Bio

Lauren grew up on the sunshine coast and is a very sweet, sensitive person. She frequently travels on her time off to visit family. She loves fancy food and animals.

Why Lauren Was Nominated

Lauren is actually my hero. Before her apprenticeship began, she had yet to acquire her GED. Watching her do so well at work and in her technical training makes me so proud. She recently told me she doesn't feel like an imposter at work and it made me feel so happy. She has overcome so much.
