

Hanover County, Virginia

37 years and growing strong!

**2022 Wholesale Groundcover &
Perennial Catalog**

Pachysandra Cutting Stock

Welcome!

Welcome to Hanover Farms - growing the finest ground cover and perennials in the Mid-Atlantic for wholesale trade – garden centers, landscape contractors, and re-wholesale distributors.

Founded in 1984 by Jim and Marguerite Bruce, we have now grown to 105 greenhouses (over 210,000 square feet total), approximately 15 acres of stock in both ground beds and field stock plus another two acres of container stock. Jim & Marguerite retired in early 2019 and Hanover Farms became part of the Cross Creek Nursery Family, begun in 1974 by Gene and Diane McAuliffe and now led by the next generation McAuliffe Family. We pride ourselves on quality and service as confirmed by our customer loyalty year after year. We offer all the tried and true ground cover varieties in multiple sizes from peat pots up to 3 quart. We are continuing to expand our line of perennials and ornamental grasses in 3 and 4 quart.

We proudly support the following industry associations:

AmericanHort

Virginia Greenhouse Growers Association

Central Virginia Nursery and Landscape Association

Maryland Nursery, Landscape and Greenhouse Association

International Plant Propagators Society

We sell wholesale to the Nursery and Landscape trades only. Possession of this price list does not by itself qualify a person as a wholesale customer. Prices are FOB at our farm in Hanover County, Virginia.

OFFICE HOURS

Monday - Friday, 7:30 AM - 4:30 PM

AVAILABILITY

Our availability is updated weekly and sent to all who request it. If you would like to be added to our list, please call our office or email.

Availability can be seen on our website **HanoverFarms.com**

HOW TO ORDER

Email: info@hanoverfarms.com **Call:** 804-749-4304

MINIMUM ORDER

\$600 minimum for delivery by our truck; no minimum for UPS delivery or for pick up at the Nursery. Please call in advance to allow us time to pull your order.

Flats are sold in whole tray units only; three & four quart pots are sold individually. They are tagged with plant name and cultivar.

ORDER DEADLINES – New orders and changes and/or additions will be accepted until 10:00am the day prior to delivery.

CONTRACT GROWING is available, please call with your requests.

CLAIMS - Our plants are guaranteed to be true to name and in healthy condition when shipped. Plants travel at the expense and risk of the purchaser. All claims must be reported to us within 48 hours of receipt. Our liability will not exceed the purchase price.

TERMS AND CONDITIONS

PAYMENT - Our terms are cash, check or major credit card at the time of sale. All accounts are COD until a credit application has been received and approved. For those who have established credit and maintained a record of prompt payment, our terms are due 30 days from invoice date. Past due accounts (over 30 days) will be charged a service charge of 1.5% per month plus collection costs. Accounts past 60 days are cash only. Those wishing to establish credit should complete three cash sales and request a credit application. **If a credit card is used to pay a net 30 account after the date of the sale, a fee of 5% will be charged.** There will be a \$40.00 added charge for returned checks.

CUSTOMER PICK UP

Pick-ups must arrive by 3:00 pm. Please allow a half day advance notice to pull your order.

Directions:

From **Richmond**, take I-64 west about 20 miles to Exit 167, Oilville exit, (VA 617). Go north (right) 0.6 mile, turn left, just past Oilville Business Park onto Oilville Rd. (VA 617). Go 2.8 miles to stop sign, turn right onto Vontay Rd.(VA 611). Go about 0.5 mile to another stop sign (at Rockville Market Cafe), bear left onto Spring Rd.(VA 617). Go about 1 mile, sign for Hanover Farms on right just before bridge.

From **Washington**, take I-95 south to Ashland and exit onto VA 54 west. Go through Ashland to Montpelier (about 20 miles). Turn right onto US 33 west into town of Montpelier and turn left on Clazemont Rd.(VA 715) just past the Montpelier Center for Arts & Education. Go about 4 miles to stop sign, turn right on Taylors Creek Rd.(VA 610). Go about 0.6 mile and turn left on Spring Rd.(VA 617). Go about 1 mile, cross bridge. Our sign is on the left, second driveway, about 200 yards from bridge. Large trucks over 10 tons should use I-295 west to I-64 and then the Richmond Directions.

SHIPPING METHODS

BOXED SHIPMENTS - Shipment by UPS is available for orders less than a truck minimum. The boxing and handling charge is \$2.00 per flat and we bill UPS charges at cost. We have boxes and inserts to ship all flats in boxes of 1 to 4 flats, depending on size. We do not ship 3 & 4 Quart material by UPS. We suggest shipping Monday through Wednesday to assure delivery before the weekend.

For large shipments outside of our truck delivery area, we can ship palletized by UPS or FedEx. You must have a forklift or loading dock. Please call for a quote.

HANOVER FARMS TRUCK

A minimum order of \$600 - A minimum delivery charge of \$75 local, \$90 beyond 50 miles

Our delivery fee is based on distance (by road) from our location charged as a percent of invoice total:

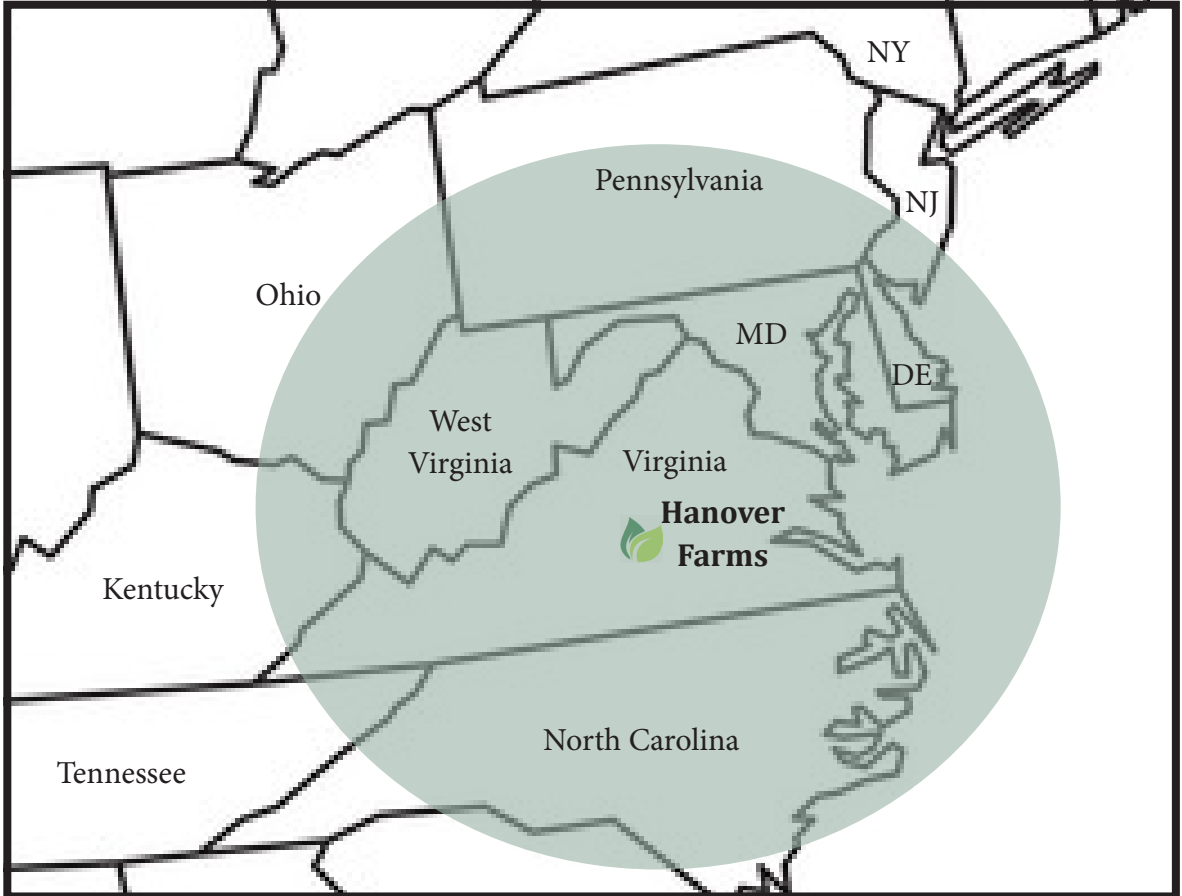

Distance	Freight Cost	Minimum Freight
0-50 miles	10%	\$75
51-120 miles	15%	\$90
121-200 miles	15%	\$120
201-250 miles	15%	\$250

For orders less than a truckload (640 flats) we reserve the right to combine orders to make delivery more efficient. We ship on rolling carts and **help is required in unloading your order.**

Groundcovers

AJUGA reptans

Bugleweed

Fast spreading choice for sunny locations with some afternoon shade. Mostly evergreen, needs good drainage and can take drought conditions once established.

'**Bronze**' Purple bronze leaves, blue flowers, sun or shade, 5"

'**Burgundy Glow**' Purple, white & green foliage, blue flowers, 5", sun or shade

x tenorii '**Chocolate Chip**' Narrow bronze leaves, blue flowers, 3", sun or shade

'**Catlin's Giant**' Large purple leaves, blue flowers, 7", sun or shade

4" /18 per tray \$23.50

2½" x 3" / 24 per tray \$20.50

Ajuga 'Bronze'

Ajuga 'Burgandy Glow'

Ajuga 'Chocolate Chip'

LIRIOPE

Lilyturf, Monkey Grass

Grass-like foliage suitable for sun and shade. Excellent choice for bordering walkways and mass bed plantings. Late summer flower spikes. All are clumping varieties except 'spicata', which is an aggressive spreader.

muscaria '**Royal Purple**' Green, broad leaves, deep purple flowers, clumping, 12-18" foliage, sun or shade.

2½" x 3" / 24 per tray \$19.50

4" /18 per tray \$19.95

3 Qt/each \$3.95

muscaria '**Big Blue Improved**' Dark green foliage with dark violet blue flowers

2½" x 3" / 24 per tray \$19.50

4" /18 per tray \$19.95

3 Qt/each \$4.25

muscaria '**Monroe's White**' Green, broad leaves, white flowers, clumping 12-18" foliage, **MUST GROW IN SHADE**

4" /18 per tray \$19.95

3 Qt/each \$3.95

Ajuga 'Silver Queen'

Liriope 'Royal Purple'

Liriope 'Monroe's White'

Liriope 'Big Blue'

Ajuga 'Catlin's Giant'

muscari 'Variegata' The typical variegated, yellow/cream color in leaves, lavender flowers, clump forming, 12-18" foliage, variegation is more pronounced in the sun, less in the shade

2½" x 3" / 24 per tray \$19.50
 4" / 18 per tray \$19.95
 3 Qt/each \$3.95

spicata The hardiest green liriope, aggressive spreader, pale lilac flowers, 12-18", sun or shade, good for erosion control

2½" x 3" / 24 per tray \$19.50
 4" / 18 per tray \$19.95
 3 Qt/each \$3.95

spicata 'Silver Dragon' Spreading to form loose colonies with very white variegation, 12-18" foliage, pale lavender flowers, sun or shade

4" / 18 per tray \$21.50
 3 Qt/each \$4.25

OPHIOPOGON

Mondo Grass

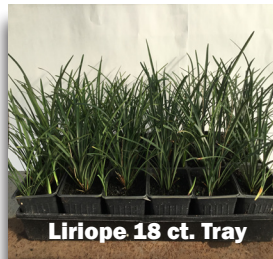

Narrow dark green leaves, white flowers followed by blue berries, will fill in to create a lawn like groundcover, shade only

japonicus 'Nana'

Excellent deep shade ground cover, slowly grows by rhizomes in difficult areas such as tree roots and between stepping stones. 2-3" high

japonicus 8-10"

Ideal choice for shady areas where grass struggles such as under large trees. Deep green color, thin blades, will be a carpet in a couple of growing seasons planted 12-18" apart.

2½" x 3" / 24 per tray \$19.50
 4" / 18 per tray \$19.95

planiscapus 'Nigrescens' Black Mondo Grass

Extremely slow growing, thin dark purple-black leaves best for shade. A rare ground cover plant exhibiting this distinctive color. Pink flowers in summer. 8-12"

4" /18 per tray \$59.95

PACHYSANDRA

Spurge

terminalis Japanese Pachysandra - evergreen, leathery, toothed foliage, white flowers in early spring, shade, 6-12", dense colonizer

2" peat pot/50 per tray \$19.75

4" /18 per tray \$18.75

3 Qt/each \$3.95

variegata Creamy white edges, shade

4" /18 per tray \$19.75

VINCA

Periwinkle, Myrtle

minor 'Bowles' One of the most popular and widely used ground covers. small leaves, large blue flowers, low growing, dark evergreen, shade, 6-8"

2" peat pot/50 per tray \$24.95

4" /18 per tray \$20.95

Vinca minor 'Illumination'

Vinca m. 'Ralph Shugert'

Vinca m. 'Alba'

Perennials

ACHILLEA

Yarrow

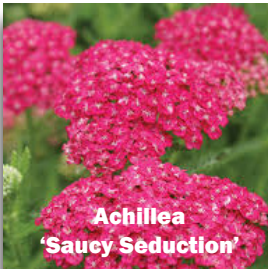

Adaptable plants with ferny aromatic foliage. Long blooming, deer resistant, and tolerant of heat and drought.

millefolium 'Little Moonshine' Yellow blooms summer through fall, 14"

millefolium 'Saucy Seduction' Pink blooms summer through fall, 25"

millefolium 'New Vintage Red' Red blooms summer through fall, 25"

4 Qt/each \$4.75

ASCLEPIAS

Milkweed, Butterflyweed

A native wildflower very attractive to pollinators including butterflies, birds and bees. Long blooming, can tolerate hot, dry clay soil conditions, Zones 3-9, full sun.

tuberosa Butterfly weed, **native**, bright orange flowers, 18 - 24"

3 Qt/each \$4.50

incarnata Swamp milkweed, **native**, rose purple flowers, 24-48", part shade, moist to wet soil

3 Qt/each \$4.50

syrriaca Common milkweed, **native**, pinkish purple flowers, 36 - 60", sun

3 Qt/each \$4.95

ASTER symphyothrichum novae-angliae

Purple Dome Daisy-like bright purple flowers in September & October on compact plants. 18-24" Sun, Zones 3-8

4 Qt/each \$4.50

ASTILBE

False Spirea, False Goat's Beard

Fern like foliage & feathery plumes of flowers in May to August, needs some shade, more water in sun, Zones 3-8

arendsii 'Bridal Veil' Long, pure white airy plumes over green foliage, fragrant, blooms late May - June

arendsii 'Fanal' Dark red flowers, bronze foliage 9-12", compact, early

japonica 'Montgomery' Red blooms, bronze foliage 24-28", mid bloomer

japonica 'Rheinland' Pink blooms, dark green foliage 18- 24", mid bloomer

chinensis 'Visions' Lilac purple blooms, bronze-green foliage 15-24", best for dry conditions, late bloomer

4 Qt/each \$ 4.95

CERATOSTIGMA plumbaginoides

Plumbago, Leadwort

A semi-evergreen ground cover that grows rapidly after the first growing season. Bright blue flowers from Summer to Fall. Burgundy Fall leaf color, will adapt to dry conditions and live under large shade trees, grows 8-12".

3 Qt/each \$4.50

CHRYSOGONUM virginianum

Green & Gold

Native, bright green foliage. Long blooming yellow-gold flowers will succeed in dense shade. Can adapt to dry conditions once established and attractive to butterflies. 3-6", shade

4 Qt/each \$4.95

COREOPSIS

Tickseed

Clump forming for mass planting or borders with long blooming daisy-like flowers in late summer into fall. Adaptable to poor soils, heat and sun to some shade.

'Enchanted Eve' Li'l Bang series Large single dark yellow blooms with reddish orange centers. 12", mounding, long blooming

4 Qt/each \$5.25

'Daybreak' Li'l Bang Series Bright red petals trimmed in golden yellow with deep yellow centers. 12", super compact, long blooming

4 Qt/each \$5.25

'Mercury Rising' pp Big Bang series Deep red with bright yellow centers 15-18", blooms June to frost

4 Qt/each \$5.25

'Red Elf' Li'l Bang series Satiny red blooms with golden centers. 12", compact, blooms summer to fall

4 Qt/each \$5.25

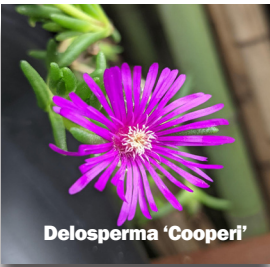

verticillata 'Moonbeam' Small yellow flowers, fern like foliage 18-24", blooms June to October

4 Qt/each \$4.75

verticillata 'Zagreb' Golden yellow flowers, 12-18", flowers June to October

4 Qt/each \$4.75

DELOSPERMA cooperi

Ice Plant

Succulent foliage, magenta flowers from June to frost, needs a well drained location in winter 4-6", sun, Zones 5-10

4 Qt/each \$4.50

DIANTHUS

Pinks

Carnation like flowers from Spring to Summer, needs a well drained location in winter, sun, Zones 3-9

'Coral Reef' pp Deep coral double blooms and blue-gray foliage 7"

4 Qt/each \$4.95

'Firewitch' Fragrant magenta blooms, gray foliage 6"

4 Qt/each \$4.50

'Frosty Fire' pp Red, fragrant flowers, blue-gray foliage 7"

4 Qt/each \$4.95

'Memories' pp Elegant pure white double blooms 10"

4 Qt/each \$4.95

'Neon Star' pp Fluorescent pink flowers, blue-gray foliage 7"

4 Qt/each \$4.50

'Peppermint Star' pp Pink blooms with a rose eye and gray foliage 7"

4 Qt/each \$4.95

ECHINACEA

Coneflower

Clump forming for mass planting or borders with long blooming daisy-like flowers in late summer into fall. Adaptable to poor soils, heat and sun to some shade.

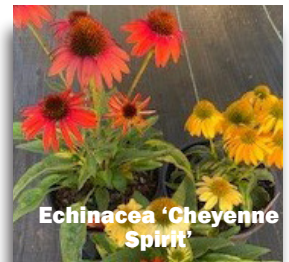

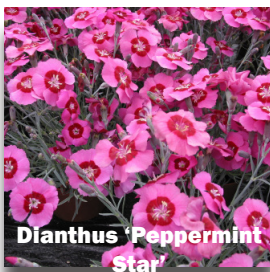

'PowWow Wild Berry' Rose -purple flowers, 18"-24"

'PowWow White' Well branched plants with 3 - 4" pure white blooms, 18", blooms Spring through Summer

'White Swan' Pure white flowers, 18"-24"

'Cheyenne Spirit' Cream, red, pink, orange and yellow flowers on same plant

4 Qt/each \$4.75

FERNS

Shade and moisture are required for this perennial group. While non evergreen varieties will die back in late fall, cut back evergreen varieties just before the new spring growth begins to emerge, not in the Winter.

Adiantum pedatum - Five Finger/Northern Maidenhair - Native, Spreading to a table top of light green fronds, 15-24", damp but not wet shade, deciduous

Athyrium niponicum 'Pictum' - Japanese Painted - Lacy, variegated foliage, spreading to 12" high, moist to semi-moist shade, deciduous

Athyrium filix-femina- Lady - Native, Light green, medium size slowly spreading, erect fronds, 24-36", damp shade to damp sun, deciduous

Cyrtomium fortunei - Fortune's Holly - Native - Prefers moist shade, 18" - 30"

Dryopteris erythrosora 'Brilliance' - Autumn - Native - Medium size, 24-30" rosette, new foliage has orange/ bronze cast, damp to dry shade, evergreen

Matteuccia struthiopteris- Ostrich - Native, Large rosettes 24-36", large erect fronds, damp shade to damp sun, deciduous

Osmunda cinnamomea- Cinnamon - Native, Medium green, large 36-48" rosette, cinnamon-colored fertile fronds form in spring, deciduous

Polystichum acrostichoides- Christmas - Native, Dark green, medium size, 24-30" rosette, damp to dry shade, evergreen

Polystichum polyblepharum- Tassel - Native, Dark green, glossy fronds, 12- 18" rosette, damp to dry shade, evergreen

3 Qt/each \$4.95

HEMEROCALLIS

Daylily

Produce masses of flowers in full sun hot & dry conditions. While the individual flowers live only one day, many are classified as re-bloomers with some flowering activity throughout the growing season

'Happy Returns' Light yellow repeat bloomer with, 3" flowers. Excellent dwarf variety growing to 18" tall, adapts to dry conditions

'Ruby Stella' Ruby red rebloomer growing to 18"

'Stella d'Oro' Fragrant golden yellow repeat bloomer. Very prolific dwarf selection only growing to 15"

4 Qt/each \$4.25

HEUCHERA

Coral Bells

Dense mounded plants with lobed foliage succeed best in morning sun and afternoon shade. Evergreen foliage, long blooming, plant in well draining soil.

micrantha 'Palace Purple' Deep purple leaves fading to bronze in Summer heat. thrives in partial shade, clumping

4 Qt/each \$5.95

americana 'Green Spice' 8-14", broad green leaves with silver overlay, turns reddish orange in fall

4 Qt/each \$5.95

villosa 'Caramel' pp Butterscotch leaves with purple toned undersides. Heat and humidity tolerant. Pink to white blooms appear in July. Height only 12"

4 Qt/each \$5.95

villosa 'Citronelle' pp Light yellow green leaves with silver undersides, 12", creamy white flowers

4 Qt/each \$5.95

villosa 'Obsidian' pp Shiny broad leaves like black satin, great garden performer, 10 - 16"

4 Qt/each \$5.95

'Magma' Bright pink foliage turns to vibrant red. Pink blooms spring through summer 24"

4 Qt/each \$7.50

'Midnight Rose' pp Dark purple to nearly black foliage with bright pink streaks and spots 10"

4 Qt/each \$7.50

'Plum Pudding' Shimmering plum purple foliage with silver veining. Greenish white blooms spring through summer, 8" - 24"

4 Qt/each \$5.95

'Silver Scrolls' pp Dark purple leaves with silver overlay and dark veining, 12"

4 Qt/each \$5.95

HEUCHERELLA

Foamy Bells

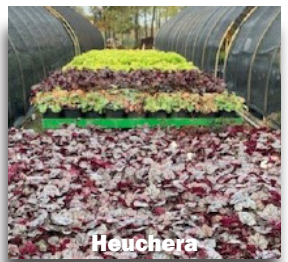

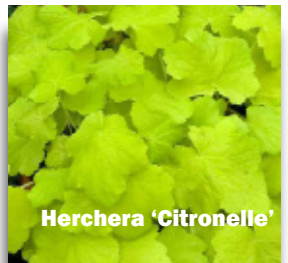

Cross between Heuchera and Tiarella. Deer resistant with long blooming flowers.

'Golden Zebra' pp Bright yellow leaves with burgundy streaks. Dense habit, white blooms in early spring, 10"

'Pink Revolution' pp Bright pink flowers sit high above green foliage. Profuse bloomer, 15"

'Sweet tea' pp Large orange-peach star shaped leaves . White blooms in early spring, 20"

4 Qt/each \$7.50

HOSTA

Plantain Lily

Hostas are well suited for our Zone 5-7 climates and thrive in lightly shaded locations. Prefer moisture but tolerates dry periods.

undulata 'Albo Marginata' Medium green leaves with white edges, pale lavender flower, may lose variegation in summer, 18"

4 Qt/each \$4.95

fortunei 'Aureomarginata' Dark green leaves with gold edges, lilac flowers grows to 24"

4 Qt/each \$4.95

'Blue Angel' Biggest of the blue varieties, heart shaped blue-gray leaves, white flowers, 36" spread almost 4'

4 Qt/each \$4.95

sieboldiana 'Elegans' Large corrugated blue gray leaves, white flowers, 30", needs good shade

4 Qt/each \$4.95

'Empress Wu' pp Largest hosta known, dark green leaves, reddish violet flowers, 48"

4 Qt/each \$7.50

'Francee' Dark green leaves with narrow white margins, 24", pale lavender flowers, good sun tolerance

4 Qt/each \$4.95

'Frances Williams' Blue green wide heart shaped leaves with yellow margins, growing to 24", white flowers

4 Qt/each \$5.50

'Guacamole' Chartreuse leaves, fragrant white flowers, 22"

4 Qt/each \$5.50

'June' Gold leaves bordered by a blue green shade margin. Slug resistant, pale lavender flowers in August, 16"

4 Qt/each \$7.50

'Krossa Regal' Silvery blue pointed leaves, pale lilac flowers, 18", holds blue color well

4 Qt/each \$5.50

'Liberty' Thick leaves with blue green centers and neon yellow margins. Slug resistant, purple blooms in July, 24"

4 Qt/each \$7.50

undulata 'Medio Variegata' Medium green wavy leaves with white centers, 18", lavender flowers

4 Qt/each \$4.95

'Patriot' Green leaves with white margins, lavender blooms, 22", excellent sun tolerance

4 Qt/each \$5.50

'Paul's Glory' Chartreuse heart-shaped leaves bordered by blue green margins. Lavender flowers in July, 24"

4 Qt/each \$7.50

'Stained Glass' Bright golden green leaves with dark green margins, 24", pale lavender flowers

4 Qt/each \$5.50

'Sum & Substance' Yellow green leaves, lavender blooms, 30"

4 Qt/each \$5.50

Hosta 'Stained Glass'

Hosta 'Patriot'

Hosta 'Blue Angel'

H. 'Aureomarginata'

Hosta 'Frances Williams'

HYPERICUM calycinum

St. John's Wort, Aaron's Beard

Green leaves with 3" bright yellow flowers, sun to part shade grows 15-18" high. Spreading by rhizomes, it will form a dense colony over time, attracting butterflies and has little interest to deer.

4"/18 per tray \$18.95
4 Qt/each \$4.50

LAVANDULA

Lavender

Best in full sun and well-drained soil. Grey-green to silver foliage, lavender to purple fragrant flowers. Tolerates heat and humidity well. Zones 5-9

angustifolia 'Hidcote' Deep violet-blue flowers, compact silver-grey foliage

3 Qt/each \$4.25

intermedia 'Phenomenal' pp Compact, silvery foliage, purple flowers

3 Qt/each \$ 4.95

intermedia 'Sensational' pp Broad, thick bright silver leaves, intense purple, strong stems, good for cut flowers

3 Qt/each \$4.95

LEUCANTHEMUM

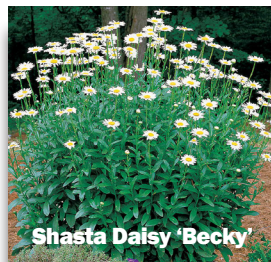

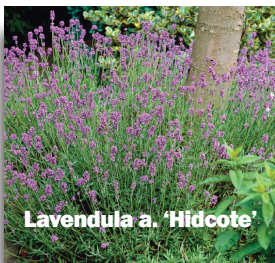

Shasta Daisy

White single daisy blooms last long and will produce more once removed. Glossy green foliage, needs good drainage.

'Becky' Grows to 36", blooms by June and again in late Summer

'Snowcap' Dwarf, topping at 15". Prefers afternoon shade in hot areas.

4 Qt/each \$4.25

NEPETA x faassenii

Cat Mint

Gray green fragrant foliage with blue-purple flowers, for full sun including hot & dry areas once established. A great choice for mass planting for a wave of blue. Cut back when blooms begin to fade to extend bloom season

'Dropmore' 12-18" most cold tolerant

'Junior Walker' Gray green finely textured foliage. lavender blooms, low spreading habit, 14"

'Walker's Low' 18-30" good deer resistance

4 Qt/each \$4.25

PEROVSKIA

Russian Sage

Will develop a woody "shrub like" appearance over time when cut back. New growth appears from all the buds so don't cut too low.

'Blue Steel' Aromatic, silvery foliage Airy blue blooms in summer, 24"

'Lacey Blue' Densely branched shorter version of 'Little Spire'. Large purple-blue blooms in summer, 16"

'Little Spire' pp 12-24". Aromatic foliage, blue spikes on gray foliage, great choice for hot & dry locations

3 Qt/each \$4.50

PHLOX

Creeping Moss Phlox

A low spreading ground cover 4-6" for full and part sun locations. Produces a carpet of color in early Spring that lasts. Good choice for sunny slopes. *Native*

subulata 'Crimson Beauty' rosey red flowers

subulata 'Drummond's Pink' large rose colored flowers, fragrant

subulata 'Emerald Blue' light blue flowers, dark green foliage

subulata 'Fort Hill' deep pink flowers

subulata 'Snowflake' white flowers, bright green foliage, compact

subulata 'Spring White' white flowers, early bloomer

3 Qt/each \$3.95

Nepeta 'Walker's Low'

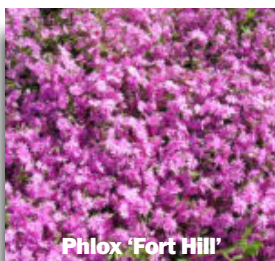

Nepeta 'Dropmore'

Perovskia 'Little Spire'

Perovskia 'Lacey Blue'

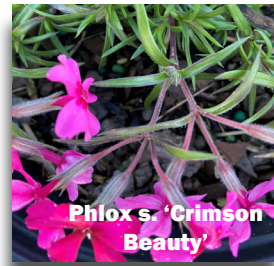

Phlox 'Fort Hill'

Phlox s. 'Snowflake'

Phlox s. 'Emerald Blue'

Phlox s. 'Crimson Beauty'

PYCNANTHEMUM virginianum

Mountain Mint

Native, Pollinator friendly ground cover with white flowers, 2'-3'. Grows in sun or shade; good for wood edges and open areas near ponds or streams.

4 Qt/each \$4.25

RUDBECKIA

Black-Eyed Susan

'American Goldrush' Thrives in wet, humid climates. Masses of gold and black blooms summer to frost, 26"

4 Qt/each \$5.25

fulgida 'Goldsturm' - **Native**, Deep yellow-gold flowers with black eyes, growing to 24" in full sun. Will spread by rhizomes forming a large colony over time

4 Qt/each \$4.25

'Little Suzy' Small yellow daisies with dark brown centers, 26"

4 Qt/each \$5.25

SALVIA

Meadow Sage

Perennial "workhorse" with long blooming period when cut back. Will tolerate "hot & dry" once roots are established.

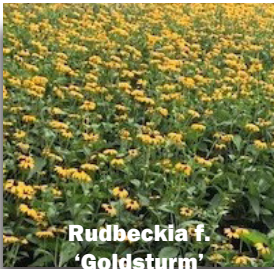

nemorosa 'Blue Hill' 24" blue flowers, heat & humidity tolerant
nemorosa 'Caradonna' 18" compact, black stems, violet blue flowers

nemorosa 'May Night' 18", Indigo blue flower spikes

nemorosa 'Rose Marvel' pp 12", bright rose colored flowers

silvestris 'Snow Hill' 18" white flowers

4 Qt/each \$4.50

SARCOCOCCA hookeriana humilis

Sweet Box

Glossy, evergreen foliage, fragrant white flowers in spring, 12", shade, drought tolerant

4"/18 per tray \$34.95
3 Qt/each \$7.85

SEDUM

Stone Crop

spectabile 'Autumn Joy' 24-36", green foliage with large pink flower clusters that turn maroon in fall

4 Qt/each \$4.25

TIARELLA cordifolia

Foam Flower

Woodland plant with lobed semi-evergreen leaves. Flowers are long lasting appearing in spring and often again when Fall arrives. *native*, medium green foliage, white flowers in spring, 10", shade
'Brandywine' large, wrinkled, heart-shaped leaves with burgundy centers. Light pink blooms, forms modest runners, 12"

4 Qt/each \$4.95

VERONICA

Speedwell

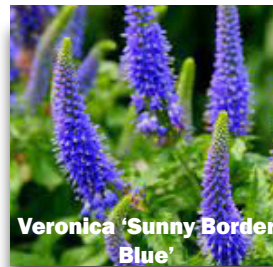

Small spikes of flowers will continue to bloom once cut back. Thrives in full sun and attracts butterflies.

'Red Fox' Compact, bushy fuchsia pink flowers 12-15"

'Royal Candles' pp Compact variety growing to only 15'-18", with violet blue flowers and shiny evergreen leaves

'Sunny Border Blue' Thick dark blue spikes, long lasting blooms when dead headed, grows to 18" to 24"

4 Qt/each \$4.50

Ornamental Grasses

A close-up photograph of several ornamental grasses. The focus is on the seed heads, which are covered in fine, white, feathery bristles and have a soft pinkish-purple hue. The background is a blurred mix of similar colors, creating a dreamy, ethereal atmosphere. The lighting is soft and diffused, highlighting the texture of the grasses.

ACORUS

Sweet Flag

gramineus 'Minimus Aureus' Bright yellow foliage, this dwarf variety only grows to 4". Spreading slowly by rhizomes, prefers a moist and shady location.

graminea 'Ogon' Golden yellow grass-like leaves, 10"

Flat of 15 one quart pots \$44.25

3 Qt/each \$4.95

CAREX

Sedge

'Evercream' Rich dark green leaves with creamy white edges, 20"

flacca 'Blue Zinger' Blue-gray narrow leaves growing only 10" in both sun and part shade. Spreads by rhizomes making it a good choice for erosion control, Zone 4.

oshimensis 'Evergold' pp Green and bright yellow variegated leaves, slightly weeping, grows to 1' in a shady location. Zones 5-9

oshimensis 'Everillo' pp Green and bright yellow variegated leaves, slightly weeping, grows to 1' in a shady location. Zones 5-9

oshimensis 'Everest' pp Green and white variegated leaves, Slightly weeping, grows to 1' in a shady location. Zones 5-9

3 Qt/each \$5.95

MUHLENBERGIA

Muhly Grass. Hair Grass

capillaris 'Pink Muhly' - Distinctive pink-purple plumes from August thru November. Growing to 3', Zones 6-10

4 Qt/each \$4.95

capillaris 'White Cloud' Blooms with pure white plumes later in season than the pink variety. Grows to 3' Zones 6-10

4 Qt/each \$5.95

PENNISETUM alopecuroides

Fountain Grass

'Cassian' Full sun, to 24", green summer foliage turning to red-orange in fall, More winter hardy than 'Hameln', Zones, 5-9

'Hameln' Dwarf fountain grass grows only to 1'-2' with July flower heads. Tolerates dry conditions once established - grow in full sun. Zones 6-9

'Little Bunny' Petite & showy, great choice for rock gardens, borders and perennial beds. Buff color late summer seed heads. Zones 5-9

'Piglet' pp Sized between Hameln and Little Bunny, grows to 18". Great for tall edging and containers, Zones 5-9

4 Qt/each \$4.95
