L to R: Jeff Mills, Dr. Buchanan and John Diamond

### In Tribute

Dr. Robert D. Buchanan, who provided the naming gift for the University of Maine Buchanan Alumni House, passed away August 11, 2021, in Pueblo, Colorado, his home for the past 16 years. He was 99. He attended the University of Maine as a zoology major and was a proud member of the Class of 1944. He graduated from Tufts University School of Dental Medicine in 1946.

In May 2002, Buchanan Alumni House was dedicated in his name. One of the most impressive and recognizable buildings on the UMaine campus in Orono, it was built entirely with funds raised by the University of Maine Foundation and the UMaine Alumni Association. The UMaine Foundation and UMaine Alumni Association plan to honor Dr. Buchanan in May as part of the 20th anniversary celebration of Buchanan Alumni House.

# A message from the Foundation Board Chair and Foundation President

**This fiscal year has been extraordinary in so many ways.**

**Together, we have raised over \$30 million this year to bolster excellence at the University of Maine, despite the worldwide challenges presented by the pandemic.** In October 2020, the Harold Alfond Foundation announced a transformational \$240 million grant to the University of Maine System. The grant includes a matching challenge to raise an additional \$170 million in other external funding through research grants, public funding and philanthropy. A more detailed description of the four UMS TRANSFORMS initiatives is included on pages 6-9. UMaine has much of the responsibility for leading the projects. The University of Maine Foundation is spearheading UMaine's philanthropy efforts in helping to meet the \$170 million challenge.

Additionally, we are working to complete phase I of a previous Harold Alfond Foundation challenge to benefit the University of Maine Graduate and Professional Center. As of June 1, 2021, we have raised with our partners, the University of Southern Maine Foundation and the University of Maine Law School Foundation, over \$4.4 million of the \$7.5 million needed to meet the challenge. Completing this challenge will allow fundraising for phase II to advance as part of the UMS TRANSFORMS initiatives.

Other highlights of this year include:

- The preliminary investment return for the year ended June 30, 2021 reported by our investment firm, Prime Buchholz, is 32.6%—an all-time record high
- Record high numbers of giving society members
- Record high endowment total
- The Ferland Engineering Education and Design Center construction project is hitting all of its milestones for a 2022 grand opening and dedication.

For those who do not frequently travel to Orono to attend events and meetings, we will continue to "bring you in" through the many advances in technology we have added recently. It has been a pleasure to reconnect with so many of you over the past few months. Additionally, we are back on the road and looking forward to seeing you soon.

**Thank you for everything that you do for the University of Maine.**

# A message from the President of the University of Maine

**It is a privilege to lead Maine’s research university, focused on student success and the future of our state.** The difference this flagship university makes in Maine and beyond reflects our institutional strategic vision and values, the talent and dedication of our faculty and staff, and our commitment to multifaceted engagement and community partnership for the greater good.

Philanthropy is a major component in the University of Maine’s leadership role, providing the funding necessary to fulfill our higher education mission in the 21st century. The Harold Alfond Foundation’s grant is an example of an exciting investment in UMaine and public higher education statewide, and further endorsement of the importance of the work we undertake, every day, and always with an eye to the future.

With Alfond Foundation funding, we took a tenet at the heart of the state’s research university since its inception and made it a reality for a new student success and retention initiative. At UMaine, students are taught and mentored by world-class researchers and scholars, and have multiple hands-on learning opportunities before they graduate. The importance of making that immersive learning possible for first-year students was emphasized in the University of Maine System Research and Development Plan, FY20–24 that I led. This academic year, Alfond Foundation funding allowed us to launch the Research Learning Experience for incoming students. We also offered it to second-year students who missed so much of their in-person learning last year due to the pandemic.

This initiative is a student success and retention model that will be scaled to other UMS universities. Learn more about this and other projects as part of UMS TRANSFORMS on pages 6-9.

We are innovating solutions, growing partnerships and focusing on best practices and outcomes of learning. Throughout the pandemic, UMaine not only responded to critical needs in Maine, but also continued its research to benefit the state and beyond. Growth of the research enterprise has continued in FY21, resulting in \$133.6 million generated from awards and external funding sources, making this an all-time high record for the university after the previous year’s all-time high record.

The vision we share with our donors is key to our success in all these areas. Your leadership and support are critical and appreciated. **Thank you for your commitment to the University of Maine. I look forward to continuing our partnership.**

# The University of Maine Foundation has taken on a leadership role in fundraising for UMS TRANSFORMS

## **Unprecedented opportunities for Maine students and the University of Maine**

*In October 2020 the Harold Alfond Foundation announced a historic investment in Maine and its people which included a \$240 million grant commitment to the University of Maine System to bring transformative change to the state’s largest educational, research, innovation and talent development asset.*

*The grant is both a gift and a challenge that inspires everyone who believes in the transformative power of education to come together and do more.*

*The challenge component requires that \$170 million in matching contributions be raised through external funding and private philanthropy to support the four focus initiatives of UMS TRANSFORMS over the 10-12 year life of the initiative.*

“ What better investment could we make than investing in young people who have a hundred years ahead of them to live and make extraordinary personal contributions to our economy, to humanity, and to the state of Maine. It’s going to keep young folks in Maine and it’s going to attract young folks to Maine.

**Dannel Malloy**  
*Chancellor, University of Maine System*

The idea that we would have this kind of an investment in the University of Maine System and in particular in the University of Maine — it’s transformative, it’s a chance to do so many things that matter for all of us and for our students.

**Joan Ferrini-Mundy**

## The Four Focus Initiatives

### **The Maine College of Engineering, Computing, and Information Science**

- \$75 million Harold Alfond Foundation support
- \$75 million challenge funds to be raised

The Maine College of Engineering, Computing, and Information Science (MCECIS) will be a multi-university led initiative cooperatively by the University of Maine to help deliver statewide, integrated solutions to providing the technical workforce and innovations that are critical to moving Maine’s economy forward.

Thousands of new engineering and computing graduates are needed to replace members of Maine’s existing

workforce, and to fill new jobs that will have to be created in our increasingly interconnected, digital global economy. The formation of the MCECIS is designed to anticipate the state's future needs for a technically skilled workforce and equip Maine companies with the human capital they need to pursue more opportunities in emerging markets.

"Maine needs to double production of engineering and computing professionals to meet the needs of the state's businesses," says Dana Humphrey, Dean of the College of Engineering at the University of Maine. "Formation of the Maine College of Engineering, Computing, and Information Science, with the support provided by the Harold Alfond Foundation, is the catalyst needed to address this critical need. We look forward to partnering with the Maine business community to provide the human and intellectual capital essential to growing Maine's economy."

### **Student Success and Retention**

- *\$20 million Harold Alfond Foundation support*
- *\$25 million challenge funds to be raised*

Post secondary education, once one of the paths to a successful work life, is now requisite for most new, value-added jobs and the chance to have an impact within a community and across a career. At the University of Maine System we obligate ourselves to and center our culture on the success and retention of our students through graduation and into meaningful careers. Making the learning and success of our students our primary focus and determining how to assess it will reshape national thinking on how higher education can engage students, starting where they are, with the educational access, flexibility, support, and relevance they need to succeed.

We will focus on:

1. Research learning experiences that introduce students to discovery and knowledge creation early in their college careers;
2. Redesigning curriculum of gateway STEM courses and engaging proven approaches to learning to help students succeed in courses that have traditionally been a barrier to academic progress; and,
3. Reaching new levels of relevance between the educational experience and career success with a pathways to careers program that expands access to credit-bearing internships with employer partners and experiential learning.

### **Black Bear Athletics**

- \$90 million Harold Alfond Foundation support
- \$20 million challenge funds to be raised

Topflight facilities to support competitive excellence and gender equity will benefit all 17 varsity programs at Maine’s only Division I athletic program and will be a premier destination for Maine.

The vision of the athletics facilities master plan includes improving the overall UMaine student experience. It also stretches far beyond the campus community as these state-of-the-art facilities will be tailored to host a variety of youth, high school, and community events. The athletics footprint will be equipped to host high school championships, youth club sports, and other regional events as UMaine strives to be a premier destination in Maine for youth activities and statewide gatherings.

The initiative leaders will be working with campus committees and convening statewide discussions on how the new athletic facilities at UMaine can be used to support other UMS universities, high school athletics, persons with disabilities, athletes of all ages, and other communities that may want to utilize these new facilities. Details, renderings, and videos honoring Harold Alfond’s legacy and providing an overview of the \$110 million plan are available at [goblackbears.com](http://goblackbears.com).

### **University of Maine Graduate and Professional Center**

- \$55 million Harold Alfond Foundation support
- \$50 million challenge funds to be raised

The investment in this area will include comprehensive career and leadership preparation to support scholarships, integrated program development across business, law, and policy and engineering, computing and information sciences with a state-of-the-art building to host Maine Center programs and Maine Law.

The new building will be physically located on the University of Southern Maine’s Portland campus, and will provide a technological conduit to students and communities throughout the state.

The Maine Center delivers integration and innovation: Professionals and business leaders must work with teams and across disciplines to advance projects and pursue opportunities. Graduate and professional education must deliver the same integration to meet the needs of employers and serve students seeking to upgrade their skills and opportunities for career and leadership development.

The Maine Center brings us together: A vibrant, growing Maine economy needs a critical mass of leaders who are connected, highly prepared, and focused on the knowledge economy. The Maine Center is helping build a dynamic education and workforce development community in the state through innovation and experiential learning delivered through clinics, practicums and internships. The result is stronger ties across the globe to any place where workers who are pursuing opportunities with Maine-based projects, our employers, and

educational institutions reside.

Before the announcement of UMS Transforms, phase I of the Campaign for the University of Maine Graduate & Professional Center was well underway and is expected to be completed soon.

### **Finishing Phase I: The Campaign for the University of Maine Graduate and Professional Center**

- \$7.5 million Harold Alfond Foundation support
- \$7.5 million challenge funds to be raised

In March 2020 the public phase of the campaign was announced with a lead gift from University of Southern Maine alums Bobby Monks and Bonnie Porta. A \$1 million USDA distance learning and telemedicine grant to the University of Maine System was developed in partnership with each of the universities, Maine Law, the Maine Center, and Northern Light Health to expand rural access to undergraduate and graduate education and health care across 11 rural Maine counties.

Coupled with support from a new U.S. Department of Agriculture grant, this gift propels the campaign into the final phase of a \$7.5 million challenge grant from the Harold Alfond Foundation. This phase I campaign must be completed in order to move into the phase II \$55 million campaign which is part of the UMS TRANSFORMS initiatives. # Successful Fundraising Campaign for the Zillman Art Museum Results in Naming and Expansion

L to R: UMaine Executive Vice President for Academic Affairs and Provost John Volin, Don Zillman, Linda Zillman, George Kinghorn, and UMaine Foundation President/CEO Jeff Mills

Bangor Savings Bank Foundation, and the A.R. and Marylouise Tandy Foundation.

The new galleries greatly enhance the visitor experience and offer more spaces to showcase works from ZAM's contemporary collection as well as mount additional exhibitions of nationally significant contemporary artists.

In conjunction with the opening of the new galleries, the Museum is presenting nine new exhibitions featuring works from artists from throughout the U.S. and abroad, including San Francisco, Los Angeles, Boston, Miami, and the Czech Republic.

The Linda G. and Donald N. Zillman Art Museum-University of Maine (ZAM) celebrated the opening of its five new galleries with a Ribbon Cutting Ceremony on September 9, 2021. The new exhibition spaces, located on the second floor of 40 Harlow Street, increase the Museum's exhibition spaces by 42%.

The expansion project was made possible by a \$1.3 million lead gift from Don and Linda Zillman, who are long-standing benefactors of the Museum. Additional gifts and pledges totaling over \$300,000 were provided by individuals and foundations including the Stephen and Tabitha King Foundation,

“ Don and Linda Zillman's transformative gift and the contributions of many other donors will have a profound impact on the Zillman Art Museum (ZAM) and the advancement of its contemporary art mission. This expansion project will ultimately benefit the citizens of Maine and visitors to our great state. ZAM will be an even greater destination for those who wish to experience the art of our time.

# Scholarships Change Lives

Ellsworth native Maria Wagenknecht has always had a special place in her heart for animals. She even has a specific memory from early childhood of wandering around her yard on the hunt for rabbits in the tall grass or cardinals in the tree branches. She would try to catch salamanders and search for snakes while other kids might have been playing video games or watching TV.

Now, Wagenknecht has set her sights on a new goal when it comes to animals: veterinary science. Farm animals, reptiles, and birds are the three areas of the animal kingdom which particularly interest Wagenknecht at this moment. "The more I learn through my college years about these types of animals, the more I fall in love with veterinary science," said Wagenknecht, whose career ambition is to open a large animal clinic in Maine.

When it was time for Wagenknecht to apply to colleges, the University of Maine was the clear choice. She did not, however, know what a college career could look like. "The anxiousness for the next four years was because I did not know what to expect once I got into college," said Wagenknecht. As a first-generation college student, she did not have family experience to rely on, but she did have the advantage of being close to home while starting out at UMaine.

As one of her many current forms of employment, Wagenknecht is a peer tutor for other first-generation college students in the College of Natural Sciences, Forestry, and Agriculture. "One piece of advice I would give to a first-generation student who is starting to apply to schools is to not get distraught. College is enjoyable if you make decisions you want to make, so apply to schools you like," said Wagenknecht.

In the 2020-21 academic year, Wagenknecht was a recipient of the Estelle Phillips Springer Scholarship Fund, which was established in 2006 by Estelle's sister, Margaret G. Phillips. As Margaret and her sister Estelle were Ellsworth natives, the fund is set up to be awarded to graduates of Ellsworth High School, where Margaret also taught for many years. "This scholarship has played a key role in achieving my education dreams," said Wagenknecht, who hopes she may pay it forward to another student someday.

**"I think paying it forward is a very important thing to do because it allows for someone after me to get the education they need. College costs are difficult and can prevent some people from going, so by paying it forward and helping kids with college one day I may be able to give someone the help that I am getting now."**

In addition to the support Wagenknecht received from her scholarship, she is also keeping three jobs while taking classes. "I work at the deli at the Hannaford supermarket in Bucksport, I am a peer mentor in NSFA, and I also clean barns for a friend's mother," says Wagenknecht. This robust work ethic will follow her into the next step in her career path as well—veterinary school. At this point, she is choosing between a program in Scotland or one in the US. "I think Scotland would be my first choice. I really like the idea of being immersed in a different culture, and I would be certified in the US and the UK, so I could work in those areas if I choose at a later time," said Wagenknecht.

# Ways of Giving

## Cash

Gifts of cash to the Foundation can maximize your charitable deduction and deliver immediate benefits to the University of Maine. Many donors choose to make their cash gifts with a credit card, check or wire transfer. We invite donors to consider our secure online giving site, [umainefoundation.org/give](https://umainefoundation.org/give).

## Payroll Deduction

UMaine employees may make a gift through payroll deduction. Contact the University of Maine Foundation for a payroll deduction form or download the form, [umainefoundation.org/employeegiving](https://umainefoundation.org/employeegiving).

## Bequests

A provision for the University of Maine Foundation in your will or trust allows for a substantial contribution without diminishing assets during your lifetime. Donors who let us know about plans for bequests or deferred gifts are eligible for membership in the Charles F. Allen Legacy Society. We can work with you to prepare a fund description that will describe how the fund will be administered and reflect special conditions you wish to be included.

## Appreciated Securities

A gift of long-term appreciated securities often has at least two advantages: it can provide an income tax deduction equal to the fair market value of the securities and may reduce capital gains tax. It is possible to make a gift using shares of mutual funds, but such gifts typically require more advanced planning, as the transfers take longer.

## Real and Tangible Personal Property

A residence, forestland, or other real estate property may be given to the Foundation as an outright gift, or you may prefer to donate your property to the Foundation and retain the right to occupy the property for life. Treasures like valuable antiques, stamp and coin collections, works of art, and other personal property may also be acceptable charitable gifts.

## Life Insurance

You may make a gift of life insurance in support of the University of Maine or one of its fundraising partners by naming the Foundation as owner and irrevocable beneficiary of a policy. The gift may be a paid policy, an existing policy with cash value or a new policy.

## Retirement Plans

You can name the Foundation as a beneficiary of your retirement plan or tax-sheltered annuity through your plan administrator or explore taking advantage of a qualified charitable distribution from an IRA to save taxes.

## Charitable Trusts

There are a variety of ways to create trusts that benefit you and your loved ones as well as UMaine. Choosing the right trust or other planned giving vehicle depends on your age, assets and many other factors. Our experienced staff can help you.

## Charitable Gift Annuity

Through a simple contract, you agree to donate cash, stocks, or other assets to the University of Maine Foundation. In return, you and someone else, if you choose, receive a fixed amount each year for the rest of your lives. The remainder is endowed to support the University of Maine.

## Donor-Advised Funds

Donor-advised funds help donors to be actively involved in the granting process to UMaine and other charities. Funds are managed and administered by the Foundation, but the donor advises the Foundation about preferences regarding grant recipients and grant amounts. Donor-advised funds receive the maximum tax benefits, and the donor is not responsible for the tax filings.

**The type of gift that is best for you depends on many factors, including your age, health, family and employment situation, assets, and lifestyle choices. Many companies will match your gift, maximizing the impact of your personal philanthropy.**

# Increasing the Impact of Your Gift to UMaine

## Honorary/Memorial Gifts

You can make a gift to the Foundation supporting any area of the University of Maine in memory or honor of a professor, coach, student, relative, or friend. Honorary and memorial gifts are a special way to celebrate a birthday or anniversary or the graduation of a child, grandchild, or other loved one. Memorial gifts are a thoughtful way to recognize a person's influence and accomplishments while advancing the mission of the University of Maine and helping the students we serve. When you make an honorary or memorial gift, we will (if requested) notify the honoree or next of kin and will administer the gift as you direct.

## Corporate Partnerships

Companies large and small are choosing to partner with the University of Maine in ways that are mutually beneficial. Corporate partnerships can involve internships and assistance with recruitment. The naming of laboratories and other facilities brings visibility for the company and also provides an important source of funding for equipment, scholarships, student travel, and other needs.

## Recurring Gifts

Many donors choose to make an automatic monthly gift to benefit UMaine using their credit card or another type of electronic fund transfer. This is convenient for donors, can help reduce printing and mailing costs, and can now be set up online, [umainefoundation.org/give](http://umainefoundation.org/give).

## Pledges

A commitment over time allows you to make a significant gift in multiple payments. This can be completed directly through our giving staff or on our online giving form.

**Charitable giving often carries significant tax benefits for donors. All gifts to the University of Maine Foundation for UMaine and its fundraising partners are tax-deductible to the extent allowed by law. If you have questions regarding the tax implications of your giving, consult your attorney or financial advisor.**

Sample language for remembering the University of Maine in a will or trust:

**"I give and bequeath to the UNIVERSITY OF MAINE FOUNDATION for the benefit of the University of Maine, Orono, Maine (possible choices follow):**

**the sum of \$ \_\_\_\_\_; or  
\_\_\_\_\_ percent of my estate; or  
the property [described here]  
to establish the \_\_\_\_\_ Fund.  
The principal is to be endowed and  
only the distributions, as established  
by the University of Maine Foundation  
Board of Directors, shall be used for  
\_\_\_\_\_."**

The Foundation's Tax Identification Number is 01-6011501.

# Annual Giving Provides Immediate Impact

This past year, annual giving has met emergency needs for students, provided funding for students' and professors' projects, and helped to pay for new instruments and equipment, among many other purposes. Whether donors prefer to support a specific department or direct their gift to the area of greatest need within a college such as the College of Liberal Arts and Sciences, every contribution to the University of Maine's Annual Fund can make an immediate impact.

**Emily A. Haddad, Ph.D.**  
Dean, College of Liberal Arts and Sciences  
University of Maine

**Annual gifts make an immediate impact for students, faculty, and staff across the campus community.** Records indicate that loyal donors have given consecutively for now over 47 years. Donors are able to choose among many different ways to make their annual gift. Some prefer online credit card gifts with a single gift, a monthly recurring gift, or a pledge. Others choose from various crowdfunding projects hosted on the Fill the Steins website. Many make their annual gift by participating in Maine Day of Giving. Many prefer to write a check and send it in the mail. However it arrives, donors can rest assured that their investment in the College of Our Hearts Always is making a brighter future for new generations of Black Bears.

# Planned Giving

## Charitable gift annuities are a win-win

“ With a charitable gift annuity, you are really helping the University, even though you are receiving something back. It made so much sense to us for the tax advantages, as well as to support graduate mechanical engineering and education students, that we ended up creating five charitable gift annuities over 13 years.

**Betty Brown Calkins** '50, '57G

**A charitable gift annuity is a simple way to support the future of the University of Maine and to enhance your financial security at the same time.** Our planned giving staff will be happy to assist you with more information about charitable gift annuities and other giving options.

There are many ways – and many reasons – to leave a legacy to UMaine through the UMaine Foundation. Many alumni and friends choose to give back through planned giving that will impact generations of UMaine students, faculty, and staff with enhanced learning opportunities in perpetuity. The Foundation staff can help with gift illustrations and the language needed to be sure that your wishes are achieved for all types of planned gifts including bequests, charitable gift annuities, charitable trusts, gifts of retirement assets, gifts of life insurance, and gifts of property. Sample language like this can be the first step toward giving back to future generations.

# New Endowed Funds established in FY21

## FOUNDATION ENDOWMENTS

### **Nancy Arms Climate Change Institute Fund**

Nancy L. Arms '84 established this fund to provide support for the Climate Change Institute with a preference for the NRT-NNA Systems Approaches to Understanding and Navigating the New Arctic (SAUNNA) Project.

### **Gerald M. Bates, Jr. and Dorothy B. Bates Engineering Fund**

Through a bequest, Gerald M. Bates '49 and his wife, Dorothy Bjorn Bates, created this fund to benefit deserving students who are majoring in civil or mechanical engineering.

### **Bernardo Family Legacy Scholarship Fund**

Rick and Mary-Jo Bernardo, members of the Class of 1986, established this fund for student-athletes who demonstrate a high moral character and a lifestyle of upright integrity.

### **Robert G. Blick '61 Memorial Scholarship**

Janice C. Blick created this fund in tribute to her late husband, Robert Blick '61, to benefit deserving undergraduate students pursuing an engineering degree.

### **Dr. Richard Boss, Jr. and Mary Boss Family Scholarship**

Richard Boss, M.D. '74 and Mary Boss '75 established this "today" and "tomorrow" fund to empower future educators and commemorate 45 years since Mary graduated from the College of Education and Human Development.

### **Reginald B. Bowden '55 Fund**

This scholarship fund was created with the residuum of a charitable gift annuity established by Reginald "Reg" B. Bowden, who was a member of the Class of 1955. This fund will provide scholarship aid to University of Maine students.

### **Ellie and Sid Butler Quasi-Endowed Land Acquisition Fund**

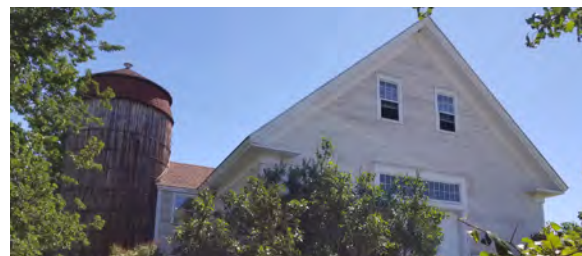

Eleanor "Ellie" Butler '53 established this fund as part of the Green Endowment program. Ellie and her late husband, Sidney "Sid" R. Butler '54, greatly enjoyed the outdoors and all that nature has to offer. This fund will support the acquisition of forested lands that can be managed not only for long-term sustainable yield, but also for the maintenance of a healthy wildlife population and recreational potential.

### **Dan '63 and Betty Churchill Professorship in Climate Policy and International Affairs**

Dan '63 and Betty Churchill established this fund enabling the School of Policy and International Affairs to recruit a tenure-eligible faculty member who has a demonstrated ability to teach and conduct and publish outstanding research at the University of Maine with respect to climate change policy.

### **Dan '63 and Betty Churchill School of Policy and International Affairs Internship Fund**

Dan '63 and Betty Churchill created this fund to support travel and related costs associated with internships for School of Policy and International Affairs students with a strong preference for those considering careers in public service.

### **Pamela D. Chute Page Farm and Home Museum Fund**

Believing strongly in its mission and serving as the Chair of the Page Farm and Home Museum Board of Directors from 2008 until 2014, Pamela D. Chute '73 established this fund through a planned gift. It will exclusively benefit the Page Farm and Home Museum.

**Cheryl M. Coffin, M.D. and Ralph E. Topham, M. ED. Fogler Library Digital Access Fund**

Cheryl M. Coffin, M.D. '20 and Ralph E. Topham, M.ED. established this fund to support digitizing the Fogler Library's resources.

**Merritt and Jean Conroy Fund**

Jean L. Conroy '57 established this fund through a planned gift to support students who are preparing for careers teaching secondary level mathematics.

**John W. Cronkite and Naomi Seid-Cronkite Scholarship**

John W. Cronkite, Ed.D. '68 appreciated the affordable tuition at UMaine that enabled him to attend despite his family's modest means. John and his wife, Naomi Seid-Cronkite, created this fund to benefit incoming UMaine students with financial need and academic merit with a preference for students from their hometown high schools — Gardiner Area High School and Lewiston High School.

**Eileen M. Crowley '88 Scholarship**

Elizabeth M. Crowley '88 established this fund in honor of her daughter, Eileen M. Crowley '88, 04G, to benefit students majoring in education. Preference will be given to rising sophomores, juniors, or seniors who are graduates of Maine high schools.

**Michael A. Crowley '87 Scholarship**

Elizabeth M. Crowley '88 established this fund in honor of her son, Michael A. Crowley '87, to benefit students majoring in engineering. Preference will be given to rising sophomores, juniors or seniors who are graduates of Maine high schools.

**Joseph and Suzanne Cyr Fund for the Collins Center for the Arts**

# Giving Societies

Every gift we receive from our generous donors advances the mission of the University of Maine, and **every donor makes a difference.**

**The Stillwater Society** was created in 2000 to celebrate donors who have given at least \$25,000 to the University of Maine and its partners over the course of their lifetimes. Donors are eligible for the society based on their cumulative outright gifts and irrevocable planned gifts. Some friends and alumni are members of the Stillwater Society as the result of a single gift; others are members as the result of faithful, longtime support. New members are inducted at a formal recognition dinner and presented with a pin symbolic of their respective level in the Stillwater Society:

- Level 1 – \$25,000 – \$99,999
- Level 2 – \$100,000 – \$249,999
- Level 3 – \$250,000 – \$499,999
- Level 4 – \$500,000 – \$999,999
- Level 5 – \$1,000,000+

**(S will appear after donor name)**

**The Katahdin Society** (the highest level of the Stillwater Society) honors alumni and friends who have given \$1 million or more to benefit the University of Maine. Such exceptional generosity helped ensure UMaine's success for the first 150 years, and will be even more important in the years to come, as costs for a college education continue to rise and the need for exceptional teaching, research and outreach escalates in an increasingly complex and competitive world.

**(K will appear after donor name)**

**The Charles F. Allen Legacy Society**, named for the University of Maine's first president, was established in 1995 to recognize and honor alumni and friends who intend to remember the University of Maine or its affiliated organizations by making a bequest or other form of planned or deferred gift. Such gifts will benefit the university in the years ahead without necessarily requiring that the donor fund the gift at the present time. While the gift is deferred, the benefits of membership in the society begin immediately. If you let us know that you have provided for the University of Maine or its affiliated organizations in your will, trust, pooled life income fund, life insurance policy, gift annuity or retirement fund, you immediately become a full member of the society. Charles F. Allen Legacy Society members receive a membership certificate recognizing their intentions and a lapel pin. Members are also honored at a special event on campus.

**(L will appear after donor name)**

**The President's Club** is UMaine's front door to special donor recognition. Members of the President's Club give at

least \$1,000 (Alumni 1-5 years from graduation = \$250 Alumni 6-10 years from graduation = \$500) a year to UMaine. President's Club gifts are often made as monthly recurring gifts or annual pledges paid in installments. Gifts can be unrestricted or designated for a particular need or priority; they may be used for current operations or directed toward an endowment. President's Club members range from recent graduates to Senior Alumni, represent virtually every major, are scattered across the country and share a common commitment to improving the lives of others. President's Club members receive a pin and membership certificate, and are invited to a special brunch during Homecoming Weekend.

**(P will appear after donor name)**

**The Triple Crown of Support** This report includes the names of alumni and friends who are truly shaping the future of the University of Maine as members of the Stillwater Society, Charles F. Allen Legacy Society and President's Club. The Triple Crown is a realistic goal for many donors who make philanthropy a priority, plan ahead and thoughtfully consider the many ways of giving. There is no ideal way to make a gift; the timing and nature of your gifts will depend on your unique circumstances. We encourage donors to work closely with their legal and financial advisors, as well as our fundraising professionals, to determine a path that is mutually beneficial for donors, their loved ones and the University of Maine.

**(C will appear after donor name)**

**The Loyal M Society** recognizes UMaine's most faithful philanthropists. Membership is open to donors who have made gifts to benefit UMaine over at least two consecutive fiscal years, regardless of the gift amount, type or purpose. Recurring monthly gifts, set up with a credit card or electronic fund transfer from a checking account, are a convenient way to secure ongoing membership in the Loyal M Society. Membership is noted with the years of consecutive support in parentheses, e.g., (15) denotes that a donor has made gifts to UMaine for 15 consecutive years, including FY21.

**(# will appear after donor name.)**

*(Actual years of consecutive giving may be greater; the count extends back to when the Office of University Development transitioned from paper records to a fundraising database.)*

# Spending Policy

In managing the General Endowment, the University of Maine Foundation keeps two primary goals in mind: **providing a significant and stable flow of funds to support the purpose of the endowed fund, and maintaining the long-term purchasing power of our donors' endowed funds.** The Foundation's spending policy is designed to be in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA requires us to ensure the duration and preservation of the endowment fund by appropriating a prudent amount for expenditure from endowment funds within the restrictions of any gift agreements. The net return of the General Endowment for the year ended June 30, 2021 was a record high of 32.6%.

Because long-term growth of Foundation endowments is essential to providing stable and meaningful distributions over time, the target spending amount will be 3.25% of the market value of an endowment.

In addition to the general endowment spending rate, an administrative fee of 1.25% is charged to the General Endowment Fund to support the operations of the Foundation.

Annual spending is calculated by applying the percentage to the trailing 12 quarter average market unit value of the General Endowment as of September 30 of each year.

The accompanying endowment funds list in this year's annual report also includes endowments at the University of Maine System, the University of Maine Pulp and Paper Foundation, and the Maine 4-H Foundation, which support the University of Maine.
