(b) Subject as hereinafter provided overtime shall be distributed on a roster system between workers competent to do the work but a worker shall not be entitled to claim overtime on work outside his normal classification unless required so to work by the employer. Provided that a worker shall have the right to forfeit his place on the roster if he obtains a replacement suitable to the employer to perform any work required, but any such replacement shall maintain his own place on the roster.

(5) Each worker who boards at the works canteen shall have an amount equivalent to twenty-seven per cent. (27%) of the basic wage for the Goldfields Areas and all other portions of the State, exclusive of the South-West Land Division, deducted from his wages weekly.

(6) Subject to clause 15 hereof, notwithstanding that the rates of pay are set forth on a weekly basis, there shall be no obligation on the part of the employer or the workers to give a week's notice or any other notice to determine the employment, the position being in this respect the same as if the worker was employed at a daily wage.

(7) All delegates shall be officially recognised by the employer.

## 8.—Preference.

(1) Preference of employment in respect of tasks for which rates of wages are specified in this award shall be given to members of the union who are parties to this award, provided they are competent workmen for the task for which they are selected and do their work to the satisfaction of the employer.

(2) Subject to preference to members of the union who are a party to this award, the employer shall have the right—

For the purposes of this paragraph, a non-member of the union shall include an unfinancial member who shall within fourteen (14) days of commencing employment become financial.

## 9.—Hours.

(b) Where Christmas Day or New Year's Day falls on a Saturday or a Sunday, such holiday shall be observed on the next succeeding Monday and where Boxing Day falls on a Sunday or a Monday such holiday shall be observed on the next succeeding Tuesday; in each such case the substituted day shall be deemed a holiday without deduction of pay in lieu of the day for which it is substituted.

(2) Whenever any holiday falls on a worker's ordinary working day and the worker is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday.

(3) Payment for holidays shall be at the rate pertaining to each worker's task.

(4) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

## 12.—Annual Leave.

(1) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with that employer, but where a worker completes that twelve months' continuous service on or after the 30th November, 1963, he shall be allowed three (3) consecutive weeks' leave instead of the two (2) consecutive weeks' leave prescribed herein.

(2) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such day observed as aforesaid.

(3) (a) Subject to paragraph (b) when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that the worker is on annual leave and/or holidays. Provided that no deduction shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(b) Approved periods of absence from work caused through accidents sustained in the course of employment shall not be considered breaks in continuity of service but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(4) After one (1) month's continuous service in any qualifying twelve monthly period a worker whose employment terminates shall be paid, in respect of each completed month of continuous service in that qualifying period—

(a) one-sixth ( $\frac{1}{6}$ ) of a week's pay at his ordinary rate of wage if he leaves his employment before the 30th November, 1963, and one-quarter ( $\frac{1}{4}$ ) of a week's pay at his ordinary rate of wage if he leaves his employment on or after that date;

(b) one-quarter of a week's pay at his ordinary rate of wage if his employment is terminated by the employer through no fault of the worker after the 7th day of October, 1963, and one-sixth ( $\frac{1}{6}$ ) of a week's pay at his ordinary rate of wage if his employment is so terminated on or before that date.

(5) (a) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefit of the provisions of this clause.

(b) In special circumstances and by mutual consent of the employer, the worker and the union concerned, annual leave may be taken in not more than two (2) periods.

(6) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them. Provided that nothing herein contained shall deprive the employer of his right to retain such worker at work during the close-down period as may be essential.

(7) Workers regularly working for the works north of South Latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the employer. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

(8) "Ordinary wages" for the purpose of subclause (1) hereof shall mean the average rate of wage the worker has received over the period of his employment in respect of his ordinary hours of work.

(9) This clause shall not apply to any worker, who without reasonable cause and without the consent of the employer leaves his employment before the end of the guaranteed period.

## 13.—Sick Leave.

(1) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth ( $\frac{1}{12}$ ) of a week for each completed month of service. Provided that, subject to subclause (4) hereof, payment for absence through such ill-health shall be limited to one (1) week in each calendar year in respect to each worker. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(2) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of any accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(3) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(4) (a) In the case of a regular worker sick leave shall accumulate from year to year while he remains a regular worker so that any balance of the period specified in subclause (1) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year.

(b) For the purposes of this subclause a regular worker shall be deemed to be a worker who continues work for such period as the employer feels is necessary to complete the season's operations and who recommences work for the next ensuing season.

#### 14.—Travelling.

(1) (a) Subject as hereinafter provided each worker (except those engaged at Broome) shall be entitled to passage from place of engagement to Broome and travelling time allowance.

(b) Any worker who leaves of his own accord or is dismissed for misconduct before the end of the season's operations as defined in clause 15 shall be liable to refund the cost of his fare to Broome and any wages due to him shall be retained as part payment, and the balance will be legally recoverable.

(2) Subject as hereinafter provided each worker shall be entitled to passage from Broome to place of engagement, and travelling time allowance after termination of work in his department or when his services are not further required by the employer provided that his duties have been performed to the satisfaction of the employer.

(3) When required by the employer to travel by plane the travelling time allowance referred to herein shall be at the task rate applicable but if the travelling time exceeds one day subsequent days shall be at half rate, but otherwise such allowance shall be at the rate of seventeen shillings and sixpence (17s. 6d.) per day.

(4) Passage may be either by ship or plane at the discretion of the employer.

#### 15.—Guarantee.

(1) There shall be a guarantee of work for sixteen (16) weeks (or such longer period as may be fixed by the employer prior to the engagement of seasonal workers) from the date of commencement of slaughtering in respect of workers engaged in Perth or Fremantle, provided that this guarantee shall not apply in respect to any worker who is dismissed for misconduct or who is unable satisfactorily to perform the work for which he is engaged.

(2) Each such worker shall be engaged on the express condition that he will perform any work required by the employer during the guaranteed period and during such additional period as may be necessary in the opinion of the employer to complete the season's operations.

#### 16.—Breakdowns, Etc.

The employer shall be entitled to deduct payment for any day or portion of a day on which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

#### 17.—Board of Reference.

(1) The Court hereby appoints for the purpose of this award, a Board of Reference.

(2) The Board shall consist of a chairman, to be appointed by the Court and two (2) other representatives, one to be nominated by each of the parties.

(3) The Board is hereby assigned the following functions in the event of a disagreement between the parties bound by this award:—

(a) Adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretation of the provisions of this award or any of them.

(b) Deciding any other matter that the Court may refer to the Board from time to time.

(b) Assistants	4 1 0
----------------	-------

#### 19.—First Aid.

The employer shall keep at the works for the use of the workers a First Aid Kit, fully stocked according to a schedule to be laid down by St. John Ambulance Association.

#### 20.—Shift Work.

(1) Shifts may be worked in departments where operations are continuous or are required for more than twelve (12) hours per day.

(2) (a) Where any particular process is carried out on shifts other than day shift and less than five (5) consecutive afternoon or five (5) consecutive night shifts are worked on that process, then workers employed on such afternoon or night shifts shall be paid at overtime rates.
