

## **JBM 01, S5**

### **Documentation d'Henry Teuscher sur les orchidées. - 1955-1976. -**

1 360 fiches avec photographies : n&b.

#### **Portée et contenu :**

Série portant sur les travaux d'observations taxonomiques qu'a compilés Henry Teuscher sur les orchidées alors qu'il travaillait au Jardin botanique.

Série contenant des photographies et des fiches descriptives.

#### **Notes :**

**Source du titre composé propre :** Titre basé sur le contenu de la série.

**État de conservation :** Les photographies et les fiches dactylographiées sont gardées dans des enveloppes plastiques regroupées en albums.

**Classement :** Il ne semble pas y avoir d'ordre particulier, les fiches étant regroupées dans 53 albums.

**Langue des documents :** Les documents sont en anglais.

**Autres formats :** Certains négatifs des photographies subsistent.

**Instrument de recherche :** Les fiches sont répertoriées dans une base de données de l'application logicielle de la bibliothèque.  
Version PDF en ligne - Les genres et espèces sont listés par ordre alphabétique.

**Localisation :** Média A, CL6, T1; Média A, CL6, T2; Média A, CL6, T3; Média A, CL6, T4; Ssol M (négatifs).

**Compilé par Céline Arseneault, juin 2011.**
