

Logitech®

UltraX™ Premium Keyboard

Exceptional Performance with Style

The stylish Logitech® UltraX™ Premium Keyboard delivers the ultimate look, feel, and design to any PC, and is the ideal complement for LCD monitors. With its soft-touch notebook keycaps, the low-profile design of the UltraX™ Keyboard means it remains comfortable even for prolonged daily use. The keyboard incorporating six multimedia and internet hot-keys is fully functional without having to install any drivers (Windows XP and higher). Now updated to meet the requirements for Vista® Premium certification. Its simple brown-box packaging makes it ideal for bundling with a PC, or for use as a replacement product in a corporate environment. USB Connector.
