

ARECACEAE of Marojejy

Wolf L. Eiserhardt, Mijoro Rakotoarinivo & William J. Baker  
Royal Botanic Gardens, Kew, UK

© Board of Trustees, Royal Botanic Gardens, Kew. Thanks to Gerlain Laurent Raheison and Jean-Louis Imbe (Madagascar National Parks, Manantenina), Rokiman Letsara (Parc Botanique et Zoologique de Tsimbazaza, Antananarivo) and Romer Rabarijaona (Kew Madagascar Conservation Centre, Antananarivo) for assistance in the field, and to the National Geographic Society (grant # GEFNE125-14) and the European Union FP7-PEOPLE programme (grant # 327259) for financial support. Guide available online at: [fieldguides@fieldmuseum.org](mailto:fieldguides@fieldmuseum.org)  
For more information on Madagascan palms see [www.palmweb.org](http://www.palmweb.org) and Dransfield et al. (2006) *Field guide to the palms of Madagascar*. Kew Publishing, Richmond, Surrey, UK. version 1 12/2015

1 *Cocos nucifera* (coconut)  
cultivated outside park

2 *Raphia farinifera* (raffia)  
cultivated outside park

3a *Dypsis forcifolia*  
entrance – camp II

3b *Dypsis forcifolia*

4a *Dypsis lokohoensis*  
entrance – camp III

4b *Dypsis lokohoensis*

5a *Dypsis perrieri*  
entrance – camp III

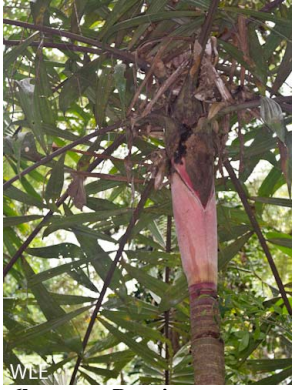

5b *Dypsis perrieri*

5c *Dypsis perrieri*

6a *Dypsis rosea*  
entrance – camp II

6b *Dypsis rosea*

7a *Dypsis baronii*  
around camp II

7b *Dypsis baronii*

8a *Dypsis andrianatonga*  
camp II – treeline

8b *Dypsis andrianatonga*

9 *Dypsis cookei*  
camp II – III

10a *Dypsis marojejyi*  
camp II – treeline

10b *Dypsis marojejyi*

11a *Dypsis oreophila*  
camp II – III

11b *Dypsis oreophila*

# Palms of the summit trail of Marojejy National Park, Sava, MADAGASCAR

## ARECACEAE of Marojejy

12a *Dypsis spicata*  
camp II – III

12b *Dypsis spicata*

12c *Dypsis spicata*

13a *Dypsis thiryana*  
camp II – III

13b *Dypsis thiryana*

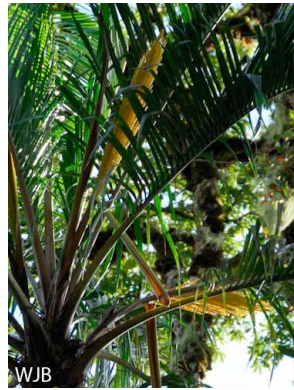

14a *Marojejya insignis*  
camp II – III

14b *Marojejya insignis*

15a *Ravenea sambiranensis*  
camp II – treeline

15b *Ravenea sambiranensis*

16a *Ravenea robustior*  
camp II – III

16b *Ravenea robustior*

17a *Dypsis* unknown species  
around camp III

17b *Dypsis* unknown species

18 *Dypsis acuminum*  
camp II – treeline

19a *Dypsis coursii*  
above camp III

19b *Dypsis coursii*

20a *Dypsis pumila*  
above treeline

20b *Dypsis pumila*

20c *Dypsis pumila*

20d *Dypsis pumila*
