Estas listas pueden incluir enfermeras practicantes (NP, por sus siglas en inglés) y asistentes médicos (PA, por sus siglas en inglés) participantes que ofrecen servicios de cuidado primario. Tenga en cuenta que, si bien puede atenderse con estos proveedores, en este momento Cigna no permite que las NP o los PA sean designados como su proveedor de cuidado primario (PCP). Si usa una NP o un PA como principal fuente de consulta, debe elegir a un médico participante del mismo grupo médico para que sea su PCP.

Cigna está actualizando su directorio para incluir más NP y PA participantes. Si su proveedor no aparece, puede comunicarse con él o con Servicio al Cliente de Cigna al 1-800-668-3813 (TTY 711) para validar su participación en su plan de Cigna.

Todos los productos y servicios de Cigna se brindan exclusivamente por o a través de subsidiarias operativas de Cigna Corporation. El nombre de Cigna, los logotipos, y otras marcas de Cigna son propiedad de Cigna Intellectual Property, Inc.

# Sección 1 – Introducción

## Proveedores de la red

Este directorio proporciona una lista de proveedores de la red de su plan. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Cigna tiene el compromiso de construir una red confiable de proveedores de cuidado de la salud. Los médicos, hospitales, centros y otros proveedores que contratamos deben cumplir determinados requisitos de acreditación. También deben aceptar nuestras tarifas de facturación. Esto ayuda a que nos aseguremos de que usted tenga acceso a servicios de calidad y con una buena relación costo-beneficio para el cuidado de su salud. Para construir nuestra red, nos fijamos cuántos médicos de cuidado primario y especialistas hay en un área en particular. También nos fijamos qué hospitales, laboratorios y otros centros hay en esa área. Nuestra meta es construir una red que le dé opciones y un acceso cómodo a tratamiento y servicios. Las redes de proveedores varían según el estado y el plan, e incluyen médicos, hospitales y centros de cuidado de la salud en el área donde usted vive.

Deberá elegir uno de los proveedores de nuestra red incluidos en este directorio como su proveedor de cuidado primario (PCP). Por lo general, usted deberá obtener sus servicios de cuidado de la salud por medio de su PCP. Su PCP es un médico que está capacitado para brindar atención médica general. Su PCP también podrá coordinar el resto de los servicios cubiertos que usted necesite.

Los proveedores de la red incluidos en este directorio han aceptado brindarle servicios de cuidado de la salud, cuidado de la vista y/o dentales, según corresponda. Tenga en cuenta que: No todos los planes Cigna Medicare Advantage tienen beneficios dentales y de la vista. Consulte su *Evidencia de cobertura* para ver si su plan tiene un beneficio o una asignación para servicios de cuidado de la vista y/o dentales. Para los planes con cuidado dental preventivo, puede atenderse con cualquier dentista general incluido en este directorio; sin embargo, los servicios brindados por especialistas dentales no estarán cubiertos. Para los planes con cuidado dental integral, puede atenderse con cualquiera de los proveedores de servicios dentales de nuestra red que estén incluidos en este directorio. En algunos casos, puede recibir servicios cubiertos de proveedores de servicios dentales que no pertenecen a la red. Los clientes de planes con una asignación dental pueden usar cualquier proveedor de servicios dentales con licencia que cumpla con los requisitos de Medicare.

Para cuidado de la salud, puede dirigirse a cualquiera de los proveedores de nuestra red incluidos en este directorio; sin embargo, en algunos planes es posible que necesite una referencia para determinados servicios. En algunos casos, puede recibir servicios cubiertos de proveedores no pertenecientes a la red.

## Referencias a especialistas

Aunque su PCP esté capacitado para manejar la mayoría de las necesidades médicas comunes, es posible que en algunas ocasiones usted necesite tratamiento más especializado. En esas situaciones, podrá consultar a un especialista del plan. Los especialistas son médicos que están capacitados para brindar servicios de salud para una enfermedad o una parte del cuerpo específica. Para algunos tipos de especialistas y planes específicos, deberá obtener una “referencia” de su PCP antes de poder programar una cita con el especialista. A continuación encontrará una lista de los tipos de especialidades de los proveedores para los que se necesitan referencias de su PCP antes de que pueda programar una cita con ellos. Tenga en cuenta que: es posible que se hayan agregado o eliminado algunos tipos de proveedores de la lista desde la fecha de impresión de este directorio. Debería consultar a su PCP o llamar a Servicio al Cliente al número de teléfono que aparece en la portada para ver si su plan exige una referencia para consultar a un especialista u otro proveedor. Tenga en cuenta que una referencia es diferente de la “autorización previa”, que se requiere antes de que puedan realizarse determinados servicios o procedimientos.

Además, cada PCP tiene determinados especialistas y hospitales del plan que usa para las referencias. Esto significa que los especialistas u hospitales de Cigna Medicare Advantage que usted pueda usar pueden depender del PCP que elija. Si usted desea usar determinados especialistas u hospitales, es importante que averigüe si el PCP que ha elegido da referencias para ellos.

### Relaciones dentro de nuestra red de proveedores

Cigna Medicare Advantage tiene diferentes tipos de relaciones con los proveedores. Es posible que tengamos contratos con médicos independientes, Asociaciones de Médicos Independientes, sistema de Prestación Organizada de Médicos y proveedores que atienden en clínicas de su área. Los siguientes párrafos describen la relación que tienen estos proveedores con nosotros.

- **Asociaciones de Médicos Independientes (IPA)**

Las Asociaciones de Médicos Independientes (IPA, por sus siglas en inglés) comprenden médicos de cuidado primario y especialistas ubicados en su área y en los alrededores. Si usted elige un PCP que pertenece a una IPA, debe saber que su PCP le referirá a especialistas y hospitales afiliados a la misma IPA con quienes trabaja en estrecha colaboración para coordinar su cuidado. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos pertenecientes a la misma IPA. Se puede acceder a atención ginecológica a través de cualquier ginecólogo de la red.

Su IPA está diseñada para brindarle un equipo de médicos de cuidado primario y especialistas que puedan manejar sus necesidades para el cuidado de su salud. Sin embargo, si su condición médica alguna vez exigiera solicitar atención fuera de la IPA, su médico de cuidado primario seguirá brindándole asistencia para la coordinación de las autorizaciones previas o referencias necesarias para los servicios fuera de la IPA.

- Un sistema de **Prestación Organizada de Médicos (POD, por sus siglas en inglés)** representa una red de médicos con patrones de referencia similares, organizados para administrar servicios de cuidado de la salud a los clientes del plan. Si usted elige un PCP que pertenece a una POD, debe saber que su PCP le referirá a especialistas afiliados a la misma POD con quienes trabaja en estrecha colaboración para coordinar su cuidado. Sin embargo, su PCP puede referirle a cualquier otro médico de la red fuera de la POD, y su PCP seguirá brindándole asistencia para la coordinación de los servicios necesarios fuera de la POD.

- **Médicos independientes**

Los médicos independientes son médicos de cuidado primario y especialistas que atienden en su área y en los alrededores que no forman parte de una Asociación de Médicos Independientes (IPA) o un sistema de Prestación Organizada de Médicos (POD). Si usted elige un PCP independiente, debe saber que su PCP le referirá a especialistas y hospitales con los que esté afiliado y con los cuales trabaja en estrecha colaboración para coordinar su cuidado. Confirme si el médico u hospital referido es un proveedor de la red de su plan. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos afiliados a su PCP. Puede acceder a atención ginecológica a través de cualquier ginecólogo independiente.

## Si recibe una factura

Puede haber ocasiones en que reciba una factura de un proveedor por el costo total de la atención médica que recibió. En muchos casos, debe comunicarse con Servicio al Cliente o enviarnos esta factura en lugar de pagarla. Nosotros analizaremos la factura y decidiremos si los servicios se deben cubrir. Si decidimos que se deben cubrir, le pagaremos directamente al proveedor. (Tenga en cuenta que no podemos pagarle a un proveedor que ha optado por quedar excluido del programa Medicare. Consulte a su proveedor antes de recibir servicios para confirmar que no haya optado por quedar excluido de Medicare). Si determinamos que los servicios no están cubiertos o que no eran médicamente necesarios, es posible que deneguemos la cobertura, y usted será responsable del costo total.

## Atención de emergencia y cuidado de urgencia

Usted puede recibir atención médica de emergencia cuando la necesite, en cualquier lugar de los Estados Unidos o de sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a la sala de emergencias de otra forma podría poner en peligro su salud. Consulte su *Evidencia de cobertura* para conocer detalles. Usted también puede recibir atención médica de emergencia cubierta cuando la necesite en cualquier lugar del mundo. Si tiene una emergencia, hablaremos con los médicos que le están brindando la atención de emergencia para ayudar con la administración y el seguimiento de su atención. Los médicos que le estén brindando atención de emergencia determinarán cuándo su condición está estable y ha finalizado la emergencia médica. Una vez finalizada la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su condición se mantenga estable. Nuestro plan cubrirá su atención de seguimiento. Si la atención de emergencia es proporcionada por proveedores fuera de la red, intentaremos coordinar que proveedores de la red se hagan cargo de su atención tan pronto como su situación médica y las circunstancias lo permitan.

Debe usar proveedores del plan, salvo en situaciones de atención de emergencia o cuidado de urgencia. Si recibe atención de rutina de proveedores no pertenecientes a la red, ni Medicare ni Cigna se harán cargo de los costos.

## Servicios de telesalud

Para la atención que no es de emergencia, puede conseguir visitas al médico a demanda en minutos a través de su teléfono inteligente, su computadora o su tableta. Puede hablar en vivo con un proveedor de telesalud de MDLIVE acerca de varios temas de salud, como alergias, gripe, y molestias y dolores articulares. Para obtener más información sobre este beneficio, llame a MDLIVE al 1-866-918-7836 (TTY 711) o visite [www.MDLive.com/CignaMedicare](http://www.MDLive.com/CignaMedicare).

## Servicios de salud del comportamiento

Los servicios de salud del comportamiento para beneficiarios, incluidos los servicios de salud mental y abuso de sustancias, están cubiertos por su plan. Los clientes y proveedores pueden acceder a los servicios de salud del comportamiento llamando al 1-866-780-8546 (TTY 711) para recibir asistencia para encontrar un profesional de cuidado de la salud del comportamiento o para coordinar la autorización para una admisión como paciente internado. Los servicios de salud del comportamiento están disponibles las 24 horas, los 7 días de la semana.

### Introducción

Cuando este directorio de farmacias hace referencia a “nosotros”, “nos” o “nuestro”, significa Cigna Medicare Advantage. Cuando hace referencia al “plan” o a “nuestro plan”, significa Cigna TotalCare (HMO D-SNP), Cigna Preferred Medicare (HMO) y Cigna Preferred Savings Medicare (HMO).

Este directorio proporciona una lista de farmacias de la red de su plan. Para obtener una descripción completa de su cobertura de medicamentos con receta e información sobre cómo despachar sus recetas, consulte la *Evidencia de cobertura* y el Formulario de su plan.

Llamamos a las farmacias de esta lista “farmacias de la red” porque firmamos convenios con ellas para que proporcionen medicamentos con receta a los clientes del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por su plan únicamente si se despachan en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no es necesario que siga yendo a la misma farmacia para que le despachen sus medicamentos con receta, sino que puede cambiar por cualquier otra farmacia de nuestra red. Le despacharemos los medicamentos con receta en farmacias no pertenecientes a la red en determinadas circunstancias, tal como se describe en su *Evidencia de cobertura*.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista desde la fecha de impresión de este directorio. Esto significa que es posible que algunas farmacias que aparecen en esta lista ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no estén en la lista. Esta lista está actualizada a de noviembre de 2023. Para consultar la lista más actualizada, llame a Servicio al Cliente al 1-800-668-3813 (TTY 711).

Puede ir a todas las farmacias incluidas en esta lista, pero sus costos para algunos medicamentos pueden llegar a ser más bajos en las farmacias de esta lista que ofrecen opciones preferidas de costo compartido. Hemos marcado estas farmacias con un recuadro gris para distinguirlas de otras farmacias de nuestra red, que ofrecen opciones estándar de costo compartido. Si usted es cliente de nuestros planes Medicare Advantage Primary HMO de Cigna o Medicare Advantage TotalCare HMO de Cigna, su costo compartido es el mismo en una farmacia de la red estándar que en una farmacia de la red preferida.

Puede pedir que los medicamentos con receta se le envíen a su hogar a través del programa de entrega mediante pedido por correo de nuestra red. Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días siguientes al momento en que la farmacia de pedido por correo reciba el pedido y su forma de pago. Si no recibe su(s) medicamento(s) con receta dentro de este plazo, avísenos. Para obtener más información, comuníquese con nosotros o consulte la sección sobre pedidos por correo de este *Directorio de farmacias*.

Este directorio es para **Texas Condados:** Cameron, Hidalgo, Webb y Willacy, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias en las que es posible que nuestro plan cubra sus medicamentos con receta. Para obtener información sobre más farmacias de la red de nuestro plan no incluidas en este directorio, llame a Servicio al Cliente al 1-800-668-3813 (TTY 711).

Si tiene alguna pregunta sobre alguno de los temas mencionados, en la portada y en la contraportada de este directorio encontrará ón sobre cómo ponerse en contacto con nosotros.
