

## Species Index

Page numbers in italics refer to the subject of the papers

- Aedes albopictus*, 281–287  
*Agaricus*, 374  
  *campestris*, 372, 373  
*Allium*, 17  
  *cepa*, 185–195  
  *kachrooi*, 22  
  *schoenoprasum*, 172  
  *subvillosum*, 185–195  
*Amphicarpaea bracteata*, 347, 352  
*Arianta arbustorum*, 115  
*Armadillidium*, 81  
  *aquaticum*, 85  
  *nasatum*, 425  
  *vulgare*, 419, 423, 424  
*Artemia salina*, 342  
*Avena* spp., 352  
  *agadiriana*, 403  
  *barbata*, 403, 409  
  *canariensis*, 403–411  
  *fatua*, 409  
  
*Bidens cynapiifolia*, 142  
  *discoidea*, 142  
  *frondosa*, 142  
  *pilosa*, 139–143  
  *sandvicensis*, 140  
  *tripartita*, 142  
*Biomphalaria glabrata*, 174  
*Biston betularia*, 429  
*Bombyx mori*, 18  
*Brassica* spp., 392  
*Bufo boreas*, 413  
*Bulinus cernicus*, 174  
  
*Cactoblastis cactorum*, 360  
*Callimorpha quadripunctaria*, 87–92  
*Ceriatrion*, 341  
  *tenellum*, 342  
*Cestrum*, 268  
*Chorthippus brunneus*, 20, 22  
  *jucundus*, 17–23  
  *parallelus*, 17–23  
  *vagans*, 17–23  
*Chortoicetes terminifera*, 20, 22  
*Chrysochraon dispar*, 17, 20  
*Cirsium undulatum*, 247  
*Clarkia biloba*, 410  
  *lingulata*, 410  
  *xantiana*, 105  
*Clausilia itala*, 115  
*Climacium americanum*, 223–238  
  var. *kindbergii*, 235  
  *dendroides*, 237  
*Cochlodina laminata*, 113–120  
*Coenagrion puella*, 345  
*Columba livia*, 413  
*Crepis*, 22  
  *capillaris*, 377–385  
*Cucumis sativa*, 372, 374  
*Cygnus columbianus*, 73–80  
  *cygnus*, 73–80  
  *olor*, 73–80  
  
*Dendrocoelum lacteum*, 17  
*Diataraxia oleracea*, 329  
*Dichroplus pratensis*, 145–159  
*Drosophila*, 63, 65, 100, 124, 151, 157, 158, 177, 215, 221, 230,  
  263–269, 328, 342, 355, 359, 362, 364, 372, 374, 395–401,  
  427  
  *albomicans*, 269  
  *albostrigata*, 269  
  *americana*, 256, 259  
  *busckii*, 371–375  
  *buzzatii*, 355–365  
  *cardinoides*, 263  
  *flavipilosa*, 263–269  
  *guaramunu*, 263  
  *kohkoa*, 269  
  *littoralis*, 255  
  *lummei*, 255–262  
  *mediopunctata*, 263–269  
  *melanogaster*, 18, 63, 67, 192, 193, 215–222, 223–231, 255,  
  260, 261, 319, 363, 372, 395–401  
  *mojavensis*, 372, 374  
  *nasuta*, 263, 269  
  *nebulosa*, 263–269  
  *novamexicana*, 256, 259  
  *polymorpha*, 263  
  *pseudoobscura*, 267  
  *simulans*, 255, 261  
  *subobscura*, 55–66  
  *suboccidentalis*, 372, 374  
  *sulfurigaster*, 269  
  *texana*, 259, 260  
  *virilis*, 255–262  
  *willistoni*, 263–269, 410  
  
*Eichhornia paniculata*, 271–280  
*Enallagma*, 341  
*Enteromorpha* sp., 420  
*Erysiphe fischeri*, 347  
  *graminis* sp. *tritici*, 247  
*Euchorthippus chopardi*, 17–23  
  *pulvinatus*, 17–23  
*Eyprepocnemis plorans*, 20, 22  
  
*Flavobacterium* spp., 414  
*Fritillaria*, 17  
  
*Gammans duebeni*, 419, 424  
*Gammarus oceanicus*, 85  
*Gibasis linearis*, 384  
*Gilia achilleifolia*, 106  
*Glycine argyrea*, 347–353  
  *canescens*, 347, 348, 351, 352  
  *max*, 247  
  
*Haplopappus aureus*, 43  
  *venetus*, 43  
*Helianthus annuus*, 43  
*Heteracris littoralis*, 20  
*Hordeum vulgare*, 305–313  
  ssp. *spontanum*, 239–250  
  ssp. *vulgare*, 241, 243  
*Hypochoeris*, 22, 384

- Ipomoea hederacea*, 106  
*purpurea*, 105  
*Ischnura damula*, 341, 343, 345  
*demorsa*, 341, 343, 345  
*elegans*, 342, 345  
*graellsii*, 341–346  
*pumilo*, 342  
*ramburi*, 344, 345  
*Isotoma anaethifolia*, 290  
*axillaris*, 290  
*petraea*, 289–295  
  
*Lacerta vivipara*, 131–138  
*Lamium album*, 87  
*Layia discoidea*, 29–44  
*glandulosa*, 29–44  
    ssp. *glandulosa*, 29–44  
    *lutea*, 29–44  
*Leptysma argentina*, 154  
*Lestes barbarus*, 342  
*dryas*, 342  
*virens*, 342  
*viridis*, 342  
*Lilium*, 17  
*Lolium multiflorum*, 45, 311  
*perenne*, 45–53, 221, 311  
*temulentum*, 45–53  
*Lotus corniculatus*, 387  
*Lupinus texensis*, 248  
*Lymnaea peregra*, 169–175  
*stagnalis*, 174  
  
*Melanoplus femur-rubrum*, 21  
*Mimulus cupriphilus*, 111  
*guttatus*, 111  
*Monodelphis domestica*, 251, 253  
*Musca domestica*, 315–321  
*Muscari comosum*, 185–195  
*Myrmeleotettix maculatus*, 20, 203, 379, 384  
  
*Najas marina*, 384  
*Nezara viridula*, 161–167  
*Nicotiana rustica*, 105  
  
*Oedaleonotus enigma*, 154  
*Omocestus panteli*, 17–23  
*Oncorhynchus mykiss*, 413–417  
*Opuntia*, 355  
*Orchestia gammarella*, 419  
  
*Panaxia dominula*, 91  
*Papaver bracteatum*, 367–370  
    *orientale*, 367–370  
    *somniferum*, 367, 368  
*Parapleurus alliaceus*, 17, 21  
*Passer domesticus*, 76  
*Pellia borealis*, 237  
*epiphylla*, 237  
*Pentaglottis sempervirens*, 87  
*Phakopsora pachyrhizi*, 347–353  
*Phaseolus* 430–431  
    *acutifolius*, 430  
    *coccineus*, 430  
    *lunatus*, 430, 431  
    *vulgaris*, 430  
  
*Phaulacridium*, 158  
*Plagiochila asplenioides*, 237  
*Platorchestia platensis*, 85  
*Polytrichum juniperinum*, 331–340  
*Porcellio*, 81  
    *dilatatus*, 85  
*Porcellionides virgatus*, 90  
*Primula vulgaris*, 121–124  
*Pseudococcus affinis*, 203  
*Puccinia coronata*, 352  
*Puschkinia libanotica*, 384  
*Pyrrhosoma*, 341  
  
*Ramaria*, 372, 374  
*Rumina decollata*, 174  
  
*Salmo trutta*, 297–304  
    ssp. *dentax*, 297  
    *macedonicus*, 297  
    *macrostigma*, 297  
    *mediterranea*, 302  
    *pelagonicus*, 297, 298  
    *peristericus*, 297  
*Sarracenia purpurea*, 177–183  
*Schistocerca*, 384  
*Scilla autumnalis*, 185–195  
    *sibirica*, 193  
*Secale cereale*, 125–130, 197–204  
    *montanum*, 125  
*Senecio squalidus*, 43, 88, 139, 143, 393  
    *vulgaris*, 43, 139, 142, 143, 347, 391–393  
*Sitophilus oryzae*, 323–330  
*Sminthopsis crassicaudata*, 17, 251, 253  
*Solanum goniocalyx*, 429  
    *tuberosum*, 429  
*Solonopsis invicta*, 93–103  
    *richteri*, 93–103  
*Sorghum vulgare*, 247  
*Sphaeroma rugicauda*, 81–85, 419–425  
*Sphagnum*, 237  
*Stethophyma grossum*, 17, 21  
*Symphytum officinale*, 87  
*Synchytrium decipiens*, 347, 352  
  
*Taraxacum officinale*, 247  
*Tettigidea lateralis*, 384  
*Tragopogon dubius*, 247  
*Tribolium*, 223, 328  
*Trichopoda pennipes*, 166  
*Trichosurus vulpecula*, 251–254  
*Trifolium pratense*, 311  
    *repens*, 387–390  
*Triticum aestivum*, 247  
*Triturus cristatus*, 17, 22  
    *helveticus*, 17, 22  
*Tulbaghia*, 17, 22  
*Turnera ulmifolia*, 106  
    var. *angustifolia*, 105–112  
  
*Urtica dioica*, 88  
  
*Vicia faba*, 185  
  
*Zea mays*, 384  
*Zootoca vivipara*, see *Lacerta vivipara*
