

# Wednesday Walk – Stony Creek Reserve – 18 October 2017

## Plant List

? indicates that those present were unsure of the plant name

|  |                                    |  |
|--|------------------------------------|--|
| Acacia dawsonii                            | Cullen microcephalum               | Leptorhynchos squamatus                |
| Acacia dealbata                            | Cymbonotus lawsonianus             | Leucopogon albicans var. albicans      |
| Acacia gunnii                              | Cynoglossum sp.                    | Leucopogon albicans var. tricolor      |
| Acacia mearnsii                            | Daviesia genistifolia              | Leucopogon fletcheri ssp. brevisepalus |
| Acacia rubida                              | Daviesia mimosoides                | Lissanthe strigosa                     |
| Acacia ulicifolia                          | Desmodium gunnii                   | Lomandra filiformis ssp. filiformis    |
| Acaena ovina                               | Desmodium varians                  | Lomandra multiflora                    |
| Acrotriche serrulata                       | Dianella revoluta                  | Luzula densiflora                      |
| Ajuga australis                            | Dichondra repens                   | Melichrus urceolatus                   |
| Amyema miquelii                            | Dillwynia sieberi                  | Microseris lanceolata                  |
| Asperula ambleia                           | Dodonaea viscosa ssp. angustissima | Oreomyrrhis eriopoda                   |
| Asperula conferta                          | Einadia nutans                     | Oxalis perennans                       |
| Asperula scoparia?                         | Eryngium ovinum                    | Pimelea curviflora                     |
| Astroloma humifusum                        | Eucalyptus bridgesiana             | Plantago varia                         |
| Austrostipa scabra ssp. falcata            | Eucalyptus dives                   | Poa sieberiana                         |
| Bossiaea buxifolia                         | Eucalyptus macrorhyncha            | Pomaderris eriocephala                 |
| Bulbine bulbosa                            | Eucalyptus mannifera               | Pultenaea procumbens                   |
| Bursaria spinosa                           | Eucalyptus melliodora              | Ranunculus lappaceus                   |
| Carex appressa                             | Eucalyptus polyanthemos            | Rytidosperma pallidum                  |
| Cassinia aculeata                          | Eucalyptus rossii                  | Scleranthus fasciculatus               |
| Cassinia longifolia                        | Eucalyptus rubida                  | Sorghum leiocladum                     |
| Cassinia quinquefaria                      | Exocarpos cupressiformis           | Stackhousia monogyna                   |
| Cheilanthes austrotenuifolia               | Geranium solanderi                 | Themedia triandra                      |
| Chrysocephalum apiculatum (green & silver) | Glycine clandestina                | Veronica calycina                      |
| Chrysocephalum semipapposum                | Goodenia hederacea                 | Viola betonicifolia                    |
| Clematis leptophylla                       | Hardenbergia violacea              | Vittadinia muelleri                    |
| Convolvulus angustissimus                  | Hibbertia obtusifolia              | Wahlenbergia communis                  |
| Coronidium scorpioides                     | Hovea heterophylla                 | Wahlenbergia stricta                   |
| Craspedia variabilis                       | Hydrocotyle laxiflora              | Wurmbea dioica                         |
| Cryptandra amara sp. Floriferus            | Hypericum gramineum                | Xerochrysum viscosum                   |
|  | Indigofera australis               |  |
