

CHRIS BURT

Chris Burt has been working with children, youth and families for over 25 years. He holds a Masters of Arts in counseling Psychology and is trained as a family counsellor. Chris is currently the Clinical Director of Hollyburn Family Services, providing training and consultation to the Ministry of Children and Family Development on best practices in working with families, and has two kids that further his education

Chris Burt presents

SUPPORTING CHILDHOOD FRIENDSHIPS

A FREE seminar for parents with preschoolers. This event will help parents understand how young children learn to initiate and maintain play and friendships. Parents will learn the importance of this key developmental skill and how it is connected to other important issues such as emotional self-regulation, school readiness. Parents will discover how to support their preschooler to develop this vital social skill.
