<b>NZ native</b>				
ACAENA CAESIIGLAUCA	1.5L	Intense blue-grey leaves which darken in winter. Spreading plant suitable for sun or part shade and dry soil conditions. Trim seed heads before mature to keep foliage fresh..	0018524143974	\$17.50
ACAENA INERMIS PURPUREA	1.5L	Quick growing groundcover with ferny foliage in beautiful shades of purple to bronze. Red seed heads produced in summer. Prefers sunny, well drained position	0018524143981	\$19.90
ACIPHYLLA AUREA	1.5L	(Golden Spaniard) Stiff pungent leaves with large golden flower heads up to 75 cm long appearing in summer. Open sunny position required. Very hardy.	0018524151603	\$24.90
ADIANTUM AETHIOPICUM	13cm	Delicate fronds of maidenhair type foliage spreading with time to form a ground cover. Quite hardy but defoliates with extreme cold. Prefers moist soil and full or semi shade.	0018524158718	\$29.90
			0018524140867	\$39.90
AGATHIS AUSTRALIS	2L	(Kauri) During early years kauri trees have upright habit of growth and distinctive bronze foliage, which turns green as tree matures. Requires shelter and protection from frost and drought.	0018524239073	\$39.90
	12		0018524178761	\$49.90
ALECTRYON EXCELSUS	3.3	(Titoki / NZ Oak) Fine spreading tree with large shiny leaves. Sprays of rusty flowers in early summer are followed by scarlet fleshy berries. Good specimen tree in well drained soil. Protect from frost.	0018524214995	\$26.90
	6.5		0018524152747	\$27.90
	4L		0018524264433	\$34.90
ANAPHALIOIDES BELLIDIODES	1.5L	Perennial with 'everlasting' flowers of silvery white. Leaves are silvery-grey and woolly. Summer flowering. Requires moisture and either sun or part shade.	0018524233132	\$21.90
ANEMANTHELE LESSONIANA	5	(Gossamer grass) syn. Oryzopsis rigida. Graceful forest grass with reddish brown tonings. Flowers in summer. Hardy.	0018524145770	\$24.90
APODASMIA SIMILIS	1.5L	(Oi Oi ) A NZ native reed with fine grey-green leaves with brownish bracts at joins. Forms a dense erect clump. Found in coastal marchlands and estuaries.	0018524164122	\$20.90
ARISTOTELIA AUNT NELL	5	Robust plant with fresh light green leaves. Produces black berries. Plant in semi shade or sun with well drained soil. Very hardy. (PVR)	0018524000697	\$26.90
ARISTOTELIA JESSIE COCKBURN	5	Compact NZ native shrub with rounded habit and glossy light green leaves . Produces a profusion of pink to dark red flowers in spring followed by speckled berries. Plant in full sun or part shade. Very hardy. (PVR)	0018524000703	\$22.90
ARISTOTELIA KINGSLEY BUTLER	5	Shapely, compact evergreen NZ native shrub. Full sun to part shade prefers well drained soil. Frost hardy.	0018524000680	\$26.90
ARISTOTELIA ROSIE BUCKINGHAM	6.5	Upright bush with attractive red stems. Rich pink flowers followed by pink berries. Plant in full sun to part shade. Frost hardy. PVR.	0018524190893	\$24.50
ARISTOTELIA SERRATA	5	Makomko, Wineberry) A handsome NZ native, deeply serrated green leaves with purple margins. Fast growing, shelter or background planting.	0018524155939	\$24.90
ARISTOTELIA THOMAS LISTER	5	Glossy green leaves with an abundance of showy cream to pink flowers in late spring. Plant in full sun or part shade. Very hardy. (PVR) .	0018524000710	\$26.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
ARTHROPODIUM CIRRATUM GOLDEN FOUNTAIN	1.5L	A stunning new form of Renga Renga lily with elegant cream and green varigated leaves. Makes a statement in a pot or shady walkway. Stems of white flowers in spring. Protect from direct sun and heavy frost. PVR	0018524152143	\$34.90
ARTHROPODIUM CIRRHATUM MATAPOURI BAY	5	(Reinga Reinga lily) Attractive form with larger flower heads and broader leaves that have a distinct bluish hue. Hardy plant which tolerates coastal conditions. Prefers some shade.	0018524166508	\$24.90
ASPLENIUM BULBIFERUM	10CM	(Hen and Chicken Fern) A beautiful NZ native fern with long recurving fronds. Easy to grow and looks best in a mass planting beneath trees.	0018524263115	\$19.90
	1.5L		0018524191708	\$28.90
ASTELIA CHATHAMICA SILVER SPEAR	2.5L	Large Chatham Island species. Silver-green leaves with a metallic sheen. Spring flowers are white and fragrant and are followed by orange berries. Will grow to large plant with great architectural merit.	0018524151719	\$28.90
ASTELIA FRAGRANS	5	Flax like plant excellent for damp shady areas. Spikes of orange berries in autumn. Very hardy.	0018524154987	\$26.90
ASTELIA NERVOSA	2L	Flax-like plant with attractive foliage used in floral work. Sweet scented long stem of flowers occur in Oct - Jan and orange fruit takes one year to ripen. Hardy.	0018524124768	\$25.50
ASTELIA NERVOSA ALPINE RUBY	2L	A colourful foliage plant with long arching ruby red leaves and silvery reverse. Forms a low compact clump. Plant in sun or partial shade. Good drainage is essential. Hardy. PVR	0018524154994	\$31.90
ASTELIA NERVOSA WESTLAND	2L	(NZ Native Plant) Dense clump-forming perennial with attractive grey-purple flax-like foliage. Requires open, well-drained site. Good in containers. Hardy.	0018524128032	\$25.90
ASTELIA NIVICOLA	2L	A small flax-like plant, extremely hardy in most conditions. Ideal for rock garden. Variation in leaf colour from bronze to silvery green. Easily grown in sun or shade, tolerate dry soils.	0018524154970	\$28.90
ASTELIA RED REBEL	2L	Attractive NZ native plant with reddish bronze leaves which turn rich claret red in winter. Suitable for rockeries, containers or mass plantings. Grows best in sunny well drained position.	0018524120135	\$25.90
AUSTRODERIA FULVIDA	2.5L	syn. Cortederia (North Island Toetoe) Large growing tussock with wider leaves than richardii. Pale green foliage in summer, topped by golden brown plumes. Very hardy.	0018524000727	\$24.90
AUSTRODERIA RICHARDII	5	(South Island Toe Toe) SYN Cortaderia richardii) Hardy grass with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun.	0018524120357	\$23.90
	5		0018524205924	\$24.90
AZORELLA TRIFURCATA	1.5L	Low growing carpeting perennial. Small clusters of yellow flowers in summer. Suits a well drained sunny spot in a rockery. Hardy evergreen.	0018524143998	\$19.90
BLECHNUM BANKSII	10CM	(Banks Hard Fern ) Tufts of dark glossy, green fronds ,paler beneath. Fertile fronds usually shorter than sterile ones which are dark brown and often partially erect. Suitable for coastal banks or rocks and often found within reach of salt splash.	0018524263122	\$19.90
BLECHNUM DISCOLOR	1.5L	( Piupiu, Crown Fern ) Forms crowns of semi-upright fronds on short trunks. Likes a cool shaded spot. Plant several together for a bold effect. Hardy.	0018524223546	\$31.90
BLECHNUM FLUVIATILE	1.5L	Distinguished by its dark green fronds which grow more or less horizontally from the crown. Easily grown in a moist and shady position.	0018524157650	\$28.90
	4L		0018524006903	\$51.90
BLECHNUM NOVAE- ZELANDIAE	10CM	Attractive clumping fern with cascading fronds which grow up to 3m long and 30cm wide. Will tolerate shade or open areas. Hardy.	0018524263139	\$19.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
BLECHNUM PENNAMARINA	1.5L	Attractive creeping fern, easy to grown in open or semi-shaded positions with reasonable moisture. Ladder-like fronds. Hardy.	0018524238304	\$31.90
BRACHYGLOTTIS DUNEDIN HYBRID	5	Large grey-green leaves with yellow daisy like flowers in summer. Prefers well-drained soil.	0018524000840	\$21.90
BRACHYGLOTTIS GREYII	5	Yellow daisy-like flowers from early to mid summer. Attractive grey foliage. A tough adaptable native with spreading habit ideal for coastal areas. Trim back after flowering.	0018524204088	\$24.90
BRACHYGLOTTIS MONROI	5	NZ native of compact spreading growth with grey felted leaves. Yellow daisy flowers. Good for exposed coastal conditions.	0018524161411	\$21.90
BRACHYGLOTTIS SUNSHINE	5	Profuse bright yellow daisy-like flowers in summer. Silver-grey downy leaves with white reverse. Bushy habit.	0018524189941	\$24.90
CAREX BUCHANANII	5	Erect robust species with reddish-brown foliage. Very hardy. Full sun for best colour.	0018524156790	\$23.90
CAREX COMANS BRONZE	5	Red brown tussock with fine shiny leaves. Effective planting in groups where a tough plant is needed. Tolerates damp and salty conditions.	0018524244121	\$5.50
	5		0018524145794	\$22.90
CAREX COMANS FROSTED CURLS	5	Delightful landscaping plant. Very hardy. Trim occasionally to bring away new silver growth. A real gem for rock & pebble garden.	0018524134026	\$23.90
CAREX CONICA SNOWLINE	1.5L	Attractive compact grass with fine white variegation on outer leaf. Keep on dry side especially in winter. Excellent tub plant.	0018524145824	\$20.90
CAREX DISPACEA	5	A densely tufted grass of light green colouring, ideal for planting amongst contrasting coloured grasses. Suitable for damp conditions.	0018524120142	\$23.90
CAREX MORROWII VARIEGATA	2L	Attractive grass with variegated margins. Ideal for a dry site or in tubs and containers.	0018524145848	\$22.90
CAREX OSHIMENSIS EVERGOLD	1.5L	Sedge with tapering leaves richly variegated green with bright creamy yellow band. Gracefully arching and spreading out at ground level. Prefers some shade. Prune regularly.	0018524145862	\$19.50
CAREX SECTA	5	(Purei)Large sedge forming huge broad pillars. Sharp, cutting margins on green leaves. Suits a damp, swampy area.	0018524121897	\$23.90
CAREX TESTACEA	5	A densely tufted plant with arching, rather wide spreading foliage. Colour varies from light brownish green to golden brown. Very hardy.	0018524120159	\$24.90
CAREX TRIFIDA	5	(Chatham Island Sedge)Hardy plant with interesting blue-green foliage and conspicuous large flower spikes.	0018524145787	\$23.90
CAREX TRIFIDA REKOHU SUNRISE	5	Hardy plant from Chatham Islands. Stout habit with numerous plump brown flower spikes and medium to wide blue-green and cream variegated leaves. Coastal planting, dry banks or pots.	0018524145855	\$25.50
CARMICHAELIA GRANDIFLORA	5	(NZ native flowering broom) Much branched shrub with numerous small leaves.Produces fragrant white or purplish,veined violet flowers in summer.Hardy. Prefers good soil with ample moisture .Tolerates drought when established.	0018524198097	\$25.90
CARMICHAELIA ODORATA	5	A spreading much branched shrub, will grow in very hard conditions. Small scented mauve flowers are formed along the branches during summer.	0018524156059	\$25.90
CARMICHAELIA PETRIEI	1.5L	South Island native broom found in the lowlands. A stout, stiffly erect shrub with yellow-green rounded compressed branchlets with sharp tips. Flowers are small and purple veined short racemes. The oblong seed pods are dark brown when ripe.	0018524009348	\$23.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
CARPODETUS	5	(Putaputawheta or Marble Leaf) Pale greyish white	0018524140973	\$22.90
SERRATUS	5	bark. Dark green leaves with light marbling on surface. Juvenile plant has small leaves. Masses of small white flowers cover tree. Very hardy and reasonably quick growing.	0018524217316	\$52.90
CHIONOCHLOA CONSPICUA	1.5L	Large tussock found throughout NZ Flower panicles from Nov - January. Very hardy.	0018524239431	\$19.90
CHIONOCHLOA FLAVICANS	1.5L	(Dwarf Toi Toi) Forms a dense clump with bright green slender, weeping leaves. Plumes of greenish-yellow flowers hang from the tips of metre long stems during summer. Very hardy.	0018524145879	\$21.90
CHIONOCHLOA RIGIDA	5	Snow tussock -Tall and stout tussock, usually tawny green or golden colour. Flowering stems up to 1.5 long. Very hardy and tolerant of dry conditions when established.	0018524123389	\$24.90
CHIONOCHLOA RUBRA	5	(Red Tussock) A graceful tussock from Fiordland.	0018524120296	\$24.90
	10L	Suitable for windy sites. Prefers open and moist soil conditions. Very hardy.	0018524001199	\$49.90
CLIANTHUS MAXIMUS	5	NZ native Red kaka beak with wonderful pendulous large red flowers in spring and summer. Larger , more shiny leaves than puniceus.Plant in sunny, well-drained site.Prune after flowering.	0018524178259	\$26.90
CLIANTHUS PUNICEUS ALBUS	5	(White Kaka Beak) A vigorous semi-evergreen medium sized shrub with curious white claw shaped flowers in spring. Prune after flowering.	0018524128681	\$26.90
CLIANTHUS PUNICEUS FLAMINGO	5	(Pink Kaka Beak)Fast growing, mainly evergreen native shrub with pink pea-shaped flowers. Suits a well-drained site in full sun protected from heavy frosts. Prune after flowering.	0018524128698	\$26.90
CLIANTHUS RED CARDINAL	3.3	Pendulous clusters of brilliant scarlet red flowers like parrots beak. Pinnate bright soft green foliage. Likes warm well drained soil.	0018524262941	\$28.90
COPROSMA ACEROSA	5	(Sand Coprosma) Low growing shrub with flexible orange brown branches. An excellent plant for coastal areas and hot dry conditions	0018524188708	\$23.90
COPROSMA ACEROSA RED ROCKS	5	Excellent rugged shrub which forms a tight tangled mound of dark reddish brown. Good for sunny situations. Will withstand salty winds and moderate frosts.	0018524154130	\$23.90
COPROSMA BLACK CLOUD	5	Attractive shrub with stunning ebony black foliage all year round.Compact habit. Will grow in full sun or shade.Hardy.	0018524154147	\$24.90
COPROSMA BLACK VELVET	2.4	Large bronze-black glossy leaves .Tolerates drought,coastal winds,sun and shade.Protect from heavy frost.	0018524164702	\$25.90
COPROSMA CRASSIFOLIA	5	A stiffly branched tight shrub with small round dark green leaves. Versatile growing in coastal and inland positions. Prefers dry conditions and full sun.	0018524209748	\$21.90
COPROSMA FLAT FREDDY	1.3l	(brunnea x kirkii hybrid) Ideal low growing groundcover plant, that prefers well drained sunny site. Hardy to frost and wind.	0018524248167	\$16.90
COPROSMA IGNITE	2.4	Bright red variegated foliage in Summer deepens to dark red burgundy in winter. Prefers full sun or part shade in well drained soil. PVR	0018524244046	\$25.90
COPROSMA MANGATANGI	5	Delightful divaricating ground cover native with colourful foliage. Slow growing with best colour when planted in full sun. Hardy.	0018524154086	\$22.90
COPROSMA MARBLE QUEEN	5	(MIRROR PLANT) Compact bushy fresh cream foliage oversprayed green. Drought resistant, will grow in most soils, sun or shade. Hardy.	0018524131629	\$23.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
COPROSMA PROPINQUA	5	Very hardy shrub with small leaves usually in clusters. Grows in heavy wet soil. Blue drupes in summer.	0018524154048	\$24.90
	12		0018524005975	\$34.90
COPROSMA PROSTRATA	5	A prostrate groundcover, ideal for walls and rock gardens. Small shiny green leaves with bright yellow gold edges. Forms a dense mat. Tolerates drought and heat once established.	0018524154079	\$24.90
KIWI GOLD				
COPROSMA PROSTRATA	5	Hardy groundcover which forms a dense mat in rock garden or over walls. Small shiny green leaves with creamy silver edges. Tolerant of drought and heat when established.	0018524154062	\$24.90
KIWI SILVER				
COPROSMA REPENS MARGARITA	2.4	A shiny leaf with citron tones with rich deep amber colour through cooler months. Prefers full sun and well drained position. Protect from heavier frosts.	0018524157537	\$25.90
COPROSMA RHAMNOIDES	5	A small, spreading variety with interlacing rust coloured branches. Small flowers appear in September/October followed by red drupes which turn deep red or black. Very hardy	0018524209755	\$24.90
COPROSMA RUGOSA CLEARWATER GOLD	5	Rugosa type. Twiggy growth with an orange/gold effect. Great for coastal planting. Very Hardy.	0018524189996	\$24.90
COPROSMA RUGOSA LOBSTER	5	Distinctive orange-red new growth which becomes brighter in winter. Low maintenance plant that suits most soil types, in full sun or part shade. A good choice for coastal planting. Very hardy.	0018524151726	\$24.90
COPROSMA RUGOSA MIDNIGHT	5	Deep purplish-bronze foliage on a twiggy, upright, compact plant. Attractive architectural plant which can be trimmed. Very Hardy.	0018524154031	\$24.90
	12		0018524262194	\$34.90
COPROSMA SCARLET O'HARA	2.4	Bold foliage in stunning red which features deep brown to black centre of the leaves. Great in pots. Easy care, prefers full sun and well drained soil. Protect from heavy frost.	0018524154154	\$25.90
COPROSMA TAIKO	5	Cushion mound of intertwining branchlets coloured dark green. Vigorous groundcover. Tolerant of poor dry sandy conditons. Very hardy.	0018524169912	\$23.90
COPROSMA VIRESCENS	5	Loosely divaricating tall shrub with slender weeping branchlets. Small leaves are light green and oval. Pale yellow drupes ripen in autumn. Very hardy. Can be trimmed and grown in garden or in container.	0018524154055	\$24.90
	25L		0018524140270	\$269.90
COPROSMA X KIRKII	5	A hardy prostrate NZ native with small green leaves and golden stems. A vigorous ground cover ideal for a sunny well, drained banks. Hardy	0018524144001	\$24.90
COPROSMA X KIRKII VARIEGATA	5	An excellent spreading variegated groundcover with pretty cream and soft green leaves. Suitable for banks and coastal conditions. Prefers full sun drained position. Hardy	0018524144018	\$24.90
CORDYLINE AUSTRALIS	6.5	(NZ cabbage tree)	0018524144025	\$26.90
	12		0018524154024	\$52.90
	35L		0018524141390	\$309.90
CORDYLINE AUSTRALIS ALBERTII	ST	An attractive cultivar with cream and green foliage with a pink mid-rib. Despite the tropical appearance it is hardy and easy to grow in most soils.	0018524263535	\$69.90
CORDYLINE AUSTRALIS BLACK KNIGHT	T	Handsome and exotic looking plant with striking heads of broad arching dark foliage. Vigorous upright habit. Best in full sun. Hardy to most soil types. Suitable for large container.	0018524154000	\$32.90
			0018524156264	\$74.90
CORDYLINE AUSTRALIS KARO KIRI	1.5L	A dwarf cabbage tree ideal for a tub of a container. Excellent indoors or outside. Easy to care for. Water regularly.	0018524149532	\$32.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
CORDYLIN AUSTRALIS RED STAR	4.5 T 25L	Wonderful new selection bred from Cordyline australis. Deep velvet red foliage. Hardy. Prefers full sun but tolerates shady positions. Suitable for garden or in a container.	0018524250436 0018524120302 0018524156271 0018524140300	\$25.90 \$32.90 \$69.90 \$269.90
CORDYLIN AUSTRALIS TORBAY DAZZLER	6.5	A stunning foliage plant, bearing spiky, variegated leaves with bold cream stripes and margins. Looks great in a large container. Prefers full sun.	0018524008044	\$32.90
CORDYLIN BANKSII LIME FOUNTAIN		A compact clumping corydline with glossy lime green foliage. Ideal planted in pots. Prefers full sun or partial shade. Hardy.	0018524247641	\$31.90
CORDYLIN BANKSII PURPLE SENSATION	2.5L	Deep purple leaves with pinkish-red mid rib. Flax-like clumping habit. Tolerates dry conditions but prefers moist well-drained soil. Great in containers. Full sun/part shade. Frost tolerant. PVR	0018524231954	\$39.90
CORDYLIN BANKSII RED FOUNTAIN	3.3	Lovely brilliant fine red foliage, flax-like in shape. After two to three years it produces cabbage tree flowers which are creamy-white and fragrant.	0018524152617	\$39.90
CORDYLIN BROADSWORD	2.5L	A superb new native which is a cross between C. Kaspar and C. Australis. A compact habit with sword-like green leaves, ideal for containers. Prefers full sun and protection from heavy frosts.	0018524243650	\$22.90
CORDYLIN INDIVISA		(Mountain Cabbage Tree) For architectural planting this wide leaved native palm makes rapid growth. Flowers creamy-lilac. Prefers a sheltered position in full sun/part shade in well drained soil.	0018524002059	\$34.90
CORDYLIN KASPAR JADE FOUNTAIN	2.4	(Three Kings Cabbage Tree) Short broad, emerald green leaves, arching from a strong upright stem. Produces strongly fragrant panicles of flowers in summer. Good for pots or in garden. Coastal tolerant. Protect from heavy frost.	0018524136303	\$28.90
COROKIA BRONZE KING	5	Small bronze and green leaves turning a deep bronze in winter. Very twiggy branches and starry yellow flowers. Excellent for coastal planting and hedging.	0018524155557	\$24.90
COROKIA COTONEASTER	5	A rigid densely branched shrub. Bright yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun.	0018524143462	\$22.90
COROKIA COTONEASTER GEENTYS GHOST		Selected for its classic silver grey foliage. Extremely tolerant of dry and exposed conditions including salt winds. Can be trimmed as topiary or hedge.	0018524120333	\$23.50
COROKIA COTONEASTER LITTLE PRINCE	5	Compact twiggy dwarf shrub with bronzy purple foliage. Very hardy. Can be trimmed into hedge.	0018524155496	\$21.90
COROKIA COTONEASTER PROSTRATA	5	A rigid densely prostrate form of corokia. Small yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun and well drained position.	0018524120319	\$23.90
COROKIA MACROCARPA		Hardy large shrub with long narrow leathery leaves. Yellow flowers in Nov - Dec followed by orange-red drupes, ripened by April. Suitable for growing in dry places under trees.	0018524155540	\$21.90
COROKIA PIPSQUEAK		Bushy shrub with small green leaves. Produces small starry yellow flowers in summer followed by yellow berries. Full sun or part shade and tolerant of wind, coastal conditions and dry once established. Makes great small hedge.	0018524155526	\$22.90
COROKIA X VIRGATA GEENTYS GREEN	5	Compact, upright plant with large glaucous green, oval leaves. Very hardy to poor soils and wind. Suitable for hedging.	0018524180436	\$24.90
COROKIA X VIRGATA BRONZE KNIGHT	5	Upright growing native with dark bronze foliage and silvery underneath. Great for hedging. Wind resistant.	0018524128704	\$24.90

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
COROKIA X VIRGATA	5	Very hardy shrub with bronze chocolate foliage and frosted reverse side of leaf. Orange-red berries in autumn.	0018524155533	\$24.90
FROSTED CHOCOLATE	10L		0018524260503	\$49.90
			0018524267991	\$55.90
COROKIA X VIRGATA RED WONDER	5	Extremely hardy coastal shrubs with dense twiggy branches and starry yellow flowers. Red berries.	0018524144179	\$24.90
COROKIA X VIRGATA SUNSPASH	5	A medium shrub with green leaves margined gold. Compact. Full sun or part shade. Has small red berries that are attractive to birds.	0018524155519	\$21.90
COROKIA X VIRGATA YELLOW WONDER	5 12	Extremely hardy coastal shrub with dense twiggy branches with small soft green leaves. Yellow starry flowers followed by yellow berries. Ideal for hedging and topiaries.	0018524144162 0018524002646	\$21.90 \$49.90
CORYNOCARPUS LAEVIGATUS		(Karaka) Excellent for coastal positions. Handsome upright tree with large polished leaves with orange fruits in autumn resembling a plum. Protect from heavy frosts.	0018524161916	\$99.90
DACRYCARPUS DACRYDIOIDES	60L	(KAHIKATEA, WHITE PINE) Juvenile state persists for many years. When mature it is a fine specimen tree that has dark green leaves arranged around branchlets. Moist situation. Hardy.	0018524161480 0018524141314	\$55.90 \$299.90
DACRYDIUM CUPRESSINUM	12	(Rimu) A graceful native with conical shape and cascading branches of light green cordlike branchlets to ground level. Hardy to cold but needs some shelter from strong or salt winds.	0018524268004 0018524253628	\$25.90 \$64.90
DAVALLIA FEJEENSIS	12CM	(Rabbit's Foot Fern) Layers of lacy fronds and long-haired rhizomes make this fern ideal for hanging baskets. Prefers a drier situation than most other ferns.	0018524265652	\$32.90
