WHOLESALE TUBESTOCK LIST

March 2013

Hi everyone,

Still wet! I'm sure you're all still getting this lovely wet weather – with more to come apparently! Plants are happy so that's all that matters.

Some of our Beautiful vines...

Hardenbergia violacea, Callerya megasperma, Geitonoplesium cymosum, Elaeagnus triflora, Smilax australis

Vine Workshop - if you'd like to learn more about local native vines and weed species (including techniques to remove/control) book into our Vine Id Workshop in April. Go to the website for more information: www.brushturkey.com.au

Red species names indicated plants at special prices – great value for you and movement to create space in the nursery for more plants for me!

Hope to be able to help you soon.

Karen, Sam and the BTE Nursery team.

NURSERY TRAYS

Please note that the black nursery trays (80 tubes) will be charged out at \$2. If you are able to return them to the nursery this fee will not be added to your invoice.

PLANT HOLDING FEES

At the discretion of Brush Turkey Nursery, a Holding Fee being a minimum of five percent (5%) may be charged for each month, payable after the expiration of the stated delivery date (fractions of a month will be taken into account).

Many thanks, Karen & Samantha

Conditions of Sale:

- The quoted price is available for quantities of 200 tubes or more, smaller amounts are negotiable but may incur a higher price.
- All listed prices are not GST inclusive. 10% GST will be added to all sales on invoice
- Terms of payment are strictly within 14 days of invoice. All tubestock remains the property of Brush Turkey Enterprises until paid for.
- If delivery is required a plant transportation company will be utilised. Minimum orders for delivery are 240 native tubes. A fee for transportation costs will be included on your invoice or at your expense with your own preferred transport company. Minimum order for collection from the nursery is 100 plants.

Enjoy and happy growing and planting!
