Legends tell of a time when fear ruled the land. A time when no man, woman nor child was safe from the spread of evil. A time when a fierce Demon sent his evil minions to roam through the land and make the kingdom his own. That time is upon us once again...

You have been summoned by the King to defend the realm, rescue the Princess and rid the kingdom of the evil Demon before all is lost. Your quest will lead you through caves, swamps, temples and castles before reaching your ultimate challenge... the Demon himself.

**Wrath of the Demon** combines spectacular graphics, animation, sound and playability for a realistic 3D effect.

*Ideal for all arcade game fans.*

# CDTV Accessories

## Available at Launch:

**CD1400 CD Caddies:** Set of 2 black caddies to hold and protect CDTV Multi-media, CD-ROM and audio CD titles.

## Planned Summer 1991 Availability:

**CD1200 Trackball Controller:** The Trackball controller increases the speed and control for fast interactive multimedia titles. With a trackball mounted in a weighted base and dual joystick connectors, the Trackball Controller is ideal for fast-moving programs that require instant decision-making. You can also plug in your favorite joystick and use it to operate your CDTV player. Commodore's Trackball Controller operates by either infrared remote control or by the plug-in cable provided.

**CD1252 Remote Control Mouse:** The Remote Control Mouse gives you real mouse control over your CDTV player without wires or cables. A two button mouse, it is excellent for fine, fast control of CDTV titles such as painting and drawing titles. Commodore's Remote Control Mouse has sleek styling in moulded black plastic and includes a battery-saver feature.

**CD1300 Video Genlock Cards:** The CDTV Genlock Cards let you combine  
**CD1301** CDTV visuals with video from a videocamera, videotape or live television, and record the combined signal to a VCR. The Genlock mode is switchable between Video-Only, Combined (CDTV + video) or CDTV-Only. It can be controlled by the standard CDTV remote controller. Commodore's Genlock gives you instant control for many home and industrial video uses. Available in NTSC (CD1300) and PAL (CD1301).

## Planned CDTV Accessories

**These accessories are planned for future availability:**

- CD1410 Bookshelf Speakers:** A matching set of high quality, sleek black stereo speakers with built-in audio amplifiers; connector cables included.
- CD1401, Personal Memory Cards:** The CDTV Personal Memory  
**CD1405** Cards are a convenient way to save information for later use. Selected CDTV titles make use of the Personal Memory Card for saving position, scores (e.g., adventure games), selected pictures (e.g., painting programs), text and other functions. Available in 64K (CD1401) and 256K (CD1405) capacities.
- CD1210 Game Controller:** This infrared transmitter "brick" has ports for wired joysticks; includes battery saver and optional wired connector.
