UNIVERSITY HISTORY

1918

The history of the university begins when Mount St. Clare College was founded in 1918 by the Sisters of St. Francis as a junior college for women in Clinton, Iowa. The college was founded in response to a need for teachers in Clinton County and the surrounding area.

1950

The College was first accredited by the North Central Association of Colleges and Schools (now the Higher Learning Commission) and has maintained its institutional accreditation since that time.

1962

The university's interest in adult learners began in 1962 when an evening program was introduced to serve the needs of students with career and family responsibilities.

1967

In 1967, 37 years after it awarded its first associate degree, Mt. St. Clare College opened its doors to men.

1979

The college received approval for its first four-year degree, a Bachelor of Arts in Business Administration beginning its transformation from a junior college to a baccalaureate institution.

2002-2004

In December 2002, Mt. St. Clare College became The Franciscan University and the following year began to offer its first master's

degree online. In 2004, the university added to its name the qualifier, "of the Prairies" to minimize confusion with other Franciscan institutions.

2005

The Sisters of St. Francis ended their long history of sponsorship of the university. Bridgepoint Education, Inc. (now Zovio, Inc.) purchased The Franciscan University of the Prairies on March 9, 2005, and it was renamed Ashford University.

2007

While the residential campus continued to serve on ground students, the Ashford Online Center in Clinton, Iowa opened, making Ashford's academic programs available to anyone with an internet connection.

2011

Due to the growth of the online student population, the University's leadership decided to move Ashford's headquarters from Clinton, Iowa, to San Diego, California, and Ashford applied for eligibility for accreditation with the WASC Senior College and University Commission (WSCUC).

2013

In July, Ashford University became accredited by the WASC Senior College and University Commission (WSCUC).

In November, with the alliance formed between Ashford University and Forbes Media, the College of Business and Professional Studies became the Forbes School of Business®.

2016

The Forbes School of Business announced their new name, the Forbes School of Business and Technology®, reflecting the University's commitment to and incorporation of technology into its academic programs.

2018

In October, Ashford University and its sister institution, University of the Rockies, successfully merged to become one university and Ashford was approved to offer doctoral programs.

2019

In June, the WASC Senior College and University Commission (WSCUC) reaffirmed Ashford University's accreditation for six years with the next evaluation scheduled for spring 2025.

2020

On July 1, 2020, Ashford submitted a proposal for a Change of Control and Legal Status to WSCUC. On August 3, 2020, the University of Arizona announced its intent to create a new nonprofit entity, The University of Arizona Global Campus, that would acquire Ashford University from Zovio Inc. WSCUC approved the Change of Control in November.

On December 1, the transaction was complete, and the university entered an exciting new era as it became the University of Arizona Global Campus, an independent, accredited, online institution affiliated with The University of Arizona.

COMMENCEMENT **SPEAKER**

Daniel “Doc” Jacobs

HM2 (FMF) Daniel “Doc” Jacobs is a 35-year-old medically retired Navy Corpsman. He served eight years and two months in the United States Navy. He has served six- years and six months of this service as a combat wounded Corpsman. Doc was sent to 3rd Battalion 7th Marine Regiment just weeks prior to their deployment to Ramadi, Iraq in September of 2005. Doc was in combat for six and a half months on a seven-month deployment when his “gun truck” was struck by an I.E.D (improvised explosive device) that consisted of three 155mm artillery rounds. Up until that point, Doc had over 225 Combat Patrols.

After two full years of full physical, mental, and spiritual recovery which included losing his left leg (below the knee), three toes from his right foot, and three partial fingers from his left hand, Doc returned to the Fleet Marine Force and became one of the few in the Navy to do so. Not only was Doc one of the few amputees to return to the Fleet Marine Force for the Navy, but he also made US Naval and Marine Corps history by being the first amputee Corpsman and of all Naval Personnel to EVER be assigned to an infantry unit.

Doc did more than just his job as a Corpsman: he has done 21 world marathons, most recent being the San Diego Rock and Roll Half Marathon on June 2, 2019 with a modest time of 2 hours and 50 minutes and Detroit’s International Half Marathon on October 20, 2019 in 3 hours and 2 minutes. All marathons were completed as an amputee. Doc is planning to be one of the few amputees to ever run a half marathon on all seven continents.

Doc has not only had a passion for helping those in uniform but has a passion helping all that need any assistance. He founded the Doc Jacobs Foundation (an official 501(c)3). The Doc Jacobs Foundation (www.docjacobsfoundation.org) funds sports scholarships for kids of military and veteran families. To date, the Doc Jacobs Foundation has funded 39 sports scholarships totaling \$24,160 (an average of \$619.49 per scholarship) in sports scholarships and has embarked on a partnership with the San Diego Gulls (AHL Team for the Anaheim Ducks). He played on the US Paralympic Sitting Volleyball team while trying out for Major League Baseball (2013-2015 with the Dodgers, White Sox, Tigers and Brewers) and running half marathons. During Doc’s various tryouts and training he played in the San Diego Adult Baseball League, was a Team Captain for Purple Heart Baseball and played in College Wood Bat Summer Leagues while working on his degree.

Doc is also featured in a documentary, produced by Anthony Edwards, called: “Searching for Home: Coming Back from War”. Doc has also recently co-starred in a Sharp Healthcare Commercial that has aired on Hulu and throughout the San Diego County. Doc has been featured on ABC Nightly News, NBC World News Tonight, ESPN on the 4th of July, FOX5 San Diego and various other news outlets. He volunteers as a keynote speaker, leader, an athlete and an inspiration for the Gary Sinise Foundation, Achilles Freedom Team, Semper Fi Fund, Challenged Athletes Foundation, Waterboys, Chris Long Foundation, UCSD, Operation Gratitude, California Disabled Veterans Business Alliance, Air Compassion for Veterans, as well as various military commands throughout the world.

He frequents his fellow wounded warriors in Walter Reed National Military Medical Center, Naval Medical Center San Diego and a trip to/ from Landstuhl Germany.

In Doc’s personal time he is a recent college graduate with a Bachelor’s of Science in Criminal Justice Administration, a full time family man, a full time and dedicated athlete, marathoner, author of his memoir: *There and Back Again: Stories From a Combat Navy Corpsman* (copyrighted) (release date of September 22, 2020 via Koehler Books, Amazon, Barnes and Noble, and Indiebound), authoring his second book; *MaCoven* (copyrighted) (publication date TBD via Koehler Books), plays on San Diego Ducks’ Sled Hockey Team, recently Summited Mt. Kilimanjaro (February 29, 2020) as the Team Captain for Waterboys’ 2020 Mt. Kilimanjaro Climb, Lead Fly Dad for his daughter’s MET Theatrical Performances and being actively recruited for Paralympic Bobsledding. Doc is currently applying for a Master’s Degree Program at Ohio State University’s John Glenn College for Public Administration and Management, for the fall of 2021. Doc is busy but holds a very dear position close to his heart: a peer mentor for his fellow veterans and persons with disabilities alike.

Throughout the 2016 year, and on into 2020, Doc has been working for an organization as their Team Medic, Team Leader and Assistant Researcher while doing MIA Recovery Operations in all corners of the world.

A few personal awards, both military and civilian, that Doc holds dear to his heart are: Bronze Star with Valor, Purple Heart, Navy/Marine Corps Achievement Medal (for saving 59 US Coalition Forces lives), Combat Action Ribbon, 2 Navy Good Conduct Medals, a personal letter from and meeting former 43rd US President George W. Bush, being invited to the White House by the 44th US President Barrack Obama, a personal Upper Deck Baseball Card and the 2015 Tommy Lasorda Veteran of the Year Award.

In recognition for his outstanding service to both the Nation and the community the city of San Diego has recognized him by making November 17th, Doc Jacobs Day.
