Even more bulbs As well as those listed in the main catalogue, we also offer a huge range of bulbs in this supplementary list, available only on our web site, www.kevockgarden.co.uk. You can include these extra bulbs in the same order as those in the main catalogue, and they will be delivered together in late September or early October.

How to place an order

- Order as soon as possible, but at the latest by July 31st.
- Prices are given for a pack of bulbs (1, 3, 5, 10, 25, 50 or 100 bulbs per pack).
- Simply list the number of PACKS of each item (NOT the total number of bulbs) that you require on the order forms, using the codes and names given in the catalogue. Then provide information about delivery and payment, and let us have the order form.
- For mainland UK postage and packing is £5, but FREE if you order 10 packs or more.

For EU and offshore UK postage and packing charges are:

	up to 9 packs	10 or more packs
Offshore UK	£10	£5
Germany, France, Luxembourg, Belgium, Holland, Republic of Ireland	£15	£10
Austria, Denmark, Switzerland Liechtenstein	£20	£15
Czech Republic, Italy, Spain, Slovenia	£25	£20
Greece, Finland, Hungary, Sweden, Latvia, Estonia, Lithuania, Portugal, Poland, Slovenia, Bulgaria	£27	£22

- There is a minimum of £30 for bulbs for each order. We expect to send the bulbs out in October. Please be aware that some Autumn-flowering bulbs can flower before they are sent out. This doesn't affect their viability. Just plant them as usual and enjoy them in future years!

Send your orders to **Kevock Garden, 16 Kevock Road, Lasswade, Midlothian, EH18 1HT, UK**

OR order by email to bulbs@kevockgarden.co.uk – see our web site www.kevockgarden.co.uk

Payment

Either Enclose a cheque made out to Kevock Garden. Date it (them) September 1st, as we will not cash them until the bulbs are ready to send. Do not fill in the exact sum, in case some items are not available. Instead write 'Not to exceed £xxx' (where £xxx is the maximum value of your order) at the top of the cheque.

Or Provide credit card (Visa or MasterCard) or Switch details (but please check that the card remains valid to the end of October). We will make the charge to your card just before sending the bulbs out.

Terms and conditions

- All sales are subject to availability.
- Please examine bulbs when you receive them and let us know of any problems in writing within 7 days. We will try to ensure that you are satisfied, but we are not responsible for any lack of success of bulbs that are received in good condition.
