Presidents Message March 2015

IMPORTANT NOTE TO ALL FINANCIAL MEMBERS

SPECIAL GENERAL MEETING

CONSTITUTIONAL CHANGE – LIFE MEMBERS - March Meeting - 2015

In our last Cymbidium News, January 2015, the Cymbidium Orchid Club of South Australia Inc., proposed a new definition for Life Membership. This definition could not be implemented without a change to our constitution.

Alteration to the “Cymbidium Club” RULES requires two thirds of the financial membership present at an Annual General Meeting or a Special General Meeting specially **convened for that purpose** to vote in favour of such alteration, variation, addition or appeal.

Any proposed changes to our constitution requires the “Cymbidium Club” to notify all members in writing of the proposed changes before the changes can be proposed to the membership.

The existing Life Membership Rule, (Rule 5) states, “*Any properly constituted Annual General Meeting or Special General Meeting may appoint any person as an honorary member or honorary life member of the Club in recognition of services rendered in promoting the interests and objects of the Club.*”

Due to the large number of potential nominations it was proposed to the Committee, that the Rule should be more clearly defined. After several months of discussion about life membership the following recommendations were made

“*A Life Membership is the highest award the Club can bestow on a member in recognition of outstanding service in promoting the interests of the Club. All financial club members are eligible for the award.*”

Any member may make written nomination of another member to the Committee for consideration. Such a nomination would set out the grounds for proposing the member for the award. The Committee may then seek, by written ballot, 2/3's majority support of members at an AGM or Special General Meeting.

The Life Member receives written notification and a form of recognition of the award.

Life Members are eligible to attend all Committee Meetings and are granted free annual membership.

Criteria for recommending a candidate to an AGM would include:

Length of club membership (minimum 10 years)

Continuous service to the Club in a variety of ways over and above that of the average club member. These could include:

Multiple terms on the Committee

Consistent involvement in judging matters.

Considerable support of Club Shows (trading table, displays, show marshall, money handling, etc)

Variety of roles (photographer, projectionist, popular plant voting, supper rosters, newsletter items, prize donations, helping new members, etc)

The Cymbidium Club will also introduce a new “Award of Meritorious Service” for members who have achieved a very high level of service to the Club but have not yet qualified for Life Membership. This award does not require a constitution variation.

4

I look forward to seeing you at our next meeting.

Des Bettcher

Your Club needs YOU in 2015

Our Club welcomes, indeed, needs member involvement of all kinds, if it is to maintain a leadership position in Cymbidium growing.

We are getting in early to alert members to the various opportunities to assist our Club this year.

The Club Constitution permits almost every position to be elected each year, but some positions deserve some continuity, particularly if the incumbent is agreeable to continue. The Club benefits from some continuity, but new talent /ideas are always needed

Positions needed include Secretary, Assistants to committee, Website Manager, Facebook Manager, Registrar of Judges etc., etc., etc. It will be a big year, with our Cymbidium Spectacular in August. We need your help please speak to Des if you can help.

Please considering helping. It can be enjoyable and you will learn a lot.

*** Our NEW Website is coming ***

We have now commissioned an IT expert to do it for us, and to make it easy for us to regularly update it. One of our members has volunteered to continually maintain it.

We will notify all our members on our electronic mailing list, when it is complete

Many members have never visited our site.

For your information the address is

cymorchids.com.au

If you are not computer literate, ask for help to visit our site.

Youngsters such as grandchildren (even very young), are a great help here, and usually delight in assisting.

You might just be surprised what you might see on our site, particularly after we update it regularly

Give it a try

Also we have a great **Facebook** site, which is continually updated, with pictures of meetings and shows

For those who delight in long typing, the link is below

Winners from the February meeting

Very few plants presented this months as you would expect in February

Best Overall and best in Second Division

Little Beauty 'Sundaani'

Grown by Chee Ng

This was a good flowering of an early flowering plant with two flower spikes, with 20 or more flowers per spike in a 7" pot, on a relatively small plant. .

Best in First Division

Cym dayanum

Grown by Michael Willoughby & Oui Ju

This Plant had 9 spikes in a 6" pot and was one of two dayanums presented on the night

Best Best in Open Division and Popular Vote

Cyn dayanum

Grown by Rodney Philp

A multi spiking presentation of dayanum that presented well.
