MA PHI BETA

Fall 1991

**Gamma Phi Beta . . .  
Build on it! See page 27.**

*By Camille A. Cestone,  
Alumnae Vice President*

Walk with me for a minute. Down memory lane; back to your collegiate chapter. Why did you join Gamma Phi Beta? The really simple reason is that you were invited by young women you knew and liked. It's a bit more complicated than that, but the fact is: you had to be invited!

About 10 percent of our alumnae members are involved in some way because they were invited to do something they would enjoy. What about the other 90 percent, you ask. Well, we live in a busy world. And volunteer involvement somewhat follows a bell curve: high involvement before children enter the picture; a natural change of focus with marriage and children; then a rise in interest as daughters reach college age or children go out on their own.

So if you're up to your ears in piano and swimming lessons, soccer and softball practice, how do you get involved in Gamma Phi Beta? The same way you do if you're up to your ears in financial reports, budgets, sales quotas or advertising campaigns—you're invited!

This is your personal invitation to take a night for yourself and go to a local alumnae group meeting (pick a fun one, you need it!), read *THE CRESCENT*, write recommendations, make a donation to the Gamma Phi Beta Foundation, bake cookies for rush or finals at the nearby chapter, or enter your career information into the SisterLink

database.

When you have the time and inclination to do more, you're invited to be more active in an alumnae group, become an advisor, serve on a house corporation board or take an international office.

Research also tells us that many volunteers want to do a short, well-defined job with a specific ending. So the natural conclusion is that, if Gamma Phi Beta asks you to do something finite—like chair an event, attend a Founders Day celebration, or help raise funds for a local camp—you'll be happy to do it. So, you are hereby invited!

Finally, there's the small issue of geography. If you're in Crescent City, Colorado (pop. 3,075); Carnation, Washington (pop. 913); or Crescent, Iowa (pop. 547) how do you find other Gamma Phi Betas and get involved? Many times there are few or none, so you do just what you're doing now—you read *THE CRESCENT*, become a *Transister*, start a crescent circle, write recommendations, stay in touch with your chapter sisters and see if your chapter needs help with anything.

Call me an optimist, but I think we all want to give a little back to Gamma Phi Beta for the wonderful experiences we had at our chapter. And I choose to believe that if you're invited to get involved, **YOU WILL!**

After that, there's only one more thing to be said. Thank you for getting involved!

# Nicki Nicol

"Service is the rent we pay for the space we occupy on earth."

---

# ΓΦΒs making a difference

“‘Service is the rent we pay for the space we occupy on earth’ is one of my mother’s favorite expressions,” explained Nicki Nicol (S. Methodist), president and CEO of Nicol Scales, Inc., one of the largest distributors of weighing and measuring equipment in the Southwest.

“She and Dad set such a good example for me through their industry and community activities that it seems natural for me to follow their example,” she concluded.

Nicki credits her experience as rush chairman for Alpha Xi Chapter for her introduction to management, both of time and people. Her musical and theatrical talents helped chapter members prepare skits and songs to entertain rush guests. She designed an award-winning homecoming display which won second place honors “because the judges didn’t think a bunch of women could have designed and built the mechanical system without some help!”

A Gamma Phi Beta sister’s summer experience as a Winant-Clayton Volunteer led Nicki to spend her final college summer in the same program of community service. Nicki’s summer assignment was in the Canning Town area of London, doing social work at the Mayflower Family Centre. She’s still a part of the Winant-Clayton Volunteers, having served as its American president and continuing as a board member.

After receiving a marketing degree, Nicki worked in the research department of one of the Federated Stores. She took her musical, dance and theatrical skills to New York where she continued her career in retailing with the Allied Stores chain. She joined the Blue Hill Troupe, which produced Gilbert and Sullivan operas and performed benefits for charitable organizations.

While in New York, Nicki became the first woman management consultant hired by Booz, Allen and Hamilton. In 1972 she joined Benton and Bowles Advertising Agency as senior project director in the research department. She moved to account management and worked on various accounts including Eckrich Meats, Sara Lee, Pledge and E.F. Hutton.

In 1980 Nicki moved back to Dallas to join her parents in the family business, Nicol Scales, Inc. Then, tragedy struck. In a three-year period, both her parents suffered debilitating illnesses, two other members of the senior management of the

company retired or resigned, the Texas recession hit, a substantial law suit against the company was filed and a union attempted to organize employees.

As each crisis occurred, Nicki stepped into the breach and shouldered more and more of the day-to-day management of the company, finally becoming president in 1985 and CEO in 1989. She has revamped the company and brought it back to profitability while overseeing the care of her parents.

Still remembering her mother’s maxim, Nicki enthusiastically became involved in Dallas. The Junior League, Shakespeare Festival, Dallas Theater Center, Junior Achievement, Family Guidance Center, American Red Cross and Visiting Nurses Association all benefitted from her artistic and management talents. She became the first woman member of the Downtown Dallas Rotary Club.

During the past several years, Nicki has focused much of her time on business, community and industry activities. She was a delegate to the 1986 White House Conference on Small Business and participated in the 1987 class of Leadership Texas.

After helping in one of President George Bush’s earlier campaigns while still in New York, Nicki has continued to work in Republican political campaigns. Her political skills have been honed through her community work: first in New York, as president of her apartment building’s tenant association and, more recently, as head of the community development association for the area of Dallas where her company’s building is located.

Following in her parent’s footsteps, Nicki is a member of the board of directors and governor of the Texas district of the International Society of Weighing and Measurement. This year, she is chaired the organization’s national conference in San Antonio.

Occasionally, Nicki does take time for herself. She’s participated in several long distance bike races (including the Hotter Than Hell 100—a 100 mile race through the Texas summer heat) and enjoys preparing gourmet meals. Travel is high on her agenda of fun things to do as well as attending theatrical, dance and musical productions.

Nicki Nicol is a female manager in a purely masculine field, a community and industry volunteer and a credit to Gamma Phi Beta.

## Mu Chapter Stanford University

**O**n March 2, 1991, International President Jolene Lessard Stiver (N. Dakota St.) presented the Mu Chapter Charter when she reinstalled the chapter at Stanford University.

The original 14 charter members were initiated on June 9, 1905 and the chapter flourished until July 1, 1944. At that time, all nine National Panhellenic Conference sororities at Stanford voted to withdraw their charters as a result of university decisions affecting Greeks.

In January, 1987, Gamma Phi Beta formed a colony at Stanford and joined the six other sororities that had returned the previous year. Ten women were initiated by Eta Chapter at the University of California-Berkeley on March 3, 1988 and during the next three years the colony grew.

Prior to the installation banquet, four members, including alumna initiate Betty Birch,

were initiated at the home of Carol Clarke (Calif.-Berkeley) under the direction of International Ritual Chairman Audrey Weldon Shafer (Missouri). That evening alumnae, collegians, friends and family members celebrated the chapter's return to the Stanford campus.

Stanford University Program and Fraternal Affairs Advisor Michael Ramsey-Perez welcomed Gamma Phi Beta to campus. Joey Stiver presented a \$1,000 Gamma Phi Beta Foundation grant to Easter Seal Society Director of Development Russell White, who accepted the gift on behalf of the society's camping program. Chapter gifts were received from the province and Sorority and awards were: Sisterhood Award, Carolyn Brandes; Punctuality Award, Jane Hsiao; Most Inspirational Award, Abby Zidle; Happy Little Award, Fiona Nelson; An Officer and A Lady Award, Dawn McGuinness; and Most Outstanding Members, Tonya Campbell and Maureen Lincoln.

Also attending the celebration were Director of Extension Karen Wander Kline (Iowa St.), Province XIII Alumnae Director Grayle Tully James (Calif.-Berkeley), International Rush Consultant Merry Greig Wong (San Diego St.), Collegiate Leadership Consultant Martha Hunter (Washington), Alumnae Vice President Camille Cestone (Bowling Green) and Province XIII Financial Director Corinne Martinez (Calif.-Berkeley) and former Collegiate Vice President Pauline Sawyer Umland (Boston).

Advisors for the chapter are Nancy Erlin Bush (Purdue), Susan Loop (Calif.-Santa Cruz), Sue Allcorn Bay (Calif.-Berkeley), Amy Hoffman Turner (Calif.-Santa Barbara), Marlo Finney Faulkner (Idaho), Jeanie Hazelrig Massey (S. Methodist), Ilona Sockol (Calif.-Santa Cruz), Carol Thomas (Wash.-St. Louis), Jane Osborn (Calif.-Berkeley), Annette Sprague (Calif.-Santa Cruz), Kathy Perrin Wardwell (Colorado) and Margi Raines Singleton (Oregon). Linda Brooks Drevno (Calif.-Berkeley) served as special advisor during the colony period and as mistress of ceremonies for the installation banquet.

Chapter members are Carolyn Brandes, Tonya Campbell, Elisa Choi, Aly Dawson, Adriana Duffy, Carolyn Fink, Kathy Fong, Jennie Goloboy, Jane Hsiao, Flo Hsu, Maureen Lincoln, Dawn McGuinness, Shannon Morris, Fiona Nelson, Karen Pena, Melanie Rodriguez, Toby Shimizu, Pat Stanley, Laurel Sullivan, Larissa Thompson, Minerva Tirado, Susie Wu and Abby Zidle.

International President Joey Stiver presents the Mu Chapter charter to President Patricia Stanley.

San Jose State alumna Betty Alden Burch (right front) joins Mu Chapter alumnae attending the banquet: (front) Emily Howard Haffner, Ellie Moseley Hobson, Evelyn Carey Niebel, (back) Lorraine Struve Litchfield, Beatrice Elkins Crady, Joan Coffeen Mullinex, Barbara Lyon Baxter, Marjorie Smith Manwaring and Margaret Wade Aubry.

## Epsilon Upsilon Chapter University of South Dakota

**A**pril 27, 1991 was a memorable initiation and installation day for the charter members of Epsilon Upsilon Chapter at the University of South Dakota. The women had been pledged in January at the conclusion of colonization rush activities.

Throughout their pledgship, the members were involved in campus and colony activities while learning about Gamma Phi Beta. They captured second place in Greek Week and participated in the Pennies for Charity Greek fundraiser, a softball marathon with Delta Tau Delta and a retreat. PACE programs included time management, study skills, Gamma Phi Beta services and weekly sisterhood activities. Social events included exchanges, a date party and the Crescent Ball.

During Inspiration Week, colony members focused on Love, Labor, Learning, Loyalty and Laughter in anticipation of the Saturday afternoon initiation at the Continuing Education Center. The ceremony was conducted by Epsilon Delta Chapter, Creighton University, under the direction of International Ritual Chairman Audrey Weldon Shafer (Missouri).

That evening, 160 Gamma Phi Betas, parents and friends gathered at The Prairie for the installation banquet. Assistant Director of Extension Linda Lyons Malony (USC) served as mistress of ceremonies.

After dinner, the new chapter was welcomed to campus by Dr. Janet Lewis, Special Assistant to the University President. Dean of Students Jim Rund, Students

Activities Director Rick Davis, Panhellenic Rush Chairman Jodi Stover and former Greek Advisor Jennifer Kuzepaal also attended the celebration.

International President Jolene Lessard Stiver (N. Dakota St.) presented a \$1,000 Gamma Phi Beta Foundation donation to the Joy Hollow Camp in honor of the new chapter. Sioux Trails Girl Scout Council President Arlene Kjeldseth accepted the donation on behalf of the camping program.

Gifts were received from Province VI and the Sorority. The Outstanding Pledge Award was presented to President Becky Pattison, Amanda Haley received the Most Spirited Pledge Award, Shawna Ickes was recognized as the Most Inspirational Pledge, and the Academic Excellence Award and Campus Involvement Award were presented to Holly Hett.

After months of anticipation, it was an exciting moment when

Becky Pattison accepted the Epsilon Upsilon Chapter charter from International President Jolene Stiver, who welcomed the new initiates to Gamma Phi Beta.

Other international officers in attendance were Collegiate Leadership Consultant Laura Hatch (Colorado), Assistant to the Collegiate Vice President-New Chapters Marilyn Bachnik Callahan (Wis.-Oshkosh), Province VI Collegiate Director Pug Revell Mandl (Vanderbilt).

The University of South Dakota was established in Vermillion in 1862. Today, the university offers 117 undergraduate and graduate fields of study, including business, education, fine arts, government, law and medicine. Enrollment is approximately 6,000. Gamma Phi Beta joins Alpha Phi, Alpha Xi Delta, Kappa Alpha Theta and Pi Beta Phi on campus.

Charter members are Beth Barkley, Nicki Bates, Niki Bower, Shelly Bunkers, Tracy Christiansen, Heide Crum, Angie Culver, Deanna Duin, Kim Gormally, Amanda Haley, Brenda Henrichsen, Holly Hett, Jodee Hohn, Shawna Ickes, Lisa Kattan, Lisa Kickul, Amy McDermott, Jill Nelson, Melissa Nel-

# INTERNATIONAL COLLEGIATE BOARD

International Collegiate Board members are (front) Patricia Naramore, Amy Carolla, Courtney Moore, (back) Johnna Dieterle, Jill Callahan, Stacie Yost, Lisa Wittke and Michelle Morris.

The International Collegiate Board is a forum for collegians to express their needs and concerns, and to foster positive communication between collegians and International Council. This also provides an avenue for International Council to more fully explain the reasoning behind policies and decisions pertinent to collegians.

Eight collegians, each representing a geographical area, are selected in the spring for a one-year term (applications are available from International Headquarters). The board meets annually either at Leadership Training School or International Convention, and communicates during the school year through letters, questionnaires and phone calls. Advisors to the group are the Collegiate Vice President and International President.

## Becky Pattison—outstanding student

Becky Pattison (S. Dakota) was selected as the outstanding undergraduate student in the nation by the American College Personnel Association, an organization for college and university residence hall and student activities professionals. She said it was a "big honor" to be chosen for the award by the people she one day hopes to work with and for.

Becky plans to utilize her studies in psychology, and drug and alcohol abuse in a career in the college student personnel field. She credits her experience as president of Epsilon Upsilon Chapter for teaching her about the Greek aspect of undergraduate life.

A resident assistant for two years, Becky served as her school's communications coordinator for the National Association of College and University Residence Halls. She also is a member of Epsilon Sigma Al-

pha, a leadership and service fraternity.

As a result of the award, Becky received an internship at the University of Illinois in the Department of Residential Life. While at Illinois she enjoyed the friendship of Gamma Phi Betas from Omicron Chapter. "I wouldn't have known anybody here if it weren't for Gamma Phi," she said.

## Lorraine Corcoran—Council president

Lorraine Corcoran (Syracuse)

Lorraine Corcoran (Syracuse) is the first woman in the history of Syracuse University to be elected president of Greek Council. The council works with the Panhellenic Council, Interfraternity Council and Pan Hellenic Council to promote a better understanding of the Greek system. Previously, she was secretary of Greek Council.

"Being a woman didn't have anything to do with it," said Lorraine, who is promoting reforms in the Greek alcohol policy. She also plans to continue the Greek Council public relations program.

**G**amma Phi Beta Pride has never been more evident than this past year when Doris Bird Gorden (Bowling Green) and Lynn Towsley Hamblin (Colorado) launched The 1874 Society of the Gamma Phi Beta Foundation. Loyal Gamma Phi Betas across the continent joined Doris and Lynn as founding members of The 1874 Society, netting \$52,472 in unrestricted gifts.

In their invitation, Lynn and Doris urged others to build on the Pride felt by all for the major accomplishments of just the last biennium:

- Our new International Headquarters.
- The installation of eight new collegiate chapters and eight new alumnae chapters.
- Reaching and surpassing the 100,000 member mark with 94.55 percent of our collegiate chapters pledging quota.
- The awarding of \$70,200 in fellowships, scholarships and grants by the Gamma Phi Beta Foundation.
- The services to members that demonstrate Gamma Phi Beta's commitment to each member for her lifetime.

"In their own way, the founding members of The 1874 Society are replicating the commitment made to the Sorority by our Four Founders," said Foundation Development Committee Chairman Barbara Missert Wessel (Syracuse). "In seeking to meet the needs of women students at the fledgling Syracuse University, our Founders established programming for women that has carried Gamma Phi Beta through the 20th Century. Now, the members of The 1874 Society are providing the resources that will enable Gamma Phi Beta to create the educational programming required to meet the needs of tomorrow's women. They are propelling Gamma Phi Beta into the 21st Century."

Foundation Chairman Ann Mullen Bronsing (Indiana St.) said, "We all owe thanks to Lynn and Doris for launching this program and for their dedication to the Foundation's mission of funding educational development for women of all ages."

Invitations will soon be extended for the second year of membership in The 1874 Society. If you would like to join other loyal and committed members with your own 1991-92 unrestricted gift of \$1,874, please contact the Gamma Phi Beta Foundation, 12737 E. Euclid Drive, Englewood, CO 80111-6437, 303-799-1874.

# FOUNDATION

## Foundation concludes exciting year with new programs

The Gamma Phi Beta Foundation had an exciting year with new programs and endowments, as well as supporting the Sorority's philanthropic, financial aid and educational programs. However, a shortfall in the 1990-91 annual appeal campaign reflected the effects of the recessionary economy on Gamma Phi Betas throughout North America.

Total giving to the Foundation for fiscal year 1990-91 was \$805,722, up 46 percent from the previous year due to a large endowment from the estate of Helen Bliss, Omicron Chapter, University of Illinois. The fiscal year ended July 31.

Two new giving programs were launched during the year: The 1874 Society and the Senior Carnation Appeal (see separate articles in this issue). Both were highly successful. 28 generous Gamma Phi Betas each donated an unrestricted amount of at least \$1,874 to become founding members of The 1874 Society, and 68 seniors pledged \$100 each to be paid to the Foundation over the next five years.

Many Gamma Phi Betas gave generously and some arranged for the Foundation to receive matching gifts from their employers. A total of 5,420 donors gave \$173,055 to this year's annual appeal, down 20 percent from 1989-90.

In addition to the Bliss endowment, Lyman French added an additional \$20,000 to the Jane Benton French Scholarship endowment that he established last year in memory of his late wife, an initiate of Sigma Chapter, University of Kansas.

Funds came in from several other Foundation efforts. There were 138 memorial gifts totalling \$4,212 and 30 In Celebration gifts amounting to \$833. For the first time, other Foundations were approached for donations. The Schlessman Foundation is giving an annual \$5,000 grant for the next five years, thanks to the help of Susan Schlessman Duncan, Alpha Phi Chapter, Colorado College.

Another \$2,000 was raised at Leadership Training School from a raffle of 18 Gamma Phi Beta sisterhood rings that were donated to the Sorority by its official jeweler, J.O. Pollack & Co. Balloon Buys from several collegiate chapters netted \$2,098.84 for the Foundation.

On the giving side of the ledger, the Financial Aid Committee received and processed a record number of scholarship and fellowship applications. Twenty-four scholarships and 17 fellowships were awarded, for a total of \$59,950. Eleven grants-in-aid amounting to \$5,900 were also made by the Foundation. Despite this record, many other deserving Gamma Phi Betas had to be turned down.

# Gamma Phi Pride . . . Build On It!

*A dream becomes a reality . . . Gamma Phi Beta Builds on its Pride . . . forever providing a foundation for our heritage and our future . . . see inside.*

**B**uild on your Pride and take the opportunity to contribute to the Sorority's International Headquarters, under construction in Englewood, Colorado.

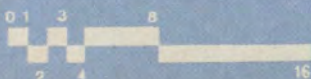

Take a walk through the floor plan of this spacious and elegant building. Enter through the arch that graces the entryway and move through the office space, home to Gamma Phi Beta's professional staff that provides support for Sorority volunteers, house corporations, collegiate chapters and alumnae groups. Returning to the entryway, imagine the antique badges, photographs and cherished Sorority memorabilia you will see in the gallery to your right. Through another door is the board room, where Gamma Phi Beta volunteers will meet to plan for the future of our Sorority and where Collegiate Leadership Consultants will acquire the skills they need to better assist our chapters. Complete your walk with a tour of the living and suite areas which will be a temporary home to sisters attending Sorority meetings.

Take the opportunity... Build on your Pride... invest in Gamma Phi Beta's home.

**Foundation honors new chapters**

In honor of the installation of each new Gamma Phi Beta chapter, the Foundation makes a \$1,000 donation to a camping program chosen by the new chapter and its supporting alumnae group.

Four such donations were given this year. To mark the January 19 installation of Epsilon Sigma Chapter at Morehead State University, the donation was made to the Destination Graduation Program sponsored by the Morehead State University Foundation. A summer camp run by the university as a dropout prevention program, youngsters learn study skills and then receive tutoring throughout the year from college students who serve as mentors.

A donation was given to the Easter Seals Society Camp Harmon in Santa Cruz, California in celebration of the rechartering of Mu Chapter at Stanford University. The February 2 installation of Epsilon Tau Chapter at the University of Rochester was cause for a \$1,000 donation to Liberty Hill Hillside Children's Center in Rochester, New York, and Joy Hollow Girl Scout Camp was the recipient of the gift in honor of Epsilon Upsilon Chapter at the University of South Dakota.

## Foundation Committees

"The work of the Foundation is accomplished through the dedicated efforts of members who serve on committees," said Foundation Chairman Ann Mullen Bronsing (Indiana St.). "These sisters who serve the Foundation volunteer their time and talent because they believe the Foundation can make a difference in the lives of women."

Many committee members are professionals who volunteer their particular expertise for the Foundation's mission. If you'd like to be included in this exciting opportunity, please contact Ann Bronsing or Foundation Coordinator Cheryl Broyles at International Headquarters.

## Lyman French adds to endowment

Lyman French, Jr. last year established a \$20,000 endowment in the Foundation in honor of his late wife Jane Benton French, an initiate of Sigma Chapter, University of Kansas. At that time he wrote, "It is my desire to add to this scholarship fund in the coming years so that more young ladies can be helped in preparing for their future lives and so that Gamma Phi Beta can grow and prosper."

The Foundation has received an additional \$20,000 from Mr. French, who wrote that he hopes the endowment "will stand as a perpetual reminder that Jane would have wanted to help other women to enjoy the same kind of friends. Jane always had a special place in her heart for Gamma Phi Beta. Through the years she treasured her Gamma Phi friends and Sigma Chapter."

## Balloons, balloons!

Gamma Phi Beta collegians have been very visible on campus selling balloon bouquets to benefit the Foundation. Armed with a starter kit from the Foundation that includes instructions, balloons, ribbon and sample flyers, chapters sold balloons for special occasions such as Valentine's Day, finals week, Homecoming and Parent's Weekend.

Champion ballooners are members of Tau Chapter who sold 288 balloon bouquets in three days on the Colorado State campus for a profit of \$866. They advertised their balloon bouquets for "Good Luck on Finals," and sold them for \$2 for a three-balloon bouquet. Chapter Philanthropy Chairman Julie Martin suggests using "hi-flo" helium so the balloons last longer and recommends imprinting messages on the balloons.

Delta Tau Chapter at Colgate sold nearly 600 balloons and contributed \$420 to the Foundation. Diane Campagna reported the chapter sold them for \$2 per balloon or three for \$5 during a three-day period.

"We'd be delighted if all chapters could do so well and contribute so much to the Foundation," said Foundation Chairman Ann Mullen Bronsing (Indiana St.). "The success of these chapters is truly exciting, and in the process, the members are learning how to organize a successful event, a valuable skill."

Epsilon Theta Chapter sold 69 bouquets on the Clemson campus, enough to contribute \$167 to the Foundation. "Everything went very well," reported Mandy Cook. "This was our first year and next year we will probably sell balloons for more than three days."

Theta Chapter at Denver University organized its second Balloon Buy, netting \$178. "We presold 137 bouquets and delivered them on Valentine's Day," reported Lisa Smaldone. "Each bouquet had three balloons, three ribbons and a card." Members worked one-hour shifts throughout the day and had two people in the dorms from 4:30 to 6:30 p.m.

Jennifer Tokarz of Epsilon Rho at Stephen S. Austin reported selling 38 three-balloon bouquets and 47 five-balloon bouquets for Valentine's Day. She said they'll order more balloons next year since they sold out. The chapter contributed \$217 to the Foundation.

Successful Balloon Buys also were organized by chapters at William and Mary, \$88; University of California-Santa Barbara, \$235; Boise State, \$100; and North Dakota State, \$45.

## Senior Carnation Appeal

The names of members of the class of 1991 listed below celebrated their graduation and demonstrated their lifetime commitment to Gamma Phi Beta by pledging \$100 to the Foundation's Leadership Development Endowment. In five years, when their pledges are fulfilled, Gamma Phi Beta will welcome them to the Carnation Circle.

Funds generated from the Leadership Development Endowment are used to provide leadership programming for the Sorority through workshops and speakers at Convention and Leadership Training School, PACE programs and letters, and Collegiate Leadership Consultant and International Rush Consultant visits to chapters.

Our thanks to these loyal sisters who are acknowledging the valuable leadership training they received as undergraduates, and who are helping to continue the legacy of our Founders for present and future Gamma Phi Betas.

## Foundation grants supplemental campership funds

During the past year, 34 alumnae and three collegiate chapters applied to the Foundation for supplemental funds to add to their support of 47 special camps. Local funds, combined with \$11,698 granted by the Foundation, enabled 262 campers to experience 2,602 days of camping.

Has your chapter taken advantage of this opportunity? If not, you're missing an opportunity to bring Gamma Phi Beta's international philanthropy to your community.

Applications for supplemental campership funds may be submitted at any time, with a deadline of April 15 for the 1992 summer season. Funds must be used for special camping for girls, such as those with specific illnesses or who are physically disabled, emotionally disturbed or mentally retarded. For more information, contact International Headquarters.

COMMONWEALTH OF KENTUCKY  
COUNCIL ON HIGHER EDUCATION

GARY S. COX  
EXECUTIVE DIRECTOR

February 1, 1991

Ms. Jolene Lessard Stiver  
International President  
Gamma Phi Beta Sorority  
15944 Ashville Lane  
Granger, IN 46530

Dear Ms. Stiver:

On behalf of the Kentucky Council on Higher Education, let me thank the Gamma Phi Beta Foundation for its recognition and generous support of Morehead State University's Destination Graduation program.

Destination Graduation is a collaborative effort between twelve higher education institutions and over forty local school systems serving Kentucky's Appalachian Region. These institutions select and train successful college students to function as tutor/mentors and offer meaningful enrichment activities to disadvantaged and educationally at-risk students during the academic and summer portions of the year.

Morehead State University's program is unique in that it offers a summer residence program for successful academic period participants from Destination Graduation's entire service area. We too are impressed with Morehead's ambitious program to provide meaningful and enriching activities which will make a lasting positive difference in the experiences of the disadvantaged youth served by Destination Graduation.

The Gamma Phi Beta Foundation has joined an ever-expanding list of public and private organizations which have recognized and supported Destination Graduation's effort to provide meaningful opportunities to those who, through no fault of their own, face a future diminished by their current circumstances.

Again, we are very pleased to learn of your support of this worthwhile and successful effort.

Sincerely,

Gary C. Cox

# KRIS

Because Kris Brandt Riske (Wyoming) has been Editor of THE CRESCENT for thirteen years, her many accomplishments during that time have gone unrecognized by Gamma Phi Betas. While other members have been featured in issues of THE CRESCENT, Kris's humility has prevented her from "tooting her own horn."

*This article was prepared without the knowledge of The Editor by Ann Mullen Bronsing (Indiana State) with the help of Marjory Mills Shupert (Colorado State), Executive Director, Deb Sovinski of Maury Boyd and Associates, Inc. and other friends of Kris Brandt Riske.*

*Kris giving one of her famous warm smiles.*

**Louis B. Quinto, President CFEA, Editorial Consultant, Pi Kappa Alpha**

I've known many individuals who, thru their work for their fraternity and other Greek-related organizations, exemplify true interfraternalism. Kris Riske's name heads the list of those people. She is an inspiration to all who believe in the Greek system.

**Lisa West, Zeta Tau Alpha, Director of Public Affairs, CFEA Treasurer**

In just the past year, I worked closely with Kris Riske on a Greek public relations manual and the College Fraternity Editors Association board. Her dedication and endless enthusiasm is unequalled. Because she is able to gain maximum input from everyone through motivation, support and hard work, she is an incredible leader that anyone would be happy to follow. Her wide-ranging interfraternal work is an example for us all.

**Fred Yoder, Director of Communications, Sigma Chi Past President CFEA**

"Fashioning these comments is a role I have coveted for some time . . . to be a part of something in interfraternal circles which deals with Kris Riske, but which she, at the moment does not know about. All of us fortunate to have worked with her have discovered that there are very few things in the Greek-letter world about which Ms. Riske is not well-informed. As a past president of CFEA, I have seen her in action often, and have been pleased to have had a small role in nominating her for several of the many offices she has held. At times I have been an object of her penetrating and skeptical stare as she worked hard to keep all of us, young and older, from climbing onto a pedestal, content to merely gaze upon the passing parade."

**Tony Palmieri, CFEA 1991 Program Chair, Kappa Psi Fraternity**

"Kris is a consummate volunteer. For the past ten years she has given of her time and energy. Kris is good because she loves what she does."

"Her term as CFEA President was most productive because of her dogged determination to produce the Public Relations Manual for the benefit of the interfraternity world."

*Marilyn Ford, Pi Beta Phi and Kris Riske.*

# GAMMA PHI PRIDE IN KRIS BRANDT RISKE

Having just returned from the national conference of the College Fraternity Editors Association (CFEA) filled with pride in Kris and her reputation among that group of her peers, I felt it was past time to share that pride with other Gamma Phis.

The 1991 CFEA conference, held in West Palm Beach, Florida, July 6 to 10 was the culmination of thirteen years of service to that organization for Kris. As President of the organization for the 1990-91 term, Kris has lead CFEA with the skills and enthusiasm that Gamma Phi Beta has depended on for years. CFEA is the oldest Greek interfraternal organization. Established officially in 1923, it began in 1883 with a meeting of 13 fraternity editors and today is open to editors of the National Panhellenic Conference, National Interfraternity Conference, Professional Fraternity Association and National College Honor Society. At its annual conference, CFEA provides workshops, an exchange of ideas and an extensive seminar for new editors. Other CFEA services include an article and publication exchange, publication critiques and a networking/talent bank. The Association's awards program recognizes excellence in fraternity journalism. Special projects as a service to the Greek world have become a tradition of the Association. Under Kris's leadership, a Greek public relations booklet was produced and is being distributed to Greek leaders and college campuses.

At this year's CFEA conference, Kris and THE CRESCENT received three awards, including the prestigious Best Color Cover (summer, 1990 issue).

Besides her leadership in

CFEA, Kris is a past chairman of the National Panhellenic Editors Conference and member of NPC's publications committee. Beth Saul, NPC Chairman 1987-89 says of Kris, "She is a Panhellenic soul mate with a fine awareness of the big issues and how the interfraternal groups can work together to address them."

With all this interfraternal service, Kris has given generously to Gamma Phi Beta, as well. She has edited THE CRESCENT since 1978 and most of the current publications and manuals of the Sorority have benefitted from Kris's talents with the printed word and journalistic layouts. She has served as International Rush Consultant to various chapters, Chapter Advisor and House Corporation Board President for Beta Kappa (Arizona State), a member of the Sorority's and Foundation's public relations committees and currently is serving as Member-at-Large on International Council. Much of what Kris does for Gamma Phi Beta goes without titles or recognition of any kind. She is one of those people who simply sees what needs to be done and does it.

Volunteerism is a way of life for Kris as her local community (Chandler, a suburb of Phoenix, AZ) can testify. She has been chairman of the library board and of a hospital auxiliary. She has served as chairman of a grand jury and as a political campaign regional director.

The rest of the world has been depending on and honoring our Kris Riske for years. It's a pleasure to have this opportunity to bring her accomplishments to the notice of her sisters.

*The CFEA Board of Directors: 1992 from left, top row: Ernie Vargo, Secretary; Lisa West, Treasurer; Scott Strahle, Director; Liz Bell, Director; Luke Probst, Director; Kris Riske, Immediate Past President; Louis Quinto, President; Nancy Reese, President-Elect.*

## **Ernie Vargo, Director of Communications/Conferences, Lambda Chi Alpha Fraternity Secretary, CFEA**

"Through my involvement with CFEA I have made some of my best friends, which I consider Kris to be. Her leadership as president of CFEA this past year was outstanding. Through her leadership, CFEA became a visible and viable organization for 12 months, not just during the annual conference. She also was able to gain the respect of the Fraternity Executives Association and enabled both CFEA and FEA to work together for the betterment of the fraternity movement in North America. I look forward to working with Kris in the future through CFEA."

## **Mike Moxley, TKE past editor, Past President CFEA**

"Gamma Phi Beta should be very proud of such a distinguished and accomplished volunteer. Her interfraternity involvement has brought great respect to Gamma Phi Beta Sorority."

## **Marilyn Ford, Pi Beta Phi**

"Kris is a very special friend—talented, smart, creative with a sense of humor and a sparkle that makes her presence a delight. We roomed together for many years at CFEA and enjoyed a close working relationship in NPEC. I value her friendship and admire her ability and her leadership."

SIGNATURE OF APPLICANT DATE

Take a few minutes to make a difference in the future of Gamma Phi Beta. The International Nominating Committee needs your recommendations to ensure that a qualified and capable slate of officers is presented to the 1992 Convention delegates.

Because a strong team of elective officers is vital to the Sorority's growth and success, the Nominating Committee requests recommendations for all International Council, Endowment-Loan Board and 1992-94 Nominating Committee positions. Nominations may be submitted by individual members or by collegiate or alumnae chapters at any time prior to February 1, 1992.

The Nominating Committee will meet in Denver in early

March, 1992. Members of the committee elected at the 1990 Convention are Area I, Sally Dickinson Andrews (Bowling Green); Area II, Alana Markley Bott (W. Virginia); Area III, Phyllis Donaldson Choat (Nebraska); Area IV, Gloria Swanson Nelson (Oklahoma); Area V, Betty Ragenovich Kurkjian (San Diego St.); and Linda Brooks Drevno (Calif.-Berkeley). Chairman is Judith Nesbitt McMahon (Calif. St.-Long Beach).

The future of Gamma Phi Beta is in your hands. Take a few minutes—make a difference.

### International President

Presides at all meetings of International Council and the Sorority; coordinates activities of

International Council members and approves all departmental policies; supervises the work of all officers and chairmen not supervised by other members of International Council; serves as a director of the Endowment-Loan Board.

### Alumnae Vice President

Aids in the establishment and maintenance of alumnae chapters and crescent circles and stimulates interest in the Sorority among all alumnae; supervises work of her assistants and the province alumnae directors; acts as International President only in the case of the temporary absence or disability of the International President; is involved in planning for Leadership Conferences, Leadership Training School and International Convention.

### Collegiate Vice President

General director of the Greek-letter chapters; supervises work of her assistants, the province collegiate directors and the collegiate leadership consultant program; is involved in planning for Leadership Conferences, Leadership Training School and International Convention.

### Financial Vice President

Informs International Council as to its ability to undertake any proposed project; serves as chairman of the budget committee; supervises the financial operations of chapters and their affiliated house corporations; serves as a director of the Endowment-Loan Board; supervises her assistants and the province financial directors.

### Member-at-Large

Represents the general membership and has no specific departmental duties; handles special projects as determined by International Council. During the biennium the special projects of

the Member-at-Large have focused on programming.

The 1990 Convention body directed that changes made in the organizational structure of the Sorority at the 1990 Convention be studied to evaluate their effectiveness. The addition of a middle management structure to the Alumnae Department has resulted in increased attention to Sorority services. The same body directed that a bylaw amendment be proposed to the 1992 Convention to establish the position of Program Vice President.

With consideration to these two resolutions of the 1990 Convention body, International Council has proposed a bylaw amendment for consideration of the 1992 Convention body that would change the title of Member-at-Large to Program Vice President. This officer would develop chapter programming in the areas of rush, pledge, scholarship, PACE, leadership training and public relations, and supervise the work of her assistants.

### Endowment-Loan Board

Manages and administers the Endowment Fund and the Loan Fund; qualifications for the four members include education and/or experience in business or finance.

### Nominating Committee

Meets early in the spring before International Convention to consider recommendations for elective international office and prepare a slate of officers; qualifications for the six delegates and six alternates include previous service at local, province or international level, and attendance at Convention in the past 10 years.

\*Merit Roll

Proof of death must be submitted to International Headquarters before a member's name will be listed in the In Memoriam column. A newspaper obituary is preferred, but consideration will be given to a letter from a family member or executor of estate.

The Sorority appreciates the return of a deceased member's badge, when possible, so that it might be preserved and bring joy to others as a special chapter badge.

Our apologies to Adeline McBurney Lodge (Missouri), whose name was incorrectly listed on the In Memoriam page in the spring 1991 issue. Mrs. Lodge is a resident of St. Louis, Mo.
