Dear Alicia:

Thanks for your newsy letter of November 1, and the enclosure thereto. Please let us know if you get any concrete information on any excursions by SISS out your way.

My daughter is fooling around with Sarah Lawrence and Connecticut College. I think that she has inherited some square corpuscles from my mother. I'll sweat it out and see whether she decides to ride with the system or not.

Please give my best to all who remember my whirlwind visit. I'll be at Oberlin on the 17th and the ACLU in Akron the next day. That's near but not near enough.

As ever,

William M. Kunstler
