This program is designed to showcase Canadian investment opportunities to Japanese investors. The program consists of six virtual events to be held throughout 2021. Each event will focus on a region in Canada and the corresponding Supercluster from Canada's Innovation Superclusters Initiative. This program is co-hosted by the Japan Society, Invest in Canada, and JETRO Toronto.

Based in Québec, spanning the Montréal-Waterloo corridor, the [Scale AI Supercluster](#) is bringing the retail, manufacturing, transportation, infrastructure and information and communications technology (ICT) sectors together to build intelligent supply chains by accelerating the integration of AI across business sectors.

Time: 7:00 p.m. – 8:30 p.m. EDT

8:00 a.m. – 9:30 a.m. JST (October 15)
