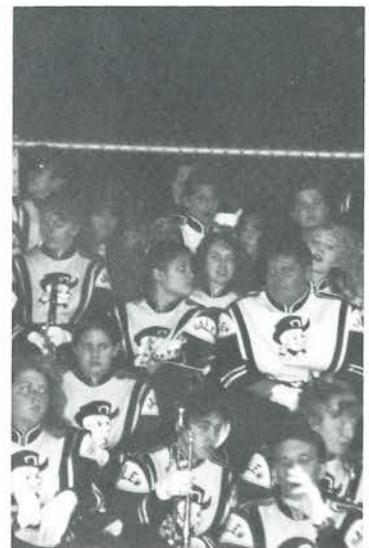

# THE PRIDE OF SALEM

In 1991-1992 the Salem High School Band is bigger and better than ever. After two long weeks of Band Camp in late August, the band is finally ready for its first performance. Although the band had to start out the season performing in foreign football fields, they still managed to do better than ever. About half way through the football season, the band was awarded their very own band shell in the brand new Reilly Stadium where they could finally perform for their home town.

After all of the excitement of marching season settled down, the SHS Band started a new adventure: Symphonic Band. Through 5 1/2 months of practicing until their lips fell off (with the exception of the percussion section), the Spring concert was a tremendous success. Also, in May a banquet was held in honor of this hard-working, well deserving, exceptionally talented group of marchers.

# CHOIR

The choir has kept the halls of Salem High School filled with the sounds of music since the origin of the school. This year there was a new addition to the choral department, the Freshmen Choir. Along with the Freshmen Choir, the Chamber Choir and Concert Choir made the year a big success. The season got off to a start with their yearly Christmas Concert, with their most honored guest, Santa! Then, in no time at all, their 17th Annual Pops Concert was under way. The highlight of this performance was "Voices That Care," which was written as a tribute to those who served in Operation Desert Storm, sung by the combined choirs. Soon after, the season ended with the 64th Annual Spring Concert. The songs from the Spring Concert were also performed in an international competition the choir attended in Nashville. Finally, the choir was honored, along with Mrs. Jeckavitch, with a banquet at Timberlanes for a great year.

# NASHVILLE HERE WE COME!!

On Friday, April 24, the Salem High Choir headed south for the **Music City Classic** competition in Nashville, Tennessee. There they had a fun-filled weekend of competition and sight-seeing.

All three choirs, the concert choir, chamber choir, and freshman choir performed at the festival. However, the freshmen were not in competition; they sang only to be critiqued. The concert choir sang three songs: "Ching-a-Ring Chaw," "Frostiana: Choose Something Like A Star," and "For the Beauty of the Earth." They received third place. Chamber Choir sang a complex yet beautiful yet difficult arrangement of songs including "Flower of Beauty," "Ways O Mine Eyes," and "I Dreamed a Dream," which featured senior Lisa Jenkins as the soloist. The Chamber choir received first place in their division at competition. Finally, the freshmen also sang three songs: "Ode to Joy," "Bless the Lord O My Soul," and "Danny Boy" and received a trophy of participation for their performance.

Over the course of the weekend, the choir spent most of its time enjoying the sights of Nashville. They went shopping, viewed the enormous Opryland Hotel with its beautiful waterfalls, went on a cruise on the General Jackson showboat, and spent most of Sunday at the Opryland Amusement Park doing everything including riding roller coasters and eating too much, petting animals in the petting zoo and watching Broadway-quality musical performances.

All in all, the 172 member choir had a great time in Nashville. It was a terrific weekend that brought with it wonderful memories.

Guess who??

# A NIGHT TO REMEMBER

At the end of each year, an awards assembly is held in the Salem High School Auditorium. The night's purpose is to honor students throughout the school who have strived to achieve excellence not only in academics, but in sports, vocational programs, and the visual and performing arts as well. It is a night which focuses not on the negative side of the students, but instead on rewarding the many positive things that the students of Salem High School do throughout their years here at S.H.S. On Wednesday, May 29, 1992, the staff and faculty of S.H.S. and the community of Salem joined together to honor the most valuable resource the city has: its students.
