### THE UNIVERSITY MACE AND BATONS

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

### MARSHALS' GOWNS

The gowns worn by the marshals are of the traditional University color, cardinal red.

### HONOR STOLES

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

### THE UNIVERSITY SONG

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

### ACADEMIC REGALIA

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture .....	Maize	Fine Arts .....	Dark Brown	Medicine .....	Green	Public Health .....	Salmon Pink
Architecture .....	Blue Violet	Forestry .....	Russett	Music .....	Pink	Science .....	Gold
Arts And Letters .....	White	Human Envi. Sci. ....	Maroon	Nursing .....	Apricot	Social Science .....	Cream
Business And Bus. Admin. ....	Drab	Humanities .....	Crimson	Pharmacy .....	Solid Green	Social Work .....	Citron
Economics .....	Copper	Journalism .....	Crimson	Philosophy .....	Royal Blue	Speech .....	Silvery Gray
Education .....	Light Blue	Law .....	Purple	Physical Education .....	Sage Green	Theology .....	Scarlet
Engineering .....	Orange	Library Science .....	Lemon Yellow	Public Admin. ....	Peacock Blue	Veterinary Science .....	Gray

### THE UNIVERSITY SEAL

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

# HONORARY DEGREE RECIPIENT

*Richard W. Davies*

Doctor of Arts and Humane Letters (DAH)

Davies career with the Arkansas Department of Parks and Tourism spanned nearly 43 years. He served as State Parks Director for 14 years and as Executive Director for 25, serving on the cabinet of five Arkansas governors.

As Executive Director Davies was responsible for overseeing all development and operations of the State Parks, grants and technical assistance to communities for parks, the promotion of the state through the Tourism Division, the operation of the State Archives at the History Commission, and the fight against litter with the Keep Arkansas Beautiful Commission.

Davies was instrumental in the passage of Amendment 75 to the Arkansas Constitution in 1996. The "1/8th Cent Conservation Amendment" created protected funding for conservation agencies in the state.

He was honored as State Parks Director of the Year by the National Association of State Parks Directors, and was inducted into the Tourism Hall of Fame, as well as the Halls of Fame of the Arkansas Hospitality Association and the Arkansas Game and Fish Foundation.

The Arkansas Broadcasters Association named him Arkansan of the year in 2004, and in 2008 he was inducted into the Hall of Honor by the Lemke Journalism Alumni Society at the University of Arkansas.

Davies served on the state's Natural Resource Committee, the Natural and Cultural Resources Council, the Capitol Arts and Grounds Commission, the Arkansas Civil War Sesquicentennial Commission and the Ozark Folk Cultural Commission.

In 1998 he received a Presidential appointment as Vice-Chair of the National Recreation Lakes Study Commission, which was established to make recommendations to the President and Congress on the future of federal reservoirs.

Davies also served 27 years in the U.S. Army Reserve, and retired as a Lieutenant Colonel in 1999. He and his wife Betsy, also a U of A graduate, have two daughters and two granddaughters.

*Eddie H. Walker, Jr.*

Doctor of Humanities

Eddie H. Walker, Jr. was born in Gethsemane, Arkansas, in 1950. He graduated with 22 classmates from J.S. Walker High School, a segregated school named for his uncle, before attending the University of Arkansas where he earned a Bachelor of Arts in psychology from the J. William Fulbright College of Arts and Sciences and a Juris Doctor from the School of Law. He was admitted to the Arkansas Bar 1978, the U.S. District Court, Western and Eastern Districts of Arkansas in 1984 and the U.S. Court of Appeals, 8th Circuit in 1995.

In 2015, Walker was sworn in as the first African-American president of the Arkansas Bar Association. He is a partner with Walker, Shock and Harp PLLC in Fort Smith where he focuses on workers' compensation, social security disability and personal injury law. He is also a member of the American College of Trial Lawyers and the College of Workers' Compensation Lawyers.

Walker has been an active member of the Arkansas Bar Association for more than 30 years and is a Fellow of the Arkansas Bar Foundation. His activities with the association include serving on the House of Delegates, the Executive Council and many committees including the Judicial Nominations Committee and the Committee on Professionalism. Walker chaired the Board of Governors and the Workers' Compensation Section and received the C.E. Ransick Award of Excellence, which is given annually by the Arkansas Bar Association to recognize outstanding contributions to the profession.

Walker is active in his community both professionally and personally. He is currently a board member for the Western Arkansas Legal Services and Western Arkansas Ballet. He is a former board member of the Fort Smith United Way and a previous president of the Sebastian County Bar Association. Walker is an active member of the First United Methodist Church in Fort Smith, where he has served on the Administrative Board and as youth program leader and continues to teach Sunday school.

In other professional contributions, Walker is a member of the American Bar Association, chaired the Arkansas Supreme Court Committee on Professional Conduct and served as a Special Associate Justice of the Arkansas Supreme Court on several occasions and as a Special Commissioner for the Arkansas Workers' Compensation Commission.

He has given back to his alma mater in many capacities, including serving as an adjunct professor. He and his wife, Gwen, have three grown children, one son and two daughters.

# OUTSTANDING ALUMNI AWARD

## *Retired Major General William P. Bowden*

### 2016 Outstanding Alumni Award

Mr. Bowden retired as a Major General from the U.S. Air Force following 35 years of service. He led operations from 12 Air Force bases, including the Pentagon, and during the Vietnam War served as a navigator and bombardier on B-52 bombers flying from U-Tapao Royal Thailand Navy Base. A shortstop on the Razorback baseball team, he graduated from the U of A in 1954.

Mr. Bowden completed 44 combat missions and flew more than 4,500 hours. He was assigned to the Pentagon following the Vietnam War and retired as commander of the Oklahoma City Air Logistics Complex at Tinker Air Force Base in 1989. Following retirement, he served 14 years for the Oklahoma State Regents for Higher Education, including seven as a Rose State College Regent. He formally retired in 2008.

While in the service, Mr. Bowden earned his master's in business administration through the George Washington University cooperative education program in 1965 at Maxwell Air Force Base in Alabama, completed Air War College and earned his master's in political science from Auburn University's Maxwell Air Force Base campus.

## OUTSTANDING YOUNG ALUMNI AWARD

**Emily Bertrand** earned her Bachelor of Science in Nursing in 2008 from the University of Arkansas. She has worked for the past seven years as a registered nurse in Northern Virginia, where she actively dedicates her personal time and professional activities to serving vulnerable populations, both locally and abroad.

Ms. Bertrand developed a prenatal education program for Arlington County free clinics with large immigrant populations. Incorporating her passion for Spanish and the Latin culture with her passion for nursing and helping others, Bertrand's initiative included crafting an innovative educational program for Spanish-speaking pregnant women, leading prenatal education seminars in Spanish, and providing community resources for the participants. As a result of Ms. Bertrand's dedication and commitment to service, immigrant women have become empowered to take better care of themselves and successfully navigate essential health services during and after a pregnancy.

Ms. Bertrand's involvement with the Virginia Hospital Center's Medical Brigade affords the opportunity to travel with a medical team to remote areas of Central America and deliver critical surgical procedures. She is responsible for providing direct patient care in Honduras, as well as year round fundraising and donations management. In addition to her professional activities and service work, Ms. Bertrand is committed to positively shaping the next generation of professional nurses through her academic endeavors at Marymount University, where she currently teaches undergraduate nursing. This May, Ms. Bertrand will complete her Master of Science in Nursing degree in the family nurse practitioner program at Marymount University.

# COMMENCEMENT SPEAKER

*Jeff Long*

## Vice Chancellor and Director of Athletics University of Arkansas

In his eighth full year as Vice Chancellor and Director of Athletics, Jeff Long has helped transform the University of Arkansas' Department of Intercollegiate Athletics into one of the most successful and nationally respected programs in the country.

In Mr. Long's tenure, Arkansas has captured two national championships, 27 conference championships and advanced to 115 post-season competitions. Although still in progress, the 2015-16 academic year has been another banner year for Razorback Athletics. Arkansas has captured SEC titles in both men's and women's cross country and indoor track and field and the Razorback football team defeated Kansas State in the AutoZone Liberty Bowl, giving the program back-to-back bowl wins in consecutive years for the first time ever.

Razorback student-athletes also set new marks in the classroom, setting a program-record GPA of 3.25 in the fall 2015 semester. Arkansas led all league schools in representatives in conference sports on the 2015 SEC Fall Academic Honor Roll, including 40 football student-athletes.

In 2015, Mr. Long, the SportsBusiness Journal and SportsBusiness Daily Athletic Director of the Year, led the program, encompassing 19 sports and more than 460 student-athletes, to the most successful year in the history of the University of Arkansas intercollegiate athletics.

Arkansas earned its second national title of Mr. Long's tenure at the 2015 NCAA Women's Indoor Track and Field Championships. Also, for the first time since 2001, Arkansas played in a football bowl game while earning bids to both the NCAA men's and women's basketball tournaments. The Razorbacks defeated Texas in the AdvoCare V100 Texas bowl and won their initial games in both the NCAA men's and women's basketball tournaments.

Topping off what was arguably the best year in Razorback athletics history, the baseball team made a trip to Omaha, Nebraska, to compete in the NCAA College World Series. The accomplishments of the Razorbacks during the 2014-15 year helped Arkansas achieve its highest Learfield Director's Cup finish in program history (16th).

In the classroom, the Razorbacks posted then-school record student-athlete grade point averages of 3.24 in the spring of 2015 and as a cumulative GPA for 2014-15. Graduation success rates continue to rise with a total of 200 current or former Razorback student-athletes graduating in the past two academic years, marking an annual increase of nearly 70 percent from just seven years ago.

Student-athlete development also has been a priority, including the establishment of the Razorback Leadership Academy, the first of its kind in the SEC. In the community, Razorback student-athletes are more active than ever, volunteering more than 6,500 hours of time for various agencies, organizations and schools across the state.

Under Mr. Long's leadership, the program has fortified its financial standing, ensuring more support for the development of student-athletes. Arkansas is one of less than a dozen financially self-sustaining Division I-A athletic programs in the nation.

With an eye toward the future, Mr. Long commissioned a comprehensive plan to assess the future facility needs of the program. Unveiled on October 2011, the Razorback Athletic Facilities Master Plan provided a vision and road map for \$320 million of facility renovations and additions that will help all 19 Razorback sports remain competitive in the SEC and nationally through the next 30 years.

One of the most influential leaders within intercollegiate athletics, Mr. Long brought national recognition to the University of Arkansas when he served as the inaugural chairman of the College Football Playoff Selection committee for both the 2014 and 2015 seasons. He will continue to serve as a member of the selection committee through the 2017 season.

Prior to coming to Arkansas, Mr. Long held athletics administration, coaching or staff positions at nine FBS institutions in seven FBS conferences.

A former two-sport athlete at Ohio Wesleyan, Mr. Long earned seven varsity letters for the Bishops in football and baseball before completing his degree in economics in 1982.

An Ohio native from Kettering, Mr. Long is married to the former Fanny Gellrich of Ann Arbor, Michigan. The Longs have two daughters, Stephanie and Christina. Stephanie is a junior at the University of Arkansas.

## Fayetteville Jazz Collective

The Fayetteville Jazz Collective was founded in May, 2009, as a professional jazz orchestra comprised of musicians active in the Northwest Arkansas area. It has performed the works of Duke Ellington, Billy Strayhorn, Thad Jones, Gil Evans, Oliver Nelson, Sammy Nestico, Frank Foster, Tito Puente, Gordon Goodwin, and many others. The FJC also provides an outlet for local composers and arrangers, such as James Greeson, Ben Harris, and Rick Salonen, the band's baritone saxophonist and "composer in residence." The FJC hopes to continue to enrich the cultural life of the greater Northwest Arkansas community through performances and outreach.
