

**FOOTHILL COLLEGE**  
**College Curriculum Committee**

**Division Curriculum Committee Meeting Report**

**Division: PSME**

**Date of Meeting: 9/12/2017**

**Attendees: Marnie Francisco, Zach Cembellin, Anand Venkataraman**

**Course Updates & Actions:**

| <b>Course #</b> | <b>Course Title</b>     | <b>Action(s)</b>                                                                                                                                                                |
|-----------------|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PHYS 12         | Intro. Modern Physics   | Meet with Jeff Matthews (new astronomy faculty) to introduce the PSME CC team and get his take on where PHYS 12 stands (should it be part of the CS/Eng group or Physics group) |
| CS 19           | Intro Quantum Computing | Check with Michael Loceff by email regarding whether the 5 unit allotment for this course is still current or is a historical leftover.                                         |

**Other Topics Discussed:**

- Met with Ram to discuss dean vs PSME CC responsibilities
- Request CS Department to discuss APCS policy at its next dept meeting.
- Resolved to meet next on Tue Sep 26 at 1:30pm at KJs in the PSEC

***Actions*** may include but are not limited to: general updates, substantial changes, changes for C-ID, updates to meet GE areas, number change, add distance learning addendum, etc.
