

**HOSPICE  
PROMISE**  
FOUNDATION

2019  
*Annual  
Report*

# A MESSAGE FROM THE PRESIDENT

Dear donors and supporters,

Once again, it is my distinct honor to present this report and offer my personal thanks to each and every one of you for your ongoing support of The Hospice Promise Foundation. By caring enough to make a difference, you have helped patients and families across the nation find hope and comfort in the midst of life's most difficult circumstances.

This report outlines our performance over the past year, as well as a few inspiring stories that clearly demonstrate the positive effect we are having on so many of the precious lives in our care. Thanks to your kindness, compassion, and commitment to our cultural foundation of empathy, 2019 was a great year for The Hospice Promise Foundation.

In 2019, we provided 365 grants totaling \$209,861 for hospice patients and families in need in cities, towns, and communities around the nation. Because of your donations and fundraising ideas, we were able to go even further in helping those who are most in need – during particularly traumatic times in their lives.

I want to thank the LHC Group employees for their continued generous donations through payroll deductions, and LHC Group for funding all of our administrative expenses so that 100 percent of our donations go directly to the patients and families we serve.

And, as always, I want to recognize our board members for donating their time and effort. Without them, the mission of The Hospice Promise Foundation would not be possible:

- Lori Stagg – Vice President
- JoAnne Little – Secretary
- Jody Soileau – Treasurer
- Ginger Myers – Board Member
- Paula Mills – Board Member
- Dr. Ben Doga – Board Member

Our future is bright, and I look forward to what we will accomplish together in 2020. It is a genuine honor to play a role in this outstanding program.

Thank you.

A handwritten signature in black ink that reads "Carlene MacMillan".

## Labor of Love

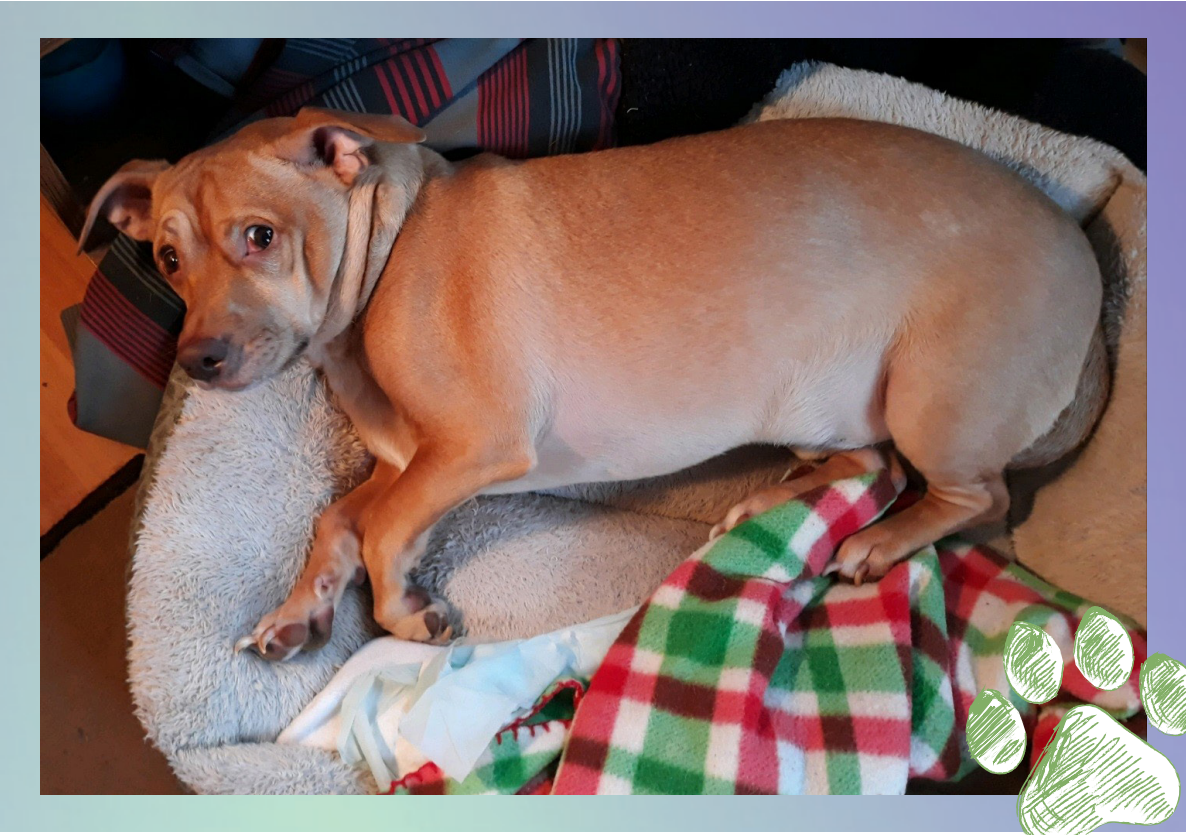

### Sharon Regional Health System Hospice and Palliative Care

HERMITAGE, PA

In the rolling hills of Southern Pennsylvania, a special group of women is committed to easing the trials and challenges faced by others – especially those facing their end-of life-journey. The group is led by a 90-year-young leader named Hazel. Hazel and her team meet weekly to cut patterns for patient gowns made of non-hospital material. Hazel and her team are thrifty shoppers. They look for material in a variety of patterns that can be matched to a patient's interests, whether it is a flannel hunting pattern or a light floral cotton with flowers.

“Burden Bears” are another unique gift these talented seamstresses provide for the patients of Sharon Regional Health System Hospice and Palliative Care. These are stuffed animals in the image of a bear, also made with materials that can be matched with a patient's interests. The bears come with a note stating that these items come from someone who cares and is praying for the very special recipient. With assistance from The Hospice Promise Foundation for the purchase of supplies, this group of amazing ladies has been brightening our patients' lives one bear and gown at a time.

# One Last Wish

## Housecalls Hospice

### PARKERSBURG, WV

The Hospice Promise Foundation received a special request this year from Housecalls Hospice in Parkersburg, WV. One of their patients had a puppy named Chunk that severely injured his leg. The dog was unable to walk after the injury and was in severe pain. Neither the patient nor his family had the resources to provide treatment for the injured dog. They lived in a 40-year-old mobile home with no reserves or savings. The patient was extremely upset that his beloved pet was hurting and his one last wish was to ease Chunk's pain.

Diana Jones, social worker, applied for assistance from The Hospice Promise Foundation, which was granted. When Diana let the family know, she said they cheered in joy. Chunk received immediate veterinarian care. The patient passed away the very next day.

# Easing the Burden

## Hospice of North Arkansas

MOUNTAIN HOME, AR

The wife of a patient served by Hospice of North Arkansas was struggling with the loss of her husband and with finding a way to pay for his burial expenses. As the full-time caregiver during her husband's illness, she was unable to work and had very limited income. What little life insurance he had was used in its entirety to pay off the family car in anticipation of her spouse's death. The agency team reached out to The Hospice Promise Foundation for assistance and was able to provide the grieving wife with the funds they needed.

“*To ease another's burden,  
help to carry it.*”

*Henri Bergson*

# A Good Egg

## Wuesthoff Hospice

VIERA, FL

Vicky Guggeri, social worker at Wuesthoff Hospice, is a true champion when it comes to advocating for her patients. When talking to her, it is evident that many of them hold a special place in her heart. Such is the case with a patient for whom she has had the privilege of providing care for several months. She will tell you that this particular patient is the kind of person who would give everything he has to make you feel comfortable – from offering the hospice team a bottled water when they come to visit, to giving them the shirt off his back if they needed it. This patient is what folks in the South would call “a good egg.”

Upon visiting one day, Vicky noticed the patient's refrigerator was so small that the family was not able to store all of their groceries inside. She reached out to The Hospice Promise Foundation for a \$250 grant to purchase a new full-sized refrigerator for the patient and family. They were overcome with joy by this generous gift, and excited to be able to offer the hospice team cold water when they came to visit.

# Pet Peace of Mind

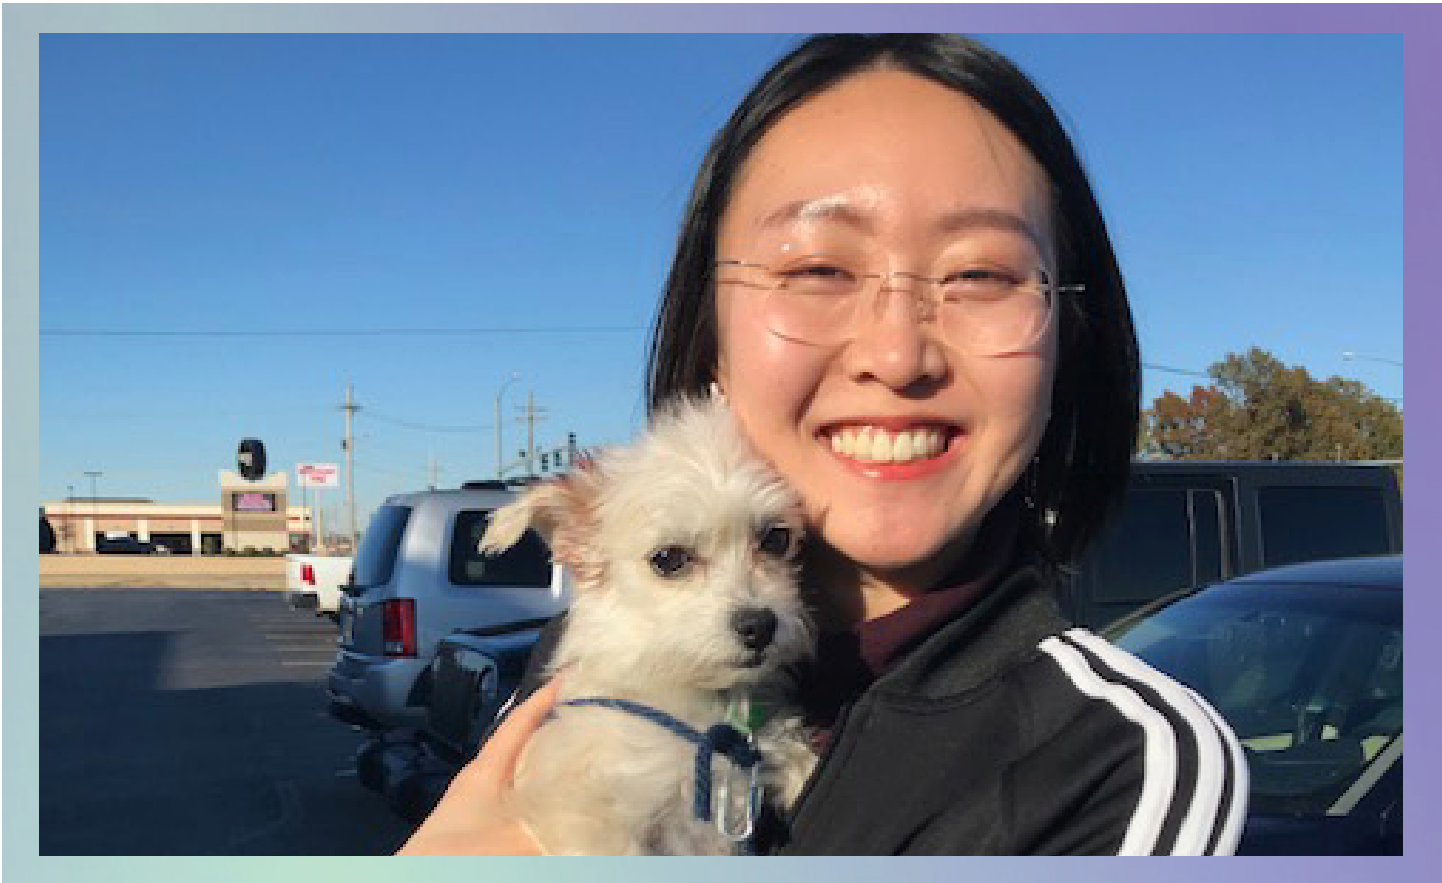

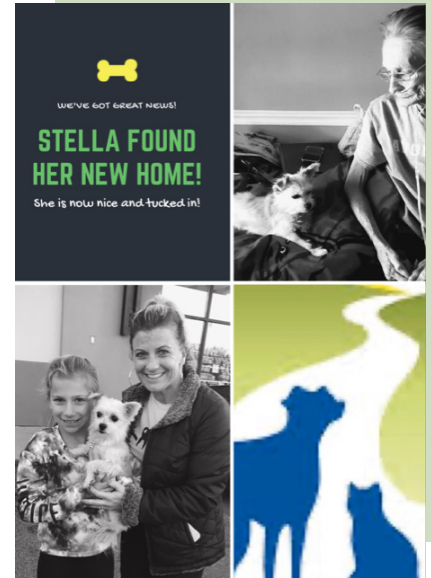

## Arkansas Home Hospice Providers

JONESBORO, AR

With the help of a financial grant from The Hospice Promise Foundation, Arkansas Home Hospice Providers joined efforts with Pet Peace of Mind this year to place a hospice patient's pet in her new home. The program works with local hospice partners to enable hospice patients to keep their pets at home throughout their end-of-life journey by providing pet food, veterinary care, and other pet care needs at no cost to the patients. They also have Pet Peace of Mind hospice volunteers who are specially trained to provide in-home pet care assistance when the patient needs help caring for their pet.

Stella was Arkansas Home Hospice Providers' first sweet pup who needed a home. One of their home health aides identified the need during a visit, when the patient said she wanted to find her dog a home because she was no longer able to care for it. Jennifer Morgan, volunteer coordinator, was able to find two families interested in giving Stella a home. She met with the patient and let her choose which family she thought would be the best fit. The patient expressed her appreciation and said getting to choose her dog's new home gave her peace of mind. Their Pet Peace of Mind volunteer, Maggie, spent a few hours giving Stella a nice bath and getting her ready for delivery and transportation to her new home. Stella loved her new home and all are doing great!

With this kind and compassionate support, the hospice patient was able to complete her end-of-life journey without worrying about her pet's current or future needs.

# Fundraising Highlights

## Love Lights

### Housecalls Hospice

PARKERSBURG, WV

Every year, Housecalls Hospice has a Love Lights Celebration Fundraiser. Gifts to Love Lights during the holiday season provide families with a way to remember a loved one who has passed away, or to honor a living loved one. Contributions also help Housecalls Hospice raise funds for The Hospice Promise Foundation and make a difference in the lives of those we serve. This year, Housecalls Hospice had four Love Lights celebrations in many different counties where they serve patients and families.

Their many talented team members provided musical entertainment. Dr. Moses, medical director, and his band "Fluid Drive" performed. Missy Tuttle, RN, and Matt Harris sang and played guitar. Diana Jones, social worker, and Lora Sam, chaplain, spoke and offered prayers. And one of their Vietnam Veteran volunteers paid tribute to the military Veterans. They raised \$10,480 this year! Tonya Mercer, RN and executive director, said their goal next year is to have a Love Lights ceremony in EVERY county they serve.

# Rabbit Cook Off

## Louisiana Hospice and Palliative Care

OPELOUSAS, LA

2019 marked the 16th year of the St. Hubert Benevolent Society's Rabbit Cook Off, with this year's proceeds benefiting The Hospice Promise Foundation. The popular event hosted approximately 30 teams competing for the grand champion title. Dr. Kerry Thibodeaux, event founder, led festivities that included live music, an auction, and a BB gun shooting contest. Participants enjoyed homemade jambalaya, BBQ burgers, and sausage po'boys at Willie's Campground in Washington, LA, on the Courtableau Bayou banks – the event site.

This fun-filled event raised \$3,000 for The Hospice Promise Foundation to support hospice patients and families in need.

# Keeping the Promise

## Heartlite Hospice

ELLIJAY, GA

Keeping the Promise is an annual fundraiser held by Heartlite Hospice of Ellijay. The purpose is to raise money for The Hospice Promise Foundation while also raising awareness of their hospice services in the community. With the money raised, they have been able to assist families with bills, moving expenses, final arrangements, necessary home repairs, final wishes, and other non-hospice related items.

The most recent event was held at Ott Farms & Vineyards in Ellijay, GA on a Friday evening. The venue's breathtaking view of the mountains and vineyards for the attendees who gathered outdoors to listen to local musicians play while tasting various wines was nothing short of amazing. They had around 80 people in attendance and offered light fare and a food truck to go along with the delicious wine. Once again this year, the community outdid itself with donations for the silent auction. They had offerings of day trips, restaurant gift certificates, baskets full of local jams and jellies, movie passes, tickets to live theater, free oil changes, discount coupons to local stores, gym memberships, horseback riding passes, fly fishing trips, tubing passes, and golf rounds – just to name a few. The weather was perfect. The music was great. And, nobody was a stranger. Heartlite Hospice raised over \$7,000 for The Hospice Promise Foundation and secured a spot, at the owner's request, to host the next Keeping the Promise Fundraiser.

# South Louisiana Giving Day

In May, The Hospice Promise Foundation participated in South Louisiana (SOLA) Giving Day – a 24-hour online giving event organized by Community Foundation of Acadiana. The goal is to inspire communities to come together for 24 hours and contribute as many charitable dollars as possible to support the work of local nonprofit organizations, churches, and schools. The Hospice Promise Foundation encourages our agencies across the country to participate in the event.

All funds raised at the agencies go directly to support the patients and families in their local communities. This year, 103 non-profits participated in the SOLA Giving Day event. With the collective support of all our communities, The Hospice Promise Foundation ranked No. 15 in total donation dollars received (out of 103 non-profit organizations that participated) and we raised over \$15,000!

*All funds raised at the agencies go directly to support the patients and families in their local communities.*

## T-Shirt Fundraiser

This year, we asked LHC Group employees to join us in generosity of spirit and open-heartedness to help support The Hospice Promise Foundation 2019 T-shirt Fundraiser. Before kicking off the fundraiser, we held a t-shirt design contest. Linda Dill, occupational therapy assistant at Blackstone Home Care in Moraine, Ohio, was the artist chosen for her winning design – “Heart with Hands.” Linda’s design was inspired by her mother, a hospice patient for just over two years. “We always did a pinky promise because it is unbreakable,” Linda said.

In total, 803 t-shirts were sold resulting in a \$9,354 profit.

# Butterfly Release

## Geisinger Hospice

BLOOMSBURG, PA

For several years, Geisinger Hospice has held an annual butterfly release for families in their community to celebrate the lives of their loved ones who have passed. This year, the proceeds from purchasing the butterflies went to The Hospice Promise Foundation. As with past events, this year was a beautiful celebration of life that provided families an opportunity to remember and honor their loved ones and support each other in their healing process.

# About the Foundation

The Hospice Promise Foundation is a non-profit organization, and your donation is tax-deductible to the extent allowed by law. Donors can request that their gift be earmarked for hospice patients in specific cities, states, or regions. Donations that are not earmarked will go to the general fund to support all hospice patients. To make a donation or learn about benefits, visit us at [LHCgroup.com/foundation](http://LHCgroup.com/foundation).

## *Our purpose*

The Hospice Promise Foundation assists patients and families with essential, non-hospice related expenses they are unable to afford themselves – such as rent and utility bills, emergency repairs, personal care items, and food assistance. The foundation also provides funding for patients' last wishes, burial assistance, and community projects like bereavement camps for children and educational programs for end-of-life care.

## *Our promise*

In communities across the country, we're working every day to ensure hospice patients live comfortably, with dignity, when a cure is no longer possible. But to continue our vital work, we need your support. In return, we pledge to promote our mission to provide comfort and care to the hospice patients and families who have placed their trust in us – and who we are so blessed to serve.

## *Become a hospice promise hero*

When you make a donation to The Hospice Promise Foundation, 100 percent of your donation goes directly to patients and families in need. Your generosity will make a difference in the life of another, and help ensure his or her final days are spent worry-free, and surrounded by loved ones in the peace and comfort of home.

**Giving is caring. Become a hospice promise hero today.**

**To make a donation, please visit [LHCgroup.com/foundation](http://LHCgroup.com/foundation).**

**For questions, please email us at [Hospice.Foundation@LHCgroup.com](mailto:Hospice.Foundation@LHCgroup.com).**
