

*"Where Great Females*

*Make a Difference"*

12:30 p.m. EST | Saturday  
**OCTOBER 7** 2017  
at the farm Waynesville, Ohio

We welcome you back for our 12th Annual Production Sale. We hope to see old friends and make new ones on the weekend of October 7th as we present our best. We would like to Thank all of our past customers for their belief in our program as well as our guest consignors for their strong consignments.

Each year we strive to assemble an offering that appeal to many buyers on different levels. Our goal has been to breed functional cattle combining the greatest cow families with maternal integrity. We hope that you will agree that progress towards that goal has been made.

We hope you can join us Friday, October 6th for the pre-sale viewing and social with some good food and fellowship and then the sale on Saturday,

Best regards  
Dave & Josh Greenhorn

### Sale Day Phones:

"Where Great Females Make A Difference" has always been our philosophy since the start of our program focusing on the breeds greatest cow families. This cow family traces back to Elbee Bessie F120 who was one of the breeds greatest cows producing many top bulls and females for the K-Kim herd in Nebraska. This daughter of the highly regarded SULL Red Knight 2030 has already caught the attention of many breeders being named Division I Champion and Fourth Overall Bred & Owned at this years Junior Nationals and Calf Champion, 2017 Ohio State Fair Regional Show, The basis of our females is emphasis on maternal traits. Along with her great maternal look she is super balanced, sound from the ground up with a nice shape. Look for her to continue her winning ways this coming year. One of the really good ones.

- *Consignor: Greenhorn Cattle Company, Turner Family Shorthorns & Wilson Farms*

The Margie's Beauty 610S cow family is one of the premier families that we are using to build our program around. This female's mother was a winner in the ring and is now proving that she is a winner in the pasture. This mating to our Low Rider son produced an extra attractive, very correct built female, which is already proving to be extremely competitive. She will be entered in the NAILE and we would like to work with the new owners in showing her. Look her up sale day and you will not be disappointed!

Bred in March to our son of Hot Commodity, Double C Red Hot Son 184, that is a proven safe bull to use on heifers & his calves will grow. There are more Belinda daughters in our herd than any other cow families & they are great producers. Belinda 265 has the style & fleshing ability to produce some great calves. This is a great brood cow prospect. TH/PHA/DS Free by pedigree. CHV.

## General Sale Information –

**Terms And Conditions:** Terms of the sale are cash or your good check, with settlement to be made with the clerk immediately following the sale and before cattle are removed from the sale site. Billed accounts are due within 10 days of the sale.

**Phone Bids:** If you are unable to attend the sale personally, simply contact one of the sale personnel whose phone numbers are listed prior to the sale. They will accept your bid in confidence and act as your agent at ringside.

**Health:** Each animal sells with a state approved health certificate for interstate shipment. It is the buyer's responsibility to make themselves aware of their state's health requirements.

**Breeding Guarantee:** The Standard Guarantee as endorsed by the American Shorthorn Association will be followed.

**ASA Genetic Defect Disclaimer:** Unless an animal is listed on the American Shorthorn Association "genetic defect status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic defect.

**Liability:** Each animal is at the buyer's risk when sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale managers, or other affiliated personnel can be held responsible for any accidents, but they will make every effort to provide for the comfort and safety of those attending.

**Shipping:** We will try to accommodate trucking loads the best we can.
