

Plant List for Private Property near Googong – 17 December 2014

The property is south of Queanbeyan on the Old Cooma Road, near the new suburb of Googong. It is a mixture of grassland and open woodland and has several dams. There were some magnificent old trees - *Eucalyptus blakelyi*, *E. bridgesiana*, *E. nortonii*, *E. melliodora*, *E. polyanthemos* and one *E. rossii*. Lots of grasses were in full flower - *Rytidosperma pallidum* (formerly *Joycea pallida*), several other *Rytidosperma* including *R. laeve*, *Anthosachne scabra* (formerly *Elymus scaber*), *Themeda triandra*, *Cymbopogon refractus*, *Poa sieberiana*, *Dichelachne crinita*, *Aristida ramosa*, *Austrostipa scabra* ssp. *falcata* and another *Austrostipa*. Flowering were *Eryngium ovinum*, *Chrysocephalum apiculatum*, *C. semipapposum*, *Convolvulus angustissimus*, *Cullen microcephalum*, *Geranium solanderi*, *Leptorhynchos squamatus*, *Thysanotus tuberosus*, *Wahlenbergia communis*, *W. stricta*, *Bursaria spinosa*, *Xerochrysum viscosum*, *Pimelea curviflora*, *Goodenia hederacea* and *Dianella longifolia*. There were many other interesting plants including *Pomaderris betulina*, *Cryptandra amara*, *Bossiaea prostrata*, *Lomandra bracteata* and many others.
