4-H Member/4-H Parent Code of Conduct

Character Development is the cornerstone of the 4-H program, therefore we expect all people involved with the 4-H program to exemplify the six pillars of character, which are Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

Please make yourself aware of these expectations.

- Treat members, parents, Extension staff, judges and others with respect, courtesy and consideration. Avoid and prevent put-downs, insults, name-calling, yelling and other verbal and non-verbal conduct likely to offend, hurt or set a bad example.
- Model kindness and compassion for others and be a team member, discouraging selfishness.
- Practice fair-mindedness by being open to ideas, suggestions, and opinions of others.
- Obey laws and rules as an obligation of being a good citizen, and promote the responsible treatment of animals and stewardship of the environment.
- Provide and maintain a safe environment, not carelessly or intentionally harming youth or adults in any way: verbally, mentally, or physically.
